Appeal No. 790/2014
Mr. Waqas Ali

08.08.2014

Appellant with counsel present and heard. The learned counsel for the appellant, inter alia, contended that having been validly appointed and having served the respondent department for 5 years and after successful completion of probation period, and being confirmed in service, the appellant alongwith other 33 civil servants was served with a joint show cause notice containing the charge of his irregular appointment owing to non-compliance with the provisions of rules applicable to appointment in Government service; and was eventually terminated from service vide order dated 14.02.2014 by the Chief Engineer (South), Public Health Engineering Department, Khyber Pakhtunkhwa Peshawar. The learned counsel argued that not only the order of termination was illegal as it was not specified therein as to under what provision of law/rules the authority could resort to the penalty of 'termination' as there is no provision of 'termination' in the disciplinary laws, neither the appellant could be made to suffer for fault/irregularity, if any, on the part of the respondent-department. The learned counsel maintained that in most of the cases the competent authority was Chief Engineer (North), therefore, the Chief Engineer (South) had no authority to impose the impugned penalty on the appellant. The learned counsel concluded that the so-called authority himself made a statement before the august Supreme Court of Pakistan and then made order of the Supreme Court basis for the impugned action against the appellant while incorrectly interpreting and applying the general order with regard to illegal appointments in the respondent-department as a basis for the impugned order. The learned counsel for the appellant pointed out that a similar nature appeal titled Mr. Farhan Ullah vs Government of Khyber Pakhtunkhwa (Service Appeal No.665/2014) has already been admitted for regular hearing and fixed before the Final Bench-I for further proceedings on 13.10.2014. The points raised at the Bar need consideration. Admit. Subject to all legal objections. The appellant is directed to deposit the security amount and process fee within 10 days. Thereafter, notices be issued to the respondents for submission of written reply/comments before the Final Bench-I alongwith connected appeals on 13.10.2014.

Subject:- **SHOW CAUSE NOTICE.**

Ref: - Your No.32/E-4/PHE dated 21.01.2014 received by me on 10/2/2014 which *Received on 4-2-2014* shows that the same has un-lawfully and malafidely been issued by you in the back date.

It is submitted that I am working in PHE Division Haripoor as Sub Engineer and is only under the controlling authority of the worthy Chief Engineer (North) PHED as competent authority. Therefore, the Show Casuse Notice issued to me under your signature on that reason too as un-authorized and un-lawful. However, Para wise explanation is submitted as under: -

1. In this connection your attention is invited to E.AD letter No.SOS-Pool(E&AD)/1-10/2002 dated 08/04/2006 declaring the posts in B-1 to B-15 in W&S Department (i.e C&W and PHE) as District Cadre posts and outside the purview of P.S.C. Therefore W&S Department as directed neither to place any such requisition before the P.S.C nor the P.S.C was required to advertise such posts (Annexure-I). The E&A Department, vide letter No.SOR-V(E&AD)/1-368/2005/(SE) dated 02/05/2007 addressed to P.S.C and copy there of endorsed to Secretary W&S Department, further stated that the requisition made by the W&S Department, for the filling in the vacant posts may be considered as withdrawn (Annexure-II). In the circumstances, the recommendation of P.S.C for appointment against such posts, were uncalled for.
2. My appointment against the post was made by the Competent Authority as I having the prescribed qualifications for the same. Hence there involve no contravention to Govt: Policy.
3. As explained in the above Para's, it was not be purview of P.S.C to make recommendation against their Posts, therefore there was no need of N.O.C etc: from them. From the above letters it reveals that requisition for the vacant posts was made, but the same was withdrawn by the E&A Department. Therefore, the Secretary W&S Department vide his Notification No.E&A/W&S/11-23/2001. dated 30.04.2008 assigned assignee all the Establishment matters of officials from BPS-1 to BPS-15 to the respective Chief Engineer of the C&W and PHE Wings of W&S Department (Annexure-III). Therefore, his approval/sanction for appointment against such posts was not required. Moreover my appointment was made-by the competent authority through DSC.
4. As a candidate and junior employee of the Department, I do no know about any violation of codal formalities in the process of appointment. However, if there is some lapse in procedure, that is supposed to be tackled by the concerned hands with the competent forum for rectification/regularization, rather to proceed against me without any fault of mine at this belated stage/time where I have spent the useful part of my life of about years and have since crossed/near to cross the upper age limit of 30 year and have been overaged. It is added that I am not party in the case of Mashtaq Ahmad & Other C.P No.2026/13 & Muhammad Nisar Ali & other CP No.2029/13, therefore the decision of the Honourable Supreme Court of Pakistan dated 15.01.2014 is not applicable upon me. In view of above explanation, it is very humbly prayed that the charges may be dropped.
5. The Govt: of Khyber Pakhtunkhwa.Finance Department (Regulation wing) vide notification No.SOSR-III/FD/12-1/2005 dated 27/02/2013 that the under said act all civil servant appointed to a service are post on or after 1st july 2001 shall be deemed to have been appointed on regular basis and will be eligible for pension (Copy attached).

Thanking you.

natural justice.

2. Briefly, the facts as per contents of instant petition are that the petitioners were appointed as sub-Engineers (BPS-11) in Public Health Engineer Department, Government of Khyber Pukhtunkhwa, Peshawar. While hearing Civil Petitions No.2016/2013 and No.2029/2013, the August Supreme Court of Pakistan take notice of illegal appointments in the petitioners Department, directed the Chief Engineer of the Department to finalize the action against illegal appointees. For convenience, it would be appropriate to reproduce the relevant para of Judgment dated 15.01.2014 of August Apex Court, which is as under:-

"So far as some other illegalities in the appointments brought to our notice is concerned, in response to our earlier order dated 09.01.2014, Mr. Sikandar Khan, chief Engineer, Public Health engineering, Department, KPK is present in Court, he states that although many other illegal appointees in his department have been removed from service, but against many others such action is in process at various stages and they are still in service.

