JUDGMENT

NIAZ MUHAMMAD KHAN, CHAIRMAN: - Arguments of the learned counsel for the parties heard and record perused.

FACTS

2. The appellant was compulsorily retired vide an order of the Deputy Commissioner Haripur dated 02.03.2016 against which he filed departmental appeal on 07.03.2016 which was partially accepted by converting the compulsory retirement into reduction in time scale. Thereafter, the appellant challenged the same appellate order before this Tribunal, through this service appeal on 18.5.2016.

ARGUMENTS

3. The learned counsel for the appellant argued that the competent authority had appointed a fact finding enquiry and on the basis of that fact finding enquiry a show cause notice was issued to the appellant, tentatively proposing the imposition of penalty and thereafter, the major penalty of compulsory retirement was passed. That no regular enquiry

was ordered to be conducted. That Rule 5 of the Khyber Pakhtunkhwa Government Servants (E&D) Rules, 2011 has not been complied with. That the regular enquiry has not been dispensed with through any order. That the authority has flouted the elements of due process.

4. On the other hand, the learned Deputy District Attorney argued that the appellant was found guilty by the enquiry officer. That he was given chance of his defence during the enquiry.

CONCLUSION.

5. The competent authority has issued a show cause notice on the basis of an enquiry report. The enquiry report was a fact finding enquiry. No charge sheet or statement of allegations were served on the appellant nor the regular enquiry has been dispensed with by the authority. The whole procedure was in violation of the Khyber Pakhtunkhwa Government Servants (E&D) Rules, 2011.

6. This appeal is, therefore, accepted and the department is at liberty to hold a denovo enquiry. Parties are left to bear their own costs. File be consigned to the record room.

Diary No. 499

Dated 18-5-2016

Respondents

SERVICE APPEAL UNDER SECTION-4 OF THE KHYBER PAKHTUNKHWA SERVICE TRIBUNALS ACT, 1974 AGAINST THE IMPUGNED ORDER DATED 02.03.2016 PASSED BY RESPONDENT NO.2 WHEREBY APPELLANT WAS IMPOSED UPON THE MAJOR PENALTY OF COMPULSORY RETIREMENT FROM SERVICE AGAINST WHICH HE PREFERRED DEPARTMENTAL APPEAL TO RESPONDENT NO.1 ON 07.03.2016 BUT THE SAME WAS REJECTED VIDE IMPUGNED APPELLATE ORDER DATED 20.04.2016.

PRAYER:

On acceptance of the instant appeal, the impugned original order dated 02.03.2016 passed by Respondent No.2 and the appellate order dated 20.04.2016 passed by Respondent No.1 may graciously be brushed aside by reinstating the appellant with all back benefits.

Respectfully Sheweth,

Facts giving rise to the present appeal are as under:-

1. That the appellant was serving as Patwari in the District Haripur. He had rendered 12 years service to the entire satisfaction of the high-ups and at the relevant time was posted at patwar Halqa Makhnial, District Haripur.

**Filed to-Gen
Registrar**

2. That vide order dated 25.01.2016 (*Annex:-A*), the competent authority ordered an inquiry against the appellant on the allegation of non-preparation of Acquittance Rolls and delay in payment of compensation to the landowners of the Village Makhnial. The appellant in order to clarify his position submitted a written statement (*Annex:-B*) to the Inquiry Officer detailing as many as 21 grounds which rendered the delay, however, the Inquiry Officer submitted his report (*Annex:-C*) on 10.02.2016 and while referring to the reasons of delay he recommended a Commission to be appointed for making corrections in the Award and also recommended departmental proceedings against the appellant.
3. That pursuant to the recommendations *ibid*, vide order dated 12.02.2016 (*Annex:-D*), the Commission for the needful was constituted comprising inter-alia the appellant as its member while at the same time, the appellant was issued Show Cause Notice (*Annex:-E*) on 15.02.2016 wherein numerous allegations were leveled against the appellant. Since the allegations were baseless, therefore, appellant denied the same and submitted a detailed reply (*Annex:-F*) in response thereto thereby explaining his position. The reply to the Show Cause Notice may also be considered as a part of this appeal.
4. That without conduct any inquiry muchless regular vide impugned order dated 02.03.2016 (*Annex:-G*), appellant was imposed upon the major penalty of compulsory retirement against which he preferred departmental appeal (*Annex:-H*) to Respondent No.1 but the same was unlawfully rejected vide impugned appellate order dated 20.04.2016 (*Annex:-I*), hence this appeal inter-alia on the following grounds:-

