2. That the Petitioners have deliberately concealed the material facts from the Honorable Peshawar High Court, Peshawar, hence, liable to be dismissed.
3. That the Petitioners have filed the instant petition just to pressurize the respondents and the Government.
4. That the Petitioners have filed the instant petition on mala-fide motives.
5. That the instant Petition is against the prevailing Law and Rules.
6. That the Petition is not maintainable in its present form and also in the present circumstances of the issue.

- 3. Para No. 3 is correct upto the extent of qualification of the Pathology cadre. Rest of the Para is misleading as the Paramedics staff was specified through their posts. According to the approved Service Rules, the Paramedical staff was bifurcated from Junior Clinical Technician upto Principal Technologist as per their post. Furthermore the post of the Junior Clinical Technician was re-nomenclatured as Clinical Technician through notification dated 10/05/2016 (copy of Service Rules are attached at Annex-B & B1).
- 4. Para No. 4 is incorrect and misleading, hence denied according to Service Rules dated 10/05/2016. Basic qualification for the post of Clinical Technologist is "Bachelor" degree from a recognized institution / university in the relevant field as per approved Service Rules. Furthermore Biochemistry and Microbiology are not included in 14-cadres of Paramedics. The aforesaid categories having their separate cadres, seniority list and line of promotion (Biochemist / Microbiologist) (Annex-C).
- 5. Para No. 5 is incorrect, has already been explained in preceding para.
- 6. Para No. 6 is correct. However it is added that the mentioned rules were only meant for 14 Paramedics cadres and not for Microbiology & Biochemistry.
- 7. In reply to Para No. 7 it is submitted that the decision taken in the 1<sup>st</sup> enquiry was reviewed on the application of Pathology Technician with observation that the Petitioners themselves were the members of 1<sup>st</sup> enquiry and it is a settled principal of law, that no man can be a judge in his own cause. After considering the observation of the technician the Competent Authority comprises another high officers Committee who review the decision of the 1<sup>st</sup> committee and by setting-a-side the prior decision and incorporate the decision taken by the 2<sup>nd</sup> Committee (Copy of minutes of the meeting of 1<sup>st</sup> and 2<sup>nd</sup> are attached as Annex-D & E).
- 8. Para No. 8 detailed reply has already been submitted in preceding paras.
- 9. Para No. 9 detailed reply has already been submitted in preceding paras.
- 10. Para No. 10 detailed reply has already been submitted in preceding paras.
- 11. Para No. 11 is misleading, hence denied. Detailed reply has already been submitted in preceding paras. The Petitioners were inducted as Clinical Technicians and the names of the Petitioners are included in the relevant seniority list (Annex-F).
- 12. Para No. 12 is wrong, incorrect and misleading, hence denied. According to the approved Service Rules, the Petitioners on the basis of said qualification

cannot claim promotion to the post of Clinical Technologist. However, Petitioners are at the liberty to participate for the post of Biochemist and Microbiologist on their qualification as and when the post of Biochemist & Microbiologist is advertised.

13. In reply to Para No-13, it is submitted that according to Notification No. SOH-III/10-4/ dated 15/11/2007 and other relevant documents the Biologist and Microbiologist is a separate cadre and the method for appointment is also mentioned in the said notification. Furthermore the draft Service Rules Seniority list of Biochemist also made crystal clear, the plea of the Respondents that the same are a separate cadre (Notification, draft Service Rules and Seniority list are annexed as Annex-G1, G2 & G3).

14. Para No. 14 is incorrect and misleading. Detailed reply has already been submitted in preceding paras.

15. Para No. 15 is misleading, hence denied. The rules notified on 10/05/2016 were issued in supersession of all notifications issued in this behalf by the Health Department (Notification dated 10/05/2016 already annexed).

16. Para No. 16 is wrong, incorrect, misleading and concocted, hence denied. Detailed reply has already been submitted in preceding paras.

17. Para No. 17 is wrong, incorrect, misleading and concocted. The Respondents always acts in according with law and never can even think to violate the fundamental rights or favor to a specific group of employee.