In view of the above statement, he is directed to finalize the action against such illegal appointees within one month from today and submit his report through Registrar of this Court. In case, he faces any difficulty in this regard, those difficulties may also be brought to our notice so that appropriate orders may be passed".

In pursuance thereof show cause notices were issued and ultimately through impugned order dated 18.02.2014 the services of petitioners were terminated.

3. At the very outset the learned counsel for the petitioners was confronted with the legal position with respect to the fact that the petitioners, who claims themselves to be civil servants under Civil Servant Act 1973, whether their termination orders does not come within ambit of terms and condition of service, and whether the petition is maintainable under barring Provision of Article 212 of the Constitution, 1973? There was no plausible explanation in this regard. The Provision of Article 199 of the Constitution through which the remedies are sought by the petitioners are subject to the Provision of Article 212(3) of the Constitution. It is

well settled by now that even illegal orders, or order without jurisdiction, regarding Civil Servant, can only be challenged in the proper forum established under the law.

4. Admittedly termination orders of the petitioners related to terms and condition of their services, therefore, Constitutional petition under Article 199 is not maintainable by virtue of article 212 of the Constitution and Section 4 of Service Tribunal Act 1973.

In view of what has been observed above, this petitioner is dismissed being not entertainable, however petitioners are at liberty to seek their remedies before proper forum if so advised.

For the Respondents: N.R.

Date of Hearing: 28.04.2014

ORDER

TASSADUQ HUSSAIN JILLANI, C.J. Petitioners are civil servants and they challenged the order terminating their services in a Constitution petition which stands dismissed vide the impugned order mainly on the ground that the said petition was not maintainable in view of Article 212 of the Constitution read with Section 4 of the Service Tribunal Act, 1973. The only ground being taken by the learned High Court to invoke Article 199 of the Constitution is that the competent authority in the department had passed the order of termination of petitioners' services pursuant to a judgment of this Court and the learned Service Tribunal may be diffident to decide the case independently and in accordance with law.

27. We are afraid, the apprehension of the petitioners is misconceived. In the event of filing the appeal, the Service Tribunal shall decide the appeal as mandated in law. Disposed of in terms noted above. *1/14*

BRIEF HISTORY

A writ petition bearing No W.P 271-P/2013 was filed by Mr. Mushtaq Ahmad, etc, for extending benefits of regularization, before the Peshawar High Court order, Peshawar and the same was declined by the Peshawar High Court, (Copy of the judgment dated 2.10.2013 is annexed as Annexure-A). The said petitioners then moved a Civil Petition No 2026 and 2029 of 2013 before the August Supreme Court of Pakistan. Though the August Supreme Court of Pakistan dismissed the same and directed the department to finalize the action against the illegal appointees within one month. Upon completion of the legal formalities i.e issuance of Show Cause Notice etc, the action was taken against the appellant.

ON THE FACTS.

1-4). Denied as drafted as one wrong or any number of wrongs cannot be made bases to justify an illegal action. The post of Sub Engineer BPS-11 comes in the purview of Public Service Commission according to the Public Service Commission Ordinance and ESTA Code, (Copy of the Public Service Commission Ordinance and the concerned rules of the ESTA Code and advice of Establishment Department dated 17/03/2014 is attached as annexure B, C & D), therefore, the then Chief Engineer was not competent to appoint the Appellant. This was the reason that the name of the appellant was never included in the Seniority list of Sub Engineers and the same was never challenged by the appellant. (Copy of the Seniority list are annexed as Annexure-E

Upon the direction of the August Supreme Court and on completion of legal formalities, the appellant was removed from service. It is pertinent to mention that the department had already initiated proceedings against the then Chief Engineer and other DSC members (Copy of letters in this respect are attached as Annexure-F).

5). Incorrect. The appellant failed to produce recommendation letter issue by Public Service Commission regarding his selection for the

post of Sub Engineer and also failed to produce sanction accorded by the competent authority regarding condonation of violation of codal formalities in his appointment. Therefore his reply was not considered.

- 6) Incorrect. The Apex court directed for finalizing action against all such illegal appointees on 15.1.2014 (Annexure-G). As the appellant was illegally appointed therefore he was terminated from service. There was no weightage in his appeal.
- 7). Pertains to court record, hence needs no comments.
- 8). The appelland has got not cause of action to file instant appeal and his appeal is liable to be dismissed.

G R O U N D S

- A). Incorrect. The appellant was illegally appointed without fulfillment of requisite codal formalities. He was terminated because he was illegally appointed. There was no weightage in his representation.
- B). Incorrect. Sufficient time was given in show cause notice to the appellant but he failed to produce any document in his defence. As he was not appointed on the recommendation of Public Service Commission. Therefore his name was not included in the seniority list of Sub Engineers and does not fall in the category of civil servant. Therefore E&D rules are not applicable in this case.
- C). Incorrect. The case of illegal appointment of Sub Engineers and others was forwarded to Establishment Department for advice. Establishment Department extended advice and declared their appointment illegal. The action against illegal appointees had to

finalize with in one month on the direction of Apex Court. E&D rules are not applicable in present case.

- D). *Incorrect. Sufficient time was given in the show cause notice to the appellant to produce documentary proof regarding advertisement of the vacancies, written test interview and selection criteria. The appellant failed to produce any valid document to justify his appointment.*
- E). *Incorrect. The appellant was appointed without fulfillment of requisite codal formalities and without recommendation of Public Service Commission. Therefore the appellant was terminated in order to appoint nominee of Public Service Commission in his place.*
- F). *Incorrect. The posts in BPS-1 to 15 were declared as district cadre posts, the then Chief Engineer, the provincial head of Public Health Engg: Department had wrongly exercised his powers to make recruitment of appellant against District cadre posts. Recruitment of District cadre posts fall in the purview of District Coordination Officer. According to ESTA Code and Public Service Commission Ordinance the post of Sub Engineer shall be filled on the recommendation of Public Service Commission.*
- G). *Incorrect. Nomination of Public Service Commission is prerequisite for appointment as Sub Engineer in Public Health Engg: Department. The appellant was appointed without recommendation of Public Service Commission which is against standing recruitment policy of Khyber Pakhtunkhwa.*
- H). *Incorrect. The Notification issued by Secretary Works & Service Department dated 30.4.2008 as referred by the appellant is related*

only for posting/transference of officials from BPS-1 to 16 and not for recruitment (Annexure-H)

