JUDGMENT

HAMID FAROOQ DURRANI, CHAIRMAN:-

1. The appellant Abdul Wahced was appointed as Besishti-cum-Sweeper against Basic Pay Scale in Health Department vide order No. 17437-40/27-T dated 17.11.1994. It is his claim that during the course of service he was being awarded increments as per law while he was also promoted to BPS-2 by respondent No.4. It was on 14.03.2013 that he was compulsorily retired as a consequence of departmental proceedings, where-after, his papers for pension and other ancillary pension benefits were prepared and sent to respondent No.2. It was, however, on 24.08.2014 that the appellant was denied the pension benefits purportedly under government of N.W.F.P Finance Department No. *D1/2-1/92-93/FD* dated 04.11.1992 on the ground that he was appointed in the year, 1994, therefore, was not entitled for the said benefits.

2. We have heard learned counsel for the appellant and learned District Attorney for the respondents and have also gone through the available record.

[Signature]

3. It is evident from office order dated 14.03.2013 that the appellant was compulsorily retired with effect from the date of his absence from duty i.e 24.12.2012, however, the pension benefits admissible under the rules were duly allowed to him. We have also gone through the above noted letter from the Finance Department Government of NWFP which ^{primarily} ~~preliminary~~ relates to the appointment of specified categories of staff on fixed salaries. It is noted that the Provincial Cabinet had, inter-alia, decided on 21.05.1992 that:-

"Non-education cadre posts in the Education Department such as Chowkidars, Naib Qasids, Malis, Water Carrier, Sweeper etc, be filled on contract basis".

4. While reading in juxtaposition the above noted letter/policy of the Finance Department, the order of appointment of the appellant, the extracts from his service book and the order of his compulsory retirement, one can safely reach the conclusion that the policy of Government as reflected through letter dated 04.11.1992 was although made at the relevant time, however, did not seem to have made applicable in the year 1994 in the case of the appellant. All along his service, the appellant was treated like regular civil servant and was given to understand regarding his entitlement of pension benefits.

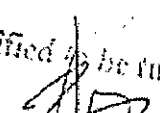

5. In view of the above, we allow the appeal in hand in terms of prayer contained in its memorandum. Parties are left to bear their respective costs. File be consigned to the record room.
