2. The genesis of the case is that, petitioners were appointed
as Primary School Teacher (PST) BS-07 on contract basis for

project period in the Community base Schools after the recommendation of Selection Committee and nomination of concerned political agent at Mohmand & Khyber Agencies in the years 2003, 2004, 2006 & 2007 respectively. That initially petitioners were appointed on project post, and after initial appointment on contract basis their contract were renewed till the promulgation of (N-W.F.P) now Khyber Pakhtunkhwa, Civil Servants (Amendment) Act, 2005 (NWFP Act No. IX of 2005), and (N-W.F.P) now Khyber Pakhtunkhwa, Employees (Regularization of Services) Act, 2009 (NWFP Act No. XVI of 2009) whereby all contractual & adhoc employees have been regularized by operation of law, but despite it, respondents vide impugned notification dated 13.12.2010, terminated their services with effect from 31.12.2010. Hence, having no other adequate & efficacious remedy petitioners have approached this Court through the instant writ petition:

3. Comments were called from respondents which they furnished accordingly, denied the assertion of petitioners and stated that they were appointed as PTC project teachers in community based project schools in FATA, and all community school teachers were terminated on 31.12.2010 by the

Competent Authority through letter No. 8878-87 dated 13.12.2010. Further stated that at all FATA level in each agency, a scrutiny committee was constituted by the competent authority to carry out meaningful scrutiny verification of community schools all over the FATA. The scrutiny committee has identified functional and non functional i.e ghost schools in FATA. The teachers of non functional / ghost schools were ordered as closed and services of teachers of those schools were stand dispensed with. All petitioners in Khyber and Mohmand agencies were project employees and their services stand dispensed with on 31.12.2010, after expiry of project period and closure of community schools. It is pertinent to mention here that only those community schools were ordered to be re-opened which were functional and in the area where schooling were required and possible after scrutiny verification of scrutiny committee. A notification has been issued by FATA Secretariat wherein the Governor Khyber Pakhtunkhwa being competent authority has approved the re-appointment of community school teachers, who qualify to be passed against regular available posts of PST.

4. We have heard learned counsel for the petitioner and learned AAG appearing on behalf of respondents and perused the available record.

5. Record is suggestive that petitioners were appointed in the prescribed manner after observing all codal formalities, such as test and interview, recommendations of the Departmental Selection Committee and appointment order by the competent authority. Admittedly the appointment orders placed on record reflects that petitioners were appointed on contract basis for the project period in the schools. These appointment letters are for the years ranging from 2001 to 2009. It is also an admitted fact that since their initial appointment their contracts were renewed from time to time and till the promulgation of Khyber Pakhtunkhwa Civil Servants (Amendment) Act, 2005 (Act No. IX of 2005) and similar legislation made by Khyber Pakhtunkhwa, employees (Regularization of Services) Act 2009 (KPK Act No. XVI of 2009) vide which the services of all adhoc and contractual employees were regularized by the Provincial Legislature, the petitioners were in service. The petitioners services were terminated allegedly due to closure of all community schools in

FATA with effect from 31.12.2010 and the reasons given in the said closure order is ghost schools in FATA and the scrutiny committee, so constituted has identified functional and non functional community schools.

6. One thing is admitted and clear from record that before termination no notice was given to the petitioners and all other employees whose services were terminated. Nothing is on record to show that the scrutiny committee check which record and from where they declared functional and non functional schools and as to whether any student, may be just one student, was studying in that school are not, at that time. One thing is more clear than crystal that once a school has been established that can never be a project nor it can be closed down, if even a single student is studying over there.

7. There is nothing on record showing that after the so called revival of 67 community schools wherein 68 male and 66 female community teachers were adjusted vide order No. 6048-619 dated Ghallani 9th December, 2011, whether all the terminated employees were given notices for interview before the said scrutiny committee or not. Validity--National Education Foundation Ordinance, 2002 and national Commission for Human Development Ordinance, 2002, having been promulgated much prior to the introduction of Constitution (Eighteenth Amendment) Act, 2010, whereby Art. 270AA was substituted in the Constitution in pursuance whereof the Concurrent legislative list containing entries relating to education were abolished were protected-- Education was Fundamentals Rights of an individual, therefore, the Directive Principles of States policy being subsidiary to the Fundamental Rights guaranteed under the Constitution were required to be protected under the law, which were holding the field-- In presence of said two laws, and for the reasons that the Basic Education Community Schools were functioning under the control of Government agencies and by the NGOs despite repealing of Concurrent legislative list, the Government of Pakistan and Technical Training Division, which had been authorized to deal with all the matters reliant to NCHD and NEF--Provision which had brought protection to both the Ordinance, could only be repealed by the repealing statute and merely by issuing any letter or the order as in the present case to close down the project of establishment and operation of basic education community schools was contrary to laws.

- d) ---Preamble--National Commission for Human Development Ordinance (XXIX of 2002), Preamble--Constitution of Pakistan, Arts. 270AA, 25-A, 29, 7, 70 read with Federal Legislative list part-1, entry 16 & 184(3)--Constitutional petitions--Right to

education—Principles of Policy—Winding up of Basic Education Community Schools established under National Education foundation Ordinance, 2002 and the Commission under Human Development Ordinance, 2002—Question for consideration was whether or not after abolishing the concurrent legislative List, the Federation was empowered to make legislation relating to the matters directly, indirectly or ancillary to the subject to educational particularly by introducing informal education, as presently was being imparted through Basic Education Community Schools in the country established under National Education Foundation Ordinance, 2002 and National Commission for Human Development Ordinance, 2002—Under Article 70 read with Entry 16 of part-1 of the Federal Legislative List of the Constitution and the Constitutional Amendments, both the Ordinances were fully protected and shall remain operative unless repealed in accordance with the Constitution and so long both the Ordinances were holding the field, the Basic Education Community Schools providing informal education to the backward classes or the areas shall continue to function—Proposed action on the part of authorities of closing down establishment and Operation of Basic Education Community Schools was without lawful authority and of no legal effect and was in violation of Article 25-A of the Constitution--Proposed act of winding up of the Commission was unconstitutional and of no legal effect and the Commission was allowed

to continue to perform the positive duty of providing basic human rights to the citizens of Pakistan—order accordingly.

