Respectfully Sheweth:

1. That respondent No.4 advertised some posts on 24.02.2012 with regard
to the Medical Profession, including the post of Junior Clinical
Technician Pathology (BPS-9). (Copy of the Advertisement dated
24.02.2012 is attached herewith as annexure 'A').

2. That the appellant being qualified/eligible for the said post duly applied through the procedure and process as prescribed and finally the appellant was issued an appointment letter for the post of Junior Clinical Technician Pathology (BPS-9). (Copy of the appointment letter dated 16.07.2012 is attached herewith as annexure 'B').
3. That the appellant has been serving the respondents department by heart and sole and in August 2015 the posts of Medical Employees were upgraded, hence all the posts of BPS-9 were upgraded to BPS-12. (Copy of the said Notification of Upgradation dated 11.08.2015 is attached herewith as annexure 'C').
4. That the appellant was serving the respondents department with all his ability and has never given any chance of complaint to his high-ups as well as to the general community of the patients.
5. That to the astonishment of the appellant an inquiry was held in the year 2013 with regard to the appointment of the appellant, however, the finally the recommendations of the inquiry were given in favour of the appellant. (Copy of the Inquiry Report is attached herewith as annexure 'D').
6. That another inquiry was conducted on 25.11.2015, whereby some allegations were enquired with regard to the appointment of the appellant. (Copy of the said inquiry Report dated 25.11.2015 is attached herewith as annexure 'E').
7. That to the astonishment of the appellant he was served with a Show Cause Notice, whereby some vague and baseless allegations were levelled against the appellant with regard to his appointment. (Copy of the Show Cause Notice dated 09.01.2016 is attached herewith as annexure 'F').

(Copy of the Departmental Appeal of the appellant dated 23.05.2016 is attached herewith as annexure 'I').
11. That there being no other adequate/efficacious remedy the appellant now approaches this Honourable Service Tribunal on the following grounds amongst the others:-

GROUND:

- a. That the order of removal from service of the appellant is illegal, unlawful, without authority/jurisdiction and being based on the malafide intentions of the respondent, is liable to be set aside.
- b. That the appellant has been serving the respondent department since 2012 till the date of his removal from service and has never given any chance of complaint to his high-up or to the General Community of the patients.
- c. That no complaint whatsoever has been filed throughout the service against the appellant and he has been serving his department upto his utmost skill and ability.
- d. That both the inquiries have been conducted before the issuance of the Show Cause Notice which is a great illegality on the part

4

of the respondent department and which alone is sufficient for the success of the appeal of the appellant.

- e. That the appellant has been served with a single Show Cause Notice without serving upon him any other process of inquiry or any statement of allegations or any Second Show Cause Notice and he has been removed from the service in a simplicity manner without adopting the process and procedure as mentioned in the E&D Rules.
- f. That once the appellant has been appointed at the of Junior ~~Pathology~~ Pathology Technician and he has resumed his charge and has served on the said post for about 4 years, nobody has got any authority to challenge his appointment process or to may any objection on the appointment of the appellant.
- g. That the appellant has been honest in his approach, he has never given concealed any fact from the respondents at the time of his appointment and the inquiry conducted in the year 2013 also favours the appellant and it has been held by the apex Court that once an appointment is made and there is no misconduct on the part of the candidate the appointing authority cannot withdraw its appointment under the Shadow of his appointment being illegal or unlawful.
- h. That if there is any fault on the appointment it may be attributed to the respondents and there is no fault/misconduct under which the appellant could be punished without any fault at his part.
- i. That the appellant has missed so many chances of service advertised in the different Newspapers during the course of employment while serving in the respondent department and in the meantime when he is going to become over age he has been removed from service without mentioning any cogent and plausible reason.

- 5
- j. That the appellant has not been given any chance of defense nor he has been personally heard and his case has been decided in a summary manner.
- k. That the removal from service order of the appellant is not legal nor lawful, hence the appellant is legally eligible/entitled to be reinstated back to his service with all his back benefits/emoluments.

It is, therefore, most humbly prayed that on acceptance of this Appeal the removal from service order of the appellant dated 09.05.2016 issued by respondent No.3 may please be set aside and the appellant may very graciously be reinstated back to his service with all his service benefits/emoluments.

Findings regarding TORS:-

TOR-1

Whether all the codal formalities viz: advertisement in press holding meeting of the departmental Selection committee by including representative of Administration Department/DGHS Khyber Pakhtunkhwa, preparing of merit list as required under the APT Rules 1989, were completed.

