Appeal No.613 /2015

Ms. Zubina Associate Professor, GGDC, Charsadda No.1.

(Appellant)

VERSUS

- 1. Govt of Khyber Pakhtunkhwa through Chief Secretary Civil Secretariat Peshawar.
- 2. Secretary to Govt of Khyber Pakhtunkhwa Higher Education, Achieves & Libraries Department Peshawar.
- 3. Director Higher Education Khyber Pakhtunkhwa, Peshawar.

(Respondents)

Appeal under Section 4 of the Khyber Pakhtunkhwa Service Tribunal Act, 1974, against the notification dated 10.3.2014 whereby the appellant has been promoted on Acting Charge Basis as Associate Professor, though she was entitled to have been allowed regular promotion, against which the departmental appeal has not been responded.

Prayer in Appeal: -

On acceptance of this appeal the respondents may please be directed to vary/modify the notification dated 10.3.2014 to the extent of allowing her promotion on regular basis to the post of Associate professor BPS-19 with all arrears and benefits.

Respectfully submitted:

co-submitted to-day

1. That the Appellant was initially appointed as Subject Specialist BPS-17 through Public Service Commission in the year 1995/1996/1999 respectively. The Subject specialist are usually posted in Higher Secondary Schools and teaching to FA/FSc

- classes. (Copies of the appointment notifications are attached as Annexure A)
- 2. That the Appellant while serving in the said capacity applied for the post of Assistant Professor BS-18 advertised by the Public Service Commission, participated in the selection process and remained successful, she was thus appointed as Assistant Professor BPS-18 Vide Notification dated 5.7.2008 & 30.8.2008, pursuant to the recommendation of the Public Service Commission. (Copies of the advertisement & appointment notifications as Assistant Professor are attached as Annexure B, C &D)
- 3. That the next post in the channel of promotion from the post of Assistant Professor BS-18 is Associate Professor BS-19, the post is 100% promotion post to be filled on seniority cum fitness basis. As per the promotion policy the length of service required for the post of Associate Professor BS-19 has been mentioned as 12 years service in BS-17 & above, while those directly appointed in BS-18, 7 year service was required in BS-18. (Copies of the promotion policies are attached as Annexure E & F)
- 4. That the appellant having her seniority and all eligibilities was duly considered for promotion however, quite illegally was allowed promotion vide notification dated 10.3.2014 to the post of Associate Professor BPS-19 on Acting Charge Basis while ignoring the service of appellant rendered in BS-17 as Subject Specialist. (Copies of the Seniority list & promotion notification are attached Annexure G & H)
- 5. That the appellant represented against the non allowing promotion on regular basis, albeit no action was taken thereon within the

stipulated period. (Copy of the representation is attached as Annexure I)

6. That the above acts and omission of the respondents in not allowing regular promotion & depriving the appellant of their due rights are illegal, unlawful in violation of the rules, since the appellant have got no remedy available in law are thus constrained to invoke the Constitutional jurisdiction of this Honourable Tribunal inter alia o the following grounds: -

GROUNDS OF APPEAL:

- i. That the Appellant has not been treated in accordance with law and their rights secured and guaranteed under the law have been violated.
- ii. That under the rules the appellant was fit and eligible for promotion to the post of Associate Professor BPS-19 on regular basis, however allowing promotion on acting charge basis is illegal and unlawful.
- iii. That the respondent have acted in violation of section 9 of the Civil Servant Act, 1973 read with Rule 9 of the Khyber Pakhtunkhwa Civil Servants (Appointment, Promotion & Transfers) Rules, 1989, in the instant case though the appellant have all the eligibilities and fitness, but their juniors were considered and promoted on regular basis, thus the acts and omissions of the PSB is violative of law and the rules.

