**Appeal u/s 4 of the Service Tribunal Act KP Peshawar**

**Respected sir,**

1. That the Appellant was appointed as Naib Qasid in the Department of Agricultural (Soil & Water) Conservation Batkhela in the year 2014 was having the qualification of F.A, thus rules of promotion dully applicable to the appellant.

**(Copy of appointment order, academic and rules are attached as annexure "A")**

2. That in the other wings of the Agriculture Department promotions Quota of class IV were observed but only this wing avoiding the promotion of the Appellant since its formation with apology that we don't have rules but when the said act of the department was challenged before the Peshawar High Court, then rules were framed, but even than quota was not observed by following these rules.
  
3. That in the Agriculture Department, Soil & Water Conservation, posts of Junior Clerks exist, and as per notification No. SO(E)(AD)11(2)429/15 dated 18<sup>th</sup> April, 2018 in pursuance of the provision in Sub-rule (2) of the Rule 3 of the Khyber Pakhtunkhwa Civil Servant (Appointment, Promotion and Transfer) Rules 1975, laid down the method of the recruitment, qualification and other condition, through the said notification the same can be filled through promotion but malafidely the said posts were advertised in order to adjust their blue-eyed and appellant were intent to make an scapegoat, so that the appellant in future cannot knock the doors of court / tribunals for their justified rights. The said act was challenged in this August Tribunal and consequently right of the promote was established and two of the colleagues were promoted but even than 33% Quota was not observed and appellant were left. Despite the fact that Appellant remain part of the previous litigation before Hon'ble Peshawar High Court.

**(Copy of WP and order is attached as annexure "B")**

4. That as per seniority list of the department the petitioner is on top of qualification and is eligible/fit for promotion, but even then petitioner was neglected and the respondents time and again attempted to float the judgment of the Hon'ble Peshawar High

Court and this Hon'ble Tribunal, because fresh advertisements were made several times and due rights of class IV were infringed.

5. That on **15-04-2023** respondents issued seniority list wherein appellant was placed again in bottom by adding field watcher in the seniority list with malafide intention, despite clear cut order of this Hon'ble Tribunal. (**Copy seniority list is attached as annexure "C"**)
6. That Appellant filled Departmental Appeal before the worthy secretary Agriculture on 28/05/2023 but was not received through Dairy number, hence again through post the same was sent and after lapse of 90 days no reply is given.  
**(Copy of departmental appeal is attached as annexure "D")**
7. That feeling aggrieved from the acts of the respondents, the appellant having no other alternate efficacious remedy, approach this Hon'ble Tribunal for redressal of his grievances, on the following grounds inter-alia amongst others.

### **Grounds**

- A. That the act of the respondents of not promoting the Appellant in the light of judgment of this Hon'ble Tribunal as well as the commitment made by the respondents in written petition and contempt of court petition as illegal, unlawful, without lawful authority and thus of no legal effect, hence needs interference of this Hon'ble Tribunal.
- B. That the act of the respondents is the violation of Article 25 of the Constitution of Islamic Republic of Pakistan, 1973 wherein it is

4

directed that all persons should be treated equally in accordance with law, because the said rules had already adopted by the other wings of the agriculture Department and dozens of employees were promoted under the said quota of promotion.

- C. That the policy of promotion is not adopted in Water and Soil Conservation Wing, thus the act of the respondents is in violation of already existing rules of the department for promotion.
- D. That the act of the respondents violated the Article 4 of the Constitution of Islamic Republic of Pakistan, 1973, and all persons exercising the authority must do only is accordance with law.
- E. That the petitioners are well qualified and most senior as per qualification in the seniority list of class IV prepared by the respondents department, therefore, eligible for promotion as Junior Clerk from Naib Qasid, thus now mixing the seniority with field watcher is in effective upon the rights of Appellant and based on malafidely.
- F. That other employees were promoted as per existing quota and promotion rules in Agricultural Department of Water and Soil Conservation wing, thus it will amount to discrimination too, if the Appellant is not promoted.
- G. That this Hon'ble Tribunal has got ample jurisdiction to entertain and disposed off the instant Service appeal according to the facts and circumstances of the case in hand.

