Civil Appeal No. 1518 of 1996, decided on 1st June, 1998.

(On appeal from the judgment dated 28-2-1996 of the Federal Service Tribunal, Islamabad passed in Appeal No. 529(R) of 1995).

Civil Servants Act (LXXI of 1973)---

---S. 8---ESTACODE, p.375, para. 3 at S. No. 75---Seniority---Civil servant's claim to seniority qua respondent was rejected by Departmental Authority as also by Service Tribunal---Validity---Civil servant alleged that he alone had been discriminated in his Department while others had been allowed 'seniority' with retrospective effect---As per practice of Department concerned coupled with instructions contained in ESTACODE, civil servant's case required reexamination by Department so that no discrimination should take place--Department concerned was directed by Supreme Court to re-examine civil servant's case and if other employees in Department whose cases were similar to that of civil servant had been given seniority with retrospective effect, civil servant would also be entitled to the same and his case should not be judged by different yardstick.

ESTACODE, p.375, para. 3; JS. No. 75 rel.

Fazal Elahi Siddiqui, Advocate Supreme Court and M.A. Zaidi, Advocate-on-Record for Appellant.

Date of hearing: 1st June, 1998.

JUDGMENT

SH. RIAZ AHMAD, J.---This appeal through leave of the Court is directed against the judgment and order dated 28-2-1996 delivered by the Federal Service Tribunal, Islamabad, whereby the appeal preferred by the appellant agitating his placement in the seniority list was rejected.

2. The facts in brief giving rise to the institution of this appeal are that on 21-11-1970 the appellant joined Military Engineering Service Department as Stenotypist. In May, 1980, the appellant was

selected for secondment (deputation) to Saudi Arabia as Stenotypist. In routine before proceeding abroad on secondment such deputationist is obliged to give an undertaking that he would forego his promotion if he proceeds abroad on deputation. According to the appellant although giving of such undertaking is mandatory but it was only a formality because on return to the country every such deputationist is promoted and is restored to his original seniority by way of pro forma promotion. The appellant proceeded to Saudi Arabia on 24-12-1980 and returned to Pakistan in September, 1984. According to him his promotion had fallen due on 20-1-1983. On return to Pakistan the appellant was promoted on 14-5-1985. The appellant made a representation that he be given retrospective promotion as in other cases with effect from 20-1-1983 the date on which Himmat Khan.

Stenotypist, next below the appellant had been promoted. The Engineer-in-Charge agreed and granted retrospective seniority to the appellant with effect from 20-1-1983 vide letter dated 12-1-1988. In this letter the retrospective seniority to many other deputationists was also allowed. After five years of the grant of retrospective seniority to the appellant a seniority list of Stenographers was issued on 28-4-1993 in which the appellant was placed at Serial No. 7 while respondent was shown at Serial No. 8. On 27-3-1994 respondent No. 4, who had not taken any step since publication of the first seniority list in 1988, after six years made representation to the Engineer-in-Charge to grant him seniority above the appellant. The Engineer-in-Charge being the Head of the Department rejected the representation. Aggrieved by the said rejection respondent No. 4 took an appeal against said order before the Secretary Defence, Government of Pakistan, which was accepted and the seniority of the appellant was reversed and as a result of the said order the appellant became junior to four other Stenographers. The appellant then made a departmental appeal to the Secretary Defence but the same was rejected and thus the appellant invoked the jurisdiction of the Federal Service Tribunal by way of an appeal which was also dismissed vide order dated 28-2-1996. The said order was then assailed through a petition for leave to appeal and leave was granted vide order dated 15-7-1996.

3. We have heard the learned counsel at length. It was vehemently contended that the undertaking given by the appellant and other deputationists was just a formality and all officials after completion of deputation period on return to Pakistan have consistently been granted seniority with retrospective effect. It was also contended that in the Military Engineering Service Department all officials who had gone abroad on deputation were given seniority with retrospective effect but it was the solitary case of the appellant who was refused such seniority. Our attention was drawn to the policy concerning promotion of civil servants on deputation abroad. The relevant instructions contained in Para. 3 at S. No. 75, page 375 of the ESTACODE read as under:

"3. It has, therefore, been decided with the approval of the President that:--

- (i) Promotion of a civil servant on deputation to an international agency, Foreign Government or private organisation abroad will only be considered after he resumes duty on return to Pakistan.
- (ii) Such officers may be given timely intimation to return so that they can earn at least one annual confidential report before their cases come up for consideration in accordance with their seniority position.

