## Writ Petition under Article 199 Of the Constitution of Islamic Republic of Pakistan, 1973

*May it please this Honorable Court*

The Petitioners very humbly implore for permission to plead their grievances at the hands of respondents and seek solace thereto, as follows:

Facts leading to this Writ Petition:

1. That the Petitioners, being *bona fide* residents of Khyber Pakhtunkhwa, having due qualifications, were initially appointed by Respondent No. 3 as project employees from 2008 onwards, in projects namely "Mother, Neonatal and Child Health Program (MNCHP) in Khyber Pakhtunkhwa".
2. That since their appointments, the Petitioners, being hardworking and dedicated individuals are/were rendering their services in different cadres, as per their respective qualifications, with the Respondent No. 3 while achieving developmental goals in maternal and child health.

(Copies of the several appointment letters are Annexure "A")

3. That, since the Project against which the Petitioners were appointed, in essence required continuity without any break and as the Petitioners had, over the years, maintained unblemished track records and had never been reported for or complained of in respect of their duties which they had been meritoriously rendering over the years, thus the Respondents kept on retaining their services from time to time. It is pertinent to mention here that there is no break or discontinuity in their long lengthy service tenure.

Peshawar High Court

4. That it would be important to bring on record that while acknowledging the permanent nature of the certain Projects, Establishment Department (Respondent No.4) vide Memo. No. SO(O&M)E&AD/3/15/2016 dated 28.11.2017 directed all the Administrative Secretaries to attend a meeting regarding regularizations of those project which are permanent in nature along with the details of the project employees.

(Copy of the Memo dated 28.11.2017 is Annexure "B")

5. That the Establishment Department again on 29.12.2017 directed all the Administrative Secretaries to attend a follow-up meeting on 02.01.2018 regarding regularizations of the project employees of the projects which are permanent in nature. In the said memo, the Administrative Secretaries were requested to attend the meeting along with the attested copies of exact details of the project employees of the respective departments.

(Copy of the Memo dated 29.12.2017 is Annexure "C")

6. That, in pursuance to the above mentioned memos, list of projects were provided by Respondent No.2 to the Establishment Department (Respondent No.4) wherein the details of different projects in the Health Department were provided to the Respondent No.4, including *the Project* of the Petitioners.

7. That after receiving the wherewithal details of all such projects, the draft Khyber Pakhtunkhwa Employees (Regularization of Services) Bill, 2018 was duly presented and having been passed by the Provincial Assembly of Khyber Pakhtunkhwa on 26.02.2018 and consequently assented to, by the Governor on 07.03.2018 thus promulgated as an Act, namely, Khyber Pakhtunkhwa Employees (Regularization of Services) Act 2018 (hereinafter to be referred as "The Act, 2018" for facility of reference). The spirit of "The Act, 2018" was to regularize the employees appointed on ad-hoc basis against the posts of permanent nature and those contract employees appointed against the projects posts in the province of Khyber Pakhtunkhwa. Section 2(e)(ii) and Section 2(h) of "The Act, 2018" provide the definition of persons and that of the Project which are reproduced for facility of reference herein below;

ATTESTED  
EXAMINED  
Peshawar High Court

“persons, who are appointed in the projects on contract basis in accordance with the project policy”

“project means a perpetual nature project, the continuation on which and conversion to regular budget is essential for service delivery duly identified by the Departments and reflected in the Schedule”.

Stress Supplied

(Copy of the Regularization Act, 2018 is Annexure “D”)

8. That, the Petitioners who were/are performing their duties against the mentioned positions of permanent nature and have been given their prime life and youth to the Organization/Department were informed that they have been regularized from the date of commencement of Act, 2018 while completely ignoring more than a decade long services rendered by the Petitioners.

