the Khyber Pakhtunkhwa Culture and Tourism Authority has been established. The attached Departments of Tourism i-e Directorate of Culture and Directorate of Tourists Services are no more in existence and were merged into the Khyber Pakhtunkhwa Culture and Tourism Authority. The functions of Directorate of Tourists Services have been transferred to the Tourists' Services Wing of the Khyber Pakhtunkhwa Culture and Tourism Authority vide notification dated 17<sup>th</sup> November 2022(**Annex-B**). Under the Khyber Pakhtunkhwa Tourism Act 2019, the Secretary Tourism has issued a certificate that the authority has developed the requisite capacity to take over the functions of the Directorate of Tourists Services vide Notification dated 25<sup>th</sup> July 2022 (**Annex-C**). The honourable court in its judgement has further stated that," *now the brief question as to whether an attached department which is no more in existence and merged into an authority while its employees who would be in surplus pool, and their fate either absorption, retention or utilization has not so far decided, how come the respondents would convene a meeting of the departmental Selection or promotion committee for their promotion for the*

simple reason that on which post and in which department they will be given promotion". The honourable Court has further decided that their right of promotion shall be in accordance with rules and regulations and terms and conditions of the cadres into which they are absorbed (**Annex-F**).

**GOVERNMENT OF KHYBER PAKHTUNKHWA,

DEPARTMENT**

**SUMMARY FOR CHIEF MINISTER, KHYBER PAKHTUNKHWA**

Subject: **CREATION OF SURPLUS POOL FOR EMPLOYEES OF DIRECTORATE OF TOURIST SERVICES, KHYBER PAKHTUNKHWA UNDER KHYBER PAKHTUNKHWA TOURISM ACT, 2019**

The Government of Khyber Pakhtunkhwa promulgated the Tourism Act in October, 2019 to establish a legal framework for the development, standard setting, promotion, management and marketing of Cultural heritage and sustainable tourism in the Province. The Act also envisaged a dedicated Authority for attaining objectives elaborated in section 10 of the Act ibid (**Annex-I**). Accordingly, Khyber Pakhtunkhwa Culture & Tourism Authority (KP-CTA) was notified on 02.01.2020 (**Annex-II**).

2. Directorate of Culture and Directorate of Tourist Services are attached bodies of this Department. To integrate the functions of the said Directorates, Section 8 of Tourism Act, 2019 (**Annex-III**) provides that the KP-CTA shall take over the administrative, financial & regulatory control of all the activities, offices, projects etc. of the Directorate of Culture and Directorate of Tourist Services (herein after referred to as The Directorates) along with their movable & immovable assets and liabilities. However the taking over is subject to issuance of a certificate by the Secretary of the Department to the effect that KP-CTA has developed the requisite capacity to handle the functions, activities, centers, offices of the Directorates. The Department, on the recommendation of KP-CTA has accordingly issued certificates in respect of both the Directorates on 06.10.2021 and 25.07.2022 respectively (**Annex IV & V**).

3. Section 8(iv)(a) of the Act ibid, as reproduced below further entails the mechanism to deal with the employees of the Directorates after taking over by the KP-CTA. The Act ibid provides that:

*"Government shall create Surplus Pool in the Establishment Department for employees of the Directorate till the retirement of last incumbent. These employees shall continue to enjoy all the benefits currently admissible to them and shall be entitled to their salary and benefits, as if they had continued to work against the existing cadres or posts. The services of such employees shall either:*

- (i) Be utilized by Government in such offices as controlled by Government under such terms and conditions as decided by Government; or*
- (ii) Absorb the services of the employees of the Directorates at the discretion of Government in various Government Departments, and in such case, the right of promotion shall be in accordance with rules and regulations and terms and conditions of the cadres into which they are absorbed."*

4. It merits mention that on the advice of Establishment Department, this Department had earlier moved a summary for creation of surplus pool for employees of Directorate of Culture (**Annex-VI**), which is pending in Law Department.

5. It is also pertinent to mention that prior to issuance of certificate by this Department in respect of Directorate of Tourist Services, its employees had moved a case to the Department for their promotion through Departmental Promotion Committee. The DPC in its meeting held on 07.11.2022 deferred the promotions due to observations on the Service Rules of Directorate of Tourist Services, raised by Representatives of Establishment and Finance Department (minutes of DPC at **Annex-VII**).

