Formal inquiry in the matter was dispensed with, in terms of Rule-5 of Khyber Pakhtunkhwa Government Servants (E&D) Rules 2011 (the Rules), vide order dated 02.06.2021 followed by even dated order under Rule-7 containing show cause notice to the accused official dispatched at his residential address.</p> <p>4. Accused official Javed Iqbal attended on 15.06.2021 to state that he had not received any show cause notice. Copy of the same was provided to him in the interest of justice and he sought time for submission of reply. On 29.06.2021, the date fixed for reply, the accused official was found absent. He attended late the same day in closing hours and was informed of the next date. He filed reply to the show cause notice on 02.07.2021. He was directed to submit certificate from the concerned court about his joining of duty on a certain date (to be specified) and that he was on duty since then regularly. O:10
(Continued)

- ii. That the accused official failed to reply the explanation called vide No. 3982-83/40) D&SJ dated 07.05.2021.
- iii. That the accused official, being a government servant, conducted himself in manner prejudicial to good order /discipline.
6. The accused official, as per written reply filed on 02.07.2021, adopted the stance that his brother with family met a dangerous accident causing serious injuries to them in Ramadan thus compelling the official for their look after in the hospital. His reply also states that the accused official suffered from typhoid during the said period. Along with the written reply are annexed hospital documents disclosing positive typhoid test with medical prescription, dated 01.06.2021 for the accused official and his medical prescription dated 04.05.2021.
7. The basic question, without raising any controversy as regards the defence plea adopted by accused official, would be whether he was justified for remaining absent without applying for and grant of leave in the circumstances. The answer is certainly in negative. He remained unable to submit certificate of attendance as required vide order dated 02.07.2021 while report received from the concerned court, as highlighted above, is to the effect that accused official was absent from duty since 18.05.2021. The accused official also waived off his right to personal hearing despite fairer opportunity.
8. Accused official Javed Iqbal, in the light of foregoing, is held guilty of the charges levelled against him. Respondent Javed Iqbal was reported absent from duty and did not attend in response to notice on 02.06.2021. It was also found that disciplinary proceedings were under process against him, in Court File No. 50/Admn of 2021, for absence from duty. He was thus placed against ex-parte proceedings. 5. I have gone through the Khyber Pakhtunkhwa Civil Servants (Appointment, Promotion & Transfer) Rules 1989 and have placed the relevant extract therefrom on file for reference. Following record, requisitioned during the proceedings, has also been perused; <ol style="list-style-type: none"> i. Working paper for promotion to the post of Senior Clerk. ii. Minutes of the meeting of Departmental Promotion Committee (DPC) dated 18.02.2010. iii. Promotion order of Javed Iqbal, from Junior Clerk to Senior Clerk, bearing Endst: No. 895-99 (53)/D&SJ dated 25.03.2010. iv. Notification No. 39-J dated 26.03.2003 (Method of Recruitment). v. Service Books of all the 03 officials transpiring that they were appointed vide order dated 15.08.2001. 6. According to the instant objection petition applicant was appointed as Moharrir on 21.08.2001 vide order dated 15.08.2001. These dates are shown as 20.08.2001 in the above mentioned working paper. The Tentative Senior List shows 20.08.2001 as appointment date as Junior Clerk for Amjad Hussain. Such dates for respondents Javed Iqbal and Mohammad Islam are mentioned as 16.08.2001 and 01.09.2001 respectively. 7. Service Books of all the 03 officials, perused on 02.06.2021, transpired that they were appointed vide order dated 15.08.2001 bearing Endst: No. 936. Copies of such orders,

104

O:14

produced and highlighted by the parties, bear Endst: No. 943 and 944 dated 15.08.2021. All these copies contain the same order and it would appear that appointment order dated 15.08.2001 in question was allocated with successive endorsement numbers when shared with respective quarters i.e. Registrar, Judicial Officers and concerned officials etc.

8. Copy of working paper, furnished by office on 17.04.2021, culminating into minutes of the DPC meeting dated 18.02.2010 recommending respondents for promotion to the post of Senior Clerk, would call for comparison of its entries with the Correction Draft of such working paper prepared in compliance of order dated 02.06.2021. The Correction Draft was required because the working paper in question mentioned different appointment dates for the petitioner and respondent as against the factual position of their appointment vide same order dated 15.08.2001. Relevant entries of both the documents are reproduced below for comparison;

