1.	Mr. Nasimul Haq Assistant	Office of the DEO (M) Malakand at Batkhela.	Requesting for correction in seniority.	His request is justified as he was promoted in 2010 and placed at the disposal of DCTE KP Abbottabad but due to non availability of post his services were placed at the disposal of DE (FATA) along with Mr. Sher Hassan now retired; for further adjustment. Later on they were promoted again in 2012 on the appeals submitted by them subject to the condition that they will not claim for any benefits from the retrospective date except seniority. hence his appeal may be accepted, please.	Accepted

MR. QAZI HAMID-UD-DIN-J, CHAIRMAN:- This appeal has been

filed by Muzammas Hussain Zaidi, in his personal as well as ^{capacity} _{institution} as President, Laboratory Assistants Association, against the order dated 11.10.1992 of respondent No.4, conveyed to the appellant on 2.11.1992, whereby the notification dated 2.5.1978 regarding terms and conditions of service of the appellant and other Laboratory Assistants was not implemented. The prayer of the appellant is that the respondent department be directed to prepare a combined seniority list in accordance with the notification of 1978 and in the process the appellant

and his other colleagues may be granted the benefits as they were entitled.

The facts leading to the present appeal are that appellant is employed as Laboratory Assistant since 1951 and is also the President of the Laboratory Assistants Association in Dill Khan. He has 37 years service at his credit and is still working as Laboratory Assistant with no break at all except that he was given 10-10 out of 1/33 in 1983. The Government of N.F.F. decided that the Lab Assistants should be amalgamated with the ministerial staff for the purpose of promotion and in this respect a notification dated 9.2.1978 (Annexure-A) was issued. The appellant contended that a combined seniority list was thus required to be prepared so that Laboratory Assistants could also avail of all the opportunities which the other staff was availing for promotion etc. Since 1978 the appellant and his colleagues were waiting for the preparation of final seniority list and when ever any demand was made for its finalization or for their promotion against openings thus made available to them, the appellant was directed to wait because no such seniority list was prepared. The appellant till this day regularly made representations, sought audience of the authorities and otherwise too persuaded the latter. The appellant individually and through the Association has been requesting for the implementation of the order of the Government and for the preparation of the combined seniority list so as to enable the Laboratory Assistants eligible for promotion in the ministerial cadre. In this connection the respondent No.3 addressed a letter (Annexure-1) dated 17.12.83 to all the Principals for the particulars of the Junior Clerks and Laboratory Assistants etc. for the implementation of the government order. Since the matter involved compliance of respondents 3, 4 and 5, therefore, no application or representation was required in spite of that the appellant and the Association submitted a combined application for the grant of promotion to respondent No.3

the Association notified the respondents 3, 4 and 5 in implementing the Government orders, and respondent No. 1 etc. on 8.9.1980 (Annexure-E). The Deputy Director, Colleges vide his letter dated 15.9.1980 informed that a seniority list of all the Lab:As'stants has already been sent to Director Schools (Respondent No. 6) for necessary action, who in turn informed the appellant vide his letter dated 29.9.1980 about the preparation of the integrity seniority list. The appellant, who resorted to the intervention of the Association, vide letter (Annexure-F) in the matter and visited respondents 3, 4 and 5 on various occasions and due to these efforts, there was a letter to respondent No. 3 (Annexure-K) regarding the seniority list of Lab:Assistants was forwarded for further process & respondent No. 3 accordingly replied vide annexure-L on 17.1.1992 and finally on 11.1.1992, the respondent No. 3 expressed his opinion vide letter dated 16.2.1992 (Annexure-M) that the demand of Laboratory Assistants was not justified. However, no formal reply was given to the appellant. Finally the appellant was informed vide letter dated 3.11.1992 (Annexure-P) that respondents 3, 4 and 5 cannot implement the government orders in view of respondent No. 5 was neither justifiable nor practicable. On receipt of these orders, the appellant approached this Tribunal through service appeal No. 303/1992 which was withdrawn and the appellant was directed by the Tribunal on 27.12.1992 to prefer a departmental appeal to the next higher authority against the order of respondent No. 5 and then if the grievance is not redressed the appellant should come in appeal to the Tribunal within 30 days after the issue of 90 days period. The appellant then filed a departmental appeal before the Secretary, Government of Punjab Education Department (Annexure-Q) against the orders of respondent No. 5 to which the appellant has received

so far, based on the present appeal on the grounds
impugned orders are mala fide, arbitrary and illegal that
respondents 3, 4 and 5 have failed to perform their duties
lawfully in not executing and implementing the order of the
Government, that the grounds on which the Notification of
Government of NWFP was delayed and finally refused are
trivious and it is beyond the competence of respondents
and 5 to sit as a Judge over the orders of the Government of
NWFP to examine its practicability or otherwise and that the
applicant and others have already suffered in their career
and other opportunities and the avenues which were made
available to them by the Government through Notification
of 1976. Therefore, the appellant is entitled to all the
back benefits in accordance with the combined seniority list
of 1976 and the promotion due to him.

