has been filed under Section-4 of the Khyber Pakhtunkhwa Service Tribunal Act, 1974 against the impugned order/notification dated 23.05.2015 whereby the appellant was promoted to the post of Senior Primary School Teacher (BPS-14) instead of Primary

School Head Teacher (BPS-15) while juniors to her were promoted as PSHT (BPS-15).

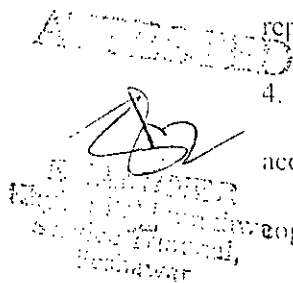

The appellant also filed the departmental appeal but the same was also not responded.

2. Facts of the case as per memo of the appeal are that the appellant was appointed as Female Primary School Teacher (PST) in BPS-09 vide order dated 07.05.1987 and was performing her duty efficiently. That notification dated 13th November 2012 was issued whereby the method of recruitment, qualification and other conditions were mentioned. That the respondents issued notification dated 28 February 2013 where by incumbents of the post of Female PSTs were promoted to the post of Female SPSTs (BPS-14) but the appellant alongwith others were deferred from the promotion. That another notification dated 02.03.2015 was issued for promotion of Female SPSTs (BPS-14) to the post of Female PSHTs (BPS15) but the name of the appellant was excluded from the aforesaid notification although she was eligible and qualified for the said promotion. That she filed an application against exclusion of her name from the said notification but she was informed that she will be considered in the next meeting of departmental promotion committee. That in subsequent meeting of departmental promotion committee the cases of Female PSTs were reconsidered for requisite promotion to the post of Female PSHTs (BPS-15) and Female SPSTs (BPS-14) consequently a notification was issued on 23rd May 2015 whereby the name of the appellant was ignored from promotion to the post of Female PSHT (BPS-15) inspite of her most senior position in seniority list dated 05th February 2013; however, on the same date another notification was issued by respondent No. 1 whereby the appellant was promoted to the post of Female SPST (BPS-14). That the appellant also filed departmental appeal but the same was not responded hence the present appeal.

3. The respondents were summoned who contested the appeal by filing written reply/comments.

4. Learned counsel for the appellant contended that the appellant was not treated in accordance with law and rules on the subject and unlawfully deprived of her right without cogent reasons and legal justification. It was further contended that the appellant is senior most teacher and the name of the appellant is enlisted at serial No. 145 of the seniority list

M. A. Arshad

and she also fulfilled the criteria for promotion. It was further contended that the appellant was fully eligible and qualified for promotion to the post of Female PSHT (BPS-15) but she was malafidely ignored while juniors to her were promoted through impugned notification dated 23.05.2015 illegally, therefore, it was contended that the impugned notification is illegal and liable to be rectified and prayed that the appellant may be graciously promoted to the post of Female PSHT (BPS-15) from the date when juniors to her were promoted i.e 3rd February 2015 with all back benefits and respondent No. 1 may be directed to make necessary correction in the notification dated 23rd May 2015.

5. On the other hand, learned Assistant Advocate General Mr. Kabirullah Khattak opposed the contention of learned counsel for the appellant and contended that first notification was issued on 28.02.2013 whereby Female PSTs (BPS-12) were promoted to the post of Female SPSTs (BPS-14) and the name of the appellant was deferred alongwith some others but the appellant has not filed any departmental appeal against that notification. It was further contended that another notification dated 02.03.2015 was issued whereby the Female SPSTs (BPS-14) were promoted to the post of Female PSHTs (BPS-15) but the appellant was not promoted as PSHT (BPS-15) for the reason that she was not serving as Female SPST (BPS-14) nor the appellant has challenged the same notification in departmental appeal. It was further contended that a notification dated 23.05.2015 was issued whereby she was promoted from Female PST (BPS-12) to the post of Female SPST (BPS-14). It was further contended that the respondents had also issued another notification on the same date i.e 23.05.2015 whereby Female SPSTs (BPS14) were promoted to the post of Female PSHTs (BPS-15) whereby the appellant was not promoted to the post of Female PSHT (BPS-15) for the reasons that she was promoted from Female PST (BPS-12) to the post of Female SPST (BPS14) on the same date through another notification, therefore, it was contended that the appellant was not entitled for promotion to the post of Female PSHT (BPS-15) through notification dated 23.05.2015 and the respondents have rightly passed the impugned notification and prayed for dismissal of appeal.

6. We have heard the arguments on both sides and gone through the record available on file.

7. Perusal of the record reveals that the respondents have issued notification dated 28.02.2013 whereby 276 Female Primary School Teachers (BPS-12) were promoted to the post of Female Senior Primary School Teachers (BPS-14) and 124 Female Primary School Teachers ^M (~~BPS-14~~) including the appellant was deferred from the promotion but there is nothing on record to show that the appellant has filed any departmental appeal against the said notification dated 28.02.2013. The record further reveals that the respondents have also issued another notification dated 02.03.2015 whereby Female Senior Primary School Teachers (BPS-14) were promoted to the post of Female Primary School Head Teachers (BPS-15) but the appellant was not promoted to the post of Female Primary School Head Teacher (BPS-15) in the said notification for the reasons that she was not Female SPST (BPS-14) at that time nor the appellant has challenged the said notification in departmental appeal. The record further reveals that the respondents had also issued another notification dated 23.05.2015 whereby the appellant was promoted from the post of Female Primary School Teacher (BPS-12) to the post of Female Senior Primary School Teacher (BPS-14). The record further reveals that the respondents have also issued another notification on the same date i.e 23.05.2015 whereby the Female Senior Primary School Teachers (BPS-14) were promoted to the post of Female Primary School Head Teachers (BPS-15) and the said notification has been impugned by the appellant on the ground that she was to be promoted to the post of Female PSHT (BPS-15) but the record reveals that the appellant was promoted on the same date through notification dated 23.05.2015 from the post of Female PST (BPS-12) to the post of Female SPST (BPS-14). Therefore, she was not entitled for promotion on the same date from the post of Female SPST (BPS-14) to the post of Female PSHT (BPS-15). As such the respondents have rightly passed the impugned notification. Hence, the appeal has no force which is hereby dismissed. Parties are left to bear their own costs. File be consigned to the record room.
