REFERENCE

Order sheet dated: 15.08.2023 in the Service Appeal bearing No. 738 & 739/2019

IMPLEMENTATION REPORT

Respectfully Sheweth,

Submitted with due reverence that in compliance with the Hon'ble Khyber Pakhtunkhwa Service Tribunal decision dated 24.11.2021 wherein, it was decided that the appellants are held entitled to promotion with all back benefits and with direction to the respondents to promote the appellants from the date, their juniors were promoted (Copy of the decision attached as **Annexure-A**), the DFO Buner (Respondent No. 2) ensured implementation of the decision with immediate effect.

- I. Promotion to the rank of Forester was granted to the appellants vide DFO Buner Office Order No. 41 dated 22-04-2022 (Annexure-B).
- II. One appellant (Muhammad Junaid) has been placed on his due position at Serial No. 05 of the seniority list of foresters in respect of Buner Forest Division vide DFO Buner office letter No. 729/G dated 06-08-2023 (Annexure-C).
- III. Whereas, the other appellant Mr. Miraj Khan has already been retired vide DFO Buner office order No.47, dated 09-05-2022 (Annexure D) and as such does not require to be placed in the seniority list of foresters.
- IV. Furthermore, financial Back benefits were allowed to the appellants vide DFO Buner office order No. 12, dated 22.09.2022. However due to non-availability of fund in the relevant heads, payment could not be realized until 18.08.2023, Nevertheless, the concerned quarter was requested for the timely release of fund vide DFO Buner letter No. 1776/G dated: 22-09-2022 (Annexure E).
- V. Now subsequent upon the under reference order sheet payment to the appellants has been made vide Cheque No. 456194, dated: 18.08.2023 (Annexure F).

In the light of the above explanation, it is humbly submitted that the court decision has been fully implemented in its true spirit with the prayer that decision of attaching of Respondents No. 2 & 3 salaries to the District Account Officers Swat & Buner under relevant rules, may kindly be reversed on humanitarian grounds, please.

This single judgment shall dispose of the instant service appeal as well as connected service appeal bearing No. 739/2019 "titled Miraj Khan Versus Government of Khyber Pakhtunkhwa through Secretary, Forest Department, Peshawar and four others", as common question of law and facts are involved therein.

02. Brief facts of the case are that the appellants were initially appointed as Forest Guard in Forest Department and put in more than 31 years service in the

same grade. As per seniority list, appellants were the senior most amongst their colleagues, but respondent No. 4 and 5 were promoted vide impugned order dated 11-01-2019 and the appellants were not considered for promotion being the senior most. Feeling aggrieved, the appellants filed departmental appeals dated 21-01-2019, which were not responded, hence the instant service appeals with prayers that the impugned orders may be set aside and the respondents may be directed to consider the appellants for promotion to the post of Forester being senior to respondents No. 4 and 5.

03. Learned counsel for the appellants has contended that consideration for promotion, being a vested right is protected/conferred on appellants under section-9(1) of Civil Servant Act, 1973, which cannot be refused or denied. Reliance was placed on 2010 SCMR 1301; that the appellants being eligible were not even considered for promotion, which is gross violation of law and rule; that the appellants being senior to respondents No. 4 and 5 and having more than 31 years service are preferably entitled to promotion against the post of Forester; that the required length of service is five years, whereas the appellants have more than 31 years service at their credit were not even considered for promotion, which is violation of promotion policy and rules.

04. Learned Additional Advocate General for official respondents has contended that cases of the appellants were considered for promotion by departmental selection committee in its meeting held on 01-01-2019, but their cases were deferred on the grounds that the appellants were awarded major punishment by divisional forest officer vide order dated 31-01-2002, against which the appellants filed appeals to the appellate authority, which were decided by the appellate authority vide order dated 03-07-2002 and as per order, inter alia, the appellants were awarded with a punishment that they should not be considered for promotion during the remaining service period till their retirement;

that the appellants challenged the order dated 03-07-2002 in this Tribunal, which

was dismissed vide judgment dated 15-01-2004, however the appellants have not challenged such order in the Supreme Court; hence such order has gained finality and the appellants cannot be promoted to the next grade in the light of court decision; that departmental appeals of the appellants were rejected by conservator of forest vide order dated 23-11-2018; that the impugned orders dated 11-01-2019 are legal and in accordance with law; hence the appellants are not justified to challenge the promotion order of respondents No. 4 and 5.

