Nemo for petitioner.

Asad Ali, learned Assistant Advocate General for respondents present.

From the record it is evident that the representative of respondent No.1 submitted copy of Notification dated 18.03.2022 before the Bench on 02.06.2022 stating therein that the grievances of the petitioner had been redressed. As lawyers were on strike, therefore, case was adjourned. Neither petitioner nor his counsel is before the Bench. His grievances have been redressed as he was granted personal upgradation from BS-16 to BS-17 w.e.f. 01.10.2007 instead of 20.01.2010.

In view of the above, the instant execution proceedings stand filed being fully satisfied. No order as to costs.
