- H. That not correcting the date of appointment of the appellant and not revising/correcting the impugned seniority list will affect his promotion and will cause irreparable loss to the appellant in shape of monetary benefits by not promoting on due time due to wrongly mentioning the date of appointment in the impugned seniority list.
- I. That the appellant was not treated according to the law and rules and has been deprived from his legal right of seniority by wrongly mentioned the

.....

WRIT PETITION UNDER ARTICLE 199 OF THE
CONSTITUTION OF THE ISMLAIC REPUBLIC OF
PAKISTAN UPTO DATE.

RESPECTFULLY SHEWETH:

Brief facts giving rise to present petition are as under:-

1. That the petitioners are law abiding citizens of Pakistan and have every legal and constitution right duly protected under the law of the land.
2. That keeping in view the dire need of strengthening of Health facilities in the FATA area, the Federal Government started a project with the name of "STRENGTHENING OF HEALTH DIRECTORATE FATA" in which different posts were created.
3. The petitioners were appointed in the above mentioned project against various posts on dates mentioned against the name of each petitioner in the heading of Writ Petition. (Copy of Appointment Orders is attached as Annexure-A).
4. The petitioners performed their duties honestly and played vital role in establishing the said project. It is also worth to mention here that there is no complaint against the petitioners regarding their performance.

5. That the petitioners are still working on their posts in the project and the concerned office has moved a SNE wherein, they intended to create some posts in which the posts of the petitioners were also included and the petitioners are under legitimate expectancy that their services will be regularized on that posts. The petitioners also filed application and time and again approached the respondents for issuing their regularization orders but in vain. (Copy of SNE and application are attached as Annexure-B&C)
6. Thus, the petitioners having no other alternate remedy and are constrained to approach this Honorable Court in its Constitutional jurisdiction on the following grounds amongst the others.

15

GROUND:

- A) That the inaction of the respondents to regularize the petitioners on their posts is illegal, unlawful, without lawful authority, against the spirit of Constitution and guaranteed fundamental rights and against the norms of justice and principle of fair play. Therefore not tenable.
- B) That the posts of the petitioners are converted to regular side by approving the SNE and it is the legal rights of the petitioners to regularize on those posts.
- C) That it is clearly mentioned in the terms and conditions of the appointment order of the one of the petitioners (namely Naeem Ullah) that "*His appointment is convertible to regular side subject to the scheme regularity*" and now the project is converted to regular side but despite that the service of the petitioners are not regularized which is clear violation of the terms and conditions of the appointment order of the petitioner.
- D) That the petitioners have been working since long in the project, which now converted to regular side and not regularizing the petitioners on their posts is a form of worst exploitation and such exploitation is against the spirit of Article-3 of the constitution wherein, it is given. The state shall ensure the elimination of all forms of exploitation; therefore the petitioners are entitled for regularization because being highly qualified and experienced.
- E) That similar Writ petition 926-P/2015 was decided on 07.12.2016 by this Honorable Court in the favour of the petitioners and the petitioners are expected the same relief from this august Court. (Copy of judgment dated 07.12.2016 is attached as annexure-D)

- (16)
- F) That this august Court in a number of writ petitions regularized the services on the basis of discrimination and consistency and those judgments have also been upheld by the Supreme Court reported as 2016-SCMR-1375 and 2016-SCMR-1443. Therefore the petitioners also deserve the same treatment under the principles of equality.
- G) That the posts of the petitioners are converted to regular side and not regularizing the petitioners on their posts shows the arbitrary behavior of the respondents.
- H) That the treatment met to the petitioners of against the dictums of the apex Supreme Court of Pakistan and also against the Judgment of this Honorable Court.
- I) That inaction on the part of respondents in regularization of petitioners is against the spirit of Article 2A, 3, 4, 27 & 38 of Constitution of Pakistan.
- J) That the petitioners seek permission to advance other grounds and proofs at the time hearing.

It is, therefore, most humbly prayed that on acceptance of this writ petition the inaction of the respondent to regularization of the petitioners despite the posts of the petitioners are converted to regular side may be declared as illegal, unlawful without lawful authority and against the spirit of Constitution and guaranteed fundamental rights. The respondents may further please be directed to regularize the services of the petitioners by extending the benefits of conversations to regular side w.e. from approval of SNE with all back and consequential benefits. Any other remedy deems appropriate by this court may also awarded in favor of petitioner.

INTERIM RELIEF.

The august Court is requested to direct the respondents not to terminate the petitioners from service or restrain from passing any adverse order against the petitioners detrimental to their service rights till the decision of main Writ Petition.

Writ Petition No.1378-P/2018

Date of hearing:19.12.2018.....

Petitioner(s).... (Naeem Ullah and 10 others) by Mr. Taimoor Ali Khan, Advocate.

Respondent(s)... (The Additional Chief Secretary, FATA Secretariat, Warsak Road, Peshawar and 06 others) By Mr. Kamran Hayat Khan, AAG, for the official respondents and Arbab Saif Ul Kamal, AAG, for the Federation.

