3. It is averred in the petition, that the petitioner Kamran Ali was appointed on the recommendations of the Departmental promotion committee as 'Beldar' (BPS-1) against the quota reserved for the children of retired government employees vide appointment order dated 31.10.2011. Pursuant to the said appointment letter, the petitioner assumed the charge of his duty, his service book was prepared, however, vide impugned order dated 04.11.2011 his appointment order was withdrawn without any rhyme and reasons. On being noticed, the respondents

No. 5 & 6 have filed their para-wise comments, wherein they have stated that the appointment of the petitioner was not based on merit, as neither he has joined his services nor his arrival report was submitted. During the course of arguments, the learned A.A.G has also stated that the petitioner Kamran Ali belongs to District Mardan, therefore, he should have not been appointed against any post in Malakand Division because in appointment of the Class-IV employees' the candidate must be a local.

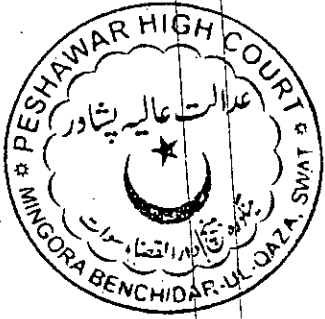

4. It is evident from record that the petitioner was appointed as *Beldar* BPS-1 vide impugned order dated 31.10.2011. His appointment letter does not suggest that he was appointed against the quota reserved for the children of retired government employees', however, the respondents have asserted in their comments that the petitioner had never assumed the charge of his duty nor his service book was prepared, therefore, vide impugned order dated 04.11.2011 his appointment order of was withdrawn by the competent authority. The said order does not contain any reason for withdrawal of the order of appointment of the

petitioner and more so before passing the said impugned order no notice was issued to him.

5. Similarly, the petitioner Misal Khan of amended writ petition bearing No. 767-M/2016 has alleged in his petition that he was appointed on the recommendations of the Departmental Promotion Committee against the quota reserved for the children of retired government employees vide appointment letter dated 31.10.2011, however, without any notice his appointment order was withdrawn vide impugned order dated 04.11.2011. On being summoned, the respondents No. 5 & 6 have filed their comments and it is averred in the said comments that the petitioner was appointed against the Employee Sons' Quota, however, he was not entitled to be appointed against the said post, therefore, his appointment order was withdrawn.

6. It is evident from record that the petitioner was appointed as *Beldar* (BPS-1) vide impugned order dated 31.10.2011. His appointment letter does not give any impression that he was appointed against the quota reserved for the children of retired government employees',

however, the respondents have placed on file the retirement order of the father of the petitioner and according to which the father of the petitioner got retired on 30.9.2011 on his own request, therefore, vide impugned order dated 04.11.2011 appointment order of the petitioner was withdrawn by the Executive Engineer. The said impugned order neither contained any reason for withdrawal of the order of appointment of the petitioner nor any prior notice was issued to him.

7. As per claim of the petitioner Daraz Khan advanced through his amended writ petition bearing No. 768-M/2016 that he was recommended for appointment against the post of *Beldar* BPS-1 on 01.10.2011 by the Departmental Promotion Committee under the disable quota, however, he got appointed by the competent authority vide appointment order dated 31.10.2011. The record further reveals that the petitioner assumed the charge of his duty and his service book was also prepared, however, through impugned order dated 04.11.2011 his appointment order was withdrawn. The said order does not contain any reason for withdrawal of the appointment order and similarly

no notice prior to the withdrawal of the order of his appointment was issued to him. Even in the para-wise comments, the respondents have not put-forward any reason for withdrawal of the appointment order of the petitioner.

8. Similarly, the petitioner Fakhar-e-Alam Khan of the amended writ petition bearing No. 769-M/2016 has claimed that he was also recommended by the Departmental Promotion Committee for appointment against the post of Pipe Fitter vide recommendations dated 01.10.2011, however, he was appointed against the said post vide appointment letter dated 31.10.2011. The petitioner claimed that he was appointed against the Employee Sons Quota in his petition, however, it is evident from the recommendations of the Departmental Promotion Committee that he was appointed on open merit. It is further evident from record that the petitioner has assumed the charge of his duty and his service book was also prepared. However, his appointment order was also withdrawn vide impugned order dated 04.11.2011, which neither contains any reason nor before issuing the said order the petitioner was issued any

It is stated by the leaned AAG before us that this judgment of the High Court is not being compiled with for the reason that its operation was suspended by this Court and none of the respondents worked with the appellant. We note from the operative part of the impugned judgment that no financial benefits has been allowed to the respondents, however, the appellant has been allowed to initiate departmental proceedings against the respondents. Where the appellant has been given the option to initiate the departmental proceedings, more so, when the law did not permit withdrawal of the appointment letter, in order to do things in accordance with law, the High Court's observation of initiating departmental proceedings, appears to be a correct observation.

2. Consequently, while disposing of these appeals, we note that within two months from today the appellant shall initiate the departmental proceedings and conclude the same and during this period, the appellant will not be required to reinstate the respondents. However, after two months, it may re-instate them, if the proceedings are not concluded. Learned counsel for the respondents has no objection to the disposal of the appeal in the above terms. Subject: Reply to the Show Cause notice dated 02/04/2020.

R. Sir,

Reference to the showcause notice dated 02/04/2020 where in it has been alleged that you have annulled your appointment order against the post of Baildar dated 31/03/2011 through illegal means.