The respondents have filed their reply in which
the preliminary objections have been raised to the effect
that the appellant has no locus standi to bring the present
appeal, that the appellant has no cause of action and that
the appeal is not competent. On factual side it has been
averred that the matter regarding grant of joint seniority
and promotion with retrospective effect to Laboratory
assistants in the light of the amendment in the service rules
was thoroughly examined and it was noticed that as a result
of grant of retrospective joint seniority/promotion
Laboratory Assistants several persons of ministerial staff
would require reversion to lower posts which is likely to
create administrative complications and start litigations. Mean-
while, new posts were introduced w.e.f. 1.7.1983 and
the Laboratory Assistants were placed in BPS-7 with 33%
of the posts in selection grade BPS-10. Accordingly
their promotion to the post of Senior Clerk is neither
justified nor practicable in view of the fact that a Lab:
Assistant in BPS-7 with selection grade in BPS-10 cannot
be promoted to the post of Senior Clerk (BPS-7). Moreover,

accordance with the existing policy of this Provincial Government,
appointments to be given prospectively and not retrospectively.
Arguments heard and record perused.

The appellant has based his entire case on the
notification annexure-A on the file dated 9.5.1978 which
reads as under:-

"In exercise of the Powers conferred by sub-
rule(2) of Rule 3 of the North West Frontier
Province Civil Servants (Appointment, Promotion
and Transfer) Rules, 1975, and in consultation
with the Department of Services and General
Admin. the Education Department and the Finance Deptt.,
the Education Department is pleased to lay down
the method of appointment, qualifications and
other conditions specified in column 3 to 6
of the Appendix to this notification, which shall
be applicable to posts born on the ministerial
establishment of the Education Department
specified in column 2 of the said Appendix."

Through this notification the appellant in column 6 of the
schedule has been included in the Ministerial Establishment
of the Education Department. This notification was intended
to provide an opening to the Lab: Assistants as till then
the Lab: Assistants had no future prospects of promotion
in the department and by issuing this notification an opening
has been made available to the appellant. What was required
from the respondent department after having issued this
notification which had blessing of the government in the
Education Department in the S&GAD, was to prepare a joint
seniority list of the ministerial establishment of the Education
Department showing the seniority position of the appellant there-in.
However, since 1978 till this date no such list has been
prepared, and the notification dated 9.5.1978 has not been given
effect. The appellant has approached the respondent department
in instance of such notification while through annexure-M
received before this court. He was informed that due to
introduction of new pay scale on 24.8.1983 the appointment

was put in pay scale-7 with 35% of the total posts in selection grade 13 pay scale No.10, therefore, the issuance of joint seniority list was neither justified nor it was practicable. Aggrieved, the appellant preferred an appeal to this Tribunal on 2.12.1992 and in the preliminary order it was directed by this Tribunal to prefer representation to the higher authority, which the appellant did to which he received no reply, hence the present appeal. The respondent department in their comments have taken two pleas in relation to the order of the appellants (i) that the notification (Annexure-A on the file) dated 9.5.1978 is retrospective in effect and any subordinate legislation cannot be retrospective in effect and (ii) that the new pay scales through annexure-II annexed to the reply of respondent department have been introduced in which certain benefits have been given to the appellant which benefits no more justify preparation of a joint seniority list of the appellant alongwith other ministerial staff of the Education Department and also that preparation of joint seniority list was not practicable. As against this argument of the learned counsel for the respondents, the learned counsel for the appellant contends that the notification dated 9.5.1978 is not retrospective but prospective in effect and that introduction of new pay scales on 24.8.1983 were meant to be for all the government servants in all the cadres of government service. So the notification dated 24.8.1983 on new pay scales in no way rescinded, recalled or annulled the notification annexure-A on the file which still holds field and the respondent department is bound to issue a joint seniority list as prayed for by the appellant. The Tribunal heard the Counsel for the respondents department who has not been able to rebut the arguments advanced by the learned counsel for the appellant. *It may be noted that the learned counsel for the appellant has made a concession and has given a statement to the effect that the appellant would concede their rights to joint seniority list from 9.5.1978 but would pray that a joint seniority list shall be for those officials alongwith the appellant ^{and} who have not been so far*