- I). *Incorrect. The appellant is responsible for not appearing in test and interview conducted by Public Service Commission for the post of Sub Engineers in 2011 and 2012, advertised on 7.4.2011 (Annexure-I). Therefore judgement of Apex Court pertained to petty employees like Chowkidar, Naib Qasid and Junior Clerk. This judgement is not applicable on the posts to be filled through the recommendation of Public Service Commission.*

The termination Order of the appellant is consistent with the Judgement of Supreme Court of Pakistan dated 17.3.2014 in constitution petition No 6 of 2011 CMA 5216 of 2012 Syed Mubashir Raza Jaffari verses EOBI (Annexure-J).

- j). *The respondent seek leave of this Honourable Tribunal to raise additional grounds and proof at the time of arguments.*

In this case article 25 of the constitution has been violated by not giving equal right of opportunity to the citizen of the Khyber Pakhtunkhwa and FATA having the requisite Qualification zonal allocation formula has been violated. Appointment of the appellant is without lawful authority and of no legal effect. It is therefore humbly prayed that in view of the above written reply, the appeal of the appellants may kindly be dismissed with cost.

On direction of Apex court Supreme Court of Pakistan on 15.1.2014 to finalize action against the illegally appointees. Accordingly the appellant was terminated after fulfillment of all codal formalities. There is no weightage in his appeal as the appellant was illegally appointed by violating all codal formalities. If this Hon,able Tribunal restrained the respondent from filling the post the public at huge will suffer inoperable loss.
5. The appellant terminated upon the direction of Supreme Court of Pakistan as he was appointed by unlawful authority without advertisement, test, interview and recommendation of Public Service Commission which is pre-requisite for filling of post from BPS-11 and above. The appellant also failed to qualify test interview conducted in 2011-12 by the Public Service commission for filling of post of Sub Engineers. the adhoc/contract employees of the Province were regularized, however, the same benefit was not extended to the petitioners. Moreover, services of some six Sub-Engineers have been regularized after appointment of the petitioners. The petitioners preferred an application/appeal to the competent authority as well as to the Human Rights Cell of this court. In this respect, a letter dated 21.12.2013 was addressed to Human Rights Cell by the respondents, wherein, it was stated that Sub-Engineers, namely, Sher Hayat and Mushtaq Ahmad, who were 38 and 39 years old, respectively and were debarred from future employment in any institution of the Provincial/Federal Government for the reasons beyond their control. Nevertheless, handsome share of posts of Sub-Engineers were lying in the department and as a gesture of good will, the petitioners can be accommodated on regular basis. According to the petitioners, they waited for some time but did not receive any fruitful result from the respondents whereas their tenure is going to expire, hence necessitated the filing of instant constitutional petitions.

3. Learned counsel for petitioners contends that the respondents have acted mala fide by regularizing the services of other employees similarly placed, who were appointed after the petitioners but the same benefit has been

He was of the view that the petitioners and their families will stand in long line of jobless people and would face hardship, if not regularized. He maintained that the act of respondents is in violation of judgments of superior courts rendered in various cases. Further contended that the petitioners have become overage for appointment in any institution of the Provincial/Federal Government, which fact is beyond their control and if not regularized will spoil their future. Also contended that there are vacant posts available against which the petitioners can be accommodated. According to the learned counsel, the impugned act of respondents is in violation of Article 25 (2) of the Constitution, therefore, they be directed to regularize the services of the petitioners like other similarly placed employees.

4. Learned AAG controverted the arguments from other side and straight away referred to the advertisement dated 23rd April 2010 against which no petitioners were appointed as Sub-Engineer, wherein it was clearly mentioned that the term of appointment would be on adhoc basis for one year or till the arrival of the recommendees of the Public Service Commission or whichever is earlier. Judgment

Anwar Zaheer Jamali, J - On 2.2.2011, the petitioners brought Constitution Petition No.6 of 2011, under Article 184(3) of the Constitution of Islamic Republic of Pakistan 1973 ("the Constitution"), for agitating their two fold grievances against the Employees Old Age Benefit Institution ("EOBI"), a body established under the Employees Old Age Benefit Act XIV of 1976 ("the Act 1976"), and its management, arraying EOBI, the Federation of Pakistan through Ministry of Labour and Manpower, M/s Zafar Iqbal Gondal, Chairman, EOBI, Mushtaq Samoo, Director, EOBI/Secretary Board of Trustees, Kanwar Waheed Khursheed, Director General

(Investment)/Convener of Selection Committee-2, Muhammad Hanif, Officiating Director General/ Convener of Selection Committee-I and Mirza Imtiaz Ahmed, Acting Director General (Finance & Accounts), Convener of Selection Committee-3, as respondents. The averments made in the petition reveal that the first grievance of the petitioners is regarding appointment of more than 213 persons in BPS-16 to BPS-20, as detailed in the petition, in a patently illegal manner on the basis of political influence, nepotism and cronyism, under the chairmanship of respondent No.3 (Zafar Iqbal Gondal), in league with respondents No.4 to 7, while the other grievance is as regards large scale financial corruption and mismanagement of funds of the EOBI, as detailed in the petition. Based on such allegations, reliefs prayed for in the petition read as under:-

- i) Declare that all the impugned appointments made in the Respondent No.1/EOBI are unlawful, illegal and void ab initio and in violation of prescribed recruitment procedure/ operating manual.
- ii) Declare that EOB Fund cannot be utilized or invested in contravention and violation of EOB Act 1976 and EOB (Investment) Rules, 1979.
- iii) Declare that any amount utilized in corrupt practices by the EOBI Management/Respondents and others are without lawful authority and the same may be recovered from the Respondents.
- iv) Direct that the respondents that any Fund invested against the spirit of EOB Act 1976 and EOB (Investment) Rules 1979 shall be disinvested.