Grounds:

- A. That Respondents have not treated appellant in accordance with law, rules and policy on subject and acted in violation of Article 4 and 10A of the Constitution of Islamic Republic of Pakistan, 1973 and unlawfully issued the impugned orders, which are unjust, unfair and hence not sustainable in the eye of law.
- B. That the charges leveled against the appellant are concocted, baseless, having no substance which were plausibly explained by the appellant as there were sound reasons in the shape of utter contradictions between the properties mentioned in the Award and properties on the spot as would be evident from the record (*Annex:-J*) but the competent authority without looking to the grounds passed the

impugned order thereby imposing major penalty upon the appellant without any lawful justification which has resulted in serious miscarriage of justice.

- C. That no Charge Sheet and Statement of Allegations was issued to the appellant which is a mandatory requirement of law under the Khyber Pakhtunkhwa Civil Servants (Efficiency & Discipline) Rules-2011, therefore, the major penalty without issuing the Charge Sheet and Statement of Allegations is without lawful authority and hence of no legal effect because appellant was not provided proper opportunity to defend himself.
- D. That no inquiry was conducted muchless regular and only the Fact-Finding Inquiry was relief upon which is against the law because Fact Finding Inquiry is no substitute for the procedural inquiry and by now it is a settled law that no major penalty can be imposed without holding a regular full-fledged inquiry into the matter. Thus the impugned orders are void ab-initio, arbitrary and therefore not sustainable under the law.
- E. That the appellant was also not afforded an opportunity of personal hearing which is also a legal requirement and thus he was condemned unheard which is against the principle of natural justice.
- F. That the appellant preferred departmental appeal to the appellate authority raising as many as 18 grounds in support of his appeal but the appellate authority has failed to advert to the grounds raised by the appellant in his appeal and therefore the order of the appellate authority is also bad in view of the Section-24A of the General Clauses Act, 1897 read with Section-5 of the Khyber Pakhtunkhwa Civil Servants (Appeal) Rules, 1986.
- G. That the appellant has rendered more than 12 years service in the Department to the entire satisfaction of the high-ups and keeping in view the peculiar facts and circumstances of the case the penalty imposed upon the appellant does not commensurate with his guilt.
- H. That Respondent No.2 badly failed to take notice of the fact that there were so many insurmountable hurdles in preparation of Acquaintance Roll due to which the same could not be prepared rather impossible to prepare the same and the matter was brought into the notice of high-ups in due course of time. In this respect the reasons detailed in reply to the Inquiry Officer may also be perused for

detailed clarification of the issue.

- I. That even earlier the appellant along with residents of the locality in order to resolve this issue met the then Deputy Commissioner, Haripur namely Nisar Ahmad Khan and informed him about the position who assured to do the needful and issued verbal order so that the matter was delayed.
- J. That the inquiry order dated 25.01.2016, inquiry proceedings and show cause notice dated 15.02.2016 are totally different, as no inquiry was conducted with regard to points mentioned at Serial No.3&4 of Show Cause Notice.
- K. That on the one hand the Inquiry Commission was constituted for resolving the issue of which the appellant was also a member and on the other hand without waiting for the final outcome of the Commission, the major penalty was imposed on the appellant, which is against the norms of justice, equity and fair-play.
- L. That a Notification under Section-4 of the Land Acquisition Act, 1894 was issued on 24.10.1989; Notification under Section-5 was issued on 08.09.2007 (almost after 18 years), whereas the award announced on 17.12.2013 (almost after 24 years) and in the meantime the black topped road has been constructed on the spot. Moreover, in the meantime certain Khasra numbers have been divided on the basis of Court decisions so this was also a legal barrier to complete the required work.
- M. That after the announcement of Award No.120 dated 17.12.2013 the Clerk of Acquisition Branch Mr. Syed Iqbal Hussain Shah was requested time and again to provide the Aks Tatima for the road prepared at the time of issuance of Notification under Section-4 so that to determine the Khasra Numbers and the property included in the Road but he failed to provide the same on the ground that file is not available with him, while the alignment made over the Aks Shajra Kishtwar did not match with the spot as well as the Field Book due to which it was impossible to determine the exact location of the acquired property and how much property has been taken from which Khasra Number.
- N. That the appellant when started the work for preparation of Acquaintance Roll and for preparation of Tatimas, it was found that from Khasra No.330 a land measuring 05K-03M was shown to be acquired and when it was confronted with Jamabandi the said Khasra Number have only the total measurement of 00K-07M.