8. This Court in its judgment delivered in writ petition No. 3157 of 2009 decided on 15.9.2011, has held that regularization Act No. IX of 2005 and Act No XVI of 2009 are applicable to the FATA employees. The said judgment was upheld by the apex Court as well and in view of the said judgment all the petitioners are regular employees of the community schools which under no law can be closed down and be termed as a project, if a single student was studying there. There is nothing on record showing that the scrutiny committee who declared functional and non functional community schools had taken into account that by that time students were there or not.

9. The Governor, Khyber Pakhtunkhwa, issued a notification No. SO (E)/SSD/CSTR/99-108 dated 11.5.2012, which reads as under:-

The Governor Khyber Pakhtunkhwa, in his capacity as the Competent Authority has been pleased to approve the re-appointment of Community School Teachers who qualify to be posted against the regular posts of PST (BS-7) in phased manner at the respective Agencies & FRs, purely on merit basis in accordance with the existing recruitment criteria but in relaxation of upper age limit with immediate effect as specified below;

Signature

- i. The available regular vacant PST (BS-7) posts in the Primary / Middle Schools in FATA will be filled up from amongst the community school teachers and no fresh candidate considered for recruitment till all the eligible community Schools Teachers are absorbed against regular posts in their respective Agencies / FRs.
- ii. The non-local eligible Community School Teachers shall be considered for re-appointment against the regular vacant posts of PST (BS-7) after adjustment of local qualified teachers.
- iii. The services of the un-qualified teachers shall be dispensed with.
- iv. The Community Schools whose teachers are appointed and shifted to other schools against regular posts, would be closed down.
- v. The respective Community Schools students would be shifted to nearby regular schools and no further recruitment of Community School teacher will be made.

10. Record suggests that even this notification was not implemented. There are plethora of judgments of the apex Court confirming that no employee could be terminated without issuing proper show cause and regular inquiry. Reliance is placed on 1997 SCMR-1552 (b) which reads as under:-

--Termination of service--Misconduct--
 Civil Servant's services were on temporary basis liable to be terminated on 30 days' notice or pay in lieu thereof on either side--
 Service of civil servant were to be governed by statute and Rules/Instruction/Regulations framed thereunder--If a person is employed on contract basis and terms of employment provide the manner of termination of his services the same can be terminated in terms thereof--Where, however, a person is to be

condemned for misconduct, in that event, even if he is a temporary employee or a person employed on contract basis or probationer, he is entitled to a fair opportunity to clear his position which means that there should be a regular enquiry in terms of Efficiency and discipline Rules before condemning him for the alleged misconduct.

Likewise in the case of Director General Pakistan

Rangers Sindh and another Vs Abdul Rashid, reported in 2000,

SCMR-643 it has been held that:-

---S.4---Constitution of Pakistan (1973), Art. 212(3)---Termination of service---Service of civil servant was terminated without issuing him any show cause notice and assigning any reasons for such termination---Civil servant whose services were being governed by Service Rules had completed probation period of four years---Service Tribunal in the circumstances, had rightly found that termination of service of civil servant without issuing him any show cause notice and without holding inquiry against him, was illegal and thus had rightly directed re-instatement of civil servant treating intervening period from date of termination to his re-instatement as extraordinary leave without pay.

11. In the instant case, as per the closure order, it reflects that there are allegations against the petitioners that they did not

perform their duties as the community schools were ghost schools and as such when there is an allegation, the law demands show cause notice which is lacking in the instant case, admittedly. On the other hand when 67 community schools were made functional whether any notices were issued to the locals, previous employees as per notification dated 11.5.2012 of the worthy Governor KPK. Since, all the petitioners are the locals therefore, they have been discriminated.

12. In view of above, this writ petition is allowed and respondents are directed to adjust the petitioners in the community schools by revival of the non functional schools by making the circumstances, so that the Education flourishes in the tribal area. The exercise be done within one month after receipt of the judgment. Since petitioners have not worked against the posts, therefore, they are not entitled to the wages for intervening period and their said period be treated as leave without pay.

9. The learned counsel also invited the Court attention to the case of Mst. Shagufta Syed Vs. The learned counsel produced copy of the judgment of the Hon'ble apex Court given in Civil Appeals No.150-P & 151-P of 2009 decided on 24.03.2011 where the above mentioned judgment of this court was impugned. The Hon'ble apex Court after elaborately & extensively dealing with each & every legal & factual aspect of the case, not only upheld the view taken by this Court but also referred to its own judgment given in Civil Appeals No.834-P to 837-P of 2010 decided on 01.03.2011, wherein, it was held that the cases of contractual employees though appointed on project are squarely covered by the provision of Section 19 (2) of NWFP Civil Servants Act, 1973. Accordingly, both

Confronted with the above ironclad legal position, the learned Additional Advocate General was repeatedly asked to draw line of distinction between the case of the petitioners and of those to whom benefit of the said provision of law was extended and their contractual services were regularized, however, he was found defenseless having no answer much less plausible to offer. 14. Question is whether petitioners are governed by the provisions of the North West Frontier Province (now Khyber Pakhtunkhwa) Employees (Regularization of Services) Act, 2009 (hereinafter referred to as the Act). It would be relevant to reproduce Section 3 of the Act:

"3.Regularization of Services of certain employees.-All employees including recommendees of the High Court appointed on contract or adhoc basis and holding that post on 31st December, 2008, or till the commencement of this Act shall be deemed to have been validly appointed on regular basis having the same qualification and experience."

15. The aforesaid Section of the Act reproduced hereinabove clearly provides for the regularization of the employees appointed either on contact basis or adhoc basis and were holding contract appointments on 31st December, 2008 or till

the commencement of this Act. Admittedly, the petitioners were appointed on contract basis, which period of their appointments was extended from time to time and were holding their respective posts on the cut-off date provided in section 3 ibid as they (petitioners of W.P No. 2498-P/2012 & 2515-P/2013) were terminated from service on 31.12.2010.