Respected sir it is humbly stated that the undersigned was appointed against the post of Beldar vide order dated 31/10/2011 through district employment exchange and on the proper recommendations of departmental selection committee held on 01/10/2011. That in response to my appointment order as Beldar dated 31/10/2011 I got myself medically examined from the concerned medical superintendent of District Headquarter Hospital Batkhela, where after my service book was also prepared by your goodself and accordingly I submitted my arrival report dated 01/11/2011.

That after submission of my arrival report I started my duty as Beldar (BPS/03) quite efficiently and upto the entire satisfaction of my superiors including your goodself. That in spite of regular performance of duty as Beldar my salaries were not released by your goodself, feeling aggrieved I knocked the door of the Peshawar Highcourt Dar ul qaza bench at Swat in writ petition number 57-m/2012. That during the pendency of above mentioned writ petition the representative of the department produced the withdrawal order of my appointment order dated 04/11/2011. That where after I withdrew my writ petition number 57-m/2012 from the august Peshawar Highcourt Dar Ul Qaza bench.

That where after I filed writ petition number 203/2014 before the august Peshawar Highcourt Dar Ul Qaza bench at Swat by challenging impugned withdrawal order dated 04/11/2011 and as such the said writ petition was allowed in favour of me vide judgment dated 11/12/2018. That the said writ petition was allowed with the directions to your goodself department to reinstate me and my colleagues but without back benefits. That I visited your goodself office time and again for the implementation of the above mentioned judgment but your good self succumbed on the above mentioned judgment. That where after I and my colleagues knocked the door of PHC Dar Ul Qaza Bench in COC petition No 30-m/2019 but during the pendency of the above mentioned COC your goodself filed CPLA No.s 1993 to 1995/2019 in the august Supreme Court of Pakistan.

That the august Supreme Court of Pakistan vide judgment dated 10/03/2020 disposed of the said CPLAs with the directions that "to initiate departmental proceedings against me and my colleagues and shall conclude the same within two months with the condition that not to reinstate me and my colleagues if the proceedings are not concluded within two months I and my colleagues be reinstated".

Respected Sir I was appointed against the post of Beldar in light of section 03 of the civil servant Act, 1973 read with Rule 10(2) of the Appointment, Promotion & Transfer Rules, 1989. That no illegality has been committed by myself at the time of my appointment order as Beldar.

That the impugned withdrawal order dated 04/11/2011 is violative of the mother judgement of Supreme Court of Pakistan reported in 2005 TD(s) page 78. That under the principle of locus principle once an order has been issued cannot be withdrawn unilaterally. So in light of the above mentioned judgment and principle the impugned withdrawal order is not tenable and liable to be set

26

It is, therefore most humbly requested that the showcause notice dated 02/04/2020 and impugned order dated 04/11/2011 may very kindly be set aside and I may kindly be re instated into service with all back benefits including seniority and obliged.

Sincerely yours,

Subject: **DEPARTMENTAL APPEAL AGAINST THE IMPUGNED ORDER DATED 29.04.2020 WHEREBY THE APPELLANT HAS BEEN TERMINATED FROM SERVICE.**

Respected Sir,

It is most humbly stated that the appellant was appointed as Beldar (BPS-01) in the Irrigation Division, Malakand through Employment Exchange Registration Card vide order dated 31.10.2011. After appointment the appellant submitted his arrival report and started performing his duty quite efficiently and up to the entire satisfaction of his superiors.

That astonishingly the Competent authority issued the order dated 04.11.2011 whereby the appointment order of the appellant had been withdrawn. That feeling aggrieved from the order dated 04.11.2011 the appellant preferred Departmental appeal followed by writ petition No.767-M/2016 before the Peshawar High Court, Mingora Bench Dar-Ul-Qaza, Swat which was decided along with other connected writ petitions vide consolidated judgment dated 11.12.2018 with the directions that:-

"In this view of the matter, all these connected writ petitions are allowed, thereby the impugned order of even date i.e. 04.11.2011 in all these cases is accordingly set aside and all the petitioners be re-instated to their services, however, they cannot be granted the financial benefits because they did not serve against the said posts during the intervening period. Moreover, the respondents are at liberty to initiate departmental proceedings against the present petitioners, if it appears to them that they have procured their appointments through illegal means or have committed any sort of misconduct".

That after obtaining the aforementioned judgment the appellant submitted the same before concerned authority for implementation but the authority filed CPLA No.1993 to 1996 of 2019 before the Honorable Supreme Court of Pakistan which was disposed of with the view that:-

"We note that within two months from today the appellant shall initiate the departmental proceedings and conclude the same and during this period the appellant will not be required to re-instate the respondents. However, after two months, it may re-instate them, if the proceedings are not concluded".

That it is pertinent to mention here that after the judgment of Honorable Supreme Court of Pakistan a show cause notice has been issued to the appellant and the same has been replied by the appellant, but the concerned authority has not taken into consideration the aforementioned reply of the appellant. That it is also pertinent to mention here that the concerned authority without fulfilling the codal formalities straight away issued the impugned order dated 29.04.2020 whereby the appellant has been terminated from service. That no opportunity has been provided to the appellant and as such the appellant has been condemned unheard while issuing the impugned order dated 29.4.2020.

It is, therefore, most humbly prayed that on acceptance of this Departmental appeal the impugned order dated 29.04.2020 may very kindly be set aside and the appellant may kindly be re-instated into service with all back benefits.