Similarly the Khasra No.331 is measuring 03K-02M while through Award 05K-04M property was shown to be acquired.

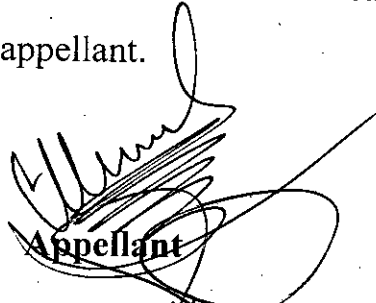

- O. That there is a great difference between the current existence/location/site of the road and the proposed/temporary alignment shown over the Aks Shajra Kishtwar of the Village Makhnial, which leads towards inevitability of making of Tatimas/tail pieces and to give them effect in the revenue record as the Khasra Numbers 319,320,847/579/138 & 838/579/138 are included in Award but the said road on the spot is not constructed over these Khasra Numbers.
- P. That over the property bearing Khasra numbers 314, 312, 354, 580/138, 174, 1098/600/189, 1099/600/189, 1061/746/43,758/43, 759/48, 760/48, 755/47 the road on the spot is constructed but the said Khasra Numbers are not included in the Award.
- Q. That even in the reply dated 09.01.2016 as many as 21 grounds/hurdles were shown by the appellant wherein the contradiction between the actual spot position and the revenue record was highlighted but the same were not given worth without any reason. After the constitution of Commission by the Deputy Commissioner, a physical survey was conducted wherein the insurmountable hurdles pointed out by the appellant were once again confirmed. The Field Book and survey proceedings duly endorsed by Girdawar Circle and Tehsildar Haripur dated 22.02.2016. In view of such measurement of the road constructed on the spot is highlighted with green colour while the alignment made/suggested over the Aks Shajra Kishtwar with pink colour, reflects clear illegalities in the acquisition process done by the then Revenue staff and consequent inability of the appellant to give them legal status.
- R. That it is evident from the Inquiry Report dated 10.02.2016 that there are insurmountable hurdles but the 80% work was completed by the appellant, which fact was also ignored by the Deputy Commissioner while passing such an unjustified order.
- S. That even before passing an order for inquiry dated 25.01.2016 the appellant had already entered Mutation No.3044 on 20.01.2016 for the change of ownership on the basis of Award No.120 dated 17.12.2013 but the same aspect was also not taken into consideration.

- T. That the charge of being a Property Dealer is totally incorrect, without proof and material. The appellant has never remained involved in any kind of property business. He is performing his duties to the best of his capabilities as no complaint was previously lodged against him.
- U. That appellant would like to offer some other grounds during the course of arguments.

It is, therefore, humbly prayed that the instant appeal may graciously be accepted as prayed for above.

Any other relief as deemed appropriate in the circumstances of case not specifically asked for, may also be granted to appellant.

SUBJECT:- INQUIRY

Memo;

During the visit of Hon'able Chief Minister, Khyber Pakhtunkhwa to Makhnial, District Haripur the locals pointed out that their lands were acquired for construction of Road from Komal Gali to Tarnawa Kohala Bala at village Makhnial, but payment of compensation of the acquired land has not been paid to them till date.

Perusal of the record reveals that award for acquisition of land total measuring 160K-01M situated at village Makhnial was announced on 26.12.2013 and Mr. Asad Iqbal, Patwari Halqa Makhnial through Tehsildar, Haripur was directed to prepare acquittance rolls as per ownership column of Register Haqdaran-e-Zameen (Jamabandi) for payment of compensation to the concerned landowners, but despite lapse of over two years and repeated directions conveyed through Syed Iqbal Shah the then Assistant Acquisition Branch, he (Asad Iqbal) has failed to prepare the acquittance rolls and delayed the payment of compensation to the eligible landowners unnecessarily, which tantamounts to misconduct on his part.

