..... RESPONDENTS

SERVICE APPEAL UNDER SECTION 4 OF KP
SERVICE TRIBUNAL ACT 1974.

Respectfully Sheweth; -

The facts giving rise to the instant appeal are as under:-

1. That Appellant along with 12 others filed Writ Petition
No. 1469-A/2022 before Honourable Peshawar High
Court Abbottabad Bench and Honourable High Court
converted the Writ Petition into Appeal on 10/05/2023.
(Copy of order is annexed as annexure, "A")
2. That Khyber Pakhtoonkhawa Public Service
Commission advertised posts of probationary ASI, for

which appellant applied for the same, appeared in written test and interview and qualified /selected as PASI and were appointed vide order No. 22321-27/E-II dated 28/012/2006. *(Copy of appointment order dated 28/12/2006 is annexed as annexure, "B")*.

3. That the appellant applied for the post of ASI and appeared for written test on 19/02/2006 with Roll No.15 alongwith other colleges. Appellant according to rules and regulations got "NOC" and applied for the same.
4. That due to some reasons name of appellant was not included in appointment letter No.22321-27/E-II dated 28/12/2006 for which appellant filed writ petition No.35-A/2007 before the Honourable Peshawar High Court Abbottabad bench (titled "Qamar Zaman V/s Secretary Public Service Commission & others" in which Honourable Peshawar High Court Abbottabad Bench on 25/04/2007 issued writ in favour of appellant. After that PPO NWFP Peshawar included the appellant in the list of appointed ASI's. Appellant completed his training and probation period with all appointees of 28/12/2006. *(Copies of advertisement dated 27/01/2005 alongwith other documents are annexed as Annexure "C")*.

5. That as per police rules 1934, a parameter for confirmation has been laid down in rule 19 to 25 and the D.P.O concerned after assessing the output of the officials recommends names for confirmation provided if they fulfil the required criteria.
6. That the appellant was confirmed as PASI by DIG Hazara range, Abbottabad vide order dated 16/03/2010 and in continuation another impugned order No. 3627-32/E dated 25/03/2010 but date of appointment was given as 08/01/2007 instead of 28/12/2006 which also need to be corrected as 28/12/2006. Meanwhile on 06/04/2010 impugned corrigendum No. 4311-16 was issued malafidely and gave effect the letter dated 25/03/2010 not from date of appellant's appointment but from the date of notification/order, dated 25/03/2010 which is against the facts, Law and precedents already set in Peshawar, Kohat where service of police officers was counted from date of confirmation. *(Copies of relevant documents/precedents are annexed as annexure, "D")*
7. That similarly, on 07/09/2021, appellant issued seniority list "F" in which again juniors were placed seniors than appellant, which is clear violation of

seniority rules, also discrimination against appellant and infringement of fundamental rights of appellant.

(Copy of impugned seniority list "F" dated 07/09/2021 is annexed as annexure, "E")

8. That the appellant filed appeals before respondent No. 1 but no fruitful effort has been made by the respondents but surprisingly, another impugned seniority list "F" was issued on 02/09/2022. *(Copy of list "F" dated 02/09/2022 is annexed as annexure, "F")*
9. That appellant again filed appeals against list "F" but till date no any effort is made from respondents for redressal of appellant's objections about list "E" or list "F". *(Copy of appeal against list "F" is annexed as annexure, "G")*
10. That some colleagues filed Writ Petition No. 1371-A/2020 titled, "Arshad Khan & others Versus The Provincial Police Officer & others" before Peshawar High Court Abbottabad Bench, which was decided on 23/06/2021 and directed respondents "to look into the grievance of the appellant by providing him fair opportunity of hearing and thereafter, decide the same in accordance with Law, rules and policy, within

period of one month from receipt of this order" but after this direction respondents did not act accordingly but constituted so called committee but no fruitful result came out and on 02/09/2022 again list "F" issued and placed appellant from 152 & above to 285 and above, which is against the rules of seniority that after completion of one year appellant could proceed towards top of seniority but respondents placed him towards bottom of list "F" which show clear discrimination and violation of fundamental rights of appellant.

