of the appellant administration officer rejected the plea of the appellant vide Letter no 80-E/2384/CEC/C&WD Dated 14-02-2018 stated that according to Service Rules 2010 of C & W Department Appendix III (Ministerial Establishment) at SI. 7. 8. That the appellant is aggrieved by the impugned actions of the respondent department and the adversaries caused to him.
9. That the appellant has filed a departmental appeal before the respondent No 4. Copy of Departmental Appeal Attached as Annexure I.

GROUND:

- 1) That the impugned actions of the respondents are unconstitutional, unlawful, violative of the rights of the appellant and against the principles of natural justice.

- 2) That the seniority list issued by respondent department has not met the requirement of law and is not in accordance to the rules as amended by the respondent department.
- 3) That the seniority list has been issued in sheer violation of all the recognized canons of law and propriety, and in this regard, the superior courts of law have held that, "...it cannot be ignored that a repository of executive, judicial or quasi-judicial power is required to act in accordance with law. Any order, which has been passed in violation of law, cannot be protected simply because the repository of such power, has the power to pass such order." [PLD 2016 Balochistan 56 and 2015 SCMR 795]
- 4) That without prejudice to the foregoing, it is further submitted that, it is an established principle of the law that the services rendered by the employees on an ad hoc basis, prior to their regularization, cannot be counted for the purposes of their seniority. The seniority is to be counted from the date of their 'substantive' appointment [PLD 2016 Balochistan 56 and 2020 SCMR 1519]. It is clear from the facts of the case stated hereinabove that the appellant joined service as a regular employee, and therefore his term of service should be computed retrospectively.
- 5) That the impugned actions of the respondents are an infringement of the fundamental rights of the appellant, as laid down under the Constitution of the Islamic Republic of Pakistan, 1973. In specific, the appellant's rights under Articles 4, 27, and 38 of the Constitution have been severely violated.
- 6) That it is further stated that the superior courts have consistently held that where the law requires a thing to be done in a certain manner, it shall be done in that manner only, as deviating from it undermines the entire process.

- 7) That the impugned actions of the respondents are *ex facie* discriminatory and are, therefore, void. They have caused prejudice to the rights of the appellant, and are in complete violation of the law.
- 8) That the appellant fulfills all the requirements to be enlisted in the seniority list and denial of the same is violation of the statutory right of the appellant.
- 9) That non-inclusion of the appellant in seniority list is against the doctrine of legitimate expectation connotes that a person may have a reasonable expectation of being treated in a certain way by administrative authorities owing to some uniform practice or an explicit promise made by the concerned authority.
- 10) That the August Supreme Court held in case reported 2005 SCMR 492 that a law is enacted for the benefit of community as a whole, That well-settled principle of law that the executive orders or notifications, which confer right and, are beneficial, would be given retrospective effect and those which adversely affect or invade upon vested right cannot be applied with retrospective effect.”
- 11) That according to the amendments made in the Sub rule (2) of rule 3 of the KPK Civil Servants (Appointment, Promotion and Transfer) Rules 1989, the Communication & Works Department, in consultation with the Establishment Department and Finance Department vide Notification No. SOE/C&WD/8-12/2022 Dated 26-02-2022, the Appellant is eligible for promotion on the basis of seniority cum fitness. That denial of the same on behalf of the respondents is against the said amendment.
- 12) That the appellant seeks permission to raise more grounds at the time of submissions at the bar.

PRAYER

In view of the foregoing, it is most graciously submitted that

The amendments made in the Sub rule (2) of rule 3 of the KPK Civil Servants (Appointment, Promotion and Transfer) Rules 1989, the Communication & Works Department, in consultation with the Establishment Department and Finance Department vide Notification No. SOE/C&WD/8-12/2022 Dated 26-02-2022 by respondent department could be given retrospective effect and the appellant should be promoted and his name be inserted in seniority list mentioned in notification Dated 17.08.2021, bearing No. 80-E/78/CE/C & WD and shall be given seniority in accordance to the ibid rule. In Addition the appellant should be treated without prejudice..

Any other relief which this Honourable Tribunal deem appropriate may also be given to the Appellant.