- v) Grant any other relief which as deemed appropriate, just and proper by this Hon'ble Court in very circumstances of the case."

2. Since thereafter, during the proceedings of this petition, several orders of interim nature have been passed by the Court, primarily, to find out the substance of these allegations against the respondents, whereupon several miscellaneous applications/concise statements/replies and documents have been submitted and brought on record by the respondents in an attempt to justify such appointments and to explain their position as regards mismanagement of funds of the EOBI. In addition to it, in response to our order dated 12.9.2013, directing publication of general notice regarding the present proceedings in some newspapers of wide circulation from Islamabad and Karachi, for information of the appointees of EOBI whose appointments have been challenged or who are likely to be affected with the outcome of these proceedings, many miscellaneous applications for impleadment as party to these proceedings have been received from various groups/individuals, who, according to their claim are such appointees or are likely to be affected from any final outcome of these proceedings, which have been entertained and allowed.

3. Another human rights case on the same subject and relating to similar grievances, bearing No.48012-P of 2010, which is based on the complaint dated 30.9.2010, made by

one Tajamul Hussain has also been tagged with this petition, in terms of order dated 20.4.2011, which has thus proceeded along with this petition. In the said human rights case, inter alia, illegal appointments allegedly made in EOBI have been brought to the Court's notice and challenged on the basis of facts detailed in the said complaint.

4. It seems that while proceedings in these two cases were sub-judice before the Court, with reference to a programme aired through some T.V. channel on 27.6.2013, titled as "corruption scandal of more than forty billion rupees in the EOBI" on 29.6.2013, a detailed note was submitted by the Registrar of the Court before the Honourable Chief Justice of Pakistan, unfolding therein the attributions of the participants of the said programme against EOBI with specific reference to the (i) purchase of plots in DHA, (ii) purchase of Crown Plaza in F-7 Markaz, Islamabad, (iii) purchase of two controversial plots in Sukkur, (iv) development of cricket ground in Islamabad, (v) purchase of several plots from CDA, (vi) purchase of forty kanals sixteen marlas land in Lahore, (vii) purchase of four floors of plaza/hotel in Lahore, (viii) construction of seven star hotel in front of Lahore Airport, (ix) construction of M-9 motorway by EOBI, (x) purchase of twenty acres land near Karachi Airport in billions and (xi) purchase of two 4300 cc parado jeeps for personal use of the Chairman, EOBI. Taking notice of such allegations contained in the note

of the Registrar, per order of the Honourable Chief Justice dated 29.6.2013, it was converted into Constitution Petition No.35 of 2013, which is now separately proceeding to probe into the allegations of financial corruption and misuse of funds allegedly made in the EOBI by its management and other high ranking Government officials involved in the said scam. Since the issue of financial corruption and misuse of funds etc. in EOBI has now been taken up separately in the said Constitution petition of which this Court is seized, and proceedings are pending, we deem it appropriate to proceed further and adjudicate the present petition alongwith HRC No.48012-P of 2010 and CMA No.5216 of 2012, only to the extent of the case of the petitioners/complainant regarding illegal appointments in EOBI, leaving the other aspects relating to the financial corruption, misuse of funds and mismanagement etc. in EOBI to be exclusively dealt with in other Constitution petition No.35 of 2013.

5. Reverting to the facts and the grounds stated in Constitution Petition No.6 of 2011 and HRC No.48012-P of 2010 in this context and for their proper understanding, it will be useful to summarize the same as under:

6. The petitioners in Constitutional Petition No.6/2011 have called in question the manner in which more than 213 appointments were made in EOBI (which is said to form almost 40% of the total strength of its Officer cadre)

34

alleging that as such appointments were made in flagrant violation of the prescribed recruitment procedure set out, *inter alia*, in Clause No. 02.05.2 of the EOBI Operating Manual Chapter 2, they are therefore unlawful, illegal and liable to be set aside.

7. It has been contended that in April 2009, EOBI advertised vacancies inviting applications to fill a large number of posts from grades 16 to 20 against which 23648 applications were received and from which suitable applicants were to be shortlisted. It was alleged that even before commencement of the normal recruitment procedure, appointments against 132 vacancies were already finalized and made on the basis of political pressure, nepotism and cronyism, while some other persons managed their appointments on deputation basis against regular posts for which vacancies had already been advertised. Many of whom were later absorbed as Regular Officers in violation of the quota earmarked for different provinces, they did not belong to. The petitioners have also submitted that some lists of names were sent by the Personal Secretary to the Federal Minister of Labour and Manpower, which were then forwarded to the then Deputy Director General (HRD) Javed Iqbal and these persons were later appointed in Grade 16 and above, as opposed to those individuals who had applied through the advertisement. Moreover, as per the regulations, shortlisted candidates were

to be called for a written test on the basis of the requirement of Operating Manual as well as the resolutions passed by the Board of Trustees, but this procedure was completely ignored. The petitioners have been further aggrieved by the purported act of the respondents for allegedly issuing back-dated appointment letters to various handpicked persons in order to avoid being in contempt of an interim order of the Peshawar High Court passed in Writ Petition No. 209/2010 whereby the respondents were restrained from issuing any appointment letters till the disposal of the said petition.

8. The petitioners in this case have further raised their finger towards the manner in which appointments were fast-tracked; the committees established to interview applicants concluded their interviews on 1st June 2010 and appointment letters were issued on 2nd June 2010, indicating that the committee's recommendations were approved by Respondent No. 3 within one day, after which appointment letters were sent to all within the span of one working day. The petitioners have also been aggrieved by the fact that these unlawful appointees did not provide any documents proving their educational qualifications etc. that had to be attached with each candidate's application, subject to verification by the HEC. Indeed, there were apparently many appointees who claimed to have completed their education in 2010, whereas

the selection process called for all applications that fitted the requisite educational criteria in the year 2009.