9. That, consequently vide notification No. E&A( Health)/2-65/2018(Regularization) dated 16.08.2018, and Notifications No.E&A( Health)/2-65/2018 dated 11.10.2018, Notifications No.E&A( Health)/2-65/2018 dated 01.10.2018 and Notifications No.E&A( Health)/2-65/2019 dated 24.05.2019 it was notified that under Section 4 of the KP Employees (Regularization of Services) Act, 2018 the Petitioners are regularized from the date of commencement of Act.

(Copies of Notifications are annexure “E”)

10. That consequently, the Petitioners are thereafter paid salaries as regular employees and that too while illegally and unlawfully deducting a sizeable amount in the heading of (Health) (ROP) which also clearly shows the confiscatory attitude of the Respondents.

(Copy of the Pay slips of some of the Petitioners are annexure “F”)

11. That it is a well settled principle so laid down by the apex Supreme Court of Pakistan as well as this Honorable Court that the previous service rendered by the employees on contractual basis with the department shall be counted towards seniority, retirement and pensionary benefits etc. Therefore, it can be stated with certainty that their seniority etc. shall be reckoned from the date of

their initial appointment in the relevant department and not from the date of their regular appointment thus the exclusion of their contract period for the purpose of seniority and pensionary benefits, gratuity and leave etc. is illegal, unlawful, without lawful authority and thus violative of the law.

(Copies of 2014 SCMR 1289 and 2014 PLC CS 1068 are Annexure "G")

12. That, it is also important to place on record, at the cost of repetition that the Petitioners, being the most qualified persons, are performing their duties alongside other regular employees who are inducted much after the Petitioners but most unfortunately they have been placed senior to the Petitioners because their services are wrongly counted from the date of promulgation of the Act, 2018 instead of their appointment which dates back as 2008-09.
13. That recently a judgment has been rendered by the Abbottabad Circuit Bench of this Honorable Court while holding that:

*"As there is no denial of the fact that Petitioner was initially appointed as fixed pay and subsequently his services were regularized, hence, in view of the Rule 2.3 of West Pakistan Civil Services Pension Rules, 1968, the Petitioner is to be paid pensionary benefits from the date of his first appointment. It is a well settled law, when any employee on contract is absorbed into regular employment, and there is no break in his service, then period on contract employment has to be considered for counting length of service of pensionary benefits etc. reliance is placed on 2010 PLC 354, wherein it is held that:-*

*When an employee was regularized, his total length of service, was to be computed from the day he joined the service that could be temporary or otherwise. Even period of an employee of daily*

ATTESTED  
EXAMINER  
Peshawar High Court

*wages would be counted for the purpose of computing pensionary benefits."*

It is important to place on record that consequent to the above Judgment and Order dated 18.12.2018 passed in W.P. No. 627-A/2018, Government of Khyber Pakhtunkhwa Finance Department has issued notification No. FD(SOSR-II)4-36/2017 dated 22.05.2019 wherein they have extended the status of civil servant from the date of appointment on contract basis instead of date of regularization.

(Copy of the Judgment and consequent Notification are Annexure "H")

14. That in a case of similar nature, where similarly placed employees of Planning and Development Department Khyber Pakhtunkhwa, were constrained to approach this Honorable Court. While acknowledging the prima facie nature of case, not only comments have been called from the Respondents but they have further been restrained from making deduction from the salary of the Petitioners.

(Copy of Order-sheet in similar case by this Honorable Court is annexure "I")

15. That despite repeated requests of the Petitioners, the Respondents are still not considering the Petitioners for regularization with effect from their initial appointments in line with firm view so made by Honorable Supreme Court of Pakistan and this Honorable Court, thus in circumstances, while feeling gravely dissatisfied and aggrieved of the impugned inactions of the Respondents which are in clear violation of law, the Petitioners, while having no other efficacious and adequate alternate remedy, are constrained to invoke constitutional jurisdiction of this Honorable Court, on following grounds and reasons, amongst others:

ATTESTED  
EXAMINER  
Peshawar High Court

**Grounds warranting issuance of appropriate writ(s):**

- a) Because the impugned action/inaction of the Respondents for not considering /regularizing the Petitioners with effect from the dates of their initial

- appointments is illegal, unlawful, without lawful authority and thus liable to be judicially reviewed.
- b) Because the Respondents have flouted the constitutionally guaranteed rights of the Petitioner as are enshrined in the Constitution of Islamic Republic of Pakistan 1973.
  - c) Because the impugned act of the Respondents is unlawful as much as the same is the result of and is the violation of the Principle of procedural propriety and rationality.
  - d) Because denying the Petitioners with their right of regularization from their initial date of appointments is in sheer violation to the article 3,4,8 and 25 of the Constitution of Islamic Republic of Pakistan.
  - e) Because Respondents have got no rights and authority to snatch from the Petitioners their rights of regularization from the initial dates of appointments as the Petitioners are indefatigably and continuously been rendering their services in the concerned department/fields and under the principle of "Legitimate Expectation" they are entitled and obliged to be provided with the safeguard and protection in their employment.
  - f) Because, as it is abundantly been established that the Posts against which the Petitioners are serving, are of permanent nature and were thus kept on filled on regular basis by keeping the Petitioners posted against the same.
  - g) Because a larger Bench of the Apex Court in case "Muhammad Aslam Awan vs... Federation of Pakistan and others" reported in 2014 SCMR 1289 has laid down a principle that "while considering the seniority of Civil Servant, the seniority was reckoned from the date of initial appointment and not from the date of confirmation or regularization.", hence Section 4 of the KPK Regularization Act, 2018 is in clear conflict with the above settled principle of Apex Court and thus liable to be read down.

ATTESTED  
EXAMINER  
Peshawar High Court

- b) Because, similarly it has been held in Judgment cited as 2014 PLC (CS) 1068 that regularization of service is not an initial recruitment but the confirmation of an existing employment, hence the Petitioners are under the law entitled to be regularized from the date of their initial appointment against the posts and thus their seniority is also to be counted from the date of their initial appointments.
- i) Because the acts of the Respondents in neglecting and refusing the right of regularizing the Petitioners from the date of their initial appointment is against the ordain of Allah Almighty as under the principle of Natural Justice and fundamental human rights of the Petitioners, the Respondents have usurped the rights of the human beings and have thus by-passed the divine rule of to give everyone his due right.
- j) Because once it has been established that the Petitioners were entitled to be regularized against the posts which they are holding, it has become inevitable and necessary under the law to provide the Petitioners a protective shield from deprivation and in insult which the Petitioners are facing as they have been held to be juniors from their juniors despite their long services so rendered in the Respondent Department.
- k) Because the Respondents are bound to provide the Petitioners equal protection of law and must not discriminate the Petitioners in service as it is the inviolable and jealously guarded rights of the Petitioners under the Constitution of Islamic Republic of Pakistan.
- l) Because the Petitioners cannot suffer for follies of a few uncanny government functionaries.
- m) Because the Project of the Petitioners got initially started in year 2008 and is remain in field for the past so many years with no end and has now been converted to permanent side. It is for this reason, that the Petitioners are

