4. That similarly the Provincial Government through its notification dated 17.9.2003 has allowed the same in favour of the officers in BPS 20, 21 and 22 but only to those who are working in the Civil Secretariat. The same was further extended to those officers of the secretariat officers working in BPS-20 and above on their temporary transfer from the secretariat vide order dated 18.02.2006. Similarly the allowance was also enhanced/revised from time to time by the Federal and Provincial Government vide orders 04.05.2004, 26.02.2008, 16.07.2012, 09.08.2012, and 26.12.2012. ***(Copies of the Notification dated 17.09.2003, and orders dated 04.05.2004, 26.02.2008, 16.07.2012, 09.08.2012, and 26.12.2012 are attached as annexure D, E, F, G, H & I).***

6. That the Govt. of Khyber Pakhtunkhwa Finance Department vide its letter dated 12.12.2013 in pursuance of above orders, allowed the same facility/ orderly allowance to the serving officers w.e.f 01.01.2013 or the date of his retirement whichever is later with the proviso that whenever the Govt. revises the rate of orderly allowance in future, the same increase shall be made applicable to the special additional pension of the retired officers, however again restricted it only to a special category of civil servants, i.e APUG/PCS (Executive) and PCS Secretariat. *(Copy of the letter dated 12.12.2013 is attached as K).*
7. That the appellant and his colleagues despite being similarly placed employees i.e. serving/served in BPS-20 and above, but discriminated in terms of not allowing the orderly allowance, therefore filed a writ petition no 3900-P/2014, in the Honourable Peshawar High Court Peshawar, however the writ petition was dismissed in limine due to lack of jurisdiction with direction to the appellant to approach proper forum i.e. this Honorable Tribunal for the redressal of his grievance vide judgment and order dated 24.02.2015, copies of which was received by the appellant 04.04.2015. *(Copies of the memo of writ petition and judgment and order dated 24.02.2015 are attached as Annexure L & M)*
8. That thereafter the appellant also filed his departmental appeal dated 06.04.2015, however the same has not been responded despite the lapse of 90 days. hence the instant appeal. *(Copies of the departmental appeal is attached as Annexure N)*
9. That the appellant prays for the acceptance of his appeal inter alia on the following grounds: -

GROUND OF APPEAL:

- A. That the appellant has not been treated in accordance with law. The respondents have not followed the Law and Rules, thus the secured and guaranteed rights of the appellant have been violated.

- B. That the conduct of the respondents is highly deplorable, amounts to discrimination and as a matter of act is discriminatory and the denial of the concept of equality before the law and equal protection of law as enunciated under article 4, 8 and 25 of the Constitution of Pakistan, 1973.
- C. That the action and inaction of respondents is a clear example of discrimination and a blatant violation of Article 4, 18, 27 and 25 of the Constitution of Islamic Republic of Pakistan, as observed by the Superior courts. ~~_____~~
- D. That the action and inaction of the respondents by withholding/not paying the orderly allowance in favour of the appellant is a classic example of discrimination, malafide intention, negligence, incompetency and inefficiency so as to deprive the appellant of his legal and constitutional rights.
- E. That the act of the respondents is destined to occasion irreparable loss to the appellant's precious time and scarce monetary resources and also amounts to mental torture and to dishonoring and degrading the legal and social status of the appellant on the part of the respondents.
- F. That it has been consistently held by the Superior Courts that similarly placed employees be treated similarly without any discrimination. Since the appellant is/ has been a civil servant, served in BPS-20, therefore deserves to be treated alike with his counterparts i.e other civil servants of the province serving in BPS-20 and are allowed the orderly allowance but denied to the appellant. Even the Apex Courts has discouraged dragging those similarly placed employees to litigation.
- G. That the act of respondents is not in accordance with law and is in complete deviation from the norms governing the subject.
- H. That the very act of the respondents where by the appellant are not treated alike with their corresponding official of BPS-20 and above is highly discriminatory and against the very basic of Shariah and the very provisions of the constitution, as stated by the superior courts.