9. In Human Rights Case No. 48012/P-2010, nearly identical allegations regarding irregular appointments have been levelled against the respondents (EOBI). It has been forcefully alleged that the recruitments were made in a *mala-fide* manner whereby those individuals who had links with politically influential persons within the then ruling PPP government were appointed. The petitioner reiterated and drew court's attention towards the fact that all posts had been filled without completion of the requirement of written tests which is against the EOBI recruitment procedure. Moreover, the then Chairman EOBI, Mr. Zafar Iqbal Gondal, was also accused of making a large number of appointments from the elected constituencies of his elder brother, Mr. Nazar Muhammad Gondal, former Federal Minister of Food and Agriculture, District Mandi Bahauddin and Mr. Nadeem Afzal Chann, MNA (NA 64 Sargodha) sitting Chairman, PAC, on the basis of nepotism and corruption.

10. In addition to it, another action regarding the purported irregular appointment of Mr. Raja Azeem-ul-Haq Minhas, as Executive Director, World Bank has been challenged through CMA No 5216/2012 in Constitutional Petition No.6/2011. In this regard, notice was taken by the Court after certain news reports highlighting the issues

surrounding his appointment, promotion, deputation etc. It was contended that he did not have the requisite experience or qualifications for the job and was appointed Executive Director in the World Bank due to political pressure as he was son-in-law of the then Prime Minister, Raja Pervez Ashraf at the time of his appointment to the World Bank. A look at his service record reveals that Mr. Minhas was serving as Senior Joint Secretary on a grade 21 post because of out of turn promotions received by him due to his personal affiliations with persons who held high political offices, otherwise he was an officer of the income tax group, working in grade 18 when the PPP government came into power. He left this post and was hired by the EOBI in grade 20 on 2.6.2010 and then went on to hold the Acting Charge of the post of Director General on BS 21 from 15.02.2012 till 23.05.2012, after which he assumed the post of Senior Joint Secretary on deputation basis at the Prime Minister Secretariat. To examine these aspects, on 21.2.2013 notices were ordered to be sent to the Establishment Division, Federation of Pakistan to furnish details regarding his appointment to the World Bank. However, during the course of such proceedings on 6.6.2013 he resigned from the post of Executive Director, World Bank. Nevertheless, his appointment in EOBI pursuant to the aforesaid advertisement or otherwise is to be examined like other cases of appointment in order to

see whether there was any illegality or irregularity attached to it or it was made in a transparent manner on merit criteria.

11. It will be pertinent to mention here that in their detailed reply earlier submitted by respondent No.1, though they conceded to certain material illegalities/irregularities committed in the process of appointments by the management of EOBI, still they attempted to defend and justify these appointments on the pretext that all individuals were appointed on the basis of recruitment procedure laid down in the relevant rules and regulations. However, due to the qualifications of some candidates and urgency in the matter regarding filling up the vacant seats, candidates were only called for interviews, without written test. Such a decision, it was submitted, was not contrary to rule regulation or earlier practice of the EOBI and that it was settled law that a practice followed persistently by a department itself takes the place of a 'rule'. Furthermore, according to the 'Investment Personnel (Contract Appointment) Regulations, 2007 issued by the Board of Trustees u/s 45 of the Act, it allows selection committees to conduct "interviews or tests". Moreover the respondents strongly challenged the maintainability of the petition, protesting that the petitioner had neither pointed towards any fundamental right that was being adversely affected, nor the core requirement of "public interest" was fulfilled as the issue

Pakistan (PLD 2004 S.C. 600). In the 1st case the apex Court dealt with hundreds of petitions of the employees of Sui Southern Company Limited in relation to their service dispute and in that context also considered the question of discrimination on the yardstick of Article 25 of the Constitution and scope of review under Article 188 of the Constitution. As a result the review petitions were allowed and cases were remanded to the Federal Service Tribunal for decision of their dispute afresh. In the 2nd case, broad principles for invoking jurisdiction of the Supreme Court under Article 184(3) of the Constitution were discussed. It was held that it provided an expeditious and inexpensive remedy for protection of fundamental rights from legislative and executive interference, particularly, in a situation when there is no other adequate remedy and that question of public importance with reference to enforcement of fundamental rights was involved. With these observations, the petition under Article 184(3) of the Constitution, challenging the vires of 7th Wage Board Award was held not maintainable, as the said award was only valid to the extent of working journalists and did not affect the public at large qua fundamental right of speech under Article 19 of the Constitution.

14. In the end Mr. Abdul Hafeez Pirzada reiterated his submission that for the sake of smooth functioning of the institution (EOBI) and to save the families of such appointees

from starvation, a lenient view of the matter may be taken as regards the purported irregularities in their appointments. However, those responsible for such illegalities may be separately taken to task in accordance with law.

15. We have given due consideration to the submissions of the learned Sr. ASC, relating to exercise of our jurisdiction under Article 184 (3) of the Constitution, but are in disagreement with him for the reason that the controversy involved in the present petition and connected human rights case is clearly within the domain of public interest litigation qua violation of fundamental rights of citizens at large by a public body (EOBI) in the matter of selection and appointments. In such circumstances, it is the respondent No.1 EOBI, whose affairs are being probed and looked into by the Court and not the individual grievance by or against the appointees, who may be the affectees of the ultimate decision of the Court in these proceedings. As a matter of fact, on 12.9.2013 order for publication of general notice regarding the pendency of these proceedings was passed by this Court in order to afford an opportunity of hearing to the appointees of EOBI, whose appointments are under challenge in these proceedings or who are likely to be affected with the outcome of these proceedings. It was for this reason that office was directed to publish a general notice in few newspapers of wide circulation from Islamabad and Karachi, apprising all such

aside and directions be issued to the management of EOBI for undertaking this exercise afresh in a transparent manner strictly in accordance with the rules and regulations of appointment and on merits.