ATTESTED  
EXAMINER  
Peshawar High Court

- entitled to be regularized from the date of their initial appointment as they have rendered their service against the posts which were/ are permanent in nature.
- n) Because the impugned acts of the Respondents is highly unjust and against the principle of Natural Justice and if allowed to remain in filed than the same would perpetuate more injustice and certainly result in complete deprivation of the constitutional right of the Petitioners.
- o) Because the petitioners are not being treated fairly, justly and as per principle of equality and equity because despite the permanent nature of the petitioner's project, the Petitioners are deprived from their right of regularization from the date of their initial appointment. Thus the inaction and omission on the part of respondents is against the spirit of Articles 2A, 4 & 25 of the Constitution of Islamic Republic of Pakistan.
- p) Because the denial and refusal of the Respondents is inane, smacked with malafide, unreasonableness and based on monopolistic approach always loathed by the Superior Judiciary.
- q) Because it has been numerously held by the superior judiciary that once a right stands accrued, same cannot be rescinded, withdrawn or taken back in view of the Doctrine of *promissory estoppel* and *locus poenitentiae*.
- r) Because, the Petitioners are highly trained and qualified persons who after indefatigable hard work have obtained un-matched skills and experience and by placing them in lower case from their juniors in service would not only undermine and deteriorate their capacity but certainly would also seriously affect their capabilities owing to discrimination and exploitation casted by the Respondents.
- s) Because even otherwise the impugned action and inaction are clearly based on highhandedness, whims and caprice of the Respondents.

ATTESTED  
EXAMINER  
Peshawar High Court

- t) Because the Respondents are bound to follow the dicta laid down by the Superior Courts in letter and spirit and the impugned provisions of the KP Regularization Act, 2018 in essence with utmost respect in not in consonance with the very judgments cited above and hence Section 4 and 6 to the extent of the words respectively “from the date of commencement of the Act” and “shall rank junior to all Civil Servants belonging to the same service or cadre, or the case as may be, who are in service on regular basis on the commencement of this Act, and shall also rank junior to such other persons.” are liable to be struck down and the Petitioners are to be regularized from the date of their initial appointment and also be given proper right of seniority as such.
- u) Because the actions and inactions of the Respondents have badly affected the Petitioners thus such action of the Respondents is violative of Article 9 and 38 of the Constitution.
- v) Because the acts of Respondents are clearly smacked with malafide.
- w) Because the conduct of the official Respondents are in violation of Article 25 of the Constitution.
- x) Any other grounds, at the time of hearing.

It is therefore very humbly prayed that on acceptance of this Writ Petition, this Honorable Court may very magnanimously hold, declare and order that:

1. Provision of Section 4 and 6 of the Khyber Pakhtunkhwa Employees (Regularization of Services) Act, 2018 to the extent of words “from the date of commencement of the Act” as appearing in Section 4 of the Act *ibid* and “shall rank junior to all Civil Servants belonging to the same service or cadre, or the case as may be, who are in service on regular basis on the commencement of this Act, and shall also rank junior to

such other persons." appearing in Section 6 of the Act *ibid*, are ultra vires of the Constitution and/or may be read down as is deemed suitable by this Honorable Court while considering the grievances of the Petitioners.

II. The impugned action/inaction on part of the Respondents instead of regularizing the Petitioner from the date of their initial appointment in the Respondent Department and regularizing them from the date of commencement of the KPK Employees (Regularization of Services) Act, 2018 is illegal, unlawful, without lawful authority and being violative of the law and dicta laid down by the Superior Judiciary and this Honorable Court and thus ineffective upon the right of the Petitioners.

III. The Respondents shall regularize the services of the Petitioner at once *w.e.f.* their initial dates of appointments and shall accordingly treat the Petitioners in respect of their rights to seniority, promotions and pensionary benefits etc.

IV. Cost throughout.

V. Interim Relief: In view of all the ingredients of interim relief the Respondents may very kindly be restrained from taking any kind of adverse action against the Petitioners and shall also not make any deduction from the monthly salaries of the Petitioners till the final disposal of this Petition.

VI. Any other relief, not specifically prayed may also graciously be granted to the Petitioner, if appears just, necessary and appropriate.

In response, the Law Department asserted that the judgment in W.P No. 3394-P/2016 cannot be taken into account in the instant case as relief was granted to those petitioners in the said W.P under the Civil Servants (Amendment) Act, 2013 enforced on 30<sup>th</sup> June, 2001 and since those petitioners were initially appointed on contract basis on 1<sup>st</sup> July, 2001, therefore, their contractual period was counted towards pension under the shade of Act ibid.