promoted in the joint seniority list of the ministerial establishment of the Education Department. In the light of the statement and concession given by the appellant, the Tribunal directs, by accepting the appeal in a joint seniority list as requested by the learned counsel for the appellant shall be issued to all the officers/officials of the ministerial establishment of the respondent department who have not been so far promoted to the higher posts so as to enable the appellant to benefit from the rectification, annexed to the file, issued on 9.5.1978 from the date of this order of the Tribunal. The appeal is accepted in the above terms. Parties are left to bear their own costs and file is consigned to the record.

OPINION

MR. QAZI HAMID-UD-DIN-J, CHAIRMAN:- This appeal has been

filed by Syed Hussain Zaidi, in his personal capacity as well as
President Laboratory Assistants Association, against the order dated
17.10.1992 of respondent No.4, conveyed to the appellant
on 5.11.1992, whereby the Notification dated 9.5.1978
regarding terms and conditions of service of the appellant
and other Laboratory Assistants was not implemented. The
Prayer of the appellant is that the respondent department be
directed to prepare a combined seniority list in accordance
with the notification of 1978 and in the process the appellant

and his other colleagues may be granted the benefits to they were entitled to.

The facts leading to the present appeal are that appellant was employed as Laboratory Assistant since 1951 and is also the president of the Laboratory Assistants Association in D. I. Khan. He has 37 years service at his credit and is still working as Laboratory Assistant with no break at all except that he was given NPS-10 out of 1/53 in 1965. The Government of N.F.P decided that the Laboratory Assistants should be amalgamated with the ministerial cadre for the purpose of promotion and in this respect a notification dated 9.12.1965 (Annexure-A) was issued. The appellant contended that a combined seniority list was thus required to be prepared so that Laboratory Assistants could also avail of all the opportunities which the other staff was availing for promotion etc. Since then the appellant and his colleagues were awaiting for the preparation of final seniority list and when ever any demand was made for its finalization or for their promotion against openings thus made available to them, the appellant was directed to wait because no such seniority list was prepared till this day regularly made representations, sought audience of the authorities and otherwise too perused the matter. The appellant individually and through the Association has been requesting for the implementation of the orders of the Government and for the preparation of the combined seniority list so as to enable the Laboratory Assistants eligible for promotion in the ministerial cadre. In this connection respondent No.3 addressed a letter (Annexure-B) dated 17.9.1965 to all the Principals for the particulars of the Junior Clerks and Laboratory Assistants etc. for the implementation of the government orders. Since the matter involved only the compliance of respondents 3,4 and 5, therefore, no application or representation was required but inspite of that the appellant and the Association submitted a combined application for the grant of promotion or respondent No.3

the impugned orders in this context to respondent No. 4. When respondents 3, 4 and 5 in implementing the Government orders, that have been issued to his Excellency President of Pakistan, and respondent No. 1 etc. on 8.9.1990 (Annexure E). The Deputy Director Colleges vide his letter dated 15.9.1990 informed that a majority list of all the Lab:Asstants has already been sent to Director Schools (Respondent No. 4) for necessary action, who in turn informed the appellant vide his letter dated 29.9.1990 about the preparation of the integrity seniority list. The appellant, when re-elected in the Provincial Election of the Association, vide letter (Annexure K) kept on pressing the matter and visited respondents 3, 4 and 5 on various occasions and due to these efforts, these respondents addressed a letter to respondent No. 3 (Annexure-K) vide which the seniority list of Lab:Assistants was recognized for further process & respondent No. 3 accordingly gave a reply vide annexure-L on 11.1.1992 and finally on this letter, the respondent No. 3 expressed his opinion vide his letter dated 16.2.1992 (Annexure-M) that the demand of the Laboratory Assistants was not justified. However, no formal reply was given to the appellant. Finally the appeal was informed vide letter dated 3.11.1992 (Annexure-P) that respondents 3, 4 and 5 cannot implement the government orders in view of respondent No. 5 was neither justifiable nor practicable. On receipt of these orders, the appellant approached this Tribunal through service appeal No. 303/1992 which was withdrawn and the appellant was directed by this Tribunal on 27.12.1992 to prefer a departmental appeal to the next higher authority against the order of respondent No. 5 and then if the grievance is not redressed the appeal to come in appeal to the Tribunal within 30 days after the lapse of 90 days period. The appellant then filed a departmental appeal before the Secretary, Government of NWFP Education Department (Annexure-Q) against the orders of respondent No. 5, to which the appellant has received

