DECISION ON THE REPRESENTATION DATED 30/04/2016 OF IMRAN R.NO 4769 SEPOY BAJAUR LEVIES KHAR.

ORDER

Dated of personnel hearing 21 /02/2017

Date of Order. 24/02/2017

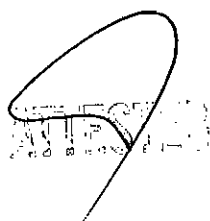

Being aggrieved of the order dated 29/04/2016, Imran Sepoy Bajaur levies filed representation dated 30/04/2016 to secretary SAFRON which is now received to this office for passing an order.

Imran Sepoy was summoned for hearing who attended this office on 21 /02/2017, he was questioned to explain his 09 Days, 06Months and 07 years absence from duty without permission and to explain whether during absence he was involved in any beneficial business/Services, and to also explain the service break for the stipulated period.

The appellant/applicant did not explained his unauthorized absence from duty and he admitted that during the aforementioned period of his absence he had not turned to attend his duty nor has filed any departmental appeal before the political Agent/Secretary Law & Order FATA Secretariat Peshawar while according to the secret inquiry conducted established that he was working in a health NGO at Peshawar and then as a security guard in NRC in Bajaur till his re-instatement into service.

The appellant heard and record perused. The services of the levies personnel is governed by levies service rules and according to rule 14, there is only 10 days long leave provision in the levies service rules that too with the permission of the competent authority. In service discipline he can earn leave on his own right, but for its grant, he must have followed proper procedure provided under the rules. He was not supposed to avail any kind of leave entirely in his discretion and choice in departure to the rules and service discipline. Absence from duty without leave, even if not willful, but same being an act of disorder in service would constitute gross misconduct. His absence from duty was converted into extra ordinary leave without pay. It is well established fact that extra ordinary leave without pay causes break in service, more so during that period such person does not render service to Government, nor it can be treated as qualifying service for the purpose of pension and gratuity involving financial implication to the Govt, and it cause unnecessary illegal loss to public treasury.

In such like situation his services shall not be treated at par with those personnel who performed their duties perfectly, without break and regularly, and they should not be suffered and disturbed for a person who did not care of his service. Thus I am not inclined to interfere or modify order dated 29/04/2016, therefore, his representation/Appeal is hereby dismissed.

COMMANDANT BAJAUR LEVIES.
