Service Appeal No. 1696/2022

Abdul Wahab ASI Dir LowerAppellant.

VERSUS.

1. Provincial Police Officer, Khyber Pakhtunkhwa Peshawar.
2. Regional Police Officer Malakand at Said Sharif, Swat.
3. District Police Officer Dir Lower Respondents.

PARA WISE COMMENTS ON BEHALF OF RESPONDENTS.

Respectfully Sheweth:

PRELIMINARY OBJECTIONS.

- 7) That the service appeal is not maintainable in its present form.
- 8) That the appellant has not come to this honourable Service Tribunal with clean hands.
- 9) That the present Service appeal is badly barred by law and limitation.
- 10) That this honorable Service Tribunal has got no jurisdiction to entertain the present service appeal.
- 11) That the appellant has concealed material facts from this honorable service tribunal.
- 12) That the present service appeal is badly time barred.

ON FACTS:

1. Pertains to record, hence needs no comments.
2. Pertains to record; however the appellant was found involved with co-accused in fake currency notes in the present case.
3. The appellant being member of police force committed gross misconduct by implicating innocent person in criminal case, handing over the accused to private persons and colluding with other accused in commission of offence. Therefore he was charged in the criminal case rightly.
4. The appellant was issued charged sheet, statement of allegations and the enquiry officer in his finding report recommended the appellant for major punishment. The competent authority in light of the recommendation of Enquiry Officer issued dismissal order. (Copy of charge sheet, statement of allegations enquiry/finding report and dismissal order enclosed as annexure "A" "B" -"C"- "D")
5. Correct as the honourable court of Additional District & Sessions Judge Timergara acquitted the accused giving them benefit of doubt rising from minor discrepancies.
6. Incorrect, the application of the appellant was timely responded and the competent authority converted the punishment of dismissal from service into forfeiture of three years approved Service vide order dated 30.03.2022. The appellant filed revision petition which was filed by the competent authority (Copy of the order enclosed as annexure "E").
7. The appellant has no cause of action to file the instant appeal as he concealed the facts from this Honorable Service Tribunal. Therefore the instant appeal is liable to be dismissed on following grounds.

GROUNDS

- I. Incorrect, the appellant was dismissed from service for the reason of his gross misconduct. Being member of police force, he handed over the accused to private persons, hatching conspiracy with co-accused and then registered case against innocent person. After competing all process, the order was passed, which is legal/ lawful and based on facts.(Copies of statements recorded u/s 161 Cr.pc enclosed as annexure "F")
- II. Incorrect. All the codal formalities have been followed by the competent authorities before passing order. Therefore actions of respondents are based on facts, legal, lawful and no violation of the constitution of Pakistan has been committed by the respondents.
- III. Incorrect, already explained vide above para.
- IV. Incorrect, as discussed earlier, that appellant being member of police force committed gross misconduct and keeping in view gravity of the offence, bail petition of appellant were turned down up to High Court/Supreme Court and the trial Court acquitted the appellant giving benefit of doubt rising from minor discrepancies. No violation of Constitution of Pakistan and fundamental rights of the appellant has been committed by the respondents. (Copy of High Court judgment enclosed as annexure "G")
- V. Incorrect, no such misuse of powers has been committed by the respondents and the acts of respondents are legal/ lawful. Instead, the appellate authority takes a lenient view to re-instate the appellant in service after such gross misconduct.
- VI. Incorrect, the appellant was dismissed from service for his serious misconduct and was admitted to Jail. In criminal case he did not serve the department and facing consequences of his own misconduct. Instead lenient view has been taken by the appellate authorities.
- VII. Incorrect, the idea of forced Labour is irrelevant as no violation of the fundamental rights of the appellant has been committed by the respondents.
- VIII. Correct and needs no comments.
- IX. Incorrect, the principal of law is that, no one should be penalized for the act of others. The appellant being member of Police force committed conspiracy with co-accused and falsely implicated the innocent person in criminal case, carrying bad name for Khyber Pakhtunkhawa Police.
- X. Incorrect, the rules/ regulations have been fully followed in the whole proceeding. The competent authority takes lenient view while issuing re-instatement orders of the appellant.
- XI. Incorrect, the appellant filed appeal and the competent authority by taking lenient view re-instated the appellant in service by converting the dismissal from service into forfeiture of three years approved service. The appellate authority filed the revision petition of appellant being badly time barred.
- XII. Incorrect, the respondents has re-instated the appellant by converting his punishment of dismissal from service into forfeiture of 03 years of approved service.
- XIII. The respondents also seek leave of this honorable Tribunal to adduce additional grounds at the time of arguments/ hearing.

Petitioners: - (Abdul Wahab & others) by:-
M/S Sher Muhammad Khan and Rashid
Ali Khan, Advocates.

Respondents: - (The State & others) by :-
Mr. Haq Nawaz, Astt: A.G and
Muhammad Asad Aslam,
complainant/respondent No. 2, in person.

WIOAR AHMAD, J.- This single order is directed to dispose of Cr.M.B.A. No.102-M of 2021 and Cr.M.B.A. No. 110-M/2021, as both these petitions emanate from one and same daily diary report No: 26 dated 16.02.2021/FIR No. 15 dated 12.02.2021 registered under sections 365, 347,120-B, 489-C, 34 PPC read with section 119 of Police Act at Police Station Talash District Dir Lower.

2. As per gist of prosecution case, complainant namely Abdul Wahab ASI (now accused) had lodged ibid FIR against present complainant namely Muhammad Asad Aslam alleging therein that he had recovered two envelops from switchboard of the motorcar belonging to complainant. Said envelops contained cash amount of

Rs. 1,89,000/- comprising of notes of one thousand denominations, out of which, four notes of one thousand denominations had been found counterfeit/fake. Accused was stated to have been arrested at the spot and the fake currency was also taken in possession. 'Murasila' was drafted, which culminated into ibid FIR registered against the then accused now complainant at police station concerned.