 15/12/92

As far as the present appeal on the grounds of the impugned orders are mala fide, arbitrary and illegal that respondents 3, 4 and 5 have failed to perform their duties lawfully in not executing and implementing the order of the Government, that the grounds on which the Notification of Government of NWFP was delayed and finally refused are frivolous and it is beyond the competence of respondents 3 and 5 to sit as a Judge over the orders of the Government of NWFP to examine its practicability or otherwise and that the appellant and others have already suffered in their career and other opportunities and the avenues which were made available to them by the Government through Notification of 1978. Therefore the appellant is entitled to all the back benefits in accordance with the combined seniority list of 1978 and the promotion due to him.

The respondents have filed their reply in which the preliminary objections have been raised to the effect that the appellant has no locus standi to bring the present appeal, that the appellant has no cause of action and that the appeal is not competent. On factual side it has been averred that the order regarding grant of joint seniority and promotion with retrospective effect to Laboratory Assistants in the light of the amendment in the service rules was thoroughly examined and it was noticed that as a result of grant of retrospective joint seniority/promotion Laboratory Assistants several persons of ministerial staff would require promotion to lower posts which is likely to create numerous complications and start litigations. Meanwhile pay scales were introduced w.e.f. 1.7.1983 and the Laboratory Assistants were placed in BPS-7 with 33% of the total posts in selection grade EPS-10. Accordingly their promotion to the post of Senior Clerk is neither justified nor practicable in view of the fact that a Lab: Assistant in BPS-7 with selection grade in BPS-10 cannot be promoted to the post of Senior Clerk (BPS-7). Moreover,

according to the policy of this Provincial Government, prospective to be given prospectively and not retrospectively.

The appellant has based his entire case on the notification, annexure-A on the file dated 9.5.1978 which reads as under:

"In exercise of the Powers conferred by sub-rule(2) of Rule 3 of the North West Frontier Province Civil Servants (Appointment, Promotion and Transfer) Rules, 1975, and in consultation with the Education, Services and General Administration Department and the Finance Deptt., the Education Department is pleased to lay down the method of appointment, qualifications and other conditions specified in column 3 to 6 of the Appendix to this notification, which shall be applicable to posts born on the ministerial establishment of the Education Department specified in column 2 of the said Appendix."

Through this notification the appellant in column 6 of the schedule has been included in the Ministerial Establishment of the Education Department. This notification was intended to provide an opening to the Lab. Assistants as till then the Lab. Assistants had no future prospects of promotion in the department and by issuing this notification an opening has been made available to the appellant. What was required from the respondent department after having issued this notification which was blessing of the government in the Education Department and in the S&O&D, was to prepare a joint seniority list of the ministerial establishment of the Education Department showing seniority position of the appellant therein. However, since 1978 till this date no such list has been prepared, and the notification dated 9.5.1978 has not been given effect. The appellant later approached the respondent department for issuance of such a notification while through annexure-M signed before this Tribunal, he was informed that due to introduction of new pay scale on 1.5.1983, the...

146 (11)

was set in pay scale-7 with 33% of the total posts in selection grade in pay scale No.10, therefore, the issuance of joint seniority list was neither justified nor it was practicable. Aggrieved, the appellant preferred an appeal to this Tribunal on 2.12.1992 and in the preliminary order it was directed by this Tribunal to prefer representation to the higher authority which the appellant did to which he received no reply, hence the present appeal. The respondent department in their comments have taken two pleas in rebuttal of the claim of the appellants (i) that the notification (Annexure-A on the file) dated 9.5.1978 is retrospective in effect and any subordinate legislation cannot be retrospective in effect and (ii) that the new pay scales through annexure-II annexed to the reply of respondent department have been introduced in which certain benefits have been given to the appellant which benefits no more justify preparation of a joint seniority list of the appellant alongwith other ministerial staff of the Education Department and also that preparation of joint seniority list was not practicable. As against this argument of the learned counsel for the respondents, the learned counsel for the appellant contends that the notification dated 9.5.1978 is not retrospective but prospective in effect and that introduction of new pay scales on 24.8.1983 were meant to benefit all the government servants in all the cadres of government service. So the notification dated 24.8.1983 of new pay scales in no way recalled, recalled or annulled the notification annexure-A on the file which still holds field and the respondent department is bound to issue a joint seniority list as prayed for by the appellant. The Tribunal heard the Counsel for the respondents department who has not been able to rebut the arguments advanced by the learned counsel for the appellant. *As a step the learned counsel for the appellant has made a concession and has given a statement to the effect that the appellant would concede their rights to joint seniority list from 9.5.1978 but would pray that a joint seniority list shall be forthwith prepared of all those officials alongwith the appellant who have not been so far*