- I. That the said orderly allowance may kindly be directed to be paid to the appellant from the very start ab-initio (2003) as directed earlier by the concerned department but not implemented in letter and spirit. Orderly allowance was allowed in 2003. This was restricted to secretariat workers, later on this was extended to the bureaucrats posted outside the secretariat, benefit given to special class of civil servants, the same is malafide as it is only allowed to special class which is against the spirit or sharia and the constitution of Pakistan 1973.
- J. That the very act of the respondents is against the natural justice and it smacks malafide upon the part of the respondents and not tenable in the eye of law.
- K. That due to the refusal of the appellant is suffering loss in his pension, since the matter of pay and pension is a continuous wrong and recurring cause of action hence no limitation is applicable to his case.
- L. That the appellant seeks the permission of this Honorable Court to rely on additional grounds at the hearing of this appeal.

It is therefore prayed that on acceptance of this appeal the respondents may please be directed to treat the appellant at par with other similarly placed employees and to allow the appellant the orderly allowance from the date when it has been allowed to other similarly placed employees i.e officers serving in BPS-20 and above with all back wages and benefits.

PRAYER IN PETITION:

That on the acceptance of this writ petition the respondents may kindly be directed to accept the legal right of the petitioners regarding their 'orderly allowance' which were denied to them on the reasons best known to the respondents as the respondents through notification dated 17/09/2003 (NO. FD/SO(SR-II)/8-34/99) has allowed and given the same in favour of officials working in civil secretariat in BPS-20 and above.

Respectfully sheweth:

The petitioners submits as:

FACTS:

- 1) That the petitioners are respectable citizens of Pakistan and are related to the prestigious and noble profession of medicine/doctors.
- 2) That the petitioners number 01, 4 to 17, 27 to 32 are serving doctors in BPS- 20 while petitioners 2,3 and 22 to 26 are retired from BPS-20 from health department . (All the record are annexed).
- 3) That the petitioners are /were drawing their salaries and allowances as per the law but the respondents are denying the orderly allowance to the petitioners.
- 4) That the petitioners being legally entitled to recover/draw and ask the 'orderly allowance' from the respondents but the petitioners were blatantly and clear cut answered in the negative by the respondents.
- 5) That the respondents were asked time and again regarding the fact that the other departments like civil secretariat, WAPDA, Peshawar university and Sindh government are allowing the orderly allowance to their employees in BPS -20 or above, but the respondents are paying no heed to the legal request of the petitioners. concerned departments where officials of BPS 20 or above are receiving the said 'orderly allowance' are annexed here with).

6) That the provincial government through its notification dated 17/09/2003 (notification NO.FD/SO(SR-II)/8-34/99/) has only allowed the same in favour of the of officers in BPS-20,21 and 22 working in the civil secretariat, so the said which is made in favour of a special class is discriminatory, through the said act the petitioners were denied the said orderly allowance which shall also be allowed in favour of petitioners as they are also working in BPS-20.

7) The Government of Pakistan Ministry of Finance Division vide letter No. F. 1(2)-Reg.6/91-Vol-IX dated Islamabad the 24th December, 2012 (copy attached Page:---) clearly articulates that all officers in BPS-20 and above are entitled to draw Orderly Allowance (in-service or retired prior to 19.02.1991) on the orders of the Supreme Court of Pakistan.

The Recommendations of Pay and Pension committee-2009, Establishment Division and request of retired Govt. officers in BPS-20 and above; the matter was has been examined in the Finance Division intensely on the basis of equity and fairness.

8) That the Govt. of KPK Finance Department vide its letter NO. 9) That Orderly Allowance is admissible to BPS-20 and above officers vide Establishment Division O.M.No.13/4/77-F.I dated 30th April, 1977, as referred to federal ESTA Code at serial number SL No; 82 and 83 page 795-976 . (Copy attached).

10) That the said conduct of the respondents is highly deplorable, amounts to discrimination and as a matter of fact is discriminatory and the denial of the concept of 'equality before the law' and 'equal protection of law' as enunciated under article 04, 08 and 25 of the constitution of Pakistan, 1973.