19. Detailed facts recorded in the preceding paragraphs of this judgment, particularly, with reference to the undisputed documents gain full support from the report of fact finding committee on recruitment/appointments submitted by respondent No.1 before the Court on 28.8.2013. Therefore, before proceeding further it will be useful to reproduce the same as under:-

Report of Fact Finding Committee on Recruitment/Appointment

Recruitments made in the Institution (EOBI) since 2009 are under judicial scrutiny of the Hon'able Supreme Court of Pakistan in constitutional petition No.6 of 2011 and Human Rights Case No.48012-P of 2010.

2. In order to firm-up its position in the matter subjudice before the apex court and to examine the process of recruitment adopted in the Institution during the last three years, the new management of EOBI decided to carry out a fact finding exercise. A Committee comprising of the following officers was constituted to ascertain the facts of the recruitment made by the Institution during these years commencing from January 2009 vide Office Order No.259/2013 dated 25.7.2013 (**Annex-I**). The Committee was required to indicate irregularities/ violation of codal formalities of the prescribed procedure/ process of recruitment.

Mr. Ayaz Ahmed Uqaili DDG, IT has been co-opted as member vide Office Order No.286/2013 dated 26.8.2013.

3. EOBI (Employees' Service) Regulations, 1980 having been framed under Section 45 of EOBI Act, 1976 and notified vide S.R.O. 413(1)/81 of Ministry of Labour, Manpower and Overseas Pakistanis (Labour Division) dated 9th May, 1981 published in the Gazette of Pakistan (Extra ordinary), EOBI Recruitment Procedures framed under Regulations-10 of EOBI (Employees' Service) Regulations, 1980 and relevant provisions of the Operating Manual (clause 02.4.3) approved in 64th meeting of the Board of Trustees held on 09.05.2003 regulate Recruitment in EOBI.

4. History of recruitment in EOBI reveals that whenever appointments to the posts of Executive Officer (Grade-6/BPS-16) & Assistant Director (Grade-07/BPS-17) had been made, written tests of the shortlisted candidates had been done. In 2007 written tests were held to short list the applicants even for the post of Deputy Director (Finance) in view of the large number of applications received for the posts so advertised.

5. From the records maintained in HR Department, EOBI Head Office, Karachi, it was observed that following recruitments had been carried out during the relevant period.

- A. Recruitment of 132 officers in June 2010 as per advertisement of 16.4.2009 (Annex-II)
- B. Recruitment by Absorption of seven (07) deputationist in March 2010 (Annex-III).
- C. Contract Appointment of 238 officials and their subsequent regularization by the Cabinet sub-committee from Sept 2011 to May 2012.

A. Recruitment of 132 Officers:

6. It has been observed that the Institution (EOBI) called for applications through public notice published in leading newspapers on 16.4.2009 to fill up 213 vacant posts of officers and staff. Applications for the advertised posts were called through a Web-Portal specifically hosted for the purpose besides through P.O Box as per convenience of the applicants. **(Annex-II)**.

7. As per record of the IT Department, which was managing the data of applicants, 23,137 applications (officers-19,195), staff-3,942) were received through post and e-mail. 17,979 applications were received by the cut-off date 15.5.2009 by web portal, whereas data entry of 5,158 applications received by post was completed by 14th July, 2009. After necessary filtration, data of 21,236 (officers-17,569 and staff-3,667) (Annex-IV) emerged to be referred as the "Original List" in the report subsequently. Post wise break-up of the applications received is detailed as under:-

i.	Dy. Director General	124
ii.	Director (Ops)	158
iii.	Director (Law)	48
iv.	Dy. Director (Ofc)	157
v.	Dy. Director (Ops)	411

8. While the HR Department in close liaison with IT Department (**Annex-V**) was gearing up to further process the recruitment against 132 posts of Officers, the EOBI management was changed. Mr. Mushtaq Ahmed Samo assumed additional charge of the Head of H R Department in addition to his own duties as Secretary BoT. Complete data file was handed over to Mr. Mushtaq Ahmed Samo who under supervision of Dr. Imtiaz, then Special Assistant to the Chairman further processed the recruitment. Short-listing of the candidates were not done by the relevant Departmental Selection Committees. Three different Selection Committees were notified for conducting interviews for the posts of Executive Officers, Assistant Directors and Deputy Directors for all cadres viz. Operations, Office, Finance, IT and Law on geographical basis. Whereas, EOBI Recruitment Procedures prescribe one standing Departmental Selection Committees for each Cadre. (**Annex-VI**). Therefore, seven selection committees were required to be constituted for conducting interviews for the posts of Executive Officer, Assistant Director & Deputy Director in Operation/Office, Finance, I.T. and Law Cadres and for Director (Law), Director (Operations) and Deputy Director General (Operations).

9. Written Test for short listing of the large number of applications as detailed above should have been held as per practice and as required under clause 02.5.2.1(b) of the Operating Manual (**Annex-VII**). However, the recruitment process was finalized without any such written tests for the positions of Dy. Director/Assistant Director/Executive Officer and offers of appointment were issued (**Annex-VIII**). The whole process was completed by 01.06.2010.

10. Number of applications at the time of interview subsequently risen to 23,648 (**Annex-LX**). No record of call letters issued was maintained and original evaluation sheet (grade assessment) filled by the members of the Selection Committees were not preserved and placed on records to scrutinize/authenticate average marking prepared for appointments. Similarly police verification and medical tests of the appointed persons were not carried out in most of the cases.

Thus, to cut the long story short, the respondents and the interveners have nothing with them to defend these palpable illegalities in the process of appointments.