promoted in the joint seniority list of the ministerial establishment of the Education Department. In the light of the statement and concession given by the appellant, the Tribunal directs accepting the appeal that a joint seniority list as requested by the learned counsel for the appellant shall be issued of all the officers/officials of the ministerial establishment of the respondent department who have not been so far promoted to the higher posts so as to enable the appellant to benefit from the notification, dated 9.5.1978, issued on 9.5.1978 from the date of acceptance of the Tribunal. The appeal is accepted in these terms. Parties are left to bear their own costs which are assigned to the record.

OPINION

MR. HAMID-UD-DIN-J, CHAIRMAN:- This appeal has been filed by Syed Hussain Zaidi, in his personal ^{Capacity} as well as ^{Association} as President, Laboratory Assistants, against the order dated 11.10.1992 of respondent No.4, conveyed to the appellant on 5.11.1992, whereby the Notification dated 9.5.1978 regarding seniority and conditions of service of the appellant Laboratory Assistants was not implemented. The prayer of the appellant is that the respondent department be directed to prepare a combined seniority list in accordance with the Notification of 1978 and in the process the appellant

and his own colleagues may be granted the benefits to
 they are entitled to.

The facts leading to the present appeal are that
 appellant is employed as Laboratory Assistant since 1951
 and is also the President of the Laboratory Assistants
 Association in L.I. Khan. He has 37 years service at his credit
 and is still working as Laboratory Assistant with no
 at all except that he was given DPS-10 out of 1/3B
 in 1955. The Government of N.W.F.P. decided that the La
 Assistants should be amalgamated with the ministerial
 for the purpose of promotion and in this respect a notific
 dated 9/1/57 (Annexure-A) was issued. The appellant
 that a seniority list was thus required to be prepared
 so that Laboratory Assistants could also avail of all the
 opportunities which the other staff was availing for promotion
 etc. Since then the appellant and his colleagues were waiting
 for the preparation of final seniority list and when ever
 any demand was made for its finalization or for their
 promotion against openings thus made available to them, the
 appellant was directed to wait because no such seniority list
 was prepared. The appellant till this day regularly made rep
 resentations sought audience of the authorities and otherwise
 too persisted in the matter. The appellant individually and through
 the Association has been requesting for the implementation of
 the orders of the Government and for the preparation of the com
 bined seniority list so as to enable the Laboratory Assistants
 eligible for promotion in the ministerial cadre. In this
 connection the respondent No.3 addressed a letter (Annexure-B)
 dated 1/9/57 to all the Principals for the particulars of
 the Junior Assistants and Laboratory Assistants etc. for the
 implementation of the government orders. Since the matter
 involved compliance of respondents 3, 4 and 5, therefore,
 no application or representation was required but in spite of
 that the appellant and the Association submitted a combined
 application for the benefit of promotion as respondent No.3

the appellant in this context to respondent No. 4. When respondent No. 4 and 5 in implementing the reluctance of the appellant to his Excellency President of Pakistan, Deputy Director Colleges vide his letter dated 15.9.1990 and respondent No. 1 etc. on 8.9.1990 (Annexure E). The appellant informed the seniority list of all the Lab:Asstants has already been sent to Director Schools (Respondent No. 4) for necessary action, who in turn informed the appellant vide his letter dated 29.9.1990 about the preparation of the integrative seniority list. The appellant, when re-elected in the proposed election of the Association, vide letter (Annexure K) on 10.10.1990, visited respondents 3, 4 and 5 on various occasions and due to these efforts, their demands were addressed a letter to respondent No. 3 (Annexure-K) on 10.10.1990. The seniority list of Lab:Assistants was submitted for further process & respondent No. 3 accordingly vide annexure-L on 11.1.1992 and finally on 15.1.1992, the respondent No. 3 expressed his opinion vide letter dated 16.2.1992 (Annexure-M) that the demand of Laboratory Assistants was not justified. However, no formal reply was given to the appellant. Finally the appellant was informed vide letter dated 3.11.1992 (Annexure-P) that respondents 3, 4 and 5 cannot implement the government orders. An interview of respondent No. 5 was neither justifiable nor applicable. On receipt of these orders, the appellant approached this Tribunal through service appeal No. 305/1992 which was withdrawn and the appellant was directed by this Tribunal on 27.12.1992 to prefer a departmental appeal to the next higher authority against the order of respondent No. 5 and then if the grievance is not redressed the appellant should come in appeal to the Tribunal within 30 days after these 90 days period. The appellant then filed a departmental appeal before the Secretary, Government of N.W.F.P. Education Department (Annexure-Q) against the orders of respondent No. 5, to which the appellant has received