(14)
The codal formalities were partially completed like,

1. Advertisement in Daily Mashriq was floated.
2. The meeting of Departmental Selection Committee was deficiently followed like non inclusion of representative of DGH in Technical post selection.
3. The Final Merit list was not produced to the enquiry committee.
4. Since merit list was not available so the signatures of the members of selection committee could not be assessed.

TOR-2

Whether the vacancies were filled through Selection/recruitment of relevant categories. If not how they were allowed salaries against ex-cadre posts.

- I. Few posts were filled through selection of the relevant categories.
- II. More than half of the candidates were recruited against ex-cadre posts.
- III. Salaries were started in January, 2013 by the MS Aslam sherani along with arrears for the period from 13-05-2012 to January 2015.
- IV. DAO record showed that few of the staff had their source signed by Dr. Aslam Baloch who was not the DDO, few of them had source got signed by Dr. Umar Shah. Majority had the source signed Dr. Aslam Sherani. It was evident that the pays of staff were not drawn on the same dates but were drawn at various dates due to unknown reason.
- V. Pays started after letter of FD.No.FMIU/FD/4-1/2012/Surplus Pool dated: 27-07-2012.

Aslam
S

TOR-3

15

Whether the employees detailed by the DCO Tank from Surplus pool, were absorbed on Cadre posts as per surplus pool policy or otherwise.

- I. The employees detailed by DCO were not absorbed on the cadre posts. They were absorbed against posts of charge nurses, they were 6 in number.
- II. A letter was produced which was about the absorption of surplus pool staff on the posts of Charge Nurses. Astonishing, this letter was addressed from Finance Department to DHO directly bypassing the Health Secretary which is not the usual way of communication. It may need further Probing in Finance Department.

TOR-4

How many employees were recruited over and above the sanctioned strength?

- I. NOC from DCO for recruitment of all categories/Staff not taken as per record.
- II. The initials on appointment orders were denied by the available clerical staff.
- III. No letter was found which may show the requisition for DG representative for recruitment of staff on the interview date.
- IV. The DAO office showed source proformas which were signed by MS during 2012. Another MS during 2013 and by DHO for few staff members.
- V. No staff was adjusted against any post which fell vacant from 5/2012 till date as per record.
- VI. In letter no.1968-71 dated: 22-04-2013 the than DHO has replied to a letter of MS DHQ Tank that he was a competent authority to appoint any candidate on Ex-cadre post and he is responsible for that (copy attached)

The following General issues were also taken into consideration.

1. The huge no of sweepers were only marking themselves present but not working which was brought into the notice of sitting MS and he was advised to monitor their services according to job description.
2. Progress report of the hospital was taken per 6 months which was advised to be improved.

CONCLUSION:

1. As the final merit list of recruitment of all categories of staff was not available so the committee is not in a position to determine the transparency of the process of recruitment.

16

2. The Surplus pool staff was not absorbed on the cadre posts but were placed against charge nurses posts and were drawing pay till the stoppage of pay.
3. The salaries of all the staff has been stopped whether working on cadre post or ex cadre posts which was not justified.
4. The order of finance department regarding drawl of salaries against charge nurses posts may need further clarification.
5. The court decision of Peshawar High Court DI Khan Bench is attached with Enquiry file where a relief has been given to the staff whose Services are intact may be given the relief of release of pay. The committee noticed that the staff whether on cadre or ex cadre posts have marked their attendances for the period when their pays are stopped. So they are physically present and delivering their services.

RECOMMENDATIONS:-

Since the matter is a sub judiced case with a decision of temporary relief of release of salaries of the intact staff so the committee is of the opinion that

1. The salaries of the staff who are working on the cadre posts may be released in light of the court decision on their risk.
2. The services of the staff who are absorbed on ex cadre posts their salaries cannot be released as there are no posts for their absorption.
3. The pleading officer may defend the case in the court with the plea of non availability of posts hence no salary.
4. The employees of the surplus pool who have not been absorbed on cadre posts may either be kept on waiting list or may be returned to the pool.
5. The other staff who are not on cadre posts may be kept on a waiting list and may be absorbed on any post which falls vacant in the whole District. Their positions may be kept held in abeyance.
6. The record keeping of the DHO office may be streamlined because there is a greater complexity and ambiguity in the available record.
7. The staff on cadre posts whose salaries if released, they may be directed to fill an affidavit or stamp paper to perform their duties according to their job description and to the satisfaction of the controlling officers.
8. The monitoring team of IMU may be enquired about this situation, wether they have taken any notice of this issue or otherwise.
9. The posts of Charge Nurses may not be filled up by other cadre staff as there are guazetted posts and come under domain of the DGHS because in case any recruitment is done on adhoc policy or by Public Service Commission the incumbent sent to DHQ Tank may not suffer.

