SERVICE APPEAL NO.4999/2021

Diary No. 6041

Dated 15-06-23

Miskeen Khan VERSUS Government of Khyber Pakhtunkhwa and others.

PARA-WISE COMMENTS ON BEHALF OF RESPONDENTS 05 To 27

Respectfully Submitted:

Preliminary Objections:

- a) **Because** the Appellant is not an aggrieved person and has no locus standi to file the appeal in hand before this honorable tribunal.
- b) **Because** the instant appeal filed by the appellant is misconceived, not competent in its present form, is not maintainable, and is therefore liable to be dismissed forthwith. The appellant hasn't come with clean hands and has concealed material facts from this Honorable Court.
- c) **Because** the appeal of the appellant is badly time barred, and thus directly hit by the law of limitation and on that score alone the appeal is liable to be dismissed.
- d) **Because** the appellant, by concealing material and necessary facts from this Hon'ble Court, has come to seek justice when his own hands are unclean and tainted with the *malafide* of her own admitted conduct; and, the pleas of the petitioner should be rejected in their totality as a result.
- e) **Because** the appellant has acquiesced and is estopped by his own conduct to bring the instant appeal.
- f) **Because** the Appellant has got no cause of action to file the instant case.
- g) **Because** the appellant has for almost one decade clearly remained and have been rightly placed and shown junior to the private respondents in the seniority lists issued and they cannot be suddenly be allowed to challenge the seniority when they didn't challenge it initially.
- h) **Because** filing of this appeal is futile exercise and wastage of precious time of this Honorable Service Tribunal, liable to be dismissed forthwith.
- i) **Because** the instant appeal is barred by law and not maintainable.
- j) **Because** the appeal in hand is barred by limitation.
- k) **Because** the appeal is bad for mis-joinder and non-joinder of necessary and proper parties.
- l) **Because** this Hon'ble tribunal has no jurisdiction to adjudicate upon the matter.

On Facts:

1. Para-1 pertains to record.
2. Para 2 is incorrect and is misconceived. The law in respect of service matters is very clear and obvious, which lay bare the claim to rest that a vacancy arising entitled the appellant to be promoted. It is worthy of mention that the Length of service and availability of post can never be the sole criteria to qualify a person for promotion, other conditions such as the seniority-cum-fitness, and prescribed promotion criteria of the Provincial Government as per established service rules of the department and ACRs are also taken into consideration. Alongside the aforementioned it is

imperative to note that the existence of post and its vacancy are taken at par with the criteria laid and in absence of even one step there can be no promotion made. Furthermore, it is also imperative to note that promotion is made with immediate effect. According to Recruitment & Promotion Rules notified on 03-12-2010, the promotion quota was reduced from 80% to 60% there were 162 posts of Assistant Professor (BPS-18) in the Commerce side, out of which 97 posts falls to the share of promotion quota and 65 posts falls to the share of initial recruitment. All the posts fallen to promotion quota were already been filled at that time, however, the appellant was not eligible at that time due to short length of the required service as the appellant was appointed on 18-05-2007 as Lecturer (BPS-17), however, according to Service Rules 2010, 05 years service was required for promotion to the post of Assistant Professor (BPS-18). It is further added that the Provincial Selection Board in its meeting held on 28-02-2011 promoted only eight 08 Lecturers to the post of Assistant Professors (BPS-18) as mentioned at serial No.3,4,6,7,8,9,11 and 12 of the seniority list as stood on 31-12-2009 against the eight 08 vacant posts, while the appellant was at serial No.49 of the seniority list of 2009. (Minutes of the meeting dated 28-02-2011 are enclosed as annexure-B) In the year 2016, as per judgment of the Hon'ble Supreme Court of Pakistan dated 9-12-2015, the promotion case of 33 No's lecturer (BPS-17) were processed in the year 2016 and they were promoted to the post of Assistant Professor (BPS-18) as per their seniority position. The appellant was junior from all these 33 Lecturers (BPS-17) promoted to the post of Assistant Professor (BPS-18). It is further imperative to note that the appellant in the instant appeal cannot be equated with the appellants referred to above whose cases were processed in light of the Supreme Court judgment, as they were fulfilling the requisite criteria and they were promoted against vacant positions, at which stage the appellant by no means were fulfilling the criteria. The appellant has not agitated his seniority previously and cannot be allowed to agitate it now after all these years.