16. Moreover, the Act contains a non obstante clause in section 4A which reads as under:

"4-A. Overriding effect. - Notwithstanding anything to the contrary contained in any other law or rule for the time being in force, the provisions of this Act shall have an overriding effect and the provisions of any such law or rule to the extent of inconsistency to this Act shall cease to have effect."

of the Act and their services were mandated to be regulated by the provisions of the Act. Furthermore, relevant to the subject is letter No. 8878-87 dated 13.12.2010 (Annex D/1 in W.P No.2515-P/2013) It has been mentioned in it that regular vacant posts be advertised immediately and recruitment process be completed as per prescribed procedure on priority. It shows that there are regular posts against which the petitioners were working. Some appointments have been made by the respondents in pursuance of the above letter which are mentioned as respondents in WP No. 2515-P/201.

18. Providing cause of action/grievance to the petitioners, the Government of NWFP (now Khyber Pakhtunkhwa) presented a bill in the Provincial Assembly through which Section 19 of the NWFP Civil Servants Act was to be amended. The said bill was passed by the Provincial Assembly of NWFP on the 5th July, 2005 and assented to by the Governor of NWFP on 12th July, 2005, which was notified/published in the Gazette of NWFP, extra ordinary on 23rd July, 2005.

Sub-section 2 of Section 2 of the Amendment Act IX of 2005 is to the following effect:-

"2. Amendment of Section 19 of N.W.F.P. Act No.XVIII of 1973.- In the North-West Frontier Province Civil Servants Act, 1973 (N.W.F.P. Act No.XVIII of 1973) for section 19, the following shall be substituted:-

19 (1). Pension and gratuity.—Not relevant.

(2) A person though selected for appointment in the prescribed manner to service or post on or after the 1st day of July, 2001 till the commencement of the said Act but appointed on contract basis, shall, with effect from the commencement of the said Act be deemed to have been appointed on a regular basis. 20. For the detailed reasons discussed above, we entertain no amount of doubt that the petitioners are entitled to the prayed relief because services of similarly placed employees of different institutions/ departments, who were appointed on contract basis, were held to have been regularized through the provision of various

enactments, discussed above, moreso, when the main judgment of this Court was not impugned before the Hon'ble apex Court by the Provincial Government, therefore, no distinction can be drawn between the case of the petitioners and of those to whom the same and similar benefit was extended by this Court. Even otherwise, once the law has been interpreted in the earlier judgments of this Court in favour of the employees, then the subsequent Division Bench, in view of the long chain of authorities/dicias of the Hon'ble apex Court, cannot deviate from the previous view, moreso, when we have no reason to differ with the earlier view.

21. Accordingly, this and all the connected petitions are allowed and respondents are issued a writ directing them to treat the petitioners of this and of all the connected petitions as regular/permanent employees from the law came into force, as discussed above or from the date of officiating service as stated in the relevant provisions of law. 22. It is added that as respondents No.7 to 12 have been appointed when services of the petitioners in W.P.No.2515-P of 2013 were terminated, therefore, the matter is left to the respondents to deal with the fate of respondents No.7 to 12 in accordance with law and rules on the subject.

JUDGMENT

IJAZ UL AHSAN, J. Through this single judgment, we intend to decide Civil Appeals No. 231, 233, 235, 236, 238, 241, 242, 243, 256, 260, 262, 263, 264, 266, 278, 279, 281, 286, 287, 290, 291, 292, 293, 294, 295, 296, 297, 299, 300, 304 & 306 of 2020, as they involve a common question of law.

2. Through the instant Appeals, the Appellants have challenged the impugned Judgments dated 14.10.2014 passed in Writ Petitions No. 390-P Of 2012, etc by the Peshawar High Court, Peshawar. The Respondents had, through the Constitutional Petitions, sought the regularization of their services, which was allowed.

3. The brief facts giving rise to this *lis* are that the Respondents were appointed on contract basis against different posts in the erstwhile FATA. The Respondents on different dates received termination notices and, certain others were appointed in their place. The said steps were assailed before the Peshawar High Court by way of

Constitutional Petitions which were allowed vide order of the High Court dated 05.10.2016. The said judgment of the High Court was challenged before this Court. This Court set aside the judgment of the High Court and remanded the matter back to the High Court for decision afresh vide order of this Court dated 28.11.2018. The High Court vide the impugned judgment allowed the Constitutional Petition of the Respondents. As a result, the Appellant-Department was ordered to regularize the services of the Respondents

4. Leave to appeal was granted by this Court vide order dated 09.03.2020 in the following terms: -

"The learned Additional Advocate General, Khyber Pakhtunkhwa contends that all the Respondents in these petitions were employed either on project posts or on contract basis or were employees under Section 42 of the Companies Act, 2017 and in no circumstances their services were to be regularized. He further contends that in all impugned judgments, the learned High Court has merely allowed writ petitions on basis of similarly placed persons, but without at all adverting to the facts and circumstances of each and every case separately and without applying its mind to the same. He adds that even the laws under which their appointments were made were not adverted to. He submits that the Respondents who are employees on projects or contract employees or Section 42 employees were not liable to be regularized and thus their regularization by the learned High Court through the Impugned Judgment in these petitions was altogether illegal. In support of the contentions, the learned law officer has referred to a three-member judgment of this Court dated 24.06.2014 passed in Civil Appeal No.687 of 2014 (Government of Khyber, Agriculture, Livestock

and Cooperative Department through its Secretary and others v Ahmad Din and another).

2. We note that some of the petitions are time barred and in one of the petitions even no condonation of delay has been filed. The learned Law Officer states that such will be done by the petitioners.

3. The contentions raised by the learned Additional Advocate General, Khyber Pakhtunkhwa need consideration. Therefore, subject to limitation, leave to appeal is granted in these petitions to consider inter alia the same.

5. The learned Additional Advocate General, Khyber Pakhtunkhwa (hereinafter referred to as "KP") submits that the Respondents were employed on contract basis against project posts, hence, their employment was dependant on the life of the project. He further contends that the learned High Court erred in law by extending the application of the KP Employees (Regularization of Services) Act, 2009 (hereinafter referred to as "2009 Act") to the Respondents who were employees of different departments in FATA and hence were not covered by the provisions of the 2009 Act in terms of Article 247(3) of the Constitution of the Islamic Republic of Pakistan (hereinafter referred to as "Constitution"). Further, that the jurisdiction of the High Court was specifically barred to deal with the controversy considering the provision of Article 247 of the Constitution as it existed at the relevant time and was then a part of the Constitution. He adds that the Presidential Order No. 13 of 1972 relied upon by the learned Counsel for the Respondents only provides relief to a specific class of employees, which was different and distinct

ATTESTED

Senior Court Associate
Supreme Court of Pakistan
Islamabad

from the class under which the Respondents fell. Further, the High Court has erred in law by misapplying Section 19 of the Civil Servants (Amendment) Act, 2005.