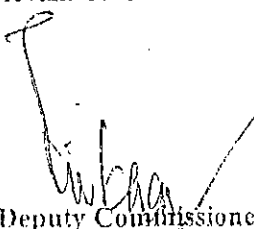

You are, therefore, appointed as Inquiry Officer to conduct enquiry against Mr. Asad Iqbal, Patwari on the above allegation and submit your report within 10 days positively.

SUBJECT:

INQUIRY REGARDING PREPARING OF ACQUITTANCE ROLLS AND DELAYED THE PAYMENT OF COMPENSATION TO THE LAND OWNERS OF VILLAGE MAKHNIYAL, TEHSIL AND DISTRICT HARIPUR.

ANNEX C

Dear Sir,

Reference letter No. 881-83/HVC/DC (H) dated 25.01.2016 (Annex-I), the undersigned was directed to submit report regarding the subject issue;

Summons were issued to the respondents for proceeding of the inquiry on 08.02.2016.

Brief facts of the case are that total land measuring to 160K-01M, was acquired by the government for construction of road from Komal Ghali to Tarnawa, Kohala Bala (Makhniyal) through an award announced on 26.12.2013 (Annex-II), however the Patwari concerned Mr. Asad Iqbal, badly failed to prepare necessary documents including acq: rolls of the subject Khasra Nos; despite lapse of period almost over two years.

FINDINGS.

- Perusal of the Revenue record reveals that some Khasra Nos including Khasra No. 312,314,379,174,354,528/138,758/148,760/48,759/48,755/47,510/48/46 have not been included in award while original road passes through these Khasra Nos. Photocopy of Latha/village Map enclosed (Annex-III).
- As per award/ Filed Book 04K-13M in Khasra No. 315 have been included in acquisition process while as per Aqs Shajra Kishtwar 04K-13M land is being utilized in road.
- Patwari concerned stated in his statement (Annex-IV) that there is great difference/ clash in Khasra Nos included in the acquisition process. He further stated that acquaintance roll of 41 Khasra Nos out of total 50 have already been completed and almost 80% work of preparation of acquaintance rolls have been completed.
- MR. Naveed Akliter, Assistant Acquisition branch stated in his statement that he was posted in acquisition a few months before. All the relevant record was handed over to the revenue staff/ Tehsildar Haripur for preparation of acquaintance roll as per award and Patwari concerned (Mr. Asad Iqbal), was informed time and again for submission of acquaintance roll however he has not submitted acquaintance roll in complete till date.
- Scrutiny of the record and facts of the case reveal that the Patwari concerned have been found inefficient in submission of acquaintance roll as per Jamabandi for payment of compensation to the concerned land owners, within stipulated period despite lapse of period of over two years.

RECOMMENDATION.

1. A commission may be appointed consisting of the following for joint inspection and report for making corrections in the award under section 12 (A) of Land Acquisition Act 1894:-

SHOW CAUSE NOTICE.

Annex E

I, Tasleem Khan Deputy Commissioner Haripur under the Khyber Pakhtunkhwa, Government Servants (Efficiency & Discipline) Rules-2011 serve you Mr. Assad Iqbal Patwari Show Cause Notice that an enquiry was conducted against you by Addl: Assistant Commissioner-I Haripur, wherein an opportunity was given to you to furnish your defense. The Inquiry Officer has submitted his report vide No. 105 dated 10.02.2016.

After going through the findings of the Inquiry Officer, I am satisfied that you have committed misconduct on the following accounts:-