11. That in capital city police Peshawar range, Kohat region etc, the ASI's who were confirmed on 28/12/2006 were given effect from their date of confirmation i.e, 28/12/2006 but in case of appellant respondents in sheer violation gave effect through impugned notification dated 25/03/2010 & corrigendum dated 06/04/2010, firstly from 08/01/2007 and then 25/03/2010 due to which list "F" also gave effect from same date. It is worth to mention here that if Peshawar, Kohat, Banu regions gave effect from date of confirmation then why not appellant Muhammad Sohail who was appointed with appellant but after giving effect from date of appointment he is now promoted as DSP. Similarly, other batch mates of

appellant are also promoted as DSPs after getting their date of confirmation/appointment correctly.

12. That every year revised list "F" is issued as per police rules but due to wrong entry in list "E" appellant suffered due to that wrong entry and till date that wrong entry badly affected the appellant and due to which his promotions according to his service has not been effected. When base in list "E" is wrong then whole structure upon wrong entry is still affecting the appellant and his service.

13. That appellant aggrieved of the orders mentioned above, preferred departmental appeal before the KP PPO Peshawar which was never responded, hence, instant service appeal on the following with other grounds.

GROUNDS

- a. That impugned notification/order No. 3627-32/E dated 25/03/2010 along with corrigendum No. 4311-16/E dated 06/04/2010 list "E" seniority list "F" dated 07/09/2021 and dated 02/09/2022 are void abi initio, illegal, against the Law, departmental rules and regulations

governing the terms & conditions and have been prepared in the slipshod and in arbitrary manner, hence are liable to be modified/ corrected to the extent of seniority. confirmation and promotion of the appellant as sub Inspectors, Inspectors and DSPs.

- b. That respondents failed to treat the appellant in accordance with Law, ignored departmental rules & regulations /policy on the subject and have acted in violation of articles 4 & 25 of Constitution of Islamic Republic of Pakistan 1973 and unlawfully issued the impugned orders and seniority and promotion list, "E" & "F" etc, which are unjust and not sustainable in the eye of Law.
- c. That, neither proper and according to Law, scrutiny of the record pertaining to seniority/confirmation and promotion of the appellant was made nor his case was considered by the competent authority as well as appellate authority while passing impugned orders whereby the appellant has been badly effected in service carrier and also been deprived by the legitimate and Lawful right of seniority/

confirmation and promotion according to Law. Similarly failed to consider seniority from date of appointment i.e, 28/12/2006.

- d. That even Law, departmental rules & regulations have not been followed by the departmental authorities while deciding and preparation of seniority/ promotion list "E" & "F" according to the Law, laid down in KP police rules 1934 read with section 24 (A) of General Clauses Act, 1897 and article 10-A of the constitution of Islamic Republic of Pakistan 1973.
- e. That, appellant fulfil the criteria/ requirements of seniority, promotion/confirmation from the rank of sub-inspector up to the rank of DSP and deserved to be confirmed/promoted from the 28/12/2006 as appellant's batch mate Mr. Sohail and others in Peshawar, Kohat, Banu etc were given effect from date of confirmation/appointment, hence, now they are serving as DSPs', appellant is also eligible and his right accrued to become DSPs', but respondents deliberately refusing his valuable rights by not giving effect from date of appointment/confirmation i.e, 28/12/2006.

confirmation and promotion according to Law. Similarly failed to consider seniority from date of appointment i.e, 28/12/2006.

- d. That even Law, departmental rules & regulations have not been followed by the departmental authorities while deciding and preparation of seniority/ promotion list "E" & "F" according to the Law, laid down in KP police rules 1934 read with section 24 (A) of General Clauses Act, 1897 and article 10-A of the constitution of Islamic Republic of Pakistan 1973.
- e. That, appellant fulfil the criteria/ requirements of seniority, promotion/confirmation from the rank of sub-inspector up to the rank of DSP and deserved to be confirmed/promoted from the 28/12/2006 as appellant's batch mate Mr. Sohail and others in Peshawar, Kohat, Banu etc were given effect from date of confirmation/appointment, hence, now they are serving as DSPs', appellant is also eligible and his right accrued to become DSPs', but respondents deliberately refusing his valuable rights by not giving effect from date of appointment/confirmation i.e, 28/12/2006.