so far. Hence the present appeal on the grounds
the impugned orders are mala fide, arbitrary and illegal. That
respondents 3, 4 and 5 have failed to perform their duties
lawfully in not exhibiting and implementing the order of the
Government, that the grounds on which the Notification of
Government of NWFP was delayed and finally refused are
frivolous and go beyond the competence of respondents
and 5 to sit as a Judge over the orders of the Government of
NWFP to examine its practicability or otherwise and that the
appellant and others have already suffered in their career
and other opportunities and the avenues which were made
available to them by the Government through Notification
of 1978. Therefore, the appellant is entitled to all the
back benefits in accordance with the combined seniority list
of 1978 and the promotion due to him.

The respondents have filed their reply in which
the preliminary objections have been raised to the effect that
that the appellant has no locus standi to bring the present
appeal, that the appellant has no cause of action and that
the appeal is not maintainable. On factual side it has been
averred that the order regarding grant of joint seniority
and promotion with retrospective effect to Laboratory
Assistant in the light of the amendment in the service rules
was thoroughly examined and it was noticed that as a result
of grant of retrospective joint seniority/promotion
Laboratory Assistant several persons of ministerial staff
would require to be debarred to lower posts which is likely to
create many complications and start litigations. Mean-
while new posts were introduced w.e.f. 1.7.1983 and
the Laboratory Assistants were placed in BPS-7 with 33%
of the posts. A selection grade BPS-10. Accordingly
their post of Senior Clerk is neither
justified nor maintainable in view of the fact that a Lab:
Assistant in BPS-7 with selection grade in BPS-10 cannot
be promoted to the post of Senior Clerk (BPS-7). Moreover,

according to existing policy of this Provincial Government, prospective and not retrospective. Arguments heard and record perused.

The appellant has based his entire case on the notification, annexure-A on the file dated 9.5.1978 which reads as under:

In exercise of the Powers conferred by sub-Rule(2) of Rule 3 of the North West Frontier Province Civil Servants (Appointment, Promotion and Transfer) Rules, 1975, and in consultation with the Information Services and General Administration Department and the Finance Deptt., the Education Department is pleased to lay down the method of appointment, qualifications and other conditions specified in column 3 to 6 of the Appendix to this notification, which shall be applicable to posts born on the ministerial establishment of the Education Department specified in column 2 of the said Appendix."

Through this notification the appellant in column 6 of the schedule has been included in the Ministerial Establishment of the Education Department. This notification was intended to provide an opening to the Lab. Assistants as till then the Lab. Assistants had no future prospects of promotion in the department and by issuing this notification an opening has been made available to the appellant. What was required from the respondent department after having issued this notification which had blessing of the government in the Education Department and in the S.O.A.D. was to prepare a joint seniority list of the ministerial establishment of the Education Department showing a seniority position of the appellant therein. However, since 1978 till this date no such list has been prepared, and the notification dated 9.5.1978 has not been given effect. The appellant then approached the respondent department for issuance of such a notification while through annexure-M signed before this Tribunal, he was informed that due to reduction of new pay scale, S-4833, the appellant