21. A careful examination of the whole record appended with these petitions, in particular the detailed order dated 25.3.2011, thereby taking cognizance of these allegations of corruption in the matter of appointments in EOBI, under Article 184(3) of the Constitution, and various subsequent orders passed in this case, go to show that ample opportunity was allowed to the respondents to defend their misdeeds in

55

being contrary to the spirit of Articles 240 and 242 of the Constitution and various provisions of Sindh Civil Servants Act 1973, it laid down several guiding principles. The principle of law propounded in this judgment, with reference to many other earlier judgments of the Apex Court, lend full support to the case of the present petitioners, as regards illegal appointments, contract appointments, absorptions and their regularization etc., particularly, when these acts are motivated to frustrate and nullify some earlier judgments/orders of the Superior Court in a dishonest, colourful and *mala-fide* manner, as discussed in the earlier part of this judgment and hereinafter. All the cases discussed above reveal that the jurisprudence of this Court has been clear and consistent with regard to the manner in which appointments to public offices are to be made strictly in accordance with applicable rules and regulations, without any discrimination and in a transparent manner. Thus, it is essential that all appointments to public institutions must be based on a process that is palpably and tangibly fair and within the parameters of its applicable rules, regulations and bye-laws. But conversely, it is a sad fact of our bureaucracy that it can be so susceptible to the whims and wishes of the ruling elite class etc, which results in an obvious weakening of state institutions such as the EOBI, whereby the general public, whose interest such establishments have been

6

charged with protecting, are adversely and heavily affected in different ways.

23. Indeed, if we allow these petitions substantial hardship is likely to be caused to many of the respondents/appointees who will lose their appointment/jobs because of the illegalities in their respective appointments committed by EOBI, but the fact remains that such ill-gotten gains cannot be defended/protected under any cannon of law or even on humanitarian considerations, as, such gains availed by the illegal appointees were at the cost of other deserving candidates who had applied for these posts, being citizens of this country, with a legitimate expectation that they would be able to seek appointment on the basis of their eligibility-cum-merit criteria to be observed as per the applicable rules and regulations of the EOBI. From the material available on record, it is crystal clear that even the respondents in EOBI against whom allegations of nepotism, corruption and mala-fide have been levelled have offered no legitimate defence except to say that such exercise may be protected for the benefit of appointees. Similar is the position in the case of appointment of Raja Azeem-ul-Haq Minhas, as evident from the material placed on record, which shows that how after his resignation from a post in BS-18 in the Income Tax Group, he jumped in the EOBI, got appointment and promotions from one step to another to reach BS-21 within a short period of three years.

61

We have specifically asked Chaudhry Afrasiab Khan, learned ASC to show us any provision of law, whereby an employee of the institution like EOBI can be appointed on deputation in the Prime Minister Secretariat as Joint Secretary (BS-20) and within no time of his coming back, promoted as Director General (BS-21), but he had no plausible answer to such query. As a matter of fact, looking to the material available on record, the discussion about illegal appointments in the EOBI, made in the preceding paragraphs of this judgment is a drop in the bucket what has exactly happened in this whole process during the year 2009 and thereafter from time to time.

24. Having discussed as above, another important aspect of the case, which needs serious consideration is about the fate of the illegal appointees, which is subject matter of consideration in the present proceedings. If we look at this aspect of the case from the angle of those who have succeeded to get appointments in the manner, as discussed above, some of them may claim that since they met the requisite qualifications for the posts and were thus appointed, they cannot be made to suffer due to illegalities committed by the management of EOBI. However, when we place their cases for appointment in juxtaposition to the other applicants, who had applied for these vacancies and are 23648 in number, we find that these candidates having equal right of opportunity as citizens of this country, in terms of Article 25 of the

62

Constitution were thrown out of the competition despite the fact that they also met the requisite qualifications and might have been more meritorious, but could not exert either political pressure or avail the fruits of nepotism and corruption, forming basis for the selection and appointment of other candidates, many of whom had not even applied for the job in terms of the advertisement for these vacancies made in the month of April, 2009, and in this manner they succeeded in getting entry from the backdoor at the cost of many other *bona-fide* candidates, whose applications were literally thrown in the dust bin in an un-ceremonial manner just for the sake of accommodating the blue eyed ones. All these factors, are over and above the violation of rules, regulation and other codal formalities meant for these appointments, *inter alia*, highlighted by the fact finding committee on recruitment/ appointment in its report, which is a serious subject for the reason that it is based on examination of the entire original record of such proceedings of appointments, right from the date of publication of advertisement regarding these vacancies, and till date none has come forward to question the impartiality of the committee or the authenticity and correctness of such report. In these circumstances, in our opinion, if the appointment of any single appointee during this process is protected on one or the other pretext or for any other consideration it will amount to protecting their ill-gotten

gains, acquired through unlawful means, and to perpetuate corruption and discrimination under the disguise of sympathetic consideration for such appointees for the sake of their economic well being.

25. In the same context, we have also considered as to whether the appointees in the EOBI, who may be the ultimate affectees of this judgment's fall out, could be allowed to participate in the fresh process of selection and appointments in terms of this order? Our answer to this question is twofold. Firstly, though the appointments of these persons have been challenged under Article 184(3) of the Constitution within the ambit of public interest litigation and none of other applicants, who were more than 23127 in numbers, has come forward to agitate/assert his own individual grievance before the Court, nevertheless, their legal and Constitutional rights have been widely infringed at the hands of the then management of EOBI. Thus, even in their absence their interest is to be equally safeguarded on the principle of justice and fair play; secondly, it may amount to giving a premium to the appointees coming from the backdoor if we allow their participation in the forthcoming process of appointment in the EOBI as a special case. In these circumstances, we deem it proper to leave it open for the management of EOBI to decide the question of participation of the affectees of this judgment in the fresh/new process of

24

selection and appointments in the affirmative or otherwise. But in case decision of the management of EOBI is in the affirmative, it will be implementable only in the situation when the record of other applicants in response to the earlier advertisement of April, 2009 etc., is intact with them and they are also allowed equal opportunity of participation. To put it in other words, in case the management of EOBI decides to allow all those applicants who have submitted their applications in response to the advertisement made in April, 2009 or thereafter, which as per report of the fact finding committee are more than 23,127 in numbers, then the affectees of this judgment will also be entitled for similar treatment. Needless to observe that for the process of selection and appointments as per criteria fixed by the management of EOBI fresh applications will also be invited and processed in a transparent manner without any discrimination, on requisite merit criteria for each post.