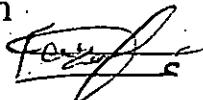

H. That any other ground or reasons if not mentioned at the time of hearing will be argued with the permission of this Hon'ble Tribunal.

It is therefore, most humbly prayed that on acceptance of instant service appeal, the respondents may graciously be directed to promote the petitioner to the post of Junior Clerk (BPS-11) as per old promotion rules provided to the Hon'ble Peshawar High Court.

Any other relief, if not specifically prayed, may also graciously be granted, if appears just, necessary and appropriate.

JUDGMENT

AHMAD HASSAN: MEMBER - Arguments of the learned counsel for the parties heard and record perused.

FACTS

2. The brief facts are that the appellant is serving as Soil Conservation Inspector, and that on the strength of 25 % quota reserved for promotion to the post of Soil Conservation Assistant (BPS-17), he was entitled to promotion against the same w.e.f 12.05.2015 i.e the date on which one Azzizullah, Soil Conservation Assistant stood retired. That the appellant preferred departmental appeal dated 11.04.2016 which was rejected by the authority on 18.04.2016, hence, the instant service appeal on 13.05.2016.

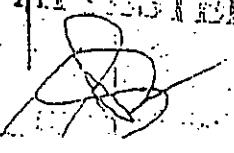

ATTENDED

ARGUMENTS

3. Learned counsel for the appellant argued that he joined Agriculture Department as Field Assistant (BPS-6) on 11.08.1982 and subsequently the post of up-graded to BPS-9. He was promoted to the post of Soil Conservation Inspector (BPS-11) vide order dated 27.03.2014. As per method of recruitment notified on 28.03.1997 25% quota is earmarked for promotion as Soil Conservation Assistant (BPS-17) on the basis of seniority-cum-fitness from amongst Soil Conservation Inspector. According to the seniority list issued in 2013 the name of the appellant was reflected at Sr.no.4; while officials at Sr.no. 1 to 3 were promoted as Soil Conservation Assistant BPS-17 under the aforementioned quota. The appellant is at the top of the seniority list. That Mr. Aziziullah Khan Soil Conservation Assistant BPS-17 retired from service on 12.05.2015 and as such a post falling to the share of promotion quota is vacant/available. Though the appellant is at the top of the seniority list but was not considered for promotion despite submission of departmental appeal.

4. On the other hand learned District Attorney argued that the government of Khyber Pakhtunkhwa granted service structure to the Field Assistant of Agriculture Department by up-grading the post of Field Assistant BPS-6 to BPS-9 and created a new tier/cadre of Supervisor BPS-14. Soil Conservation Assistant BPS-11 will be promoted to the post of Supervisor BPS-14. When he was confronted whether the notification to this effect has been issued he informed that the same has not been issued so far? Moreover, amendments in service rules are under process.

**ATTESTED**

CONCLUSION

5. Careful perusal of record would reveal that though a new post of Supervisor BPS-14 has been created but notification to this effect has not been issued so far. Amendments in service rules are yet to be notified by the respondents. It is abundantly clear that in vogue service rules are still in the field. This has not been denied by the respondents in their para wise comments or learned District Attorney during the course of his arguments. A post of Soil Conservation Assistant (BPS-17) is lying vacant since 12.05.2015. It is meant for 25% quota reserved for Soil Conservation Inspector to be promoted as Soil Conservation Assistant (BPS17). The appellant is eligible for promotion against the said post. It has not been denied by the official respondents. We are of the view that it is a clear cut case of arbitrary use of official authority, injustice and the appellant is being denied the right of promotion on flimsy grounds.
6. As a sequel to above, the appeal is accepted and the may be considered for promotion as Supervisor BPS-14 against the available post. Parties are left to bear their own costs. File be consigned to the record room.