GROUNDS:

- 1) That, the action and inaction of respondents is a clear example of discrimination and a blatant violation of Article 04, Article 18, Article 27 and Article 25 of the Constitution of Islamic Republic of Pakistan, As observed by the superior courts that *'article 04 recognizes supremacy of the law, for providing such guarantees to every citizen till he is disqualified in accordance with law. (Reliance is placed on 1999 CLC page 541).*
- 2) That the action and inaction of the respondents by withholding / not paying the 'orderly allowance' in favour of the petitioners is a classic example of discrimination, malafide intention, negligence, incompetency and inefficiency so as to deprive the petitioners of their legal and constitutional rights. The superior courts have held time and again that *'it is the duty of every public functionary to act in a matter justly, fairly and in accordance with law, (reliance is placed on 2003 PLC (CS) 503).*
- 3) That the act of the respondents is destined to occasion irreparable loss to the petitioner's precious time and scarce monetary resources and also amounts to mental torture and to dishonoring and degrading the legal and social status of the petitioners on the part of the respondents.
- 4) That the act of respondents is not in accordance with law and is in complete deviation from the norms governing the subject. It is opined by the apex courts of Pakistan that *'every statutory body was supposed to function in good faith, honestly and without precincts of its powers so that the person concerned should be treated in accordance with law as guaranteed by article 04 of the constitution of Pakistan, 1973. Departure from the grund norm would render action of the public functionary without validity and would be struck off as illegal and without law full authority. (reliance is placed on PLD 1999 SC 1026, 1999 YLR page 2708)*

To,

The Secretary to Govt. of Khyber Pakhtunkhwa,

Subject:-

APPLICATION FOR THE GRANT OF ORDERLY ALLOWANCE.

Dear Sir,

I have been promoted to BPS-20 by Govt. of Khyber Pakhtunkhwa Health Department vide Notification No.SO(E-I)E&AD/9-133/2014 dated 23/07/2014 and retired from government services with effect from 31/03/2015 in BPS-20 as Director Provincial Health Services Academy Khyber Pakhtunkhwa Peshawar and according to rules all the officers working/worked in BPS-20 or above under federal government are entitled for the grant of orderly allowance (Pensionable). The Provincial Government vide its Notification FD/SO(SR-II)/8-34/99 dated 17/09/2003 granted orderly allowance to the officers in BPS-20 and above to a special category of Civil Servants i.e. APUG/PCS (Executive) and PSC (Secretariat) only; while the officers working in other category having the same scale have been deprived of the facility. The officers/ doctors of Provincial Health Department filed a petition No.3900/2014 before the Peshawar High Court Peshawar for the grant of orderly allowance stating that vide Ministry of Finance Division Govt. of Pakistan letter dated 24/12/2012 all officers in BPS-20 and above either in service or retired prior to 19/02/1991 are entitled for the same allowance in accordance with judgment of the apex court. In pursuance of the said order, Government of Khyber Pakhtunkhwa Finance Department vide letter dated 12/12/2013 allowed the said facility to serving officers with effect from 01/01/2013 or the date of his retirement again restricting it to the special category of Civil Servant which is against the concept of "equality before the law" and equal protection of law as enunciated under Article 4,8 and 25 of the Constitution of Islamic Republic of Pakistan, 1973. The Honourable Peshawar High Court Peshawar vide their short order dated 24/02/2015 stated that this is involves terms and condition of service; hence under Article 212 of the Constitution of Islamic Republic of Pakistan; this matter may be put before the Service Tribunal of Khyber Pakhtunkhwa Peshawar. Copy of the judgment enclosed.

In light of the foregoing, it is therefore, requested to take up the case with Competent Forum, so that my case may also be decided on the said analogy and I am not compelled to go into appeal before any court of law.

Report of the High Level Committee

Subject: Judgment/Directions of Peshawar High Court Peshawar in Connection with Writ petition Filed by Certain Employees of Attached Department for Allowing Special Allowance And utility Allowance On The Analogy of Secretariat Employees.

Constituted in furtherance of Judgment and Order of Peshawar High Court in W.P. 87 of 2010 and other Petitions dated 26.05.2011 in respect of Special Allowance and Utility Allowance claimed by various employees of different attached Departments

1. A high level Committee comprising of BS-21 and BS-20 Senior Government functionaries was constituted under the Chairmanship of Additional Chief Secretary (BS - 22) and accordingly notified vide Notification No. FD(SOSR-II)8-7/2011 dated 02/07/2011 (Annex-A) in terms of the aforesaid Judgment and Order of a worthy Divisional Bench of Peshawar High Court dated 26.05.2011 where a period of Six months was fixed (Annex-B) with following terms of reference:

- (i) The Committee will examine the difference between the duties and functions of those Government employees who have been granted Special Allowance @ 20% and Utility Allowance @ 10% of the basic pay and those who have not been extended these facilities.
- (ii) The Committee will finalize its report/recommendations within three months period, commencing from the date of issuance of this Notification.