6. In the meanwhile, 32 employees of DTS have filed WPs No.2772 and No. 2773-P/2022 in PHC contending therein that the employees are in promotion zone and the Department is not convening Departmental Promotion Committee thereby depriving them from right to promotion which will be lost once surplus pool is created. Now, the Peshawar High Court, Peshawar has announced its judgment in the instant case on 26.01.2023 and dismissed the Writ Petitions 2773-P/2022 and WP 4119-P/2022 being meritless (judgment of PHC at **Annex-VIII**). List of employees as received from the Directorate of Tourist Services at **Annex-IX**.

7. The honorable Chief Minister, Khyber Pakhtunkhwa may allow placement of the case of creation of surplus pool for employees of Directorate of Tourist Services, before the Provincial Cabinet for consideration and approval please.

8. Law Department and Establishment may add views en-route, please.

\*\*\*\*\*

**ABDUL SHAKOOR, J:** - As the instant writ petition and the following two connected writ petitions involve common question of law and facts, therefore, we intend to decide the same through this single judgment;

- i. **WP 2773-P/2022**  
Muhammad Amjad and 7 others vs. Govt of KP through Chief Secretary and 4 others,
- ii. **WP 4119-P/2022**  
Israr Ahmad Khan and another vs. Govt of KP through Chief Secretary and 6 others,

2. The petitioners of all the three writ petitions are serving in the Directorate of Tourist Services "DTS", Khyber Pakhtunkhwa against their respective positions, mentioned in the memo of the petitions. Under S. 8 of

SP

(27)

newly promulgated Khyber Pakhtunkhwa Tourism Act, 2019 "Act", the said Directorate is ceased and merged into the Khyber Pakhtunkhwa Culture and Tourism Authority "CTA" established under S. 6 of the Act and for its employees, a surplus pool is created. In this regard, the respondents issued impugned Notification dated 25.5.2022 qua abolition of DTS and impugned letters dated 30.8.2022 qua physical and formal handing / taking over of all the assets, projects etc as well as letter dated 04.10.2022 qua delay so occurred in handing/taking over.

3: In the instant and the connected WP 2773-P/2022, the grievances of the petitioners are non-calling of Departmental Selection Committee "DSC" by the respondents to determine the suitability of their promotion despite the fact that similar relief has already been extended to alike employee of DTS by the Provincial Selection Board. As such, they seek issuance of direction to the respondents to call the DSC to consider their cases for promotion before they are sent to surplus pool.

4. The petitioners are also aggrieved of issuance of impugned notification dated 25.5.2022 of the respondents qua abolition of DTS with averments that before the completion of adjustment period as provided under the

DTS

Act, the respondents cannot issue the same. The notification alongwith the impugned letters dated 30.8.2022 and 04.10.2022 qua handing / taking over of assets, projects and record etc of DTS, and its delay have also been impugned by the petitioners of WP 4119-P/2022 before this Court; and seek direction to declare the same to be illegal, unlawful and violative of the provisions of the Act.

5. Pursuant to notice, the respondents filed their joint Para-wise comments, wherein they strongly resisted the issuance of the desired writ by stating that the petitioners did not exhaust the legal remedies available to them under the law prior to invoking the writ jurisdiction of this Court; that the petitioners themselves have admitted in the relevant Para of their petitions that guidance have been solicited in case of their promotion, and once the advice is rendered, the respondents will proceed in accordance with the law. In respect of objection so raised by the petitioners qua adjustment period, the respondents stated that S. 33 read with S. 57 of the Act is more relevant to operators of tourist products and subsequent repeal of the laws under which these products are being regulated. Thus, the objection that nothing can be done in respect of DTS

during the transition period, is the petitioners' own interpretation of law. The taking over of functions of DTS is a gradual process as elaborated in Sections 8, 9 read with S. 33 and 57 of the Act. So far as, the impugned notification dated 25.5.2022 coupled with impugned letters of handing/taking over of all assets etc are concerned, the respondents commented that S. 9(3) of the Act provides that the administrative and financial transition be completed in one year after the commencement of the Act thus, in line with the provisions of the Act, the impugned notification and letters have rightly been issued.