- iv. That the length of service of the appellant in BS-17 as Subject Specialist has not been counted for the purpose of promotion, thus deprived her of regular promotion, interestingly similarly placed lecturer who were appointed in colleges were allowed to count their service despite their direct appointment as Assistant Professor BS-18, thus highly discriminated the appellant in the matter of promotion on regular basis.
- v. That under the rules the appellant was fit and eligible for promotion to the post of Associate Professor BS-18 on regular basis, however allowing promotion on acting charge basis is illegal and unlawful.
- vi. That the appellant was the selectees of Public Service Commission as Subject Specialist BS-17 like lecturers and even better as some of the lecturers who were allowed regular promotion were appointed on adhoc Basis are regularized without qualifying Public service commission.
- vii. That the appellant has been promoted on Acting Charge basis on the basis of their seniority, albeit quite illegally the respondents are wrongly interpreting the promotion policy and considering that the appellant having not been promoted on regular basis thus have lost their seniority, though under the law unless superseded the appellant could not been deprived of their seniority.
- viii. That the appellant has initially filed writ petition No. 2462/2014 in the Honorable Peshawar High Court Peshawar, however, the honorable court vide judgment and order dated 25.2.2015, send the writ petition to this honorable Tribunal for treating the same as

Service Appeal. Hence, this appeal has been filed in a proper format as per the requirement of Khyber Pakhtunkhwa Service Tribunal Procedure Rules 1974.

ix. That the appellant seeks the permission of this Honorable Court to rely on additional grounds at the hearing of this appeal.

It is therefore prayed that on acceptance of this appeal the respondents may please be directed to vary/modify the notification dated 10.3.2014 to the extent of allowing her promotion on regular basis to the post of Associate professor BPS-19 with all arrears and benefits.

This Department's Circular letter No.SORI(S&GAD)1-29/75(A), dated 13.2.1993,on the subject noted above and to state that it has been noticed that certain Provincial Government Departments are resorting to the practice of posting officers in a lower scale on posts in higher scales. This practice is against the provisions of NWFP Civil Servants Act, 1973 and rules made thereunder as well as the instructions of the Establishment Division reproduced below:-

> "The grant of higher appointments to junior officers against senior posts amounts to accelerated promotion in view of the decision given by the Supreme Court of Pakistan in the case of Government of Pakistan Versus Qazi Abdul Karim. The Ministries/Divisions or Provincial Governments can only fill vacancies in a particular grade by officers of the same grade, and officers in a junior grade will not be appointed against a vacancy in a higher grade".

It may be pointed out that in the light of rule 9 of the NWFP Civil Servants (Appointment, Promotion and Transfer) Rules, 1989, the methods prescribed for posting a junior officer to a higher post are restricted to the following only:-

Where the senior most officer in a cadre is otherwise fully eligible for promotion but does not possess the specified length of service, the competent authority may appoint him to the higher post on acting charge basis, but only on the recommendation of Departmental Promotion Committee/Selection Board and subject to the condition that such officer, lacks the prescribed length of service not more than (one year).

CURRENT CHARGE APPOINTMENT OF A HIGHER POST ii)

> Only the senior-most officer of a cadre can be given current charge appointment of a higher post with the approval of the competent authority. However, this can only be an arrangement upto a maximum of six months.

> > or the second of

#### ADDITIONAL CHARGE APPOINTMENT OF AN EQUIVALENT POST

An officer can be given the additional charge of a second post but only of a post in an equivalent grade, upto a period of six months by the competent authority.

- Adherence to the above rules is a legal requirement so that the actions taken by officers are not held at any stage to be irregular. Also, appointments in violation of the rules post on acong chair. constitute administrative indiscipline.
- ai Promeder ex I am, therefore, directed to request that all such cases of arregular appointments be reviewed and ensure not to resort to such appointments that violate the provisions of the Civil Servants Act and the statutory rules framed thereunder.
- I am further directed to request that these instructions may be brought to the notice of all concerned for strict compliance:

#### Appointment against higher post

A point has been raised by the District Accounts Officer, Mansehra whether a higher post can be filled in for indefinite period by appointment of an incumbent holding lower post without having relevancy to the nature of duty and basic qualification of the post etc or otherwise?