146 ✓

was given to pay scale-7 with 53% of the total posts in selection grade D, D1 scale No.10, therefore, the issuance of joint seniority list was neither justified nor it was practicable. Aggrieved, the appellant preferred an appeal to this Tribunal on 2.2.1982 and in the preliminary order it was directed by this Tribunal to prefer representation to the higher authority which the appellant did to which he received no reply, hence the present appeal. The respondent department in their comments have taken two pleas in rebuttal of the claim of the appellants (i) that the notification (Annexure-A on the file) dated 9.5.1978 is retrospective in effect and any subordinate legislation cannot be retrospective in effect and (ii) that the new pay scales through annexure-II annexed to the reply of respondent department have been introduced in which certain benefits have been given to the appellant which benefits no more justify preparation of a joint seniority list of the appellant along with other ministerial staff of the Education Department and also that preparation of joint seniority list was not practicable. As against this argument of the learned counsel for the respondents, the learned counsel for the appellant contended that the notification dated 9.5.1978 is not retrospective nor prospective in effect and that introduction of new pay scales on 24.8.1983 were meant to benefit all the government servants in all the cadres of government services. So the notification dated 24.8.1983 of new pay scales in no way rescinded, recalled or annulled the notification annexure-A on the file which still holds field and the respondent department is bound to issue a joint seniority list as prayed for by the appellant. The Tribunal heard the Counsel for the respondents department who has not been able to rebut the arguments advanced by the learned counsel for the appellant. *As a result the learned counsel for the appellant has made a concession and has given a statement to the effect that the appellant would concede their rights to joint seniority list from 9.5.1978 but would pray that a joint seniority list shall be forthwith prepared of all those officials along with the appellant who have not been so far*

SECRET

promoted in the seniority list of the ministerial establishment of the Education Department. In the light of the statement and concession given by the appellant, the Tribunal directs by accepting the appeal that a joint seniority list as requested by the learned counsel for the appellant shall be issued of all the officers/officials of the ministerial establishment of the respondent department who have not been so far promoted to the higher posts so as to enable the appellant to benefit from the notification, number _____, issued on 9.5.1978 from the date of the order of the Tribunal. The appeal is accepted in the above terms. Parties are left to bear their own costs and are consigned to the record.

MR. QAZI HAMID-UD-DIN-J, CHAIRMAN:- This appeal has been
 filed by Mr. Hussain Zaidi, in his personal ^{Capacity} as well as ^{Association} as
 President Laboratory Assistants, against the order dated
 12.7.1993 of respondent No.4, conveyed to the appellant
 on 21.7.1993, whereby the Notification dated 9.5.1978
 regarding terms and conditions of service of the appellant
 Laboratory Assistants was not implemented. The
 prayer of the appellant is that the respondent department be
 directed to prepare a combined seniority list in accordance
 with the Notification of 1978 and in the process the appellant

and although colleagues may be granted the benefits to they have availed.

The facts leading to the present appeal are that appellant was employed as Laboratory Assistant since 1948 and is also the President of the Laboratory Assistants Association in D. Y. Khan. He has 37 years service at his credit and is still working as Laboratory Assistant with no break at all except that he was given DPS-10 out of 1/3B in 1985. The Government of N.W.F.P decided that the Laboratory Assistants should be amalgamated with the ministerial cadre for the purpose of promotion and in this respect a notification dated 9.5.1974 (Annexure-A) was issued. The appellant, on the other hand, seniority list was thus required to be prepared so that Laboratory Assistants could also avail of all the opportunities which the other staff was availing for promotion etc. Since then the appellant and his colleagues were awaiting for the preparation of final seniority list and when ever any demand was made for its finalization or for their promotion against openings thus made available to them, the appellant was directed to wait because no such seniority list was prepared. The appellant till this day regularly made representations, sought audience of the authorities and otherwise too permissibly. The appellant individually and through the Association have been requesting for the implementation of the orders of the Government and for the preparation of the combined seniority list so as to enable the Laboratory Assistants eligible for promotion in the ministerial cadre. In this connection the respondent No.3 addressed a letter (Annexure-B) dated 1.8.1985 to all the Principals for the particulars of the Junior Clerks and Laboratory Assistants etc. for the implementation of the government orders. Since the matter involved only the compliance of respondents 3, 4 and 5, therefore, no application or representation was required but in spite of that the appellant and the Association submitted a combined application for the grant of promotion as respondent No.3