6. Arguments heard and record carefully gone through.

7. A perusal of the record would suggest that on 30.9.2019, the provincial assembly of Khyber Pakhtunkhwa passed the Khyber Pakhtunkhwa Tourism Act, 2019, which was assented to by the Governor of the Khyber Pakhtunkhwa on 04.10.2019. The aim and purpose of the Act is to provide for a legal framework to promote culture and tourism in the province of the Khyber Pakhtunkhwa. The Act provides for establishment of an Authority known as the Khyber Pakhtunkhwa Culture and

Tourism Authority under S. 6 after certification and notification of the government; ceasing of Directorate of Culture and Directorate of Tourist Services (*attached department of Sports, Culture, Tourism, Youth Affairs, Archaeology and Museums Department*) and its merging in to the said Authority under the provisions of S. 8(i)(b). The Act has also provided for creation of Surplus Pool for the employees of DTS under S. 8(iv)(a) i.e. that the Government shall create Surplus Pool in the Establishment Department till the retirement of the last incumbent. There is no second opinion that main purpose behind the creation of Surplus Pool for the employees of DTS as is evident from the provisions of the S. 8 is to properly utilize their services in such offices as controlled by the Government, absorb their services at the discretion of Government in various Government Departments or to retain them in the Authority or otherwise after examining by Scrutiny Committee to be constituted in the prescribed manner and recommend to the Board. It is also specifically provided in the ibid section of law that in case of absorption of the employees of DTS, the right of promotion shall be in accordance with rules and regulations and terms and conditions of the cadres into which they are absorbed. It is also pertinent to mention here that the employees of DTS

SP

\*

have earlier filed WP 4931-P/2021 and WP 1551-P/2022 with respect to certain amendment in Section 8 of the Act and advertising 54 posts ranging from Class-IV to BPS-19. However, this Court, while disposing of the said petitions, directed the respondents to strictly follow the law and to decide their cases in terms of Section 8 of the Act within a period of three months positively. Afterwards, the petitioners moved the respondents for convening the meeting of the departmental selection committee to determine their cases for promotion.

8. Now, the brief question as to whether an attached department which is no more in existence and merged in to an Authority while its employees who would be in Surplus Pool, and their fate either absorption, retention or utilization has not so far been decided, how come the respondents would convene a meeting of the Departmental Selection or Promotion Committee for their promotion for the simple reason that on which post and in which department they will be given promotion. When confronted with the situation, neither learned counsel for the petitioners wriggle out of the same nor this Court has found any law or judgments of the superior Courts backing the petitioners' prayer for issuing a writ to the respondents

SP

X 1

to call the desired meeting of the Committee in exercise of Constitutional Jurisdiction of this Court.

9. So far as, issuance of the impugned notification and letters of the respondents are concerned, needless to mention that under sub-section (3) of Section 9 of the Act, all actions required for giving effect to the provisions of the Act including administrative and financial transition shall be completed within one year of the commencement of this Act. Besides, this Court in its earlier judgment rendered in the *ibid* writ petitions directed the respondents to strictly follow the law; therefore, the respondents being administrative authority were bound to play positive role while complying with the provisions of the law and judgment of this Court. Further, the abolition of DTS and its merging in to the Authority was requirement of the law and undeniably when a department is going to abolish there must be some handing/taking over of its assets etc for proper management or otherwise, which cannot be termed an inaction or illegality in eye of law. Thus, the respondents while issuing the impugned notification and letters have not committed any illegality or irregularity, which could be questioned before this Court under its Constitutional Jurisdiction. Moreso, the learned counsel

SP

for the petitioners has also miserably failed to point out any infringement of right of the petitioners by the respondents while issuing the impugned notification and letters in line with the provisions of law and direction of this Court in the ibid judgment. Being so, the petitioners could not make out a case for issuance of the desired writ.

10. In view thereof, the instant and the connected WP 2773-P/2022 and WP 4119-P/2022 are dismissed being meritless.