- In this connection attention is invited to the Government of NWFP S&GAD's Circular letter No.SORI(S&GAD)1-29/75(A), dated 5th July,1994 wherein the position has fully been explained. However, the point has carefully been re-examined in the Finance Department. At the very outset it is made clear that for all intents and purposes, the NWFP Civil Servants Act, 1973 being the latest instrument, duly approved by the NWFP Provincial Assembly and the NWFP Civil Servants (Appointment, Promotion & Transfer), Rules,1989 which have been framed under Section 26 of Act ibid have to be followed in the matter of appointments.
- 3. Under Section 5 of the NWFP Civil Servants Act,1973, the appointment to a Civil Service of the Province or to a post in connection with the affairs of the Province shall be made in the prescribed method by the Governor or by a person authorised by the Governor on that behalf.
- 4. Under Rule 3 (2) of the NWFP Civil Servants (Appointment, Promotion and Transfer) Rules, 1989, the method of appointment qualifications, and other conditions, applicable to a post shall be such as laid down by the department concerned in consultation with Services & General Admn. Department and Finance Department.
- 5. Under Rule 10(3) of the above mentioned Rules, a candidate for initial appointment to a post must possess the educational or technical qualifications and experience.
- The appointment by initial recruitment to a higher post or total different post has to be made strictly in the prescribed manner and any deviation would not be in accordance with law and rules on the subject. The phrase "adjustment" is also not covered under the above rules. Moreover, an opportunity of appointment against a higher post is available to serving Government servants and they in accordance with the provisions contained in Rule 9 of the NWFP Civil Servants (Appointment, Promotion and Transfer); Rules, 1989 can be appointed on Acting Charge or Current Charge basis.

7 lade in In the circumstances, the reply to the point as raised in para-1 above that whether a higher post can be filled in for indefinite period by appointment of an incumbent holding lower post without having relevancy to the nature of duty and basic qualification of the post etc is in negative.

In continuation of Establishment Division's O.M No.2/25/69-C.1, dated 31.7.1979, the undersigned is directed to say that it has been observed with regret that despite repeated instructions issued by the Establishment Division regarding appointment of Government servants against higher posts other than in accordance with rules and prescribed procedure,

Appointment in Higher Grades/Posts

Instances have come to the notice where civil servants in lower grades have been appointed to higher posts but the posts have not been downgraded with the result that the concerned civil servants come up with requests for promotion benefits in view of the decision given by the Supreme Court of Pakistan in the case of 'Government of Pakistan Versus Qazi Abdul Karim'. This is in contravention of the above instructions which is not desirable administratively.

It appears that either the aforesaid instructions have been lost sight or these instructions have not been brought to the notice of all concerned. It is, therefore, re-iterated that the Provincial Government can only fill vacancies in a particular grade by officers of the same grade and officers of junior grade will not be appointed against a vacancy in a higher grade. If it is necessary to do so, due to exigencies of service, the post should be downgraded with the approval in the first instance of the S&GAD who will seek approval of the Finance Department.

The President directed that appointment of officers of lower grades to posts in higher grades without going through the prescribed selection process must cease and that vacancies in a particular grade shall only be filled by officers of the same grade. It has been reported that these instructions are not being followed by some of the departments and Civil Servants in lower grades continue to be appointed against posts in higher scales without downgrading them.

27th th While replying to Supplementary question on 21st October, 1987, the Chief Minister, NWFP was pleased to give an assurance to the Provincial Assembly to the effect that as per instructions already issued by Government to all Departments, no officer in lower grades shall henceforth be posted against vacancies in higher grades and that all such posts shall in future be filled in on regular basis by way of promotion or through initial recruitment, as the case may be, in accordance with the prescribed manner.

3. I am, therefore, to request that the above instructions may kindly be brought to the notice, of all concerned once again and that they may be directed to abide by these instructions in letter and spirit.

To,

The Secretary, Higher Education,

Khyber Pukhtoonkhwa, Peshawar.

Subject:

APPEAL FOR ISSUANCE OF CORRIGENDUM IN PROMOTION ORDERS ON PERMENET BASIS INSTEAD OF ACTING CVHARGE BASIS OF ASSOCIATE

PROFESSORS IN BPS-19.

R/Madam.

It is humbly submitted that we have been appointed as Assistant Professors in BPS-18 through Public Service Commission after completion of all codal formalities. It is to inform your good self that we had initially been appointed by Public Service Commission in BPS-17 against the post of Subject Specialist. We all had at least seven years service in BPS-17.

Now we have been promoted as Associate Professors in BPS-19 on acting charge basis ignoring our service in Previous scales (BPS-17). Though we deserved to be promoted on permanent charge basis due to the following facts.

- 1. That we are selectees of Public Service Commission like lectures and even better as some of the lecturers appointed on Adhoc contract basis have been regularized without qualifying Public Service Commission.
- 2. We have the same qualification as lecturers have.
- 3. We have taught the students at college level.
- 4. We are employees of Education department.
- 5. Our services in BPS-17 have been considered for appointment in BPS-18 by Public Service Commission.