152

the respondent No. 4 in context to respondent No. 4. When respondent No. 4 and 5 in implementing the Government orders, the appellant was to his Excellency President of Pakistan, and respondent No. 1 etc. on 8.9.1990 (Annexure-E). The Deputy Director Colleges vide his letter dated 15.9.1990 informed the seniority list of all the Lab:Asstants has already been sent to Director Schools (Respondent No. 4) for necessary actions, who in turn informed the appellant vide his letter dated 29.9.1990 about the preparation of the integrated seniority list. The appellant, when re-elected in the Provincial Association of the Association, vide letter (Annexure-K) regarding the matter and visited respondents 3, 4 and 5 on various occasions and due to these efforts, their demands were addressed a letter to respondent No. 3 (Annexure-K) vide which the seniority list of Lab:Assistants was prepared and further process & respondent No. 3 accordingly. In his reply vide annexure-L on 11.1.1992 and finally on 16.2.1992 (Annexure-M) that the demand of the Laboratory Assistants was not justified. However, no formal reply was given to the appellant. Finally the appellant was informed vide letter dated 3.11.1992 (Annexure-P) that respondents 3, 4 and 5 cannot implement the government orders in view of respondent No. 5 was neither justifiable nor practicable. On receipt of these orders, the appellant approached this Tribunal through service appeal No. 305/1992 which was withdrawn and the appellant was directed by this Tribunal on 27.12.1992 to prefer a departmental appeal to the next higher authority against the order of respondent No. 5 and then if the grievance is not redressed the appellant come in appeal to the Tribunal within 30 days after the lapse of 90 days period. The appellant then filed a departmental appeal before the Secretary, Government of N.W.F.P. Education Department (Annexure-Q) against the orders of respondent No. 5, to which the appellant has received

... appeal on the grounds
impugned orders are illegal, arbitrary and illegitimate that
respondents 3 and 5 have failed to perform their duties
lawfully in not executing and implementing the order of the
Government, that the grounds on which the Notification of
Government of NWFP was delayed and finally refused are
frivolous and it is beyond the competence of respondent
and 5 to sit as a judge over the orders of the Government of
NWFP to examine its practicability or otherwise and that the
appellant and others have already suffered in their career
and other opportunities and the avenues which were made
available to them by the Government through Notification
of 1978. Therefore, the appellant is entitled to all the
back benefits in accordance with the combined seniority
of 1978 and the promotion due to him.

The respondents have filed their reply in which
the preliminary objections have been raised to the effect
that the appellant has no cause of action and that
the appeal is incompetent. On factual side it has been
averred that the matter regarding grant of joint seniority
and promotion with retrospective effect to Laboratory
Assistants in the light of the amendment in the service rules
was thoroughly examined and it was noticed that as a result
of grant of retrospective joint seniority/promotion
Laboratory Assistants several persons of ministerial staff
would require reversion to lower posts which is likely to
create numerous complications and start litigations. Mean-
while new posts were introduced w.e.f. 1.7.1983 and
the Laboratory Assistants were placed in BPS-7 with 33%
of the total posts in selection grade BPS-10. Accordingly
their promotion to the post of Senior Clerk is neither
justified nor desirable in view of the fact that a Lab:
Assistant in BPS-7 with selection grade in BPS-10 cannot
be promoted to the post of Senior Clerk (BPS-7). Moreover,

According to the policy of this Provincial Government,
appointments are to be given prospectively and not retrospectively.
Applicant's case heard and record perused.

The applicant has based his entire case on the
notification annexure-A on the file dated 9.5.1978 which
reads as under:-

In exercise of the Powers conferred by sub-
rule(2) of Rule 3 of the North West Frontier
Province Civil Servants (Appointment, Promotion
and Transfer) Rules, 1975, and in consultation
with the Administration Services and General
Administration Department and the Finance Deptt.,
the Education Department is pleased to lay down
the method of appointment, qualifications and
other conditions specified in column 3 to 6
of the Appendix to this notification, which shall
be applicable to posts born on the ministerial
establishment of the Education Department
specified in column 2 of the said Appendix.

Through this notification the appellant in column 6 of the
schedule has been included in the Ministerial Establishment
of the Education Department. This notification was intended
to provide an opening to the Lab. Assistants as till then
the Lab. Assistants had no future prospects of promotion
in the department and by issuing this notification an opening
has been made available to the appellant. What was required
from the respondent department after having issued this
notification which had blessing of the government in the
Education Department and in the SAGAD, was to prepare a joint
seniority list of the ministerial establishment of the Education
Department showing seniority position of the appellant there-in.
However, since 1978 till this date no such list has been
prepared, and the notification dated 9.5.1978 has not been given
effect. The appellant when approached the respondent department
issuance of such notification while through annexure-M
signed before the appellant was informed that due to
production of new pay scale S-1433, the appointment

promoted in the seniority list of the ministerial establishment of the Education Department. In the light of the statement and concession given by the appellant, the Tribunal directs, by accepting the appeal that a joint seniority list as requested by the learned counsel for the appellant shall be issued of all the officers/officials of the ministerial establishment of the respondent department who have not been so far promoted to the higher posts so as to enable the appellant to benefit from the notification, number , issued on 9.5.1978 from the date of its issuance by the Tribunal. The appeal is accepted in the above terms. Parties are left to bear their own costs and they are consigned to the record.