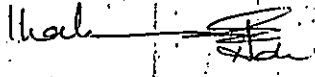

- f. That, as per reported judgment of services tribunal 2002 OLC (CS) 1403, there is no rule laid down the confirmation would be a date different from the date of appointment. hence, confirmation other than appointment shall be illegal in the light of provision 12.2(3) police rules 1934. The confirmation date as date of appointment has been well supported by the August Supreme Court of Pakistan in the judgments, 1999 SCMR 1594.
- g. That instant service appeal is out come of Writ Petition No. 1469-A/2022 in which Honourable Peshawar High Court Abbottabad Bench pleased to convert Writ Petition into service appeal.
- h. That addresses of the parties have been given correctly at the heading of the appeal. This Honourable service Tribunal has got every jurisdiction to entertain and adjudicate upon the lis.

It is, therefore, most respectfully prayed that on acceptance of the instant appeal, the impugned notification/order No. 3627-32 dated 25/03/2010, along with corrigendum No. 4311-16 dated 06/04/2010 list "E" similarly

list "F" issued on 07/09/2021 and 02/09/2022 may kindly be modified and list "E" and "F" may kindly be amended/corrected according to seniority and appellant may kindly be promoted as DSPs' with effect from his date of confirmation/appointment by equally treating with other batch mates i.e Muhammad Sohail from Hazara region at serial No.1 of appointment order No. 22321-27/E-II dated 28/12/2006 and other batch mates who were appointed through public service commission dated 28/12/2006 and promoted as sub inspectors after fixed 03 years of service as per training completion rule 19-25 (3) which also demands to treat/promote the appellant equally as per batch mates of the appellant without discrimination, with all back benefits according to rules. Any other relief which this honourable Tribunal deem fit and proper in the circumstances of the appeal.

BLA separation move busted

ever," the they said, adding, the operation is being carried out successfully and life is returning to normalcy in two most disturbed districts Kohlu and Dera Bugti.

It is a measured, calculated and well-calibrated operation that is being conducted in the area very swiftly and so far proved very successful, the sources maintained.

According to the sources the major success achieved when they arrested few commanders of BLA in April this year. During the investigation that is still going on the officials found many vital clues about dumping of arms and money in different parts of troubled area.

The FC is digging for the last ten days a place identified by the BLA commander who surrendered recently, as arms dumping area and still not able to fully recover the arms buried there. "You can call it arms depot," an

ed criminal to us. Either he should come to law or we will take him out."

Ruling out any interference by Iranians in Balochistan however, they conceded the fact about foreign intelligence agencies' concentration in the area. They justified their presence by saying, "If we will not put our house in order and achieve stability, this will give other people chance to interfere."

They blamed media for portraying a thief and bandit (bugti) as Robin Hood. However, they justified the delay of more than six years in taking action against "Robin Hood" by saying, "We are looking for negotiated political settlement of the issue."

Despite terming Bugti's endeavour as a separation movement, the sources were not ready to call it insurgency and categorically stated that it could be termed as extremely disturbed law and order situation but it

Ghazin Marri who was arrested in Dubai this April was arranging funds for BLA and his brother Herybiar Marri is traveling between London and Dubai to arrange those funds. Both brothers are wanted in Pakistan in many cases, including the murder of Balochistan High Court Judge Justice Nawaz Marri.

They conceded that there was general discontent in Balochistan over lack of development work and the attitude of the past governments. "But situation is different this time as government is determined to develop Balochistan."

They said, the government is also working on 5-year plan to convert 'B' areas of Balochistan into 'A' areas and so far 18 districts have been brought into 'A' area. On political front, it is also

Karachiites waiting for Bachat Bazaars

KARACHI (PTI) - The City District Government Karachi had chalked out a comprehensive policy to reactivate Bachat Bazaars of Karachi and make them a consumer-friendly place and it was said a few months back that this revolutionary policy would be practically implemented by June 1, but citizens are still waiting for it.

The concept of setting up Bachat Bazaars in Karachi had been introduced in 1985 during General Ziaul Haq era and initially eight Bachat Bazaars were introduced on one-day-a-week basis (Friday) and hence they were named Juma Bazaars.