6. Learned Counsel for the Respondents mainly argued that the Respondents ought to be treated at par with other employees who have been regularized. He further contends that under the 2009 Act, the Respondents should be regularized as they were employed before the commencement date of the 2009 Act. Further, the High Court was vested with jurisdiction to adjudicate upon matters related to FATA in light of the 25th Amendment. It has been further contended that the Respondents were regularized because of certain letters of the Government which allowed regularization of certain employees, hence, on the same score, the Respondents ought to be regularized as of right. Moreover, most of the Respondents have been serving the Appellant-Department satisfactorily, hence, they deserve to be regularized on that score too.

7. The questions which are before this Court for determination are as follows:-

- i. Could the High Court apply the 2009 Act on FATA/PATA?
- ii. Could the High Court exercise jurisdiction in matters related to FATA?
- iii. What was the effect of Presidential Order No. 13 of 1972?

COULD THE HIGH COURT APPLY THE 2009 ACT ON FATA/PATA?

ATTESTED

Senior Court Associate

8. The learned High Court has held in the impugned judgments that all the Respondents were employed before the cut-off date of the 2009 Act. Further, that, Section 3 of the 2009 Act provides a mechanism of regularization of employees' subject to the fulfilment of certain conditions. In this regard, the Preamble of the 2009 Act is reproduced below for ease of reference as:-

"WHEREAS it is expedient to provide for the appointment and regularization of services of certain employees appointed on ad-hoc basis against civil posts and contract basis against project posts in the Province of the Khyber Pakhtunkhwa" [Underlining is ours]

The aforementioned preamble provides this Court with an insight of what the legislature intended when it promulgated the 2009 Act. The said preamble provides an insight into the purpose and scope of the object of regularization of certain categories of employees of the Province of Khyber Pakhtunshwa. Nowhere in the said preamble does it provide that the 2009 Act shall be applicable on FATA/PATA. The provision which addresses the question of applicability of the 2009 Act relates to employees of KP and not of FATA/PATA. Section 2 provides definitions which must be taken into consideration while applying the 2009 Act. Section 2(d) specifically defines "Government" as the Government of KP. Therefore, we are unable to agree with the learned High Court in its application of the 2009 Act to FATA/PATA and resultanty, to the Respondents.

9. Even otherwise, it is worth noting that at the time when the Respondents were employed and subsequently when they were relieved; the 25th Amendment to the Constitution was not in force. As such, the applicable provision of the Constitution was Article 247 which provided an elaborate mechanism for the Parliament on the extension of the law to FATA/PATA. In this regard, Article 247(3) is reproduced as:-

"(3) No act of ^{the} ~~Majlis-e-Shoora~~ (Parliament) shall apply to any Federal Administered Tribal Area or to any part thereof, unless the President so directs, and no Act of ^{the} ~~Majlis-e-Shoora~~ (Parliament) or a Provincial Assembly shall apply to a Provincially Administered Tribal Area, or to any part thereof, unless the Governor of the Province in which the Tribal Area is situate, with the approval of the President, so directs; and in giving such a direction with respect to any law, the President or, as the case may be, the Governor, may direct that the law shall, in its application to a Tribal Area, or to a specified part thereof, have effect subject to such exceptions and modifications as may be specified in the direction."

It is nobody's case that the provisions of the 2009 Act were extended to FATA / PATA by following the aforementioned provisions of the Constitution. As such, the learned High Court could not have extended the application of the 2009 Act, or any Act of Parliament or the Provincial Assembly for that matter, to FATA/PATA on the touchstone of the principle of *casus omissus*. The said principle categorically provides that, where the legislature has not provided something in the language of the law, the Court cannot travel beyond its jurisdiction and read something into the law as the same

would be *ultra vires* the powers available to the Court under the Constitution and would constitute an order without jurisdiction. The same would also be against the principle of Trichotomy of Powers upon which the State functions. All three organs of the State have been given specific powers under the law and as such, the said powers cannot be overstepped. We are therefore inclined to hold that the learned High Court in the impugned judgments has travelled beyond its jurisdiction in applying the 2009 Act to the Respondents which action is *ex facie* erroneous, beyond lawful authority and without jurisdiction.

COULD THE HIGH COURT EXERCISE JURISDICTION IN MATTERS RELATED TO FATA/PATA?

10. The 25th Amendment was passed in the National Assembly on 24.05.2018 and subsequently by the Senate on 25.05.2018. Section 9 of the Constitution (Twenty-Fifth Amendment) Act, 2018 omitted Article 247 of the Constitution with effect from 04.06.2018 and, *inter alia*, merged FATA/PATA in the province of KP. The Respondents were employed before the incorporation of the 25th Amendment in the Constitution and cannot be given retrospective effect. As such, Article 247 applies to the matter at hand because the Respondents were appointed at a time when the said Article was in force and had not been omitted from the Constitution. It has not even been argued and indeed could not be argued that the 25th amendment to the Constitution has retrospective effect.

11. Article 247 of the Constitution, *inter alia*, provided that the High Court or the Supreme Court could not exercise jurisdiction in a Tribal Area i.e. FATA/PATA unless the Parliament provided otherwise. The only exception provided in the said sub-article is, that nothing would affect the jurisdiction of the High Court or Supreme Court in relation to a Tribal Area immediately before the commencing day. The said exception does not apply in the instant controversy, therefore, the main focus of our scrutiny will be Article 247(7) inasmuch as it provides for an ouster of jurisdiction. For ease of reference, Article 247(7) (as it was then) is reproduced below as:-

"(7) Neither the Supreme Court nor a High Court shall exercise any jurisdiction under the Constitution in relation to a Tribal Area, unless Majlis-e-Shoora (Parliament) by law otherwise provides:

Provided that nothing in this clause shall affect the jurisdiction which the Supreme Court or a High Court exercised in relation to a Tribal Area immediately before the commencing day."

