REPLICATION**Respectfully Sheweth,****PRELIMINARY OBJECTION.**

All the (06) preliminary objections are illegal and incorrect. No reason in support of the same is ever given as to why the appellant has no cause of action, he has not come to the Hon'ble Tribunal with clean hands, concealment of material facts from Hon'ble Tribunal, not maintainable in its present form, appeal is bad for mis and non-joinder of necessary parties and estopped by his own conduct to bring the present appeal.

ON FACTS

- 1-2. Para No. 1 & 2, regarding creation of 1797 posts and order of appointment was not commented upon by the respondents, so are admitted correct by them.
3. Not correct. The reason given in the para of the comments, regarding none functional of the school nowhere bore in the order of termination dated 11.06.2013. It is not understood that when the schools were not functional then why order of appointment of appellant was issued by the competent authority, Agency Education Officer, FR Lakki.

As far as letter dated 05.05.2015 of the Agency Education Officer, FR Lakki is concerned, the same is after thought while appeal was filed before the Hon'ble Tribunal on 22.10.2013.

4. Not correct. Departmental appeal was filed on 28.06.2013 vide Registry No. 384 alongwith connected representations addressed to Director of Education FATA, FATA Secretariat, Warsak Road, Peshawar.

GROUNDS:

- a. As above in para No. 1 & 2 of the facts, regarding creation of posts and issuing of order of appointments.
- b. Not correct. The ground of the appeal is correct. Respondents failed to show that who donated the land for the construction of the school building. Moreso, the Supreme Court also held that land owner be appointed at the school as the land was donated to the Government for school building in lieu of appointment.
- c. As above in para No. 1, regarding performance of duties in the school.
- d. Not correct. Order of termination is without any reason.
- e. Not correct. The ground of the appeal is correct, regarding issuing of order of termination with retrospective effect. Here a question arises that why order of appointment of appellant was issued when the school was none functional. The school is functioning till date. Order of termination bore no reason of none functional of the school.
- f. Not correct. If order of termination from service was required, then the same should have been as per the mandate of law by holding full-fledged enquiry.
- g. Not replied by the respondents, so the ground of the appeal is admitted correct by the respondents regarding none service of notice, none holding of enquiry, etc.

It is, therefore, most humbly prayed that the appeal be accepted as prayed for.