iii) If an officer returns, his case will be considered for promotion in the normal course. If he does not return in response to such intimation, his case will be deferred till he returns to Pakistan on completion of 5 years and earns a confidential report on his work for one full year after resuming duty. If approved for promotion, he will regain his original seniority. "

4. It was contended before us that in the light of the above instructions it was only the appellant in the department who had been discriminated while " others have been allowed seniority with retrospective effect. In view of the practice of the department coupled with the instructions reproduced above, we are of the view that the case of the appellant requires re-examination by the department so that no discrimination takes place. In this view of the matter we would dispose of the appeal with the observation that the case of the appellant should be re-examined and in case other deputationists in the department have been given seniority with retrospective effect, the appellant shall also be entitled to the same and his case shall not be judged by a different yardstick. However, there will be no order as to costs.

Order

22.11.2017

Learned counsel for the appellant present.

Learned Deputy District Attorney present.

Arguments heard. File perused.

Learned counsel for the appellant argued that he would press the present appeal to the extent that the respondent department may be directed to prepare seniority list of PST Teachers District Mardan strictly in accordance with the provision of Section 8 of Khyber Pakhtunkhwa Civil Servant Acts 1973.

Admittedly the appellant is a PST Teacher and as such is a Civil Servant too. The respondent department so far failed to produce any seniority list which includes the name of the appellant. In the circumstances of the case and in view of the stance of learned counsel for the appellant the respondent department is directed to prepare seniority list of PST Teachers District Mardan strictly in accordance with the legal provisions/Section 8 of the Khyber Pakhtunkhwa Civil Servant Act 1973. Parties are left to bear their own costs. File be consigned to the record room.

Disposed off accordingly.

6. The petitioner has sought regularization of his service in the light of a contract employee of BPS-18 of NAB whose services were regularized as Additional Director with effect from 26-6-2003 in (BPS-19) in pursuance of the approval of Prime Minister of Pakistan. Departmental Selection Committee of NAB was also in accord with the approval of the Prime Minister and accordingly a notification was issued in this regard. Though the requisite experience appears to be there but the qualification of Miss Aaliya Rasheed though not available on the record but submissions made at the bar were not denied that she is M. A. History. If the schedule is seen, then M.A. History is not a qualification for any post from BPS-16 to 21.

7. This case was also heard at length on 13-7-2010 but we were unable to understand that when a similarly placed person i.e. on contract and that too having no basic qualification for initial recruitment, can be inducted as a regular employee, and on the other side, a qualified and experienced person like petitioner who has worked within the NAB having many commendations at his credit, cannot be inducted as a regular employee when he has sufficient experience with the NAB at his credit. If such a person is not considered for his regular induction in the department with which he has worked for more than eight years then who else would consider him when such a long span of his attachment with the NAB has blocked other ways for him as at present his age would be the first impediment in his way for any such application for regular appointment as he is more than 35 years of age by now. The argument of the learned counsel for the respondents that the initial appointment of the petitioner was under section 28(f) of National Accountability Ordinance, 1999 and not against a sanctioned establishment post would not be so forceful to convince us as to why the petitioner is not a fit person to be regularized specially when the terms and conditions of service of the petitioner and that of the lady are almost similar. He was even not allowed to appear in the examination for regular advertised posts of BPS-18 as stated above. The procedure adopted for the regularization of service of the lady in the given circumstances can well be adopted for the petitioner as he being qualified and fit person for regularization of service also deserves the alike treatment. Article 25 of the Constitution of Islamic Republic of Pakistan unequivocally and expressly provides equality before law and equal protection of law to the equally placed persons. The status and experience of the two if considered, that is at par with an edge to the petitioner i.e. his requisite qualification for the job which is missing in the case of lady. There is no cavil to the proposition that equality before law is the basic concept of Islam and this concept has been borrowed by English, Americans and European Constitutions from Islam. Two similarly placed persons cannot be treated differently. The principle of equality before law and prohibition of discrimination between the similarly placed persons is the essence of rule of law. Even selective, discriminatory and distinctive treatment by the Government is also prohibited. So, the two similarly and equally placed persons cannot be treated differently and the petitioner in the circumstances not only deserves but is entitled to be treated alike.

8. As far as bar under section 11 or Order II, Rule 2 of C.P.C. is concerned, that would not become a legal hurdle in the way of petitioner as his earlier petition was not decided on its merits and was only dismissed being not maintainable. The relevant portion of the same is reproduced below:---

"2. ... Since the contract period of the petitioner has already been expired and the contract was not renewed, we in our constitutional jurisdiction cannot force the respondents either to extend his contract or to regularize his service.

3. Resultantly, this writ petition is misconceived which is hereby dismissed in limine along with interim."