He had thereafter submitted an application to District Police Officer Timerghara for initiation of criminal proceedings against present accused/petitioners and other co-accused mainly on the ground that they had hatched a conspiracy against him. Accused Abdul Wahab ASI was alleged to have put the envelopes in the motorcar of complainant which contained fake currency. Accused were also alleged to have abducted the complainant and kept him in illegal confinement at unknown place, and to have demanded ransom amount of Rs. 300,000/- from the complainant by extending him serious life threats. In view of report of the complainant Naqal Mad No. 26 dated 16.02.2021 was registered against present accused/petitioners and other co-accused at police station concerned.

3. Learned counsel for petitioner submitted during the course of his arguments that petitioner namely Abdul Wahab has been wrongly implicated in

the case, due to certain grudges that he had earned for himself while serving in the department. Learned counsel further added that statements of independent persons had not been recorded who may have seen the alleged occurrence and that no identification parade for identifying rest of the accused had been conducted. He added that the case does not fall in prohibitory clause of section 497 Cr.P.C and that the accused/petitioner is entitled to the concession of bail. Learned counsel appearing on behalf of petitioners namely Qabil Sher and Noran Shah also adopted arguments of learned counsel for petitioner and added that since no identification parade had been conducted for identifying the petitioners in B.A. No. 110-M of 2021, therefore cases against the accused/petitioners were that of further inquiry, besides not falling in prohibitory clause of section 497 Cr.P.C.

4. Learned Astt: A.G. submitted in rebuttal that the offence had been committed by member of a law enforcement agency by hatching a conspiracy with other co-accused. He added that as per contents of the complaint of complainant an offence of 365-A PPC stands committed and that it was not a case of 365 PPC simpliciter, as ransom had been demanded from the abductee. The learned Astt: A.G further added that the other petitioners had duly been identified by

complainant in police station and no *malafide* or ill-will could be attributed to the complainant who had been a taxi driver belonging to the province of Punjab and had occasionally visited the area for dropping a passenger there. He also read statement of owner of the hotel wherefrom the complainant had been abducted and contended that a strong case existed against all the accused.

5. I have heard arguments of learned counsel for the parties, learned Astt: A.G for State and perused the record.

6. Perusal of record reveals that complaint in the case in hand had been lodged by a taxi driver belonging to the province of Punjab who had visited the area for taking a passenger to his destination. No *malafide* or ill-will could be attributed to him in such circumstances. He was alleged to have been taken by ASI Abdul Wahab from *Bismillah* hotel where he had parked his vehicle for taking tea. Statement of owner of the hotel had also been recorded by the Investigating Officer under section 161 Cr.P.C which is fully in synchronization with story of the complainant narrated in his application submitted before District Police Officer for proceeding against the accused. Said application had also been carrying the allegation that petitioners had demanded ransom from him while he had

been incarcerated at a private location in possession of petitioners of B.A. No. 110-M of 2021. It is not for this Court; rather for the prosecution to see at this stage, what offence is constituted from contents of the complaint, but for the purpose of grant or refusal of bail this Court can well look into the nature of allegations for the purpose of tentative assessment of the case of prosecution. Reasonable grounds do exist to believe that all the petitioners had hatched criminal conspiracy for commission of the alleged offence. The case even if found not falling in prohibitory clause of section 497 Cr.P.C, may well be considered as a case possessing exceptional characteristics. The uniform and weaponry bought with public money and handed over to members of law enforcement agencies for the purpose of checking and arresting violations of laws, have been used for commission of an offence in the case in hand, as per the allegations of complainant. Such a case would squarely fall in the category of exceptional cases in which bail may also be refused notwithstanding the fact that it does not fall in prohibitory clause of section 497 Cr.P.C. Reliance in this respect may be placed on judgment of Hon'ble Supreme Court of Pakistan rendered in the case of "Tariq Bashir and 5 others v/s The State" reported as PLD 1995 Supreme Court 34 wherein the august Court had held;

"It is crystal clear that in bailable offences the grant of bail is a right and not favour, whereas in non-bailable offences the grant of bail is not a right but concession/grace. Section 497, Cr.P.C. divided non-bailable offences into two categories i.e. (i) offences punishable with death, imprisonment of life or imprisonment for ten years; and (ii) offences punishable with imprisonment for less than ten years. The principle to

be deduced from this provision of law is that in non-bailable offences falling in the second category (punishable with imprisonment for less than ten years) the grant of bail is a rule and refusal an exception. So the bail will be declined only in extraordinary and exceptional cases, for example;

- (a) where there is likelihood of abscondance of the accused;
- (b) where there is apprehension of the accused tampering with the prosecution evidence;
- (c) where there is danger of the offence being repeated if the accused is released on bail; and
- (d) where the accused is a previous convict.

Similarly, Hon'ble Apex Court had also refused bail in the case of "Shameel Ahmad v/s The State" reported as 2009 SCMR 174 despite the fact that the offence for which accused/petitioner had been arrested had not been falling in prohibitory clause of section 497 Cr.P.C. Further reliance in this respect may also be placed on judgments of Hon'ble Apex Court rendered in the case of "Muhammad Siddique v/s Imtiaz Begum and 2 others" reported as "2002 SMCR 442" and the case of "Subhan Khan v/s The State" reported "2002 SCMR 1997".

7. In light of what has been discussed above, all the petitioners were not found entitled to grant of bail. Their applications filed for the purpose were found divested of any force and same are accordingly dismissed.