DEPARTMENTAL APPEAL/REPRESENTATION AGAINST THE

ORDER DATED 09.05.2016 PASSED BY MEDICAL

SUPERINTENDENT, DHO HOSPITAL TANK VIDE WHICH THE

APPELLANT HAS BEEN REMOVED FROM SERVICES

WITH EFFECT FROM 01-05-2016.

Respectfully stated,

1. That the health Department through DHO, Tank advertized different posts, including the post of JCT Pathology in DHO hospital Tank in the year 2012.
2. That the appellant also applied for the post of JCT Pathology and after completing all code formalities, the appellant was appointed as a JCT Pathology vide appointment order dated. 16.07.2012 copy of appointment order is enclosed herewith.
3. That the appellant, after getting himself medical examined, submit his arrival report to the concerned authorities and started performing his duty.
4. That in the year 2013 an inquiry was conducted regarding the different appointment, which ended in favor of appellant. Copy of the same is enclosed herewith.
5. That the appellant then received an show cause notice dated 19-01-2016, wherein reference was made of any inquiry, which was kept secret from the appellant. Copy of show cause notice is enclosed herewith.
6. That the appellant then submitted reply to the show cause, wherein he specifically shown his astonishment regarding inquiry, allegedly conducted in the year 2015, because he was never associated with same.
7. That the appellant was then called for personal hearing and he produced all the relevant documents, supposed to be available with the appellant and then he was asked to wait for the order in the near future.
8. That the appellant received the office order dated 09.05.2016 on 10.05.2016 in office and he was asked that he has been removed from services with effect from 01.05.2016. Copy of order dated 09.05.2016 is enclosed herewith.
9. That the order dated 09.05.2016 is totally illegal, based on surmises and conjectures, leveling no allegations against the appellant and the fault of

Peshawar.

The Director General,

Health Services, Khayber Pakhtunkhwa

To:

unknown person has been mentioned but the punishment was given to the

appellant

10. That under the circumstances and prevailing law, if any fault is found on the part of the appointing authority, then the august supreme Court on his-particular aspect has delivered so many judgments that the appointing authority should be penalized instead of the appointee, whereas, in present case the appellant has been victimized for the alleged fault of another person.

11. That is strange to note that in para-4 of the order dated 09.05.2016 the medical superintendent has mentioned "whether you fail to produce any documentary proof (i.e. original merit list etc) " whether the appellant was supposed to keep the merit list etc. in his possession or it was the duty of the office to keep the record and whether the appellant can be penalized for non maintenance of the record by the superintendent, whereas, in the earlier inquiry, held in 2013 all the record was available in the office, which was scrutinized by the inquiry officer and that is why the sad inquiry was decided in favor of the appellant and other appointees.

12. That another aspect which was ignored by the medical-superintendent while passing office order dated 09.05.2016 that he has mentioned that under khayber Pakhtunkhwa efficiency and discipline rules, 2011, I have been removed from service, whether the non-production of merit list by the office does come within the preview of rules of removing appellant from service?

13. That appellant has been condemned for the alleged wrong never committed by him; rather it was not within the duties of the appellant to keep such record, which was the duty of the office and instead the appellant has been removed from service, whereas, if any, action was required to be taken then it was the office not the appellant.

14. That is pertinent to mention here that the appellant was never issued any charge sheet because no charge was ever leveled against the appellant, therefore, the basic requirements of efficiency and discipline rules, 2011 has been violated by the competent authority, therefore, the removal from service order dated 09.05.2016 automatically becomes ineffective on the rights of the appellant.

15. That as mentioned above, the inquiry conducted in the year 2013, reached to the conclusion that all the appointments were made strictly in accordance with rules and that is why the inquiry was filed in favor of the appellant and other appointees but the alleged inquiry conducted in the year 2015, the appellant was never informed or he was never associated for purpose of inquiry, otherwise the situation would have been different, from what is now.

16. That the non-issuance of charge sheet clearly indicates that there were no charges against that appellant, which should have been replied by the appellant.

Handwritten initials or mark.

Handwritten number 23 inside a circle.

17. That the non-issuance of charge sheet, which is mandatory under efficiency and discipline rules, 2011, the entire proceedings became illegal and in result thereof the removal from service order of the appellant dated 09.05.2016 is also illegal.
18. That appellant wishes to be heard in person.

24

In view of the above made submission, it was very humbly requested that on gracious acceptance of the instant departmental appeal/representation, the order dated 09.05.2016 passed my M.S DHQ hospital Tank may very kindly be set aside and the appellant may be reinstated in service with all back benefits.

