- 4. On receipt of the appeals and admission to full hearing, the respondents were summoned, who, on putting appearance, contested the appeals by filing written replies raising therein numerous legal and factual objections. The defence setup was a total denial of the claim of the appellant.
- 5. We have heard learned counsel for the appellant and learned Additional Advocate General for the respondents.
- 6. Learned counsel for the appellant argued that respondent No.2 had acted in arbitrary manner and unlawfully transferred the appellant from the Government Girls Degree College, Sadda, Kurram to the Government Girls Degree College, Tall, Hangu by way of the impugned notification, without legal justification, which was not tenable. He further argued that the impugned order, to the extent of appellant, had neither been passed in the exigency of service nor in the public interest or on any compliant which was illegal and tainted with malafide. Moreover, the respondents had unlawfully stopped her monthly salary in illegal manner on the basis of personal grudges which was not sustainable. He requested that the appeals might be accepted.
- 7. Learned Additional Advocate General on behalf of official respondents argued that the appellant had been treated in accordance with law and rules. He further argued that there was no single student enrolled in the Government Girls

Degree College, Sadda Kurram of the subject of the appellant; that there was an issue of allotment of Bungalow on which an inquiry was conducted and one of the recommendation of the inquiry committee was that the Principal might be directed to allot room to the appellant in the hostel to remove her difficulties while coming from Dogar to Sadda station but without her spouse as the FATA female students belonged to the tribal families, and most of them were veiled women, hence, living with spouse inside the premises of Girl College would be against the regional traditions and customs. It was added that another issue was raised when the appellant had captured pictures and made videos of the students, complaints were received from students and parents to the Principal, who demanded relieving the appellant. Although the appellant was accordingly relieved by the Principal but that relieving order was withdrawn by the department by constituting an enquiry committee to probe into the grievances of the students wherein it was recommended that the appellant might be transferred/adjusted somewhere else where students of her subject were enrolled.

8. The appellant was transferred vide transfer notification dated 06.06.2020 from the Government Girls Degree College, Sadda Kuram to Government Girls Degree Tall (Hangu). 9. If we leave aside the ground that transfer cannot be made as a punishment yet the solid ground that there was no student of the subject of the appellant studying in the college from where the appellant was transferred is a valid ground of public interest as government exchequer cannot be wasted on a teacher who does nothing at the place of posting rather the interest of public as well as exigency would be that her services should be properly utilized at the station where needed or at least where there are students of the subject in which the appellant has specialization and/or wherever the competent authority desires being empowered under Seciton-10 of the Khyber Pakhtunkhwa Civil Servant Act, 1973. This being so while dismissing this appeal we would like to ask the respondents to consider future posting of the appellant keeping in view the fact that she being a lady might not be able to travel to far-flung area having regard to the posting/transfer policy of the Government.