The following attended the meeting:-

- |  |          |
|--|----------|
| 1. Mr. Zia ur Rehman , DS(Admn) Health.                          | Chairman |
| 2. Prof. Dr. Shahtaj Khan, Pathologist MTI, HMC, Peshawar        | Member   |
| 3. Prof. Ahmad Rafiq, Pathologist MTI, KTH, Peshawar             | Member   |
| 4. Asstt: Prof. Hamidullah Shah, Pathologist, MTI, LRH, Peshawar | Member   |
| 5. Mr. Issa Khan, Section Officer-III, Health Deptt:             | Member   |
| 6. Mr. Sheraz Khan, Deputy Director (Paramedics)                 | Member   |

The meeting started with recitation from the Holy Quran and the chair welcomed the participants.

Deputy Director (Paramedics) has explained the background of the case stating that twenty percent (20) quota has been reserved for promotion of degree holders having degree in the relevant technology which is reproduced as under:-

**"twenty percent by promotion, on the basis of seniority-cum-fitness, from amongst the Chief Technicians, Senior Technicians and Technicians having qualification prescribed for initial recruitment with three years service as such in the relevant technology"**

Moreover, the forum was apprised that in a meeting held on dated: 28-02-2017 under the chairmanship of Director (Admn) at Directorate it was recommended that conditionally the names of degree holders i.e. Microbiology/Biochemistry/Biotechnology and Histopathology may be included in the seniority list of qualified Paramedics of Pathology cadre till a separate cadre of the said categories is framed.

It was pointed out that the aforesaid recommendations led to myriad of departmental appeals by the Medical Laboratory Technology (MLT) degree holders of Pathology cadre. Recently, MLT degree holders submitted an appeal to Chief Minister, Khyber Pakhtunkhwa on dated: 16-02-2019 stating that their seniority have been affected due to inclusion of Microbiology/Biochemistry/Biotechnology and Histopathology despite being irrelevant degree in the seniority list of Pathology cadre.

ac  

The Chief Minister, Khyber Pakhtunkhwa has been pleased to record the following remarks on the face of application.

**Secretary Health**

**"Please Process"**

In pursuance of the remarks of the Chief Minister of Khyber Pakhtunkhwa a committee under the chairmanship of Deputy Secretary (Admin) Health Department was constituted vide Health Department Notification No. SOH-III/8-60/2019, dated: 14-03-2019 with following TORs:-

*The committee shall check the relevant record/testimonials of Paramedics (Pathology) holding degrees of Microbiology/Bio-technology/Biochemistry etc in order to determine the relevancy of the degrees with Pathology and submit its recommendations within fifteen (15) days positively.*

Tasked with the said TORs, the committee thoroughly looked into the matter and after threadbare discussion, Prof. Dr. Shahtaj Khan, Pathologist, MTI, HMC, Peshawar, Prof. Ahmad Rafiq, Pathologist, MTI, KMC/KTH, Peshawar & Asstt: Prof. Hamidullah Shah, Pathologist, MTI, LRH, Peshawar opined that Masters in Microbiology, Biotechnology and Biochemistry are not relevant for Clinical Technologist in Pathology (MLT). The joint expert opinion of the said Professors under their signatures (Flag-A) is reproduced verbatim as under:-

**"Masters in Microbiology and Biotechnology are appointed as Microbiologist and Biochemist respectively and these degrees are not relevant for Clinical Technologist in Pathology (MLT), therefore their names should not be included in the list of Pathology (MLT). Separate posts should be created for the post of Technologist in the field of Microbiology, Hematology, Cytology, Biochemistry and Biotechnology under separate cadre in BS-17."**

**Decision:-**

In view of the expert opinion of the above named Professors, the committee unanimously agreed that Masters in Microbiology, Biotechnology, Biochemistry, Hematology and Cytology should NOT be included in the seniority list of Pathology (MLT) being irrelevant degree and seniority list of qualified Technicians i.e. Pathology degree holders be prepared based on Pathology (MLT) degree only.

The meeting ended with vote of thanks from and to the chair.