ABDUL SHAKOOR, J:- Through this single judgment, we intend to dispose of this petition alongwith connected Writ Petitions bearing No.2355-P/2018, titled "Muhammad Saïd Vs. The Federation of Pakistan and others" and No.2427-P/2018 titled, "Inam Ullah Vs. Government of Khyber Pakhtunkhwa and others" as all these petitions are having the same questions of law and facts.

21

2. In essence, all the petitioners of aforesaid petitions have prayed for regularization of their services.

3. Facts leading to this petition are that the petitioners Naeem Ullah and others were appointed on different posts in the project of "Strengthening of Health Directorate FATA" and are still working therein. Later on, respondents have moved SNE for the creation of regular posts in which the petitioners' posts were also included but they have not regularized on the posts. In this regard, the petitioners have filed applications to the respondents but of no avail. Feeling aggrieved, filed the instant petition.

Writ Petition No.2355-P/2018

4. Petitioner namely Muhammad Sajid, was appointed as Store Keeper in Eye Care Service Program FATA on 14.05.2007 and was adjusted against the post of Computer Operator In ADP Scheme namely "Strengthening of Health Directorate FATA" vide order 30.01.2010. Later on, the respondents have moved SNE for the creation of regular posts in which the petitioner post was also included but he was not regularized on his post. In this regard,

the petitioner has filed application to the respondents but of no avail. Feeling aggrieved, filed the instant petition.

5. Petitioner namely Inam Ullah, was appointed on contract basis as Class-IV employee in the respondent-Department under the scheme of "Strengthening of Health" in the year 2009 and is working till filing of the instant petition. He further stated that his present post has already been brought on regular side by the respondent-Department vide letter No.SO.F-II/FA/SNE/Vol-II/251 dated 07.02.2018 but despite that he was not adjusted/regularized as such. In this regard, he made a written request to the respondent-Department but of no avail, hence, the present petition.

23

6. Comments have been called for from the respondents in all these cases which they furnished accordingly, wherein, they asserted that petitioners were appointed under the ADP schemes and as such, they are not entitled for regularization.

7. At the very outset of the hearing, learned counsel appearing on behalf of petitioners submitted that this Court, in the case of similarly placed employees of the same project, wherein petitioners are employed, has already allowed their petition bearing No.926-P/2015 vide its judgment dated 07.12.2016. Wherein, it was held that petitioners of that writ petition shall be deemed to be in the service of project till its life or in case during this time if the project is converted into regular budget, all the petitioners would be deemed to be regular employees of Health Services FATA. The petitioners of the aforesaid petition bearing No.926-P/2015, after the conversion of the project on regular side of budget in which the present petitioners are employed, have been regularized. Thus, under the principle of equality that in similar circumstances alike is to be treated alike, petitioners deserve to be regularized like the petitioners of the aforesaid petition.

8. Learned AAG appearing on behalf of the Provincial Government and learned DAG appearing on behalf of Federal Government could not controvert the aforesaid submissions of learned counsel of the petitioners rather frankly conceded the same as correct. In such situation, they were further asked as to whether there is any distinction/difference between the case of those employees whose services have been regularized and the case of present petitioners for the purpose of equal treatment, they could not draw any distinction between the case of present petitioners and of those employees in whose favor the aforesaid order was passed by this Court and subsequently, on the conversion of project on regular side of budget, their services were regularized, rather willy-nilly they did not deny the same. In such situation, this Court do not find any good reason to disagree with the earlier view of this Court which has been expressed in the aforesaid judgment, and as a

consequence whereof, the petitioners of that petition whose case is similar to the present petitioners, have been regularized.

9. The Apex Court in its celebrated judgment rendered in I.A. Sherwani case (1991 SCMR Page 1041), has already declared that in view of the provision of Article 25 of the Constitution of Islamic Republic of Pakistan, 1973, similarly placed persons are to be treated alike in similar situation. The relevant paragraph of aforesaid judgment relating to the scope of Article 25 of the Constitution of Pakistan is reproduced hereunder:

"Clause (1) of Article 25 of the Constitution of Pakistan (1973) enshrines the basic concept of religion of Islam. However, this is now known as the golden principle of modern Jurisprudence, which enjoins that all citizens are equal before law and are entitled to equal protection of law.

However, the above clause does not prohibit treatment of citizens by a State on the basis of a reasonable classification.

Following are the principles with regard to equal protection of law and reasonableness of classification:

(1) that equal protection of law does not envisage that every citizens is to be treated alike in all circumstances, but it

contemplates that persons similarly situated or similarly placed are to be treated alike;

(ii) that reasonable classification is permissible but it must be founded on reasonable distinction or reasonable basis;

(iii) that different laws can validly be enacted for different sexes, persons in different age groups, persons having different financial standings, and persons accused of heinous crimes;

(iv) that no standard of universal application to test reasonableness of a classification can be laid down as what may be reasonable classification in a particular set of circumstances may be unreasonable in the other set of circumstances;

(v) that a law applying to one person or one class of persons may be constitutionally valid if there is sufficient basis or reason for it, but a classification which is arbitrary and is not founded on any rational basis is no classification as to warrant its exclusion from the mischief of Article 25;

(vi) that equal protection of law means that all persons equally placed be treated alike both in privileges conferred and liabilities imposed;

(vii) that in order to make a classification reasonable, it should be based:

a. on an intelligible differentia which distinguishes persons or things that are grouped together from those who have been left out;

b. that the differentia must have rational nexus to the object sought to be achieved by such classification.