Keeping in view the above mentioned facts our appeal seems very deplorable.

We therefore request your gracious honour that our services in BPS-17 as Subject Specialist may please be considered in our favour and we may be relieved of the stress and mental agony.

We are hopeful for a positive response.

Yours Obediently,
Sumbla Yousaf, Asstt: Prof. of
Home Economics, GTBGC,
Charsadda.

ii. Faryal Shah, Asstt: Prof. of Botany, GGC, Matha, Peshawar.

iii. Zubina Asstt: Prof. of History cum Civics GGC Noshera

Posting of Junior Officers on Posts in Higher Scale

This Department's Circular letter No.SORI(S&GAD)1-29/75(A), dated 13.2.1993, on the subject noted above and to state that it has been noticed that certain Provincial Government Departments are resorting to the practice of posting officers in a lower scale on posts in higher scales. This practice is against the provisions of NWFP Civil Servants Act, 1973 and rules made thereunder as well as the instructions of the Establishment Division reproduced below:-

"The grant of higher appointments to junior officers against senior posts amounts to accelerated promotion in view of the decision given by the Supreme Court of Pakistan in the case of Government of Pakistan Versus Qazi Abdul Karim. The Ministries/Divisions or Provincial Governments can only fill vacancies in a particular grade by officers of the same grade, and officers in a junior grade will not be appointed against a vacancy in a higher grade".

2. It may be pointed out that in the light of rule 9 of the NWFP Civil Servants (Appointment, Promotion and Transfer) Rules, 1989, the methods prescribed for posting a junior officer to a higher post are restricted to the following only:-

# is Overland

V. 119.

## ACTING CHARGE APPOINTMENT AGAINST A HIGHER POST

Where the senior most officer in a cadre is otherwise fully eligible for promotion but does not possess the specified length of service, the competent authority may appoint him to the higher post on acting charge basis, but only on the recommendation of Departmental Promotion Committee/Selection Board and subject to the condition that such officer lacks the prescribed length of service not more than (one year).

ii) CURRENT CHARGE APPOINTMENT OF ATHIGHER POST

Only the senior-most officer of a cadre can be given current charge appointment of a higher post with the approval of the competent authority. However, this can only be an arrangement upto a maximum of six months.

Appeniii) ADDITIONAL CHARGE APPOINTMENT OF AN EQUIVALENT POST

An officer can be given the additional charge of a second post but only of a post in an equivalent grade, upto a period of six months by the competent authority.

3. Adherence to the above rules is a legal requirement so that the actions taken by officers are not held at any stage to be irregular. Also, appointments in violation of the rules constitute administrative indiscipline.

4. I am, therefore, directed to request that all such cases of arregular appointments be reviewed and ensure not to resort to such appointments that violate the provisions of the Civil Servants Act and the statutory rules framed thereunder.

11. 12. 13. 14. HARGE APPOINTMENT OF A HIGHER POST

5. I am further directed to request that these instructions may be brought to the notice of all concerned for strict compliance.

Civil Petition No.279 of 2008, decided on 17th March, 2008.

(On appeal from the judgment and order of the Federal Service Tribunal, Islamabad, dated 11-12-2007, passed in Appeal No.641(R) CS of 2004).

#### (a) Civil service---

----Promotion---Principles---Promotion is not a vested right of civil servant---Promotion in non-selection post, is made on the basis of seniority-cum-fitness and civil servant cannot ask for, or claim a promotion as a matter of right as it is within the exclusive domain of the government---Neither the promotion could take place automatically, nor the seniority alone is the deciding factor, as number of factors constitute fitness for promotion---Act of mere technical irregularity with regard to promotion of civil servant having been instantaneously ratified by the authorities after being pointed out, per se would not be sufficient to hold that such action had any dent of malice on the part of authorities in the matter of promotion.

#### **JUDGMENT**

MUHAMMAD MOOSA K. LEGHARI, J.---Instant petition for leave to appeal is directed against the judgment dated 11-12-2007, passed by Federal Service Tribunal, Islamabad, whereby service appeal filed by the petitioner was dismissed.

