

26th May, 2023

01. Petitioner in person present. Mr. Muhammad Jan, District Attorney for the respondents present. b

02. The petitioner has submitted instant execution petition for implementation of the judgment dated 03.05.2023 in Service appeal No. 227/2023. It was noted in that judgment, the appeal was found groundless and was dismissed. However, the petitioner referred to the last para of judgment wherein, after its dismissal it was further stated that the appellant may make an application to the competent authority giving an option in line with the transfer/posting policy, which, if moved, may be considered sympathetically and in accordance with policy of the government. He stated that he had moved an application in the light of that.

03. This application is misconceived. This Tribunal has no role to play in the application moved by the petitioner to the competent authority, who is at liberty to take further action in the light of the government policy. The petition in hand is, therefore, dismissed and consigned.

04. *Pronounced in open at Peshawar and given under my hand and the seal of the Tribunal this 26th day of July, 2023.*