1. You have been found inefficient in preparation and submission of acquittance rolls as per jamabandi for payment of compensation to the land owners, whose lands were acquired for the purpose of construction of road from Komal Gali to Tarnawa Kohala Bala, within the stipulated period despite lapse of period of over two years. Your this negligence / non-payment of compensation to rightful owners encouraged them to encroach upon acquired land in the shape of permanent structures. Moreover you are posted at Patwar halqa Makhnial / Kharian since 01.11.2013.
2. It is evident from the record that you were directed through Tehsildar Haripur to prepare acquittance rolls for the acquired land for payment of compensation vide Award No. 120/DC(H) dated 17.12.2013. Moreover as per written application of Syed Iqbal Shah the then Assistant Land Acquisition Branch you were reminded time and again but with no fruitful results, rather you kept official record of Acquisition branch for sufficient time. If there were some hurdles / bottlenecks in the preparation of acquittance roll, you were required to submit written reply.
3. You do not enjoy good reputation as custodian of landed property of the owners, Makhnial Patwar halqa being adjacent to the Islamabad territory and keeping its future touristic importance, the highest class of society is involved in land transactions and on daily basis complaints are pouring in against you that you have assumed the shape/role of property dealer rather than a government employee.
4. Mr. Akbar Ayub Khan vide complaining in writing about encroachment along the Komal Gali to Tarnawa Kohala Bala road dated 02.12.2015, Subsequently the undersigned undertook a visit in your presence and the encroachment was really made but you being a responsible official did not bother to report the same.

Additional Assistant Commissioner-I, Haripur was appointed as Inquiry Officer to conduct enquiry into the matter and submit his report. As per report of AAC-I, Haripur received in this office vide No. 105/AAC-I(H) dated 10.02.2016, it was proved that Mr. Assad Iqbal, Patwari was found inefficient in performance of his official duties which tantamounts to misconduct.

Vide No. HVC/DC(H)/1559 dated 15.02.2016, the accused Patwari was issued show cause notice that as to why any of the Minor / Major Penalties may not be imposed upon him due to non compliance of the direction regarding the preparation of acquittance roll and further he failed to report about encroachments made on the said road / acquired area. The Patwari Halqa submitted his reply vide dated 22.02.2016 in which he took the stand that the road was built on the other lands rather than the acquired land and he was not in a position to prepare acquittance roll of the land which was not acquired and mistake was on the part of alignment but being the responsible government servant of the area as Patwari, it was his duty to point out and inform his superiors regarding the mistakes or wrong alignment other than acquired land but he did not inform the Competent Authority, which shows his slackness and irregularity, which is also misconduct on his part. During the personal hearing the accused Patwari could not satisfy the Competent Authority regarding his conduct. Moreover complaints were received, which reveal that he has assumed the shape / role of property dealer rather than a public servant.

Foregoing in view the charges against the accused Patwari stand prove and he has been found guilty of misconduct in terms of E&D Rules, hence in terms of Khyber Pakhtunkhwa, Government Servants (Efficiency & Discipline) Rules-2011, Rule 4 (1) (b) (ii), Major Penalty of Compulsory Retirement from Service is hereby imposed upon Mr. Assad Iqbal, Patwari with immediate effect.

ANNEX H

Subject:- **DEPARTMENTAL APPEAL AGAINST THE ORDER DATED 02-03-2016 PASSED BY THE DEPUTY COMMISSIONER HARIPUR, WHEREBY THE APPELLANT WAS IMPOSED UPON MAJOR PENALTY OF COMPULSORY RETIREMENT.**

Respected Sir,

With due respect I have honor to submit this departmental appeal for your kind consideration and favourable action on the following facts and grounds:-

1. That the appellant was serving as Patwari, Patwar Halqa Makhnial Tehsil & District Haripur. He has rendered about 12 years service at his credit during which period he has not been proceeded departmentally nor any complaint has been filed against him.
2. That an inquiry was conducted by Additional Assistant Commissioner-I, Haripur regarding non-preparation of the acquittance rolls and delay in payment of compensation to the land owners of village Makhnial, Tehsil & District Haripur. The inquiry officer submitted his report on 10-02-2016 wherein he has pinpointed the grounds for delay in the payment of compensation, however, recommended not only departmental proceedings against the appellant but also the appointment of a commission comprising Girdawar Circle Khanpur, Girdawar Acquisition, the appellant as Patwari Halqa Makhnial and Patwari Acquisition. Copies of inquiry order, reply, report and recommendations are attached as annexure **"A, B & C"**.
3. That during the inquiry proceedings, appellant submitted a detailed reply to the inquiry Officer mentioning as many as 21 grounds which remained hurdles/bottlenecks in the way of preparation of acquaintance roli but inspite of the same a show cause notice was issued to thy appellant on 15-02-2016 by the Deputy Commissioner Haripur, tentatively deciding to impose minor/major penalties under the Government of Khyber Pakhtunkhwa Government Servants (Efficiency and Discipline Rules-2011). Copies of show cause notice, order for appointment of commission and reply to show cause notice are attached as annexure **"D, E & F"**.