A bare perusal of the abovementioned Article of the Constitution makes it clear that the lawmakers had specifically ousted the jurisdiction of the Supreme Court and the High Court in the exercise of jurisdiction under the Constitution in relation to FATA/PATA. The learned High Court in the impugned judgments has placed reliance on the 25th Amendment and exercised jurisdiction concerning the controversy which is before this Court. As stated above, the Respondents were appointed before the said Amendment was introduced. As such, the 25th Amendment could not have

been given retrospective application. Consequently, the learned High Court, instead of examining the merits of the cases of the Respondents on the touchstone of Article 247, went beyond its powers and applied the 25th Amendment retrospectively. Giving the 25th Amendment retrospective application would open a floodgate of unnecessary legal and constitutional complications which can and should be avoided by giving effect to the letter and spirit of the Constitution and the intent and purpose of Article 247 and its subsequent omission by way of the 25th amendment to the Constitution. Reliance in this regard is placed on the case of Hidavat Ullah v. Muhammad Yunas and Others [PLD 2020 SC 362] the relevant part of which is reproduced below as:-

"5. Learned Advocate General has supported those submission with the added ground that the orders passed by the relevant fora under the FCR are all dated prior to the 25th Constitutional Amendment which came to effect on 31.05.2018. Thus, the recommendations of the Council of Elders dated 15.12.2015 until the decision of the review by the PATA Appellate Tribunal on 24.04.2018 predate the said Constitutional Amendment. Consequently, at the relevant time when the judgment was delivered, the provisions of Article 247(7) of the Constitution were in force.

"6. The roster of jurisdiction of the High Court under Article 199 of the Constitution is specific for the reason that cause of action for civil relief of such Sersaya as well as the residence of the parties and the locus of the corpus of the dispute, namely, the Cor mines are located within the Kohat Frontier Region. Consequently, the High Court had no jurisdiction to entertain the writ petition. Indeed, the aspect of the case has not been considered in the impugned judgment at all."

12. It may also be noted that the Supreme Court and High Court (Extension of Jurisdiction to Federally

Administered Tribal Areas) Act, 2018 was to be made applicable from a date which was to be notified by the Federal Government. However, no such date had been notified at the time the High Court took cognizance of the matter and in any event, it did not consider or apply its judicial mind to this material aspect of the *lis* before it. Even otherwise, if the said Act is taken to be applicable from the date of its promulgation, the Respondents cannot take the benefit of its provisions because the Respondents were admittedly employed before the said Act was promulgated while Article 247 of the Constitution still held the field. As such, the learned High Court did not have jurisdiction to entertain the petitions in question. We note that, in one of the impugned judgments, the learned High Court has candidly conceded that it is unaware whether the 2009 Act has been made applicable to FATA/PATA or not. Given this, we are unable to see how and on what basis the learned High Court proceeded to apply the said Act to the case of the Respondents.

WHAT WAS THE EFFECT OF PRESIDENTIAL ORDER NO. 13 OF 1972?

13. We note that some of the Respondents seek the benefit of the Centrally Administered Tribal Areas (Employees' Status) Order, 1972 ("Presidential Order No. 13 of 2012"). In essence, the learned Counsel for the said Respondents has claimed that since all the employees recruited in FATA are deemed to be employees of the Provincial Government on deputation with the Federal Government, thus, the benefit of the 2009 Act should automatically extend to them. In this

ATTESTED

regard, the Respondents have placed reliance on Paragraph 3 of the Presidential Order which reads as follows:-

"3. Status of the employees of the Centrally Administered Tribal Areas:- Notwithstanding anything contained in their conditions of service, the employees shall, as from the appointed day, be employees of the Provincial Government and shall work under the overall administrative control of the Provincial Government, on the same terms and conditions of service as respects remuneration, leave and pension and the same rights as respects disciplinary matters or tenure of office as were applicable to them immediately before that day."

A bare perusal of the aforementioned paragraph shows that the Presidential Order was applicable to those employees who were already in service on the appointed day. What this means, in essence, is that the said Presidential Order was specific, and, as such, its application could not be extended to cover the Respondents. The matter of interpretation of a Presidential Order has already been dealt with by this Court. In this regard, we find substance in the stance taken by the learned AAG that the Respondents were appointed at a time which is beyond the applicability of the Presidential Order which was applicable only to those who were in service at the time of promulgation of the said Order. The learned AAG has placed reliance on this Court's Order dated 22.06.2010 to conclude that the Respondents were not in service at the time of promulgation of Presidential Order No. 13 of 1972, therefore, the same is inapplicable to them. We find that the learned High Court has erred in law in applying the said Presidential Order to the Respondents in a universal manner. Even otherwise, employees of FATA as such cannot be treated

ATTESTED

Senior Court Associate
Supreme Court of Pakistan
Islamabad

as provincial employees as the same came under the control of the Federal Government and not the Provincial Government. For the said reasons, we are unfortunately unable to agree with the learned High Court in its findings to the effect that the Respondents were under the control of the Provincial Government and as such, came under the umbrella of the 2009 Act.

14. The learned High Court has in the impugned judgments held that, by not regularizing the Respondents and by regularizing others, the Appellants have committed discrimination. The said finding is not based on any legal or factual basis. Firstly, even when others have been regularized, the circumstances and terms and conditions of their employment were different. If some have illegally been regularized, the petitioners cannot claim equal treatment with them. If and when the question of legality and validity of their regularization comes before us, we will pass appropriate orders after considering the facts, circumstances and merits of each case. It has been repeatedly held by this Court that regularization is not a vested right but requires a statutory basis which is admittedly absent in the instant case. As such, the present Respondents merely rely on the fact that others have been regularized and so should they, which is not a legal ground per se. Where a contractual employee wishes to be regularized, he must demonstrate statutory basis for such a claim, in the absence of which, relief cannot be granted solely on the principle of "similarly placed". Such a course of

ATTESTED

Senior Court Associate
Supreme Court of Pakistan
Islamabad

action would tantamount to making one right out of two wrongs which is not permissible in the law.

