02. Brief facts of the case are that the appellants are primarily aggrieved by inaction of the respondents to the effect that promotions of the appellants were delayed for no good reason, which adversely affected their seniority positions as well as sustained financial loss. The appellant, Mr. Afzal Shah and 18 others were serving under Agency Education Officer, Mohmand Agency (Now District Mohmand) and the appellant Mr. Khaista Sher and 22 others were serving under Agency Education Officer, Orakzai Agency (Now District Orakzai). All the appellants were promoted to the post of Secondary School Teachers (SST) (BPS-16) vide order dated 11-10-2017, which, as per stance of the appellants were required to be promoted in 2014.

Feeling aggrieved, the appellants preferred respective departmental appeals against the impugned order dated 11-10-2017, which were not responded to, and hence the appellants filed service appeals in this Tribunal with prayers that promotions of the appellants may be considered from 24-07-2014 or the date when other employees serving in settled districts were promoted along with all back benefits.

03. Written reply/comments were submitted by the respondents.

04. Learned counsel for the appellant Mr. Afzal Shah and 18 others has contended that the appellants have not been treated in accordance with law and their rights secured under law and constitution have been violated; that the respondents delayed promotions of the appellants for no good reason, which adversely affected their seniority positions and made them junior to those, who were promoted at settled district level in 2014; that the delay occurred due to lethargic attitude of respondents, otherwise the appellants were equally fit for promotion like their counterparts working in settled districts; that the appellants were discriminated which is highly deplorable, being unlawful and contrary to the norms of natural justice; that inaction on part of the respondents have adversely affected financial rights of the appellants as protected by the Constitution. He further added that the appellant be treated at par like other employees of districts who were promoted in 2014 in pursuance of notification dated 24-07-2014 and shall equally be dealt with in accordance with law and rules.

05. Learned counsel for the appellant Mr. Khaista Sher and 22 others mainly relied on the arguments of the learned counsel for the appellant Mr. Afzal Shah and 18 others with further arguments that departmental appeals of the appellants were not considered and the appellants were condemned unheard; that as per constitution every citizen is to be treated equally, while the appellants have not been treated in accordance with law, which need interference.

06. Learned Assistant Advocate General appeared on behalf of respondents has contended that as per Para-VI of promotion policy, promotions are always made with immediate effect and not with retrospective effect; that promotion is neither a vested right nor it can be claimed with a retrospective effect. Reliance was placed on 2005 SCMR 1742. Learned Assistant Advocate General argued that promotions of the appellants were made in accordance with law and rule and no discrimination was made. He further argued that some of the appellants submitted successive appeals, which is violation of Rule 3(2) of Appeal Rules, 1986. Learned Assistant Advocate General prayed that appeals of the appellants being devoid of merit may be dismissed.

07. We have heard learned counsel for the parties and have perused the record.

A perusal of record would reveal that all the appellants were employees of 08. the provincial government, who were deputed to serve in Ex-FATA under the control of Director of Education Ex-FATA, whereas their other colleagues working in settled districts were working under the control of Director of Education at provincial level. The provincial Government vides Notification dated 24-07-2014 had issued criteria for promotion of teachers to next grades, which was equally applicable to provincial as well as employees working in Ex-FATA. To this effect, the provincial directorate of Elementary & Secondary Education KP vide letter dated 07-08-2014 had asked the Directorate of Education Ex-FATA to fill in the vacant posts of SST in Ex-FATA by promotion of in-service teachers under the existing service rules. The said letter lingered in the Directorate of Ex-FATA for almost seven months, which finally was conveyed to all Agency Education Officers vide letter dated 09-03-2015 with directions to submit category wise lists of candidates for promotion against the post of SST. Agency Education Officers took another two years and seven months, while rsubmitting such information to the directorate of Ex-FATA and finally the appellants

were promoted vide order dated 11-10-2017. On the other hand, the office of the District Education Officer in the settled district took timely steps and the promotions were made possible in the same year i.e. 2014. Placed on record is a Notification dated 01-11-2014 issued by District Education Officer Charsada, whereby promotions had been made in pursuance of the Notification dated 24-07-2014 in the same year, whereas promotions in Ex-FATA were made in 2017 with delay of more than three years. Placed on record is another Notification dated 14-03-2017 issued by Directorate of Education Ex-FATA promoting Certified Teachers (CT) (BPS-15) to the post of Senior CT (BPS-16) w.e.f 20-02-2013, negating their own stance that promotions are always made with immediate effect. Similarly placed teachers was extended the benefit of their promotion with retrospective effect, however the respondents are denying the same to the appellants for the reasons best known to them. The material available on the record, would suggest that the appellants were treated with discrimination.

09. The appellants are primarily aggrieved by the inaction of the respondents to the effect that all the appellants were otherwise fit for promotion to the post of SST, but their promotions were delayed due to slackness of the directorate of education, which adversely affected their seniority position as well as suffered financially due to intentional delay in their promotions. The respondents also did not object to the point of their fitness for further promotion at that particular time.

10. We have observed that seniority of the appellants as well as their other counterparts working at Districts level had been maintained at Agency/District level before their promotion to the post of SST, whereas upon promotion to the post of SST, the seniority is maintained at provincial level and the appellants who were promoted in 2017 in comparison to those, who were promoted in 2014, would definitely find place in the bottom of the seniority list maintained at provincial level with dim future prospects of their further promotions, as well as they were kept

TESTED

deprived of the financial benefits accrued to them after promotion for no fault of them, hence they were discriminated. It was noted with concern that the only reason for their delayed promotion was slackness on part of directorate of education Ex-FATA and its subordinate offices at Agency level, which had delayed their promotions for more than three years for no fault of the appellants.

11. In view of the foregoing discussion, the instant appeals are accepted and all the appellants are held entitled for promotion from the date, the first batch of their other colleagues at provincial level were promoted in the year 2014 with all consequential benefits. Parties are left to bear their own costs. File be consigned to record room.