Principle as to classification, are as under:

(a) A law may be constitutional even though it relates to a single individual if, on account of some special circumstances, or reasons applicable to him and no applicable to others, that single individual may be treated as a class by himself.

(b) there is always a presumption in favor of the constitutionality of an enactment and the burden is upon him who attacks it to show that there has been a clear transgression of the constitutional principles. The person, therefore, who pleads that Article 25, has been violated, must make out that not only has he been treated differently from others but he has been so treated from person similarly circumstanced without any reasonable basis and such differential treatment has been unjustifiably made. However, it is extremely hazardous to decide the question of the constitutional validity of a provision on the basis of the supposed existence of facts by raising a presumption. Presumptions are resorted to when the matter does not admit of direct proof or when there is some practical difficulty to produce evidence to prove a particular fact;

BR

(c) It must be presumed that the Legislature understands and correctly appreciate the needs of its own people, that its laws are directed to problems made manifest by experience, and that its discriminations are based on adequate grounds;

(d) The Legislature is free to recognize the degrees of harm and may confine its restriction to

those cases where the need is deemed to be the clearest;

(e) In order to sustain the presumption of constitutionality, the Court may take into consideration matters of common knowledge, matters of common report, the history of the times and may assume every state of facts which can be conceived existing at the time of legislature;

(f) while good faith and knowledge of the existing conditions on the part of the Legislature are to be presumed, if there is nothing on the face of the law or the surrounding circumstances brought to the notice of the Court on which the classification may reasonably be regarded as based, the presumption of the constitutionality cannot be carried to the extent of always holding that there must be some undisclosed and unknown reasons for subjecting certain individuals or corporations to hostile or discriminating legislation;

(g) A classification need not be scientifically perfect or logically complete;

(h) the validity of a rule has to be judged by assessing its overall effect and not by picking up exceptional cases. What the Court has to see is whether the classification made is a just one taking all aspects into consideration.

29

10. In the light of foregoing observation, this Court, by following the ratio of the apex Court in the aforesaid case and of earlier judgment of this Court dated

The image shows a large, rectangular area with a heavy, grainy texture, likely a scan artifact or a very faded document page. A faint grid structure is visible, suggesting a table or form. The grid consists of approximately 10 columns and 10 rows. The text within the grid is illegible due to the low contrast and noise. In the top right corner of the page, the number '39' is circled. In the bottom left corner, there is a small, faint logo or emblem.

Subject:- DEPARTMENTAL APPEAL FOR THE MODIFICATION OF FINAL SENIORITY LIST OF OFFICE ASSISTANT HEALTH DEPARTMENT, ISSUED VIDE LETTER NO. 13689/639/MINISTERIAL PROMOTION CELL DATED 07-12-2022, COPY OF WHICH WAS OBTAINED BY APPELLATION ON 12-01-2023.

R/Sir-

1. It is submitted that I was initially appointed as Office Assistant on 03-08-2009, in the project and since appointment performed my duties efficiently. I along with others filed writ petition No. 1378/P 2018 and writ petition No. 2355/titled as Naeem Ullah and others vs Government and others for the regularization of services, which was accepted on 19-12-2018 and consequently my services along with others were regularized from the date of appointment i.e. 03-08-2009, vide notification No. E&A/Health/2-5/2019 dated 30-07-2019, copy of notification is (Annex-A).

2. That my name was not included in the Seniority list of Office Assistant, for which I approached the Director General Health Services Khyber Pakhtunkhwa Peshawar and finally my name was included in the final Seniority list of Office Assistant of the Department at Serial No. 89 while my name was required to have been placed to Serial No. 22 of the stated Seniority list, as my date of regular appointment by now is 03-08-2009, while the date of appointment of Mohammad Gul S/O Redi Gul (who is placed at Serial No. 22) of the list, is date of promotion, hence my name is required to be placed at Serial No. 22 instead of Serial No. 89.

47

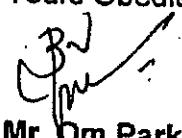

3. That recently 32 Office Assistants have been placed before the DPC dated 23-12-2022 for their promotion the Post of Superintendent BPS-17, as such I have been deprived not only of my due seniority rather promotion as well.

Prayer

It is therefore requested that on acceptance of this appeal impuned seniority list dated 07-12-2022 may kindly be modified, thereby placing my name at Serial No. 22 instead of Serial No 89 with back benefits including promotion to the next scale.

Dated: 07-02-2023