Copy Of Original Working Paper					Correction Draft Of Working Paper				
Name	Date of 1 st Appointment	Date of Appointment as Junior Clerk	Date Of Birth	Qualification	Name	Date of 1 st Appointment	Date of Appointment as Junior Clerk	Date Of Birth	Qualification
Javed Iqbal	15.08.2001	16.08.2001	12.12.1979	F A	Javed Iqbal	15.08.2001	15.08.2001	12.12.1979	F A
Amjad Hussain	20.08.2001	20.08.2001	02.04.1977	Matric	Amjad Hussain	15.08.2001	15.08.2001	02.04.1977	Matric
Muhammad Islam	02.05.2001	01.09.2001	01.02.1978	Matric	Muhammad Islam	12.04.2001	13.08.2001	01.02.1978	Matric

9. It would clearly reflect from the foregoing comparison that the working paper put up before the DPC during meeting dated 18.02.2010 did not contain the correct information as regards the date of appointment of all the 03 officials (petitioner and respondents) as Junior Clerk. Their appointment dates were mentioned differently in contravention of the factual position.

10. Relevant provision on the subject is contained in Rule-17(4) of the Rules 1989. It is reproduced for convenience of reference;

17. Seniority:-

(4). The inter-se-seniority of civil servants in a certain cadre to which promotion is made from different lower posts, carrying the same pay scale shall be determined from the date of regular appointment /promotion of the civil servants in the lower post.

Provided that if the date of regular appointment of two or more civil servants in the lower post is same, the civil servant older in age, shall be treated senior."

11. The error crept into the service record of parties needs to be rectified and straightened to avoid existence of polluted entries /information for future. For the purpose it is directed as follows;

i. The petitioner and respondents herein stand in the order of seniority, keeping in view their dates of appointment as Junior Clerk and birth dates respectively, in the manner mentioned below;

REPLY IN RESPECT OF THE OBJECTION PETITION FILED BY AMJAD HUSSAIN
(OBJECTOR)

Hon'ble Sir,

In compliance of your good-self directives, I have the honour to submit my reply as under;

1. That the objection of the objector is time barred.
2. That objector is legally estopped to question the seniority as his plea has already been turned down by the competent authority.
3. That the objector has no cause of action.
4. That the objector has no locus standi.
5. That the official/respondent has been rightly promoted and placed senior amongst Senior Clerks in accordance with prevalent law & rules by the competent authority. No illegality/irregularity has ever been committed.
6. That the official/respondent was promoted to post of Senior Clerk on 18.02.2010 by the competent authority. The minutes of the ibid DRC meeting are annexed herewith as Annex-A for ready reference. The objector did not assail such order/minutes of the competent authority and thus the same attained finality.
7. That the objector previously moved such like objection petition before the then Chairman, Management Committee Judicial Complex, Shahmansoor, Swabi. The contesting officials were present and heard. The service books were perused. It has been categorically mentioned in the minutes dated: 28.03.2017 bearing No.10/AD&SI-I, Swabi that the official/respondent Javed Iqbal has been promoted to BPS14 on 25.03.2010 while Muhammad Islam/Reader shown to have been promoted as Reader on 14.06.2013 while date of Mr. Amjad Hussain (Objector) is 01.04.2015. It is further mentioned therein that the relief seeker (objector Mr. Amjad Hussain) did not question such promotion earlier before any forum. Being promoted later in point of time and that too in subsequent selection, he stands junior to those promoted in earlier selection. The learned Chairman also cited Rule 17 of the APT Rules 1989 to be clear on the matter in question. As such his plea was not allowed. The ibid minutes are annexed herewith as Annex-B for ready reference.
8. That the respondent/official remained senior in all respect i.e assuming charge, promoted earlier to higher post by competent authority, therefore, in such backdrop, the respondent/official has rightly & legally been placed senior than the objector.
9. In view of the above detailed facts, it is very meekly stated that the objection of objector is meritless, time-barred as well as he is legally estopped, therefore, the same may kindly be turned down.

Reply submitted as directed, please

Yours obedient servant,

Javed Iqbal,
Senior Clerk/Reader

PCR 2019-Novel Coronavirus (2019-nCoV)

COVID-19:

DETECTED

The Test was performed on Real Time PCR Pockit, Central machine, with internal control (I.C) and external positive, negative controls, using the SARS-CoV-2 protocol.

RNA is extracted and subjected to PCR according to the manufacturer's protocol.

Comments:

- Reverse Transcriptase-Polymerase Chain Reaction (RT-PCR) test is performed to diagnose SARS-CoV-2.
- Results should be interpreted in conjunction with other laboratory and clinical findings.

Note:

SARS-CoV-2 test carried out in different laboratories cannot always be directly compared with one another, due to differences in specimen storage, transport, quality control standards, sensitivity and specificity of the assays used and other variables.
