2. As per contents of the writ petition, petitioner was appointed as CT Pathology on 05.02.2013 in the District Health Department against the vacant post recommended by the Departmental Selection Committee. After submission of arrival report and completion of probation period, no salary has been paid to him till date. Against that, he approached the respondents for release of his salary but in vain; hence, the instant constitutional petition.

3. Respondents submitted their comments, wherein it is mentioned that appointment order of petitioner dated 05.02.2013 was issued on a public holiday after expiry of six months period provided for validity of recommendation by Departmental Selection Committee. Moreover, it reveals that how the petitioner could silent for non-payment from the year, 2013 till filing of the instant writ petition on 06.04.2019.

4. Learned counsel for the petitioner has also produced record pertaining to attendance of the petitioner in the Laboratory of Rural Health Centre, Chorlakkhi.

5. We have heard arguments of learned counsel for the parties and perused the documents available on the file.

6. It is not discernable from the record that pursuant to appointment of petitioner, he continued to perform his duties for the reason that an official is legally bound to go through the medical test and other procedure before his appointment. No such record has been produced to signify that the petitioner was appointed according to the relevant rules and had undergone normal legal process as required. The Attendance Register produced before us appears to be his voluntarily effort to attend the Laboratory and unless he was validly appointed, he could not be considered as regularly appointed. It is rather surprising that he was regularly attending the office for the last six years, why he chose to remain silent for long period and did not agitate receipt of his salary before any forum. Nothing has been placed on file to reveal that he had knocked the doors of high-ups of the Health Department to agitate his grievance and

thus writ petition appears an effort to legalize an illegality.

7. We are constrained to hold that the instant writ petition on the ground raised therein merits dismissal, thus the same is dismissed with no order as to costs.

When I went to Office Mr. Umar Nazki
another excuse and asked me to meet Mr. J
from the account section. Mr. Hassan Lalol me
my file with Mr. Umar Nazki and that
work would be done. I did not with Mr. Same
from Dr. Kohat who also assured me that
payments were with him and that my salary was
to be released soon. I want to mention that during
this whole period, I provided Lab Technician Service
at RHC Choklati and I have proof of my attendance
Register, Staff Account and Lab bill deposits. Dr. Asghar
Sohal, Dr. Shobir and Dr. Muhammad Maseh who were
my exchange this time can also confirm this.

Frustrated by the lack of action I filed a case in the
High Court in 2018 (Petition No 2205 P 2018) However my
Application was dismissed because I did not approach
the High Court. I then appeal Supreme Court Petition
No 1207/21, which granted me permission to approach
relevant forum to seek relief.

Regret I am now approach you to request that
you listen to my plea and put an end to the injustice
that I have faced for so long. I can provide all
evidence and evidence to support my case.

Thank you for your attention to this matter
Yours Sincerely,
Muhammad Qasim So
