within a period of six months from such recommendations, they would lapse. The case of such civil servant would require placement before the PSB/DPC afresh.

VI. Date of Promotion:

Promotion will always be notified with immediate effect.

VII. Notional Promotion:

In respect of civil servants who retire (or expire) after recommendation of their promotion by the PSB/DPC, but before its approval by the competent authority, their promotion shall be deemed to have taken effect from the date of recommendation of the PSB/DPC, as the case may be, and their pension shall be calculated as per pay which they would have received had they not retired/expired.

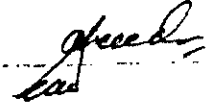

VIII. Promotion of Civil Servants who are awarded minor penalties.

- (a) The question of promotion to BS-18 and above in case of civil servants who have been awarded minor penalties has been settled by the adoption of quantification of PERs and CEI which allows consideration of such cases for promotion subject to deduction of 5 marks for each major penalty, 3 marks for each minor penalty and 1 mark for each adverse PER from the quantified score and recommendation for promotion on attaining the relevant qualifying threshold.
- (b) However, the CEI policy is not applicable to civil servants in BS-16 and below. In this case, the concerned assessing authorities will take into consideration the entire service record with weightage to be given for recent reports and any minor penalty will not be a bar to promotion of such a civil servant.

IX. Promotion in case of pending investigations by NAB:

If there are any NAB investigations being conducted against an officer, the fact of such investigations needs to be placed before the relevant promotion fora which may take a considered decision on merits of the case.

2. All the existing instructions on the subject shall stand superseded to the above extent, with immediate effect.