The basic idea behind the Bachat Bazaars was to end the role of middlemen, so that producers and growers could directly supply their goods to consumers at cheaper rates. Later when this idea clicked

Subject: SERVICE APPEAL NO. 35/2007 QAMAR ZAMAN LHC NO.
442 V/S SECRETARY NWFP PUBLIC SERVICE
COMMISSION & IGP NWFP PESHAWAR

Memo:

LHC Qamar Zaman: No. 442, is amongst the recommendee of the NWFP Public Service Commission, for appointment of ASI from in-service graduates Head Constables. On receipt of recommendations, from Public Service Commission, a committee was constituted to scrutinize the service record of the candidates. Committee, alongwith two others not recommended the appellant Qamar Zaman due to bad entries in his service record.

Appellant Qamar Zaman, challenged the decision in a writ petition in the High court and comments on behalf of the PPO NWFP, Peshawar were filed in the court. Appeal was contested and the High Court accepted the appeal on the ground, that scrutiny of the service record of the candidates, as per provision of Article 7 (3) of Police Order 2002, is the job of public service commission and not the PPO NWFP. It was further mentioned that Public Service Commission has scrutinize the service record of the candidates and there was difference of opinion between the members of the commission but the majority decision prevailed regarding the appointment of the appellant. (copy of the internal note produced in the court is attached).

DSP (Legal) Abbottabad who attended and assisted Deputy Advocate General Abbottabad, during the arguments in the court, is of the opinion that case is not fit for appeal but if considered proper, case may be examined at CPO Level too. (copy of the judgment is attached).

Date of hearing..... 25-04-2007

Petitioner.. Qamar Zaman s/o Taj Muhammad by Shad Muhammad
Khan Advocate

Respondents (No. 1 to 3) Secretary, N.W.F.P. Public Service Commission and others
= by D. A G and P, DSP, Khuzdar A-11007

SALIM KHAN, J. Qamar Zaman presently L.H.C. No.442 Police Line Abbottabad instituted this writ petition No.35/2007 against Secretary N.W.F.P. Public Service Commission and Inspector General of Police alongwith Secretary Home Department. He alleged that he, like other qualified police officials, was eligible for the post of A.S.I. by selection from amongst the graduates, that he appeared for written test and interview, and was placed on the provisional list duly recommended by the N.W.F.P. Public Service Commission. It was further alleged that the N.W.F.P. Public Service Commission checked the record of the recommendees and found them eligible, but other constables/head constables were appointed vide office order No.22321-27/E-II dated 23.2.2006 while the petitioner was left over.

2. Comments of respondent No.2 were obtained who stated that there were adverse entries against the

7.5.2007

petitioner, and, therefore, the petitioner was not eligible and entitled to be posted as A.S.I.

3. We heard the arguments of the learned counsel for the petitioner and the learned Deputy Advocate General supported by Khurshid Khan D.S.P.

4. At the very out-set, the learned D.A.G. contended that, in accordance with the provisions of sub-article (3) of Article 7 of Police Order, 2002, the selection was to be made from amongst officials with clean record, and a selection committee was constituted by P.P.O. (Provincial Police Officer/I.G.P.) to check the service record of each of the candidates. He contended that there were two adverse entries against the petitioner, out of which one was by the officer in whose office the petitioner had conducted himself improperly, while the other was regarding absence from duty, though both the entries were minor in nature.

5. The learned counsel for the petitioner referred to the internal correspondence of the office of N.W.F.P. Public Service Commission and contended that Members ~~1 to 4~~ and 6 were in favour of the appointment of the petitioner and others, while Member 5 and the Chairman were against it, but it was decided in that office that the Regulation relating to the N.W.F.P. Public Service Commission had to be followed. The demand of that Regulation was that the decision of the commission would be by majority. It is always expected that the recommendation of the commission regarding selection of candidates would always prevail with the concerned

department except when referred back for further consideration.

6. The provisions of Article 7 (3) of Police Order, 2002 are as follows:-

7. Constitution of police.

(1).....

(2).....