2. The Committee, after its constitution and notification, convened its meeting on 11.07.2011 and deliberated the matter referred thereto thoroughly in light of the Judgment of the Peshawar High Court. Proceedings of the meeting were duly minuted (Annex-C) and it was decided in larger interest of justice and fair play to co-opt a few more high level officials from the attached departments. It was also decided that the Committee may also require different attached Departments to provide them with the respective roster of duties, job

167/113

descriptions and details of working hours of employees working therein for comparison with those who are the beneficiaries of the two Allowances. Committee also directed Secretary Finance to apprise Committee about status of different allowances, being given to various groups, cadres or categories of Government Servants. Chair also asked the Establishment Department to analyze and monitor trends of retention and posting out of employees from Secretariat. The Governor Secretariat and Chief Minister Secretariat, being the recipients of the two Allowances alongside Civil Secretariat Employees were also requested to apprise the Committee in writing about their roles and longer working hours, if any.

3. After co-opting a number of senior functionaries from different Attached Departments (List Annex-D) and receiving required information from various quarters, Committee accordingly reconvened its proceedings on 15.11.2011. A marathon session of meticulous consideration of the material gathered so far and protracted deliberations/consultations ensued.

4. The Committee, before proceeding further, unanimously acknowledged the legal position that it is a well-established prerogative of the "Executive" to incentivize any given set of its employees by way of special pay/allowances, if such preference is based on intelligent differentia and is arising out of a situation where either (a) the employees are tasked with specially arduous nature of duties or (b) where there are specific additions to work or responsibilities of a group or class of employees. Committee is also cognizant of Rule 9(25) of the Fundamental Rules, which fortifies this preposition, while defining the "Special Pay". The concept finds further strength when seen in context of the provisions related to "Compensatory Allowances", so dealt with under Rule 44 of the Fundamental Rules read with Rule 17 of the Subsidiary Rules. While taking stock of different notifications dealing with different allowances, admissible to various classes or

categories of government servants, as compiled by the Finance Department, the Committee is of the considered opinion that Governments of the day have been incentivizing different cadres or categories of Government functionaries by way of allowance for a variety of reasons such as (a) to promote a particular discipline of knowledge, (b) to boost morale of its employees in different exacting positions, (c) to ensure improvements in quality of work, (d) to create attraction for incumbency in different less advantageous positions, (e) to promote higher education, (f) to promote various best practices and to discourage corruption, (g) to improve governance and (h) to compensate employees with arduous duties or extended responsibilities etc. The Committee took into consideration a whole bunch of different allowance(s) granting notifications (Annex - E) with assistance of the Finance Department to judge the intrinsic rational of these notifications. After examining these Notifications and various judgments of the Superior Judiciary, cited in the Peshawar High Court's Judgment, the Committee finds its view reaffirmed that it is within the powers of the Government to provide additional monetary benefits by way of special pays or allowances to any given set of employees in preference and exclusion to others, if any of the afore-listed considerations are attracted to the circumstances of such preferred employees.

5. The Committee, after examining the general rationale for allowances, examined the parameters of Special and Utility Allowances, granted to the employees of three Secretariats in preference to employees of the attached Departments. It was also brought to the notice of the Committee that while Committee was seized with instant deliberations, the Provincial Government has modified the regime of Allowances and rather than two separate allowances, have since been notified as grant of a "Special Allowance" @ 30% of basic pay to the employees working at Civil Secretariat, Governor's Secretariat and C.M. Secretariat with some added rationalizations vide Notification No. FD(SOSR-II)8-7/2011 dated 27-04-2011 (Annex-E). While examining the job descriptions

provided by various Secretariat Departments and the Attached Departments, the Committee find itself in agreement with the comments of the Establishment Department which advocate a clear distinction between the statutory role of a "Department" vis-à-vis an "Attached Department" based on the definition provided in Rule 2(h) of the Khyber Pakhtunkhwa Rules of Business, 1985, defining a "Department" to mean a self-contained administrative unit in the Secretariat, responsible for the conduct of business of Government in a distinct and specified sphere and declared as such by the Government (underlining added for emphasis). While read with Rule 5 of the Rules of Business *ibid*, framing of the policy is the responsibility of the Minister Incharge and it is the responsibility of the Secretary of the Department to assist the Minister in formulation of the policy and its implementation, whereas the attached departments are tasked to implement the law and policies so made and duly sanctioned by the provincial government. With this discussion at hind sight, the Committee finds itself in unison with Establishment Department, who has categorized different levels of governance, reproduced hereunder for facility of reference and to acknowledge their significance to the instant discussion:

a. Strategic level: i.e. Cabinet. Being collectively responsible to Provincial Legislature, all vital policies of administrative, economic and strategic significance emanate from the Cabinet decisions as well as directive of Governor and Chief Minister.