2. The facts forming the background of this petition are that the petitioner was initially appointed as a Garden Supervisor in 1964 and was promoted as Sub-Divisional Officer (BS-16) and

promoted to the post of Executive Engineer/Deputy Director (BS-18) on 13-11-1995. In 1992 a new post of Director/Superintending Engineer (Horticulture) was notified on 25-4-1992, which was to be filled through promotion from Deputy Director (Horticulture) (BS-18) having 12 years service in (BS-17) and above or 7 years service in (BS-18). As claimed by the petitioner, he had legitimate expectation for such promotion being sole candidate having requisite eligibility. However, Ministry of Housing and Works converted/re-designated this post of Director (Horticulture) into that of Superintending Engineer (Planning and Design), which was allocated to the office of Chief Engineer, Central Zone vide letter dated 1-4-2004. Being aggrieved of the said conversion/re-designation, the petitioner approached the Federal Service Tribunal after rejection of his departmental appeal.

- 3. Learned Advocate Supreme Court for the petitioner mainly contended that the conversion/redesignation was violative of law as it was objected to by the Ministry of Finance, resultantly, the said re-designation has to be withdrawn. It was argued that such re-designation of the post was tainted with malice in order to deprive the petitioner of his vested right of being promoted to the said post. Learned Advocate Supreme Court contended that the petitioner was entitled to all the benefits of promotion after his retirement. In support of his contentions, learned Advocate Supreme Court for the petitioner has placed reliance on 1997 PLC (C.S.) 77, 1998 SCMR 736, PLD 1991 SC 1118, 1998 PLC (C.S.) 980, 1991 PLC (C.S.) 587, 1985 SCMR 1158, PLD 1997 SC 84, PLD 2003 SC 110. 2007 SCJ 41, 1997 PLC (C.S.) 1210 and 2001 PLC (C.S.) 654.
- 4. Having considered the submissions made on behalf of the petitioner, we find the same to be without force. It goes without saying that promotion to a certain post, has never been considered to be a vested right of a civil servant. It is well recognized principle of law that in case of non-selection post, the promotion is made on the basis of seniority cum-fitness and no civil servant can ask for, or claim a promotion as a matter of right as it is within the exclusive domain of the government. Neither the promotion could take place automatically, nor the seniority alone is the deciding factor, as number of factors constitute fitness for promotion. The learned Advocate Supreme Court for the petitioner has not been able to show that there was any malice on the part of the respondents, so far as the conversion/re-designation of the post is concerned. An act of mere technical irregularity having been instantaneously rectified by the respondents after being pointed out by Ministry of Finance, per-se would not to be sufficient to hold that such action has any dent of malice on the part of respondent Ministry. The conversion of the post was notified on 1-4-2004 and it is not the case of the petitioner that he was denied the right of consideration for promotion before the said date. It appears that soon after the rectification of the irregularity on 12-11-2005, the petitioner was allowed the charge of Director (Horticulture) (BS-19) on 31-1-2006 and after assuming the charge of higher post he was allowed special pay also for the same. Subsequently, on 4-8-2006, the petitioner was notified to be promoted on the said higher post on regular basis.
- 5. It is an admitted fact that during the pendency of his appeal the petitioner stood retired, as such could not be considered for promotion with retrospective effect.
- 6. It may be noted that the question of ante-dating the promotion would only arise, in case if, the petitioner was already promoted, which was admittedly not the case of the petitioner. We have had the benefit of considering the case law relied upon by learned Advocate Supreme Court for the petitioner, but it was found to be of no help to advance the case of the petitioner. The Federal Service Tribunal has dealt with the case of the petitioner strictly in accordance with settled principles of law. There is no illegality or perversity in the impugned judgment as such it requires no interference. The petition being without merit is therefore dismissed and leave declined.

she applied because of having prescribed qualification, in response to which she was called for interview. But she was refused with the plea that the Higher Education Department on the advice of Law Department has not accepted the teaching experience of Subject Specialist at par with the teaching experience of Lecturers of the Colleges/Universities. She filed W.P.No.2700/2010 which was withdrawn with permission to file afresh one for challenging the vires of the impugned Notification, hence the instant writ petition She urged that the impugned Notification is offending the fundamental rights of the petitioner being violative of Articles-4, 25 and 27 of the Constitution of the Islamic Republic of Pakistan,1973 being discriminatory, unreasonable and irrational. She maintained that Subject Specialists teaching in Higher Secondary Schools, also teach the Students of FA/FSc, so the classification made by the respondents is wrong and illegal being not based on intelligible differentia. She maintained that the subject Specialists are extra qualified as compared to Lecturers. It is also contended that Subject Specialists and Lecturers are serving in the same BPS-17, so stand on the same pedestal.

experience is not at par with that of teaching staff of Higher Education Department. They defended their stance that petitioner in view of the Notification of the Higher Education Department, was rightly declined to be interviewed due to lack of prescribed experience. With regard to appointment of three incumbents in violation of the Rules, it is responded that they were appointed in violation of the Rules but prior to framing of the same and one wrong cannot justify the other

We have heard learned counsel for the parties and have gone through the record carefully with their valuable assistance.