Conservation Wing (Agriculture Department) in the year 1993 and 2009 respectively. No Rules were formulated for promotion of employees in Soil and Water Conservation Wing, however so many employees working in Extension as well as Engineering Wings of the same Department were promoted on the basis of rules notified on 21 November 1983, in pursuance of Rule-3(2) of APT Rules, 1989. The appellants were eligible for promotion to the post of Junior Clerks but they were not promoted, therefore, they filed separate Writ Petitions seeking their promotion to the post of Junior Clerks. In the meanwhile, rules were notified for the posts in Directorate of Soil Conservation, whereby 33% quota for promotion to the post of Junior Clerk was reserved for Naib Qasids, Chowkidars and Sweepers on the basis of seniority-cum-fitness. Upon commitment of learned AAG that the aforementioned quota will be fully observed in future, the Writ Petition No. 946-A/2017 filed by the appellant Muhammad Abbas was disposed of with the directions that the respondents shall fully observe and implement the 33% quota in letter and spirit. Similarly, Writ Petition No. 96-P/2018 filed by the appellant Hayat Khan, was disposed of with the observations that learned AAG had stated at the bar that rules were though framed, however seniority list was not prepared and that the appellant would be considered for promotion to the post of Junior Clerk, subject to availability of post. The appellants being senior most Naib Qasids were required to have been promoted to the post of Junior Clerks under the rules notified vide Notification dated 18.04.2018, however they were ignored, therefore, they filed COC in the august Peshawar High Court, Peshawar. On 20.11.2019, learned AAG stated before the worthy High Court that the appellants alongwith other candidates would be considered for promotion against the posts of Junior Clerks within a period of 04 months, therefore, COC Petition was disposed of with the directions to the respondents to live up to their commitment so made before the court and consider the appellants alongwith others for desired promotion within a period of 04 months. worthy Peshawar High Court was, however flouted by the respondents and posts of Junior Clerks were advertised despite the fact that no promotion to the post of Junior Clerk was made by the department since its establishment. The appellants filed another Writ Petition No. 3271-P/2019, which was disposed of on 19.08.2019 with the directions to the respondents to fully observe and implement the promotion policy of 33% quota reserved for Class-IV employees, in letter and spirit. The grievance of the appellants was still not redressed by the respondents rather they introduced amendments in the rules and categories of Field Watchers and Khalasis were also included in the categories of employees eligible for promotion to the post of Junior Clerks. The appellants thus filed COC Petition in the august Peshawar High Court, Peshawar, which was disposed of vide order dated 18.03.2020 with the observations that the appellants were civil servants and the controversy agitated in the Writ Petition pertained to promotion, therefore, the High Court was having no jurisdiction in the matter. It was further held that the appellants would, however be at liberty to approach the proper forum, against any action of respondents, detrimental to their rights. The appellants then filed separate departmental appeals, which were not responded within the statutory period of 90 days, therefore, the appellants preferred instant as well as connected service appeal for redressal of their grievance.

3. Notices were issued to the respondents, who submitted their comments, wherein they refuted the assertions made by the appellants in their appeals.

4. Learned counsel for the appellants has contended that the appellants being senior most Naib Qasids were having prescribed educational qualification and were eligible for promotion to the post of Junior Clerks but their promotions were not made despite availability of seats; that the appellants filed various Writ Petitions and after adopting of rules notified vide Notification dated 18.04.2018, it was committed by the respondents before the august Peshawar High Court that the

promotion to the post of Junior Clerk that do not interfere with the service of the appellants, our state on the 1<sup>st</sup> November introduced amendments in the Service Rules of the Soil and Water Conservation Department, and thereby the appellants are very much entitled to the post of Junior Clerk. The appellants of their due rights of promotion than the impugned amendments to the rules have been made with a definite intention for the purpose of defeating the order issued on 08.11.2017 passed by August Peshawar High Court. Application is filed in Writ Petition No. 9346-A/2017 filed by the appellant Muhammad Abbas, that the respondents were under obligation to circulate the impugned amendments before notifying it; however, the same were kept secret with classified intentions that each cadre position in own ministry and promotion rules, therefore, including all concerned with office cadre's ultra vires of service law/rules that the right of the appellants for their promotion to the post of Junior Clerk had already matured, and to the impugned amendments to the concerned rule, therefore, the same are ineffective upon the rights of the appellant and are liable to be struck down.