ATTACHED

(2)

4. That a detailed reply to the show cause notice was also submitted to the competent authority, wherein once again the factual position was brought into his notice but vide impugned order dated 02-03-2016, the appellant was imposed upon the major penalty of compulsory retirement. Copy of impugned order is attached as annexure "G".
5. That the being aggrieved from the order dated 02-03-2016 hence, impugned the same inter alia on the following grounds:-

19

GROUND:

- i. That the major penalty of compulsory retirement was imposed in sheer negation of admitted facts, in slipshod, perfunctory, arbitrary and clandestine manners, thus liable to be set aside.
- ii. That the impugned order is result of misreading and non reading of record, passed against the mandatory, statutory provisions of law, hence liable to be set aside.

iii. That the learned Deputy Commissioner badly failed to take notice of the fact that there were so many insurmountable hurdles in preparation of acquittance roll due to which the same could not be prepared rather impossible to prepare the same and the matter was brought in to the notice of high-ups in due course of time. In this respect the reasons detailed in reply to the Inquiry Officer may also be perused for detailed clarification of the issue.

iv. That even earlier the appellant along with residents of the locality in order to resolve this issue met the then Deputy Commissioner Haripur namely Nisar Ahmed Khan and informed him about the position who assured to do the needful and issued verbal order so that the matter was delayed.

v. That the inquiry order dated 25-01-2016, inquiry proceedings and show cause notice dated 15-02-2016 are totally different, as no inquiry was conducted with regard to points mentioned at serial # 3 & 4 of show cause notice.

vi. That on the one hand the inquiry commission was constituted for resolving the issue of which the

ATTESTED

appellant was also a member and on the other hand without waiting for the final outcome of the commission, the major penalty was imposed on the appellant, which is against the norms of justice, equity and fair play.

20

- vii. That a notification under Section 4 of the Land Acquisition Act, 1894 was issued on 24-10-1989, notification under Section 5 was issued on 08-09-2007 (almost after 18 years), whereas the award announced on 17-12-2013 (almost after 24 years) and in the mean time the black topped road has been constructed on the spot, moreover in the mean time certain Khasra numbers has been divided on the basis court decisions so this was also a legal barrier to complete the required work. Copies of acquisition proceedings are attached as Annexure "H & I". ✓
- viii. That after the announcement of award # 120 dated 17-12-2013 the clerk of acquisition branch Mr. Syed Iqbal Hussain Shah was requested time and again to provide the Aks Tatima for the road prepared at the time of issuance of notification under Section 4 so that to determine the Khasra numbers and the property included in the road but he failed to provide the same on the ground that file is not available with him, while the alignment made over the Aks Shajra Kishtwar did not match with the spot as well as the field book due to which it was impossible to determine the exact location of the acquired property and how much property has been taken from which khasra number. ✓
- ix. That the appellant when started the work for preparation of acquittance roll and for preparation of Tatimas it was found that from khasra # 330 a land measuring 05K-03M was shown to be acquired and when it was confronted with Jamabandi the said khasra number have only the total measurement of 00K-07M similarly the khasra # 331 is measuring 03K-02M while through award 05K-04M property was shown to be acquired. ✓
- x. That there is a great difference between the current existence/ location/site of the road and the proposed/temporary alignment shown over the Aks Shajra Kishtwar of the village Makhnial, which

ATTESTED

leads towards inevitability of making of Tatimas/tail pieces and to give them effect in the revenue record as the khasra numbers 319, 320, 847/579/138 & 838/579/138 are included in award but the said road on the spot is not constructed over these khasra numbers.