Respondents through advertisement dates

Professors in Higher Education Department, two in Pakistan

Studies, one each in Computer Science, Math, Islamiat and Home

Economics. Petitioner applied for the post of Math and was called for interview but was not interviewed because of lack of required experience. The required qualification as stipulated in the advertisement is Ph.D in the relevant subject from a recognized advertisement is Ph.D in the relevant subject from a recognized advertisement with two years teaching/research experience in a

recognised college/university, or M.Phil in the relevant subject from a recognized university with five years teaching/research experience in a college/university; or Second Class Master Degree in the relevant subject from a recognized university with seven (07) years teaching experience in College/University or in Educational Administration Management. Petitioner, as per her version, is Subject Specialist of Math and is teaching in Higher Secondary Schools, having experience of teaching of higher secondary classes since 1999, so possesses the prescribed experience which has not been considered by the respondents for appointment against post of Assistant Professor.

the petitioner is of teaching in Higher Secondary Schools which has not been considered by the respondents at par with the teaching experience in Colleges/Universities. The petitioner assailed the impugned Notification being discriminatory and violative of the Fundamental Rights because Subject Specialists teaching in Higher Secondary Schools also teaches the College Classes of FA/Fsc, so be treated at par with teaching experience of College/University. The learned counsel for petitioner provided a self prepared Classification Table of educational institutions, according to which Subject Specialists and Teachers of High Schools are teaching

, K.

FA/FSc classes in Higher Secondary Schools while Lecturers of Colleges and Universities teach FA/FSc and BA/BSc in the Colleges and MA/MSc in the Universities. Though this table of classification. has not been issued by any competent authority so is signed by none. However, even if it is assumed to be correct, it itself is indicative of the fact that the Subject Specialists only teaches. FA/FSc students in the Higher Secondary Schools. Whereas Lecturers in the Colleges teach not only FA/Fsc but BA/BSc classes and if a Lecturer is posted in the University, he also teaches MA/MSc classes as per the table provided by the betitioner's counsel. Thus it would not advance the cause of petitioner.

The advertisement is based on the requirement of Notification No. SO(Colleges)XI-11/2000, dated 30.1.2002 which provides same minimum qualification for appointment by initial requirement, as provided in the advertisement . In Column of Mode of recruitment, it is provided that 20% posts of Assistant Professors are to be filled by initial recruitment and 80% on promotion, on seniority cum fitness from amongst the persons holding the posts of Lecturers having at least 5 years experience in BPS-17. This column clarifies the position that 80% posts of Assistant Professor are to be filled through promotion of Lecturers having 5 years experience while admittedly a subject specialist teaching in the

Higher Secondary School cannot be promoted as Assistant Professor.

Vide impugned Notification, the competent authority while exercising the delegated powers has framed Rules of Procedure for initial recruitment and promotion as a matter of policy. to streamline the smooth functioning of the concerned Department. It is the sole domain of the concerned authority to formulate policy to enhance efficiency by recruitment of eligible and qualified persons. As a matter of policy, it may enhance the standard of qualification as well as experience to boost the functioning capacity of the faculty and consequently the department concerned. Our system is based on trichotomy of powers; Legislature, Executive and the Judiciary, each one of which has its own domain of powers. One may not interfere or encroach in the field of the others. The executive has got its own spheres of formulation of policy and implementation thereof which may not and should not be interfered with. Same principle was laid down by the august Supreme Court in the case titled Executive District Officer (Revenue). District Khusab at Jauharabad Versus liaz Hussain (2011 SCMR - 1864)

appointed in violation of the policy. It is settled that one wrong cannot justify the other. If those individuals have been inducted in violation of the rules and policy formulated for recruitment, that may not become a ground for pressing into service the principle of discrimination which can only be agitiated in positive sense, and not vice versa.

10. For what has been discussed above, this petition fails and is accordingly dismissed.