5. On the other hand, learned District Attorney for the respondents has contended that going to newly framed Service Rules of Directorate of Soil and Water Conservation 33% quota for promotion of Class IV employees to the post of Junior Clerk is observed strictly and the Class V employees have already been promoted vide order dated 21.11.2017 that the appellants as per their seniority position in the seniority list of Class IV employees shall be considered for promotion on their turn, that the impugned amendments in the Service Rules were made as per policy/rules of the Provincial Government, therefore, the appellants are having no valid stand to challenge the same.

#### 6. Arguments, facts and record in use:

7. The appellants are serving at the posts of Class IV in Soil and Water Conservation Department. The appellant Muhammad Abbas filed Writ Petition No. 9346-A/2017 seeking

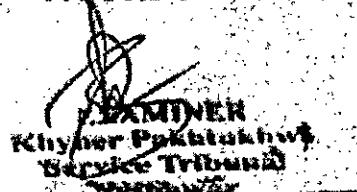

promotions to the post of Junior Clerk shall be made in compliance of the said rules but later on the respondents introduced amendments in the rules by inclusion of Field Watchers and Khalasis in the category of Class-IV for promotion to the post of Junior Clerk, thereby depriving the appellants of their due rights of promotion; that the impugned amendments in the rules have been made with mala-fide intention for the purpose of defeating the order dated 08.11.2018 passed by August Peshawar High Court, Abbottabad Bench in Writ Petition No. 946-A/2017 filed by the appellant Muhammad Abbas; that the respondents were required to have circulated the impugned amendments before notifying its, however the same were kept secret with mala-fide intention; that each cadre post has its own seniority and promotion quota, therefore, including of Field staff with office cadres is ultra vires of service law/rules; that the right of the appellants for their promotion to the post of Junior Clerk had already matured prior to the impugned amendments in the concerned rules, therefore, the same are ineffective upon the rights of the appellant and are liable to be struck down.

5. On the other hand, learned District Attorney for the respondents has contended that according to newly framed Service Rules of Directorate of Soil and Water Conservation, 33% quota for promotion of Class-IV employees to the post of Junior Clerk is observed strictly and three Class-IV employees have already been promoted vide order dated 21.10.2020; that the appellants as per their seniority position in the seniority list of Class-IV employees shall be considered for promotion on their turn; that the impugned amendments in the Service Rules were made as per policy/rules of the Provincial Government, therefore, the appellants are having no *locus standi* to challenge the same.

Initial recruitment/promotion to various posts in the Directorate of Soil and Conservation Department. According to serial No. 18 column No. 05 of the said rules, 33% posts of Junior Clerk were to be filled on basis of seniority-cum-fitness from amongst the Naib Qasids, Chowkidars and Sweepers with two years service as such, who have passed Secondary School Certificate from recognized Board. Admittedly, not a single post of Junior Clerk was filled through promotion till the rules notified vide Notification dated 18.04.2018. The appellants were serving as Naib Qasids and were having the prescribed educational qualification, therefore, respondents were required to have considered them for promotion on the basis of the rules notified vide Notification dated 18<sup>th</sup> April 2018 but promotions to the posts of Junior Clerks were delayed and in the meanwhile, vide Notification dated 18.09.2019, column No. 05 of serial No. 18 of the rules notified vide Notification dated 18.04.2018 was amended and categories of Field Watchers and Khalasis were also included in the category of employees for 33% quota of promotion to the post of Junior Clerk. The amendment so introduced vide impugned Notification dated 18.09.2019 affected seniority of the appellants adversely and their prospects for promotions were also affected adversely for the reason that Field Watchers and Khalasis were also included in the category of employees to be considered for promotion to the post of Junior Clerk. It is well settled that any amendment which deprives a person of his right has to be construed prospectively. August Supreme Court of Pakistan in its judgment reported as 2012 SCMR 965 has observed as below:-

*"8. The argument of the learned counsel for the appellant that such an approach of the Tribunal was against the spirit of the amended rule, is misconceived. The rule does not permit the department to overlook the rights of the employees created under the law by applying the amended rule to extend benefits to those who were not in run at the time when the right of the respondents for promotion was matured, but on account of unexplained reasons they were not*

is a major cause of flooding in the area.  
The water level is very high, and the fields  
are submerged. The water is muddy and  
polluted, and there is a lot of debris floating  
in it.