26. Another aspect of the case, which needs further examination, is the appointment of 238 employees/officials in the EOBI on contract/daily and contingency basis during the period September, 2011 to May, 2012 and their purported regularization. In this regard, apart from the material placed on record by the petitioners alongwith the contempt application in HRC No.49012-P of 2010, duly accompanied with requisite documents in support thereof,

65

there is also the report of the fact finding committee on recruitment/ appointment, reproduced above, which goes to show that these 238 employees in Grade-1 to Grade-9 were initially appointed on contract basis and for this purpose procedure prescribed under the rules and regulations of respondent EOBI was again flagrantly and ruthlessly violated. Not only this, subsequently, in a colourable and *mala-fide* manner, for their regularization some summaries were floated and their illegal approval was obtained from the Cabinet Sub-Committee, which otherwise neither figures anywhere in the hierarchy of EOBI nor has any legal authority to rectify such illegal, wrong and corrupt practice of appointments. It is strange to notice that these appointments were made at a time when there were no available posts for these persons and this whole exercise was, on the face of it, undertaken on the basis of nepotism and political pressure in vogue during that period. The learned ASC for the respondent EOBI and the D.A.G. have not defended this action, while the learned ASCs representing some of these appointees have also not been able to satisfy this Court that how the Cabinet Sub-committee can intervene in the functioning of the EOBI and commit such illegality in violation of its rules and regulations to protect these illegal appointments or to bless them with any form of legitimacy. In addition to it, it is also pertinent to mention that all this exercise was undertaken by the respondents despite specific

62

stay order issued by this Court on 21.1.2011, which reads as follows:-

"Mr. Tajammal Hussain son of Khadim Hussain, Senior Assistant, EOBI has moved an application to Honourable Chief Justice of Pakistan alleging serious allegations qua fresh recruitments made by the Chairman, EOBI in flagrant violation of the prevalent rules, regulations and policy.

2. After having gone through the entire record furnished by the complainant as well as press clippings (Daily News & Jang), wherein all the necessary details qua each of the new appointee have been furnished. We are tentatively of the view that prima facie the prescribed procedure was never followed and for the sake of arguments if it is admitted that there is no prescribed procedure, the principles of natural justice have been violated ruthlessly. It is worth mentioning that on 15.5.2009, applications were called against 250 vacant vacancies in EOBI. It is amazing that no short listing could be made, no interview or written test whatsoever was got conducted, but on the contrary the vacant vacancies have been distributed under political pressure and to oblige the people of 'Mandi Bahauddin' which is the constituency of the Chairman.

3. Chairman, EOBI is present and has attempted to justify his actions but failed to point out that under which provision of the law of Employees' Old Age Benefit Act, 1976 (in short EOBI Act) he was competent to make all such appointments, including appointments on contract basis that too from Mandi Bahauddin. It is conceded that no advertisement was made for contract appointments as the nature whereof was ad-hoc and temporary.

4. Be as it may, it appears that every appointment has been made in a reckless, careless and irresponsible manner without adhering to the relevant procedure and provisions of law enumerated in the EOBI Act and rules/regulations made there under. The explanation furnished by the Chairman, EOBI and Secretary, Ministry of Labour and Manpower is

5

unsatisfactory. However, in the interest of justice matter is adjourned enabling the Chairman, EOBI and Secretary, Ministry of Labour and Manpower to furnish a concise statement indicating all the details qua appointments made pursuant to the advertisement appeared in various newspapers, whereby applications were invited on 15.5.2009 or otherwise. The details regarding appointments made on contract basis shall also be furnished. Entire record regarding above mentioned appointments shall be produced on the next date of hearing. Chairman, EOBI and Secretary, Ministry Labour and Manpower may also furnish additional documents, if need be, before the next date of hearing. Similarly, the complainant is also at liberty to file additional documents. It is, however, directed that till disposal of this human rights case, no more appointment shall be made by the Chairman EOBI, Secretary Ministry of Labour and Manpower and at the direction of concerned Minister. Matter adjourned and shall be treated as part heard. To come up on 8.2.2011". (underlining given for emphasis)

Obviously, in such circumstances all the appointments made in violation of the directions/order of this Court are nullity in the eyes of law, thus, cannot be blessed with any legitimacy or protection under any canon of law. As a matter of fact, this matter would require further probe into these allegations in the context of violation of the stay order dated 21.1.2011. To sum-up, the 238 appointments, separately referred to and discussed in the report of fact finding committee are also to be struck down, being illegal, void and of no legal consequence, while contempt proceedings against those responsible for this highhandedness and illegality are to be initiated and continued separately, for which the office shall prepare a separate file and issue notices to the concerned officials of EOBI and all others found involved in this scam.

67

27. As a sequel of above discussion, both these petitions are allowed and disposed of in the following terms:-

- (a) All the illegal appointments, deputations and absorptions made in the EOBI, as detailed in the report of fact finding committee on recruitment/ appointment, are declared to be without lawful authority and of no legal effect. Accordingly their services stand terminated forthwith;
- (b) All these vacancies and other available vacancies in EOBI shall be advertised and filled afresh strictly in accordance with applicable rules and regulations, subject to prescribed quota, requisite qualifications and merit criteria, for which the Chairman, EOBI shall be personally responsible to ensure transparency;
- (c) The matter regarding all the illegal appointments, including the appointment of Raja Azeemul Haq Minhas in the World Bank, shall be investigated by the NAB authorities; the respondents No.3 to 7 and all others directly or indirectly involved in the process of such illegal appointments on the basis of corruption, nepotism and political exigencies shall be proceeded against in accordance with law with intimation regarding compliance of these directions to this Court within two months.

- (d) Office shall prepare and maintain a separate file for initiating contempt proceedings, under Article 204 of the Constitution and other enabling provisions of contempt laws, against all those who are, *prima-facie*, found guilty of violation of order dated 21.1.2011 in H.R.C. No.48012 of 2010, particularly in the process of appointment of 238 employees/officials during the period September 2011 to May 2012.

In view of the above, other miscellaneous applications filed in the Constitutional Petition No.6 of 2011 and H.R.C. No.49012-P of 2010 also stand disposed of.