CAN THE RESPONDENTS, BEING PROJECT EMPLOYEES, CLAIM REGULARIZATION BASED ON LONG SERVICE?

15. It is trite that long service is no ground for regularization. As stated above, regularization has to be supported by legislation and is not an automatically accruing right. Even if we agree with the findings of the learned High Court that the Respondents have been serving efficiently for many years, it is worth noting that the fact that the Respondents were project employees has not been controverted. As such, Section 3 in its plain language excludes project employees from the benefit of regularization under the provisions of the 2009 Act. Therefore, keeping in view the language of the 2009 Act itself, there appears no lawful basis for the Respondents to claim beneficial interpretation of the 2009 Act as the Court cannot overstep its powers to add language to a statute which the legislature has not provided.

16. The Impugned Judgments of the learned High Court proceed on an incorrect actual and legal premise and have erroneously applied the law, rules and regulations to the facts and circumstances of the cases before it. A clear legal and jurisdictional error in exercise of jurisdiction by the High Court under Article 199 of the Constitution of the Islamic Republic of Pakistan is floating on the surface of the record which makes the judgments unsustainable.

02. Brief facts of the case are that the appellants were appointed as PTC Teacher in Communal School In BPS-7 in the year 1998 to 2004 at erstwhile Khyber Agency (Now District Khyber). Being un-trained, services of the appellants were terminated vide dated 31-12-2012, but such order was rescind vide order dated 03-01-2013, as the competent authority vide order dated 05-04-2013, circulated the decision to consider appointment of all those un-trained/un-qualified local community school teachers for re-appointment against the available sanctioned posts of PST with the existing recruitment criteria subject to the condition that they will acquire the prescribed professional and academic qualification for the post within 24 months after their re-appointment against the regular PST post. Upon appointment against regular posts, the appellant failed to acquire the same, hence were terminated from service vide order dated 31-07-2015, against which the appellant filed departmental appeal followed by Writ Petition No. 3682-P/2015, which was dismissed vide judgment dated 28-09-2016. The appellant challenged the decision of the High Court in the Supreme Court of Pakistan vide CPLA No. 3464-P/2016, which was disposed of vide judgment dated 27-04-2017 on the terms that let the petitioners submit applications to the respondents and we are confident that they will look into this matter sympathetically in view of the facts and circumstances of the case, obviously, anybody already legally appointed, should not be disturbed. In pursuance of the judgment, the appellants submitted applications to the respondents but they were not appointed and such decision was communicated to the appellants vide order dated 27-09-2017, hence they again filed Writ Petition No. 4283-P/2017, which was accepted vide judgment dated 28-06-2018. In pursuance of the judgment, the appellant were re-appointed vide order dated 22-06-2019 subject to decision of the supreme court in CPLA already filed. judgment dated 28-06-2018 and in pursuance of the judgment the re-appointment order dated 22-06-2019 was cancelled vide order dated 30-12-2020. Feeling aggrieved, the appellants filed departmental appeals, which were not responded, hence the instant service appeal with prayers that the impugned order dated 30-12-2020 may be set aside and the appellants may be re-instated in service with all back benefits or any other remedy which this tribunal deems fit may also be granted in favor of the appellants.

03. Learned counsel for the appellants has contended that the appellants has not been treated in accordance with law, hence their rights secured under the Constitution has badly been violated; that the impugned order dated 30-12-2020 is void ab initio as it has been passed without fulfilling the codal formalities; that services of the appellants were dispensed with, without observing the procedure as prescribed in law; that the appellants are having services of almost 20 years at their credit and it would not be just on part of the appellants to ignore their services rendered so far; that the appellants were initially project employees but later on were regularized, hence they are entitled to pensionary benefits, as the apex court in various judgments has already granted relief in similar nature cases; that cases of the appellants may also be considered on the same footings on the principle of consistency and they may be granted pensionary benefits keeping in view their length of service.

04. Learned Additional Advocate General for the respondents has contended that the appellants were initially appointed on project posts PST Communal School Teachers for the project period only; that the appellants were terminated from service on 31-12-2012 for the reason that they were un-trained; that the appellants were re-appointed subject to the condition to acquire the prescribed academic and professional qualifications within 24 months after their appointments, otherwise their re-appointment orders would stand cancelled; that the appellant failed to acquire the required qualification, hence they were again

05. We have heard learned counsel for the parties and have perused the record.

06. Record reveals that the appellants were appointed as PTC teachers/communal school teachers (BPS-7) on contract basis in communal schools in erstwhile Khyber agency (now district Khyber) in the year, 1998 to 2004. In the year 2006, three months PTC short-term training courses were offered to all such teachers and nominated 57 un-trained PTC teachers, while the appellants were dropped by informing them that they will be selected in the next available training course in the near future. The appellants were performing their duties to the entire satisfaction of their high ups and when they shocked that vide order dated 31-12-2012, their services were terminated on the ground of being un-trained, however the above said termination order was cancelled and the appellants were re-appointed against regular posts under the policy letter dated 05-04-2013, subject to the condition that they will acquire the prescribed professional training within 24 months. Record is silent as to whether any such

training was offered to the appellants within the prescribed period or otherwise, as the appellants themselves were unable to acquire such qualification, rather it was responsibility of the respondents to arrange such training for them. After expiry of the period, the appellants were again terminated vide order dated 31-07-2015, against which the appellants filed departmental appeals followed by writ petition No. 3682-P/2015, which was dismissed vide judgment dated 28-09-2016 on the grounds that the appellants failed to acquire the prescribed qualifications. It however was responsibility of the respondents to equip them with the required qualification, as it was beyond control of the appellants to select themselves for such training, rather it was upon discretion of the respondents to select candidates by turn for such trainings. The appellants probably found such opportunity at a belated stage, but during the course of litigation, the appellants failed to convince the honorable court on the point that professional trainings are conducted by respondents and they must not suffer for follies of the respondents, hence they lost their case before the court, against which the appellants filed CPLA No. 3464/2016, which was decided vide judgment dated 27-04-2017 on sympathetic terms that let the appellants submit applications to respondents as they have worked for quite some time against regular posts and we are confident that respondents will look into this matter sympathetically in view of the facts and circumstances of the case, obviously, anybody already legally appointed, should not be disturbed. In pursuance of the judgment, the appellants filed applications before the respondents but their requests were turned down, against which the appellants again filed writ petition No 4283-P/2017, which was decided in favor of the appellants vide judgment dated 28-06-2018 and in pursuance of the judgment, the appellants were re-appointed vide order dated 22-06-2019 subject to decision of supreme court in CPLA already filed. The august Supreme Court of Pakistan decided the case in favor of the petitioners (the present respondents) and in compliance, the order of their appointment dated 22-06-2019 was cancelled vide order dated 30-12-2020,

against which the appellants filed departmental appeals, which were not responded, hence the instant service appeals.