In the middle of the flooded area, there is a  
small cluster of trees. These trees are  
surrounded by water, and they appear to be  
struggling to survive. The water is very  
deep, and it covers most of the ground around

their branches are hanging down into the

considered for promotion inspite of the fact that their names were mentioned in the seniority list besides the availability of the vacancies".

While seeking wisdom from the judgment of August Supreme Court of Pakistan reported as 2012 SCMR 965, we are of the view that the amendments introduced vide Notification dated 18.09.2019 could not be made applicable to the appellants, as they were entitled to be dealt with for their promotion to the posts of Junior Clerk under the rules notified vide notification dated 18.04.2018.

10. In light of the above discussion, respondents are directed to consider the appellants for their promotion to the posts of Junior Clerk on the basis of rules notified vide Notification dated 18.04.2018 as existed prior to amendments made vide Notification dated 18.09.2019. The appeal in hand as well as connected Service Appeal bearing No. 6339/2020 titled "Hayat Khan Versus Government of Khyber Pakhtunkhwa through Secretary Agriculture, Civil Secretariat, Peshawar and two others", are disposed of accordingly. Parties are left to bear their own costs. File be consigned to the record room.

Director General  
 Soil & Water Conservation  
 Khyber Pakhtunkhwa

1-5-2023

To,

The Secretary Agriculture,  
Civil Secretariat, Peshawar.

Subject: DEPARTMENTAL APPEAL FOR  
GIVING SAME BENEFITS OF  
PROMOTION AS JUNIOR CLERK (BPS-  
11) AS GIVEN TO THE COLLEAGUES  
OF APPELLANT being ELIGIBLE/ FIT  
IN ALL RESPECTS.

Respectfully Sheweth:

Facts giving rise to the instant Department Appeal are as under:-

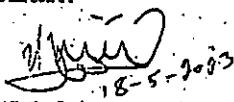

1. That the appellant was appointed as Chowkidar in the year 2014 in Soil & Water Conservation Department Malakand at Batkhela. The appellant is having qualification of F.A.
2. That in Soil & Water Conservation Wing, there were no Rules for promotion, however, in the same Department of other wings such as Extension, Water Management, Fisheries and Engineering dozens of persons were promoted on the strength of Rules notified on 21<sup>st</sup> November, 1983, in pursuance of the provision of Rule 3(2) of APT Rules, 1989.
3. That in order to get the same relief on the ground of discrimination, appellant filed a writ petition before the Hon'ble Peshawar High Court, and thereafter respondents department notified their own Rules and thus appellant was promised to be promoted on the strength of those Rules.
4. That in violation of Rules and judgment of Peshawar High Court, appellant was not treated as per framed Rules. Thus two of the petitioners filed departmental appeal before your good-self and then filed Service Appeal before the hon'ble Service Tribunal which was allowed.

- 534
5. That a single promotion was not made since the formation of the department and now it was the due right of the appellant to be promoted on the strength of Rules under the prescribed 40% quota.
  6. That amendments to the Rules of promotion were made, despite the fact that at the time of disposal of writ petitions and COCs the Rules of 2018 were applicable.
  7. That now total 42 sanctioned posts of Junior Clerk do exists in the department and the appellant is quite eligible to be promoted because the two co-employees Hayat and Abbas were already issued promotion order on 07.12.2022 under 40% Quota of Promotion under the old Rules of 2018.

It is, therefore, humbly requested that on acceptance of this Departmental Appeal;

- i. Direct the authority to comply with the 40% ratio of promotion under 2018 Rules which is not observed since formation of department which comes 17 out 42.
- ii. Any other relief, not specifically asked for, which your honour deems fit and appropriate may also be granted in favour of appellant.