b. Tactical level:

Secretariat: Since Chief Secretary, Khyber Pakhtunkhwa and Administrative Secretaries are responsible to Cabinet and their respective Departments to them, thus indirectly responsible to the Cabinet as well, the Secretariat of the Provincial Government provides policy and strategic input to the Cabinet. Therefore all policies originate from the Secretariat. For this purpose, all the

177

research work and other application of mental faculties at the higher level is done at the secretariat which calls for painstaking effort to ensure quality and quantity of work.

c. Implementation level:

Attached Departments: Policies framed in the Secretariat are passed on to Attached Departments in the shape of "ready-made" protocols of action or tools for implementation, with no direct responsibility to the Cabinet.

6. While juxtaposing and weighing the duties for finding semblances and similarities in functions and responsibilities of those provided with the Allowances and those, for whom such benefits does not stand extended, this Committee could not lightly brush aside the fact that three "Secretariats" being the policy pinnacles of the Government, serve as nerve center for tactical decision making for the "Executive". With Secretaries along with their Departments (Comprising of Secretariat staff) remaining responsible to their Ministers, who collectively as cabinet in their turn is responsible to legislature, there is necessitated a profound sense of accountability in the employees working in the Secretariat, making the Secretariat positions more exacting and directly responsible. While the nomenclature of the posts in different "Departments" of the Secretariat may sound semantically akin to those in the "Attached Departments", this Committee clearly sees merits in the rationale that the Secretariat Positions, as envisaged in the Rules of Business are arduously demanding in terms of responsibilities as they require more fastidious and painstaking observance of different affairs, direct answerability, pedantic protocols and excruciating decision making with minimal liaison with public. Another very important aspect, that came time and again, to the notice of this Committee, was the fact that in all the three Secretariats, because of closer

130/74

The beneficiaries of the two allowances are not more than three thousands who are rightfully receiving these benefits against given positions whereas if extended across the board to hundreds of thousands of employees, the benefits will have financial implications worth Billions of rupees annually with recurring liability. A hefty portion of the Budget (almost Rs. 86 Billion per annum) goes to salaries alone making this non-developmental expenditure already unpearable. Any further increase towards universal application of allowances will prod the Provincial Government to a state of quandary, with no wherewithal to meet even its day to day expenditures, leaving absolutely no room for development at all. Even otherwise, concept of special pay necessitate payment against arduous or additional responsibilities and thus a backbreaking payment without attending circumstances will make the same, absolutely without any plausible rational or justification.

10. This Committee, after examining all the relevant material and bearing in mind all the attending circumstances, facts and figures and especially after making thorough analysis of two different categories of employees (ones, who are receiving these benefits and the ones, who are not), finds them placed differently in different circumstances. This Committee, is therefore of the considered opinion, that it was within the prerogative of the Provincial Government to incentivize more exacting and arduous secretariat positions to ensure retention of better officers and employees at the tactical secretariat level. The employees at the Secretariat perform functions and duties which are more demanding and burdensome with responsibilities with heavier accountability vis-à-vis those serving in attached Departments. Different job positions at Secretariat thus require special benefits to make them more attractive and thus retain functionaries at these positions. This Committee therefore holds that there exists clear distinction between the duties and functions of those who have been granted allowances and those who have been excluded and thus employees

175
119

unceasing responsibilities to assist political bosses even during odd or beyond usual working hours and because of enhanced quantum of work, are ordered to sit much beyond usual working hours. These extended accountability and arduous aspect of serving at secretariat positions, if not made little more rewarding, would make these position far less attractive thus would make retention of good officers at these policy echelons extremely difficult. In comparison to these arduous conditions, the employees posted in smaller and more dependently attached departments and semi-autonomous wings are performing limited functions in far less-demanding environs thus treating the two distinct classes similarly would serve injustice rather than justice.