07. We have observed that the appellants worked against the PTC posts on contract against project posts for quite some time, thereafter, they were appointed against regular posts under the policy devised by the government that all un-trained/un-qualified local community teachers will be re-appointed against available sanctioned posts of PST with the existing recruitment criteria subject to the condition that they will acquire the prescribed qualification within 24 months. The appellants, however, were penalized for not acquiring the prescribed qualification within the stipulated timeframe, which however was responsibility of the respondents to arrange such training for them well within time and the appellants were not supposed to suffer for lapses of the respondents. While relying on judgment in Writ Petition No. 4657-P/2016, the honorable High Court Peshawar decided in their favor vide judgment dated 28-06-2018. It is pertinent to mention that in Writ Petition No. 4657-P/2016 decided on 29-03-2018, the petitioners were also similarly placed employees being PTC teachers in communal schools and in pursuance of that judgment, their services were regularized. The only difference between the present appellants and the appellants in that case was that they had acquired the prescribed qualifications but the present appellants did not find opportunity to acquire such training, hence they lost the opportunity on this single point inspite of the fact that it was not their responsibility to select themselves for such training, rather it was mandatory upon the respondents to select and send them for such training.

08. The appellants contested their case for quite longer time but they did not succeed due to technicalities of not acquiring the prescribed qualification. They however served the department for a period of almost 20 years and there is no single complaint against them. The appellants, even otherwise has become overage to get their jobs elsewhere. Equity and fair play demands that the long

services rendered by the appellants against the posts shall not go in waste and it would be un-just to ignore their long and un-blemished service. It is also an admitted fact that the appellants served initially on contract but later on they were appointed against regular posts. We are of the considered opinion that they deserve to be treated sympathetically on the issue of grant of pensionary benefits. Regarding the question of entitlement of the appellants to the pension, we would like to reproduce the relevant rules of the pension rules, 1963 as under:

2.2. *Subject to any special rules, the services of the government servant begins to qualify for pension when he takes over charge of the post to which he is first appointed.*

2.3. *Temporary and officiating service shall count for pension as indicated below-*

- (i) *government servant borne on temporary establishment who have rendered more than five years continuous temporary service for the purpose of pension or gratuity; and*
- (ii) *Temporary and officiating service followed by confirmation shall also count for pension or gratuity.*

The rules ibid reveals that service of the government servant begins to qualify for pension from the very first day of his/her taking over charge, irrespective of the fact whether his/her appointment and entry into service was temporary or regular. It is also clear from sub-rule-(i) that continuous temporary service of a civil servant shall also be counted for the purpose of pension or gratuity and by virtue of sub rule- (ii) temporary and officiating service followed by confirmation shall be counted for pension or gratuity.

09. The august Supreme Court of Pakistan in its judgment reported as PLD 1973 SC 514 has held that "it must now be taken as well settled that a person who enters government service has also something to look forward after his retirement to what are called retirement benefits, grant of pension being the most valuable of such benefits. It is equally well settled that pension like salary of

a civil servant is no longer a bounty but a right acquired after putting in satisfactory service for the prescribed minimum period. A fortiori, it cannot be reduced or refused arbitrarily except to the extent and in the manner provided in the relevant rules."

10. In the instant case, the appellants served continuously for almost 20 years, initially on contract and followed by regular service and as per pension rules, 1963 the appellants has qualified the prescribed service for pensionary benefits. In view of the foregoing discussion, the instant appeal as well as the connected service appeals are partially accepted by modifying the impugned order dated 30-12-2020 into compulsory retirement for the purpose of pensionary benefits alongwith ancillary benefits, with direction to the respondents to finalize the pension cases of the appellants for the entire period of their service. Parties are left to bear their own costs. File be consigned to record room.

Brief facts of the case as per present service appeal are that the appellant was serving in Education Department as Primary School Teacher in Male Community School. His service was dispensed with w.e.f 01st July 2016 due to lack of prescribed qualification i.e (Untrained PST) vide order dated 05.08.2016 by the Additional Agency Education Officer Lower and Central Kurram Satta. The appellant filed departmental appeal before Director Education FATA on 18.08.2016 but the same was rejected vide order dated 27.09.2017 and communicated to the appellant vide letter No. 2925/Edu dated 28.11.2017 hence, the present service appeal on 12.12.2017.

3. Respondents were summoned who contested the appeal by filing written reply/comments.

4. Learned counsel for the appellant contended that the appellant was appointed as Primary School Teacher vide order dated 27.06.2013 by the competent authority but his service was dispensed with on the ground of lack of prescribed professional qualification i.e PST Certificate. It was further contended that the appellant was having higher qualification of M.A Political Science and was also having B.Ed Degree but the respondent-department has ignored the said qualification of the appellant and his service was dispensed with without any show-cause notice and affording opportunity of hearing therefore, the impugned order is illegal and liable to be set-aside. It was further contended that the appellant was also granted PST Certificate on 20.01.2017 therefore, the appellant is fully qualified.

5. On the other hand, learned Deputy District Attorney for the respondents opposed the contention of learned counsel for the appellant and contended that the appellant was appointed as Primary School Teacher vide order dated 27.06.2013 but later on his service was dispensed by the competent authority

with effect from 1st July 2016 due to lack of prescribed professional qualification on the basis of letter No. 9822-35 dated 02.08.2016 as well as verbal direction and S S D notification No. SO (E)/SSD/CSTR/99-108. It was further contended that since the PST Certificate was necessary but the appellant was not having the PST Certificate at the time of his appointment therefore, the competent authority has rightly dispensed with his service and prayed for dismissal of appeal.