- B.** That the answering respondents have not explained that how the appellant has been stopped by his own conduct. Hence, this para is mis-formulated over.

- E. The answering respondents have not give any other, which have omitted or added. Hence their para is denied.
- F. The appeal is well within time. Hence this Para is denied.
- G. The answering respondents have not explained that how this Honourable Tribunal has not got jurisdiction. Hence, this para is denied.
- H. That this Para is misconceived and denied. Actually the removal order of appellant is mis-oriented, mis-constructed and mistakenly drawn by the answering respondents which is liable to set aside.
- I. That Para No. 9 is denied. Actually the impugned order is weak having no force, fabricated, factitious, based on ill will, malafide and having no footings in the eyes of law.
- J. Para No. 10 is misconceived and denied. Actually no proceeding whatsoever has been done by the respondents authority while passing the impugned illegal order and thus through futile exercise of action the appellant has been harassed and made scapegoat without any justification and reasons.

ON FACTS:

1. Para No. 1 needs no reply as declared correct.
2. That the respondent authority already verified the eligibility of the appellant from the concerned medical faculty, where in the appellant has been declared eligible, successful and fit during initial stages of appointment.
3. Para No. 3 needs no reply.
4. Para No. 4 is denied. Moreover, the appellant never involved in strike. Hence this para mis-formulated.

Handwritten signature/initials

5. Para No. 5 of the reply of the answering respondent is incorrect. The appellant cannot be made scapegoat through double jeopardy by inquiry again and again through same subject mater. As in the light of judgments of superior Court and prevailing service laws and Esta Code one cannot be involved in a dual inquiry / trial as envisaged in fair trial and warranted in 10(A) of Constitution of Islamic Republic of Pakistan, 1973. Hence, this para is mis-formulated.

10. That the respondent authority has not shown the rejection order of Departmental appeal. Hence this Para is denied in above terms.
11. Needs no reply.

ON GROUNDS:-

- A. Para No. 1 is misconceived. The appellant has been appointed after all codal formalities. Moreover, as per verdict of superior Courts the beneficiary of illegal appointment (not admitted

in the instant case because the appointment order of the appellant is accordance to law and as per service rules after adopting all codal formalities) cannot be blamed alone because primarily the authority who had actually wrongfully exercised its powers for the reasons known to it, was bound to be held responsible for the same. Instead of penalizing such employees like Junior Clerk etc. who had to earn livelihood to support their families and if after having served for a long period they were removed from service discriminately, such action would give rise to a number of problems.

B. Para No. 2 is misconceived. Moreover, as per verdict of superior Courts the beneficiary of illegal appointment (not admitted in the instant case because the appointment order of the appellant is accordance to law and as per service rules after adopting all codal formalities) cannot be blamed alone because primarily the authority who had actually wrongfully exercised its powers for the reasons known to it, was bound to be held responsible for the same. Instead of penalizing such employees like Junior Clerk etc. who had to earn livelihood to support their families and if after having served for a long period they were removed from service discriminately, such action would give rise to a number of problems.

C. The appellant has never involved in any illegal activities and strikes etc. Thus this Para is squarely denied.

D. The para of the answering respondents is denied. However, appellant retrieve his para of appeal.

E. The Para E of the answering respondents is wrong and denied. No codal formalities have been done fulfilled by the respondent authorities before issuing the illegal

termination order. However appellant retrieve his para of appeal.

F. Para No. F of the answering respondent is denied. The appellant has been legally appointed after all codal formalities against the vacant sanctioned post as the appellant being eligible, fit and successful for the said post. Hence this Para is mis-formulated.

G. The Para G of the answering respondents is squarely denied. Moreover the answering respondents has not explained that what illegality has been done by on behalf of the appellant.

H. Para No. H is denied. However appellant retrieve his para of appeal.

I. Para No. I is wrong.

J. Para No. J is wrong not admitted. No codal formalities has been initiated while passing the impugned order. Moreover the appellant has been discriminated as their colleagues namely Zohaib Shah S/o Pir Liaqat Ali Shah (Appointed as Radiology Technician BPS-9 vide Office order 159-94 dated 16/07/2012) and Siraj Khan S/o Wali Mohammad Junior Clinical Technician (JCT) Pharmacy BPS-12 is presently serving in the Health Department. This sole ground is sufficient for reinstatement of appellant.

K. Para No. K is incorrect. The appellant retrieve his of appeal.

It is therefore, humbly prayed that the Appeal may kindly be accepted as prayed for.
