with all consequential benefits under the principle laid down by the Supreme Court in judgment reported as 2009 SCMR 1 & 2018 SCMR 380. Any other remedy which this hon'ble Court deems fit & appropriate that may also be granted in favour of petitioners. "

2. Brief facts of the case leading to file the instant writ petition are that, initially the petitioners were appointed on temporary bases and thereafter their service was regularized. Thereafter, on 01.10.2007 the Government of Khyber Pakhtunkhwa issued a notification for up-gradation of their posts to BPS-17. In compliance of the notification some of their colleagues were upgraded from BPS-16 to BPS-17, but the petitioners and some others were ignored, therefore, some of the colleagues of the petitioners have filed appeal before the Service tribunal, Peshawar which was accepted vide judgment dated 05.11.2012. The department in compliance of the judgment dated 05.11.2012 upgraded the petitioners and others vide order dated 05.09.2019. The petitioners moved an application to the department for up gradation of petitioners in light of the judgment of service tribunal, but the respondents turned deaf ear. Hence, the instant writ petition.

3. The learned counsel for the petitioners alongwith Asstt. Advocate General were heard at length and with their valuable assistance the record was gone through.

4. The controversy brought for resolution before this court is the retrospective effect to the up-gradation granted in favour of the petitioners. Though this court is conscious of the fact that in case of up-gradation it has competency to intervene, but once the posts are upgraded, then in that eventuality, its prospective or retrospective effect does not fall within the competence and jurisdiction of this court, as in case of asking for seniority or otherwise it is the competent forum that has been created for the purpose. The learned counsel for the petitioner wanted the indulgence of this court by referring to few judgments passed by superior courts of the land and we keenly went through the same. We are afraid that the precedent relied upon by the petitioners do not support the stance of the petitioners, as in those judgments it has been clarified that in case of up-gradation high court is competent enough to entertain, but before us is not the question of up-gradation, rather, it's after math.

5. The learned counsel for the petitioners referred to the case of similar placed employees, who approached the provincial Service Tribunal and that their appeals were allowed. The learned counsel wanted this court to press into service the rule of consistency and to allow the petitioners on that score too, but we are mindful of the facts that Service Tribunal has ample powers to implement its order/

judgment, if petitioners want indulgence of this court on that score alone, then again they are to approach the said forum by asking implementation of the judgment passed in case of similar placed employees, but, if the petitioners want indulgence of this court for providing retrospective effect then we are afraid that this court cannot.

6. The cumulative effect of what has been stated above, leads this court nowhere but to hold that this court is lacking competency. A clog has been put on its powers under Article 212 of the Constitution of Islamic Republic of Pakistan, 1973, and that being civil servants, the petitioners should approach the competent forum, which is no other than the Provincial Service Tribunal for redressal of their grievances. The instant writ petition is lacking substance as such the same is answered in negative. However, the petitioners are at liberty to approach the competent forum for redressal of their grievances.