21

xi. That over the property bearing khasra numbers 314, 312, 354, 580/138, 174, 1098/600/189, 1099/600/189, 1061/746/43, 758/43, 759/48, 760/48, 755/47 the road on the spot is constructed but the said khasra numbers are not included in the award.

vii. That even in the reply dated 09-01-2016 as many as 21 grounds/hurdles were shown by the appellant wherein the contradiction between the actual spot position and the revenue record was highlighted but the same were not given worth without any reason. After the constitution of commission by the Deputy Commissioner a physical survey was conducted wherein the insurmountable hurdles pointed out by the appellant were once again confirmed. The field book and survey proceedings duly endorsed by Girdawar Circle and Tehsildar Haripur dated 22-02-2016. In view of such measurement of the road constructed on the spot is highlighted with green colour while the alignment made/suggested over the Aks Shajra Kishtwar with pink colour, reflects clear illegalities in the acquisition process done by the then revenue staff and consequent inability of the appellant to give them legal status. Copies are annexed herewith. Copies of field book prepared at the time of issuance of notice under Section 4, copy of field book prepared by commission, Aks Shajra, daily diaries and copy of Latha are attached as Annexure "J, K, L & M".

xiii. That it is evident from the inquiry report dated 10-02-2016 that there are insurmountable hurdles but the 80 % work was completed by the appellant, which fact was also ignored by the learned Deputy Commissioner while passing such an unjustified order.

xiv. That even before passing an order for inquiry dated 25-01-2016 the appellant had already entered mutation # 3044

ATTESTED

(5)

on 20-01-2016 for the change of ownership on the basis of award # 120 dated 17-12-2013 but the same aspect was also not taken into consideration.

(22)

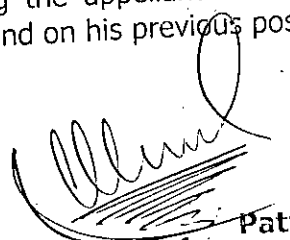

- xv. That mandatory legal provisions as provided in Khyber Pakhtunkhwa Government Servants (Efficiency and Discipline) Rules-2011 has not been complied with because the appellant was not issued charge sheet and the statement of allegations without which no proceeding can be initiated.
- xvi. That proper inquiry was also not conducted with the rules ibid in as much as neither any statement was recorded in presence of appellant nor any documentary proof was collected and the appellant was confronted to the same by providing opportunity of cross examining the witnesses.
- xvii. That the mandate of law is that there should be a regular inquiry being conducted otherwise major penalty cannot be imposed upon an accused civil servant.
- xviii. That the charge of being a property dealer is totally incorrect, without proof and material. The appellant has never remained involved in any kind of property business. He is performing his duties to the best of his capabilities as no complaint was previously lodged against him.

It is therefore, humbly requested that on acceptance of this Departmental Appeal, the impugned order dated 02-03-2016 may kindly be set aside by reinstating the appellant in to service with all back benefits and on his previous position.

Your faithfully

Asad Iqbal

The appellant heard in person and record available on the file perused. PROCEEDINGS

Tehsil Revenue Agency Haripur worked out and furnished one yearly average/Osat Yak Sala of the land in question to this Collectorate on the basis mutations attested during 365 days prior to the issuance of Notification Under Section-4 of the land Acquisition act, 1894 which is as under:-

Kind of land	Area		Rate Per Marla
	Kanal	Marla	
Chari	42	02	567/84
Maira	05	07	71.98
Rakkar	07	00	71.98
Un-cultivated	105	12	35.49
Total Area :	160	01	

On the basis of above mentioned rates of land /one yearly average, the estimated cost of the land conveyed to the acquiring Department for placing the same at the disposal of the undersigned under the relevant head of account. The Acquiring Department placed the said amount at the disposal of this office which was deposited under the relevant Revenue head.

Similarly, the Draft Notification Under Section- 5 & 6 of the Land Acquisition Act 1894 was received from the Acquiring Department and forwarded to the Commissioner Hazara Division Abbottabad for issuance the same ,which was issued vide No. 2469-74 dated 08/09/2007 and No. 1/1(H)9883-85 /CHD dated 21/11.2013 respectively.

Notice Under Section-9 & 10 of the land Acquisition Act, 1894 were issued and served upon the concerned land owner vide No. 269 dated 02.12.2013 through Tehsildar Haripur to submit their objections on 17/12/2013. The land owners/affectees attended this office and submitted joint application showing therein the plea to this extent that Osat Yak Sala for the year 1989 relied upon from the date of Notification Under Section (4) is against the norms of justice, and the new rates according to the present market value may be fixed and paid. Since, the Notification Under Section (4) was issued in 1989 and there is no way for us to consider the said one year market value which is already placed on our record. However, the affectees have a right to challenge the same in due course of time in the appellat forum therefore, the application stands placed on record which can not be entertained.