05. Learned counsel for private respondents No. 4 & 5 has contended that the judgment of this tribunal dated 27-07-2002 had maintained the order dated 31-01-2002 through which the penalty of barring the appellants from further promotion till their retirement is still intact, as such the appellants have no cause of action. He contended that it is correct that the appellants are senior to the private respondents but mere seniority does not confer any right of promotion, as promotion is based on seniority cum fitness, whereas the appellants are otherwise not fit for promotion due to the penalty imposed upon them vide order dated 31-01-2002; that the appellants have already been declared ineligible for further promotion due to judgment of this Tribunal, hence the appellants were treated in accordance with law.

06. We have heard learned counsel for the parties and have perused the record.

07. Record reveals that the appellants were proceeded against on the charges of negligence and were awarded with punishment of reduction in pay ten stages below time scale, against which the appellants filed appeals to the appellate authority and the appellate authority vide order dated 03-07-2002 modified the penalties and ten stages were reduced to six stages with cumulative effect with a censure to be vigilant in future. The appellants were further penalized for barring their promotion for their entire service until retirement and they were kept under observation for six months. The appellants filed service appeal No. 693/2002;

which was decided vide judgment dated 15-01-2004, operative part of which is reproduced as under:

"There seems no irregularity or illegality in the impugned order, except that it has been passed with cumulative effect, which is not lawful. The impugned order is accordingly modified to the extent of imposing penalty of six stages without cumulative effect. With this modification/variation in the impugned order, the instant appeal as well as the connected two appeals, referred to above, are fail and dismissed."

While interpreting the judgment dated 15-01-2004, the learned counsel for the appellants reiterated his stance that the issue in hand involves interpretation of the said judgment. As per counsel of the appellants, the appellants have interpreted the judgment that penalties of the appellants were reduced and confined only to one penalty of reduction in pay by six stages without cumulative effect; hence, impliedly the other penalty of barring them from promotion for their entire life is no more in field, as it was not discussed in the said judgment and due to the reason, the appellants did not challenge the judgment in the Supreme Court, but the respondents interpreted it otherwise, thus caused irreparable loss to the appellants. Stance of counsel for the appellants is logical and appeals to the prudent mind, as the penalty of barring the appellants from promotion for their entire service until retirement is also illegal and such penalty is

not specified in rules and any penalty not specified in the law would make the order void ab initio. Reliance is placed on 2007 SCMR 229. In other words, such penalty also carry cumulative effect, which too is illegal. It also would be violative of settled principle of law that no one can be vexed twice for one and the same cause. Reliance is placed on NLR 1995 Service-6(a). In a situation, where literal construction or plain meaning caused hardship, futility or uncertainty, the purposive or contextual construction was to be preferred to arrive at a more just, reasonable and sensible result. Wisdom in this respect derived from the judgment

reported as 2016 PLC (CS) 155. In a situation, we agree with the interpretation made by the counsel for the appellants and construe that the penalty of barring the appellants from promotion, being illegal is no more in field. It otherwise would be illegal to uphold an illegal punishment, which is not specified in rules and no adverse action could be taken which was not prescribed by law/rule/regulation. Reliance is placed on 2016 PLC 97. We have noted that the appellants have been deprived of promotion only on the issue of interpretation of the said judgment; the appellants however, are otherwise fit for promotion on the basis of seniority cum fitness.

08. In view of the foregoing discussion, the instant appeal as well as connected Service Appeal bearing No. 739/2019 "titled Miraj Khan Versus Government of Khyber Pakhtunkhwa through Secretary, Forest Department, Peshawar and four others", are accepted. The appellants are held entitled to promotion with all benefits and with direction to the respondents to promote the appellants from the date, their juniors were promoted. Parties are left to bear their own costs. File be consigned to record room.