Copy of the seniority lists are Annex-A.

3. Para-3 is incorrect The Provincial Selection Board (PSB) in its meeting held on 28-02-2011 recommended eight (08) Lecturers BS-17 for promotion as Assistant Professor BS-18 according to the amended Service Rules notified on 03-12-2010 wherein promotion quota was decreased from eighty percent (80%) to Sixty (60%). Certain officers filed an appeal in the Service Tribunal for consideration of their promotion under old Service Rules notified on 01-09 1994, wherein 80% quota was given to promotion and the same was accepted by the Service Tribunal. The Provincial Government filed CPLA in the Supreme Court of Pakistan against the Judgment of Service Tribunal. The Court dismissed the civil appeal of the Government Accordingly, on the direction of court the promotion case of the senior most Lecturers was processed and the PSB in its meeting held on 09-12-2016 recommended the promotion of 33 Lecturers (BPS-17) to the post of Assistant Professor (BPS-18), It is further stated that the appellant was not and could not have been considered in the PSB meeting held on 09-12-2016 as the appellant was junior from the promoted officers. The appellant was promoted to the post of Assistant Professor (BPS-18) on 03-05-2018 on regular basis and accordingly he was given seniority form the date of his regular promotion as per rules (i.e.) seniority is determined from the date of regular appointment/promotion. It is imperative to note that since the appointment of the private respondents they have been clearly reflected as senior to the appellant and thus the appellant cannot be allowed to raise the plea of seniority at this belated stage. It also is worthy to note that some of the respondents have already been promoted to Associate Professor BPS-19. And equally important to note that the seniority lists time and again reflects the appellant to be junior to the

private respondents. Moreover, the Directorate General of Commerce Education & Management Sciences, Khyber Pakhtunkhwa, vide letter dated 30-11-2022 has already clearly mentioned that the seniority case of the appellants has clearly held to be time-barred and violation of KP Appeal Rules 1986.

Copy of the letter dated 30-11-2022 is Annex-B.

4. It is incorrect in view of reply given in the preceding paras.
5. It is incorrect in view of reply given in the preceding paras.

REPLY ON GROUNDS:

- a. The ground as laid is incorrect. It is reiterated at the cost of repetition that by no means can length of service and availability of post be the sole criteria to qualify a person for promotion. There are conditions which are to be taken into consideration alongside the availability of post and the length of service which is inherently part and parcel of the seniority-cum-fitness as well as the prescribed promotion criteria of the Provincial government as per established service rules of the department and ACRs which are required to be taken into consideration. According to Promotion Policy 2009, Promotion is always notified with immediate effect. Further, as per seniority list, the appellant was not considered for promotion as he was very much junior from the Lecturers promoted in 2011 and 2016. The principle of reasonable classification would thus be attracted, the appellant is to be taken up amongst his peers for his promotion. His peers were much more senior to the appellant and thus the appellant was not promoted when the other lecturers who were senior to the appellant were being promoted. The appellant seeks to use the same precedent while all the time disregarding the cardinal principle that the appellant wasn't eligible for promotion in the first place. Further that he was rightly reflected in the seniority list where he is reflected for almost a decade, and there is no approach to any competent forum in respect of this by the appellant.
- b. As explained in preceding paras.
- c. Ground c as laid is misconceived and is denied having no nexus with the instant appeal. It goes without saying that the case of the appellant and the appellants in the Appeal No. 524/2011 is dissimilar. The case of the appellant in Appeal No. 524/2011 was ripe as even the working papers were ready and thus the promotion was in effect initiated and given effect and only after the working papers were prepared that the new policy was attempted to be applied retrospectively. It is further submitted that the Provincial Selection Board (PSB) in its meeting held on 28-02-2011 recommended eight (08) Lecturers (BPS-17) for promotion as Assistant Professor (BPS-18) according to the amended Service Rules notified on 03-12-2010 wherein promotion quota was decreased from eighty percent (80%) to Sixty (60%). The tribunal rightly strike it down on the appeal filed by the officers whose cases were ripe for promotion yet denied the same as the policy was applied retrospectively. However, the instant appeal and the appeal no. 524/2011 are distinct for the reason that at no stage were the working papers of the appellant ready when the rules were changed. The rules had already taken effect prospectively and the appellant was to come within its ambit prospectively. Furthermore, at the time of the promotion of the appellant in Appeal No. 524/2011, the appellant was still not in the promotion zone and that is why he was promoted in 2018. Accordingly, the promotion case of the senior most Lecturers in view of the Judgment of the Honorable Tribunal was processed and the PSB in its meeting held on 09-12-2016 recommended the promotion of 33 Lecturers (BPS-17) to the post of Assistant Professor (BPS-18). It is