8. While respecting the point of views of different co-opted members from the attached Departments favoring a similar treatment for their subordinates too, the Committee also remained cognizant of the fact that despite these two paltry percentile based allowances, the positions at Secretariat with no direct public liaison are generally conceived as more taxing and grueling by the government functionaries and they try to opt for positions outside three secretariats. Establishment Department confirmed that a large number of officers posted at different Secretariat positions have either shown tendencies or expressed desires to post themselves out to different less demanding administrative positions outside secretariats. In such circumstances, giving no added benefits for secretariat postings will render the Secretariat virtually empty and devoid of good officers at important tactical positions.

9. It may also be added that the Committee was requested by different Head of Attached Departments to consider favorably for the attached Department employees and extend similar benefits to them too on compassionate grounds alone, if not otherwise admissible, but it may be worth considering that presently

proximity to the strategic level of governance and because of direct liaison with actual decision makers i.e. the Governor, Chief Minister and the Ministers Incharge of various line ministries, the employees are required to observe relatively longer working hours, as more often than not, they are required to remain available on their positions beyond normal duty hours. In fact, the comments furnished by the Governor and Chief Minister Secretariats respectively, it has been reported that late sittings till evening is a matter of routine in the two Secretariats because of day long engagements and extended working hours of the worthy Governor and Chief Minister respectively. The Committee was provided with a number of Notifications and Intra Office Memos of various Departments in the Civil Secretariat as well, where the staff working in different Departments has been instructed to stay and remain available till the sitting of the Minister, till the session of the Provincial Assembly (which usually go till late in the evening) or during days of Provincial Budget, preparation of ADP or in the matter of different other emergencies, burdening the employees posted at Civil Secretariat every now and then with additional duties and extended working hours as matter of routine. While being fully appreciative of the dedication of employees at attached Departments as well, this Committee has observed that the practice of late sittings or extended working hours is virtually inexistent at the attached Departments as they perform their implementation responsibilities, mostly within the normal office hours. No attached Department, in its comments provided to this Committee, has claimed any additional workload on account of longer working hours, whereas the practice of late sitting is a regular feature when one works at any of the three Secretariats. While making a fair estimate of the workload based on discussions with co-opted members and observing the pattern of tasking, this Committee feels that employees working at three Secretariats are required to perform different secretariat responsibilities over any given period of one month which are at least 25% to 30% more burdensome when compared to those who work in different

(11) 172

attached Departments or field formations with similar nomenclatures. Just to narrate an example, any of the Stenographers/Steno-typists, attached with administrative Secretaries have usually 40 to 50 documents per day to compose, while those at the attached Departments are usually tasked to compose 25 to 30 pages per day on a busy working day. Similarly record keeping and handling of files, maintaining DAK registers and correspondence and other secretariat support at Secretariat level is more painstaking and onerous on any given day, when compared with these activities at the implementation level attached Departments. Another important aspect that came under consideration of the Committee was that at attached Departments, as explained at some length above, are positions, primarily related to field duties or on-ground implementation activities whereas at Secretariat there are no parallel positions, so in essence, nature of responsibilities of the two groups are not alike or similar at all, as far as these implementation level positions are concerned such as in Directorates or field offices. Employees in such positions, although have been, petitioners in many of the Writ Petitions seeking two allowances, but have no comparison at all with those working at Secretariats and cannot be regarded as "placed in similar conditions".

7. After a thorough examination of list of responsibilities of different Secretariat positions, so listed in Khyber Pakhtunkhwa Manual of Secretariat Instructions, 2008 and comparing them with job descriptions of positions at different attached Departments, and especially taking into account the prevalent practices in different departments and their respective attached Departments, this Committee has observed that while working in support of Governor, Chief Minister and the Cabinet, the three Secretariat employees are mostly required to perform activities that need painstaking research, punctilious observation of codal formalities and comparatively more hard work to ensure quality and quantity of work. More often than not, employees at Secretariats, due to their

(12) 17

working at the attached Departments are not entitled for such special and utility allowances. Before parting with this determination, the Committee however recommends that in case, any particular attached wing or field formation still feels that it has similar conditions of work, akin to that of Secretariat with similarly demanding accountability and longer working hours and matching workload, it may send its case separately to the Finance Department, with all supporting material and evidence through proper channel for consideration, purely on merit for grant of such special pay/allowance. This Committee expresses its gratitude to all concerned for supporting and assisting this Committee to arrive at an informed and just determination.