6. Perusal of the record reveals that the appellant was appointed as Primary School Teacher vide order dated 27.06.2013. The record further reveals that the appellant has having ^{A.45 / PL} M.A Political Science Degree. The record further reveals that the appellant was also having B.Ed Degree issued on 26.12.2013. Meaning thereby that at the time of impugned order dated 05.08.2016, the appellant was having B.Ed Degree. The record also reveals that PST Certificate has also been issued to the appellant on 20.01.2017 and the appellant was having more than three years service at the time of impugned order. It is also well settled law that if any adverse order is passed against anyone than he should be given opportunity of hearing, show-cause notice as to why such adverse order may not be passed against him on such and such grounds. Record reveals that the respondent-department has dispensed the service of the appellant without any show-cause notice or giving opportunity of personal hearing therefore, the respondent-department has violated the principle of natural justice which has rendered the impugned order illegal and liable to be set-aside. As such, we partially accept the appeal, set-aside the impugned order with the direction to the respondent-department to issue show-cause notice to the appellant that why his service may not be dispensed with on such and such grounds and after replying the show-cause notice ~~same~~ and giving opportunity of personal

earing, pass order deem appropriate to the respondents. However, the reinstatement of the appellant will be subject to the outcome of decision of show-cause notice. Parties are left to bear their own costs. File be consigned to the record room.

ORDER

ABDUL HAMEED DOGAR, -C.J.--Through this order we intend to dispose of above captioned
petitions filed against common judgment, dated 29-1-2008 passed by learned Judge in Chambers of
Lahore High Court, Lahore whereby Cr.O.P. No.370/W and 561/W of 2007, Writ Petitions Nos.11525,
11263, 11516, 11662, 11663, 11766, 11881, 11835, 12136 and 12185 of 2007, 86, 123, 274, 345, 599, 643
and 11619 of 2008 filed by respondents were allowed and the impugned orders passed by

ent
tioner/authority were set aside.

Briefly, stated facts giving rise to the filing of instant petitions are that respondents were appointed as PTC Teachers during the year 1995/1996 after completion of all legal requirements and they joined their respective place of posting. After sometime, their appointments were cancelled being bogus vide order No.277/E-1, dated 3-4-1998. This order was assailed before learned Lahore High Court, Lahore and same was declared to be without lawful authority in the case reported as Mst. Muqqadas Akhtar and another v. Province of Punjab through Secretary, Education Department, Government of Punjab and another 2000 PLC (C.S.) 867. The relevant paragraph is reproduced as under:--

"Consequently, the petitioners are declared to be in service and the action of the Headmasters/Incharge of the Schools stopping the petitioners from performance of their duties as PTC Teachers on the basis of the above said impugned order, is declared to be without lawful authority. It is, however, clarified that the department is at liberty to proceed against petitioners, if so desired, on individual basis under the relevant law and under the Punjab Civil Servant (Efficiency and Discipline) Rules, 1975."

In view of above judgment, the respondents were absolved of the charges of bogus appointments. But later on once again the services of respondents were terminated vide order, dated 3-8-2005, which order was challenged before learned Lahore High Court, Lahore through Writ Petition No.16864 of 2005. The said writ petition was allowed vide judgment, dated 11-12-2006 and the impugned order, was declared as illegal and without lawful authority. Similarly, one of the teachers namely Mst. Naseem Akhtar assailed the order, dated 3-8-2005 before Punjab Service Tribunal, Lahore through Appeal No.903 of 2006 which was also allowed vide judgment, dated 4-9-2006. The said judgment was maintained by this Court in Civil Petition No.1960-L of 2006 vide judgment, dated 2-11-2006. On 26-9-2007, once again the services of respondents were terminated. Feeling aggrieved they filed above mentioned petitions before the learned Lahore High Court, Lahore which were allowed vide impugned judgment as stated above.

3. It is mainly contended by learned A.A.-G. Punjab appearing on behalf of petitioners that the jurisdiction of the learned High Court is barred under Article 212 of the Constitution of Islamic Republic of Pakistan, 1973 in matters involving determination of terms and conditions of civil servants. She further contended that the appointments of the respondents were bogus and fake as they were never selected by the competent authority, therefore, the orders of dismissal passed by departmental authority were in accordance with law, which did not call for any interference by this Court.

4. On the other hand, Mr. S. M. Tayyub, learned Senior Advocate Supreme Court appearing on behalf of some of the respondents supported the impugned judgment and contended that appointments of respondents had taken place in accordance with rules and prescribed procedure. They submitted their applications in pursuance of advertisement of the posts of PTC Teachers. They passed the required test and were appointed by the competent authority. According to him, the respondents were in service for about 9-10 years and during this period no objection was raised, and subsequently on vague allegations they were dismissed from service. He further contended that cases of respondents were at par with Mst. Naseem Akhtar which was decided by this Court in Civil Petition No. 1960-L of 2006 vide judgment, dated 2-11-2006.

5. We have considered the arguments of both the parties and have gone through the record and proceedings of the case in minute particulars. The matter has already been decided by this Court in the case of Mst. Naseem Akhtar (supra), and it has been held that the appointment orders of the respondents as PTC Teachers were genuine. It was held by this Court in the case of Hameed Akhtar Niazi v. The Secretary, Establishment Division, Government of Pakistan and others 1996 SCMR 1185 that if a Tribunal or this Court decides a point of law relating to the terms and conditions of a civil servant who litigated, and there were other civil servants, who may not have taken any legal proceedings, in such a case, the dictates of justice and rule of good governance demand that the benefit of the said decision be extended to other civil servants also, who may not be parties to that litigation instead of compelling them to approach the Tribunal or any other legal forum. This view

reiterated by this Court in the case of Tara Chand and others v. Karachi Water and Sewerage Board, Karachi and others 2005 SCMR 499 and it was held that according to Article 25 of the Constitution of Islamic Republic of Pakistan, 1973 all citizens are equal before law and entitled to equal protection of law.

6. In this view of the matter, we are of the view that no ground for interference in the impugned judgment is made out. Accordingly, the petitions being devoid of force are dismissed and leave to appeal refused.