further stated that the appellant was even not required to be considered in the PSB meeting held on 09-12-2016 as the appellant was much junior from the promoted officers, and the claim of the appellant to be equated with the appellants of the previous Service Appeal No. 541/2011, as the two cases are entirely based in different criterions.

- d. As explained in para-C above.
- e. It is incorrect with further clarification that as per Service Rules, 20% quota is reserved for initial recruitment while 80% quota is reserved for promotion quota. All the vacant posts become vacant due to creation/promotion/retirement does not mean that all the posts are reserved for promotion. 20% quota is reserved for initial quota and 80% quota reserved for promotion quota and out of promotion quota, 33 posts reserved for promotion quota were placed before the Provincial Selection Board and accordingly, the PSB in its meeting dated 09-12-2016 recommended the promotion of 33 Lecturers BS-17 to the Post of Assistant Professor (BPS-18).
- f. It is incorrect in view of the reply given in the preceding paras.
- g. It is incorrect. The appellant claim promotion with effect from 03-04-2012 is baseless because the appellant was appointed as Lecturer (BPS-17) on 18-05-2007 and according to Service Rules, for promotion to the post of Assistant Professor (BPS-18) five Years service in (BPS-17) is mandatory. Which was not even completed at the time of the arising of the vacancy. It also would not be out of place to mention that the appellant has no cause and no case at all.
- h. It is incorrect. According to Recruitment & Promotion Rules notified on 03-12-2010, the promotion quota was reduced from 80% to 60%. There were 162 posts of Assistant Professor (BPS-18) in the Commerce side, out of which 97 posts falls to the share of promotion quota and 65 posts falls to the share of initial recruitment. All the posts fallen to promotion quota ware already been filled at that time, the appellant was even not eligible at that time because the appellant was appointed as Lecturer on 15-05-2007 and for promotion to Assistant Professor (BPS-18), 05 years' service is mandatory.
- i. Incorrect. As explained in Paras ibid.
- j. Incorrect. The Appellant is treated in accordance with laws and regulations.
- k. The Respondents also seek the permission of this Hon'ble Tribunal to advance additional arguments and raise additional grounds at the time of arguments.

Prayer: -

In view of the above submissions, it is humbly prayed that the Service Appeal in hand may be dismissed with costs, being devoid of merit and time barred.

Subject - **APPEAL FOR CORRECTION IN SENIORITY**

Respected Sir

I am directed to refer to Section Officer (Commerce) HED letter No. SO(CE&MS)/HED/1-16/394(1-3) dated 20-07-2022 and No SO(CE&MS)/HED/1-23/504 dated 31-10-2022 on the subject noted above and to state that the matter relate to dispute on seniority list between two parties Mr Sajjad Ali and Muhammad Asif were appointed as lecturers in BPS-17 on 15/05/2007. As per rules, seniority list was notified periodically every year. They did not made any appeal against placement of their position in the said seniority list. After the lapse of 15 years, in 2021, they submitted appeal against their placement in the seniority list which did not exist anymore because they and their colleagues are now in BPS-19

2. I am further directed to state that their appeal after the lapse of 15 years is devoid of merit and time barred because the said seniority list of B-17 does not exist. If their appeal is accepted at this stage, it will lead to a lot of complications and will open up plethora of litigations.

3. In view of the above, it is requested that their appeal may please be filed being time barred and violation of KP Appeal Rules-1986. Moreover, the appeal is sub-judice in the KP Service Tribunal

DIRECTOR (ADMN).