(3) The recruitment in the police other than ministerial and specialist cadres shall be in the rank of Constable, Assistant Sub-Inspector and Assistant Superintendent of police:

Provided that selection for direct recruitment in the rank of Assistant Sub-Inspector shall be through the appropriate Public Service Commission and shall not exceed twenty five percent of total posts in that rank;

Provided further that 25% of the quota for departmental promotions to the rank of Assistant Sub-Inspector shall be filled, subject to rules, through selection by the appropriate Public Service Commission from graduate Constables or Head Constables of clean record.

(4).....

(5).....

(6)....."

It has clearly been provided that the ^{vacancies in} 25% quota for departmental promotions shall be filled from graduates

constables and head constables of clean record by the appropriate Public Service Commission. The law, therefore, provides that it is the appropriate Public Service Commission which has to satisfy itself regarding the record of a graduate constable or head constable, for ascertaining his eligibility and suitability for the post of Assistant Sub-Inspector in his respective quora. It will be violation of the law if the Police Establishment, by itself, starts deciding whether a constable or head constable is or is not of clean record, because it will amount to depriving the appropriate Public Service Commission of its right to decide regarding the same. In this case, the N.W.F.P. Public Service Commission had checked the record of the Candidates and, through its majority decision, had recommended the petitioner for his appointment as Assistant Sub-Inspector. The Police Establishment was either to agree with the said decision or, if the law/rules so permitted, to refer the matter back to the N.W.F.P. Public Service Commission for reconsideration.

7. In this case, however, there was no chance for reference again as the case was properly considered by the Chairman and Members of the Commission to the extent that there was difference of opinion and the decision was taken by majority in accordance with their Regulation. The constitution of a committee in, or by, the Police Establishment for proceedings after the recommendations of the N.W.F.P. Public Service Commission was without lawful authority and void. The Police Establishment could

49

50

constitute such a committee for stages before the selection by the Commission, and would send the record to the Commission for its consideration before the decision of selection.

8. Keeping in view the above, we have come to the conclusion that the order regarding the petitioner, dropping his candidacy and not appointing him and not allowing him to join as Assistant Sub-Inspector of the Police Establishment is without lawful authority and void. We accept the present writ petition accordingly.

3. The facts in brevity leading to the instant case appear that it is a simple matter of determination of seniority of respondent DSP Nasir Khan whose name was bought on promotion list "E" on officiating basis on 20.02.2001 however, he was reverted later on which was challenged by him by way of filing a Service Appeal before the Khyber Pakhtunkhwa Service Tribunal, Peshawar. Such service appeal was decided by the Tribunal dated 23.02.2008 whereby his name was restored to promotion list "E" with effect from date of notification dated 20.02.2002. the respondent was confirmed in the position of Sub Inspector with effect from 24.11.2008, however he also challenged this notification before the Service Tribunal and prayed for granting him confirmation with effect from 20.02.2003. The tribunal by the impugned judgment dated 13.05.2012 modified the notification to the extent that name of the respondent was enlisted in the list "F" with effect from 20.02.2003 with all consequential back benefits. However, it was a misreading and omission on the part of the Learned Tribunal by not fully appreciating the facts of the case coupled with the prayer of the petitioner claiming seniority in the position of confined Sub inspector as of 20.02.2003, the tribunal instead directed the inclusion of his name in list "F" with effect from 20.02.2003 enabling him to overtake many probationer ASIs some of whom were even recruited long before this induction in the rank of constable in the year 1991.
4. I was due to this anomaly that both the parties mutually agreed before the apex court that the name of respondent could not have been brought in promotion list "F" with effect from 20.02.2003 and thereafter further seniority and promotion has to be determined. In accordance with rules applicable to police officials. It was in compliance of this direction of the apex court that a committee as aforesaid was constituted with the mentioned officer to report on the determination of the seniority of despondence DSP Nasir Khan in the promotion list "F". In accordance with the principles laid down by the Police Rules 1934.

5. The petitioners (as per the attached list) were personally examined by the committee in order to ascertain their view points. These petitioners who were inducted mostly in the rank of ASI through Public Service Commission as early as 1991 and onward claimed seniority against respondents DSP Nasir Khan on the ground that the respondent was recruited initially in the rank of constable in the year 1991, whereas the petitioners who were directly recruited ASIs shall rank senior to the former on the basis of services laws / rules laid down by Police Rules 1934, the Khyber Pukhtunkhwa Civil Servant Act 1973 and the Khyber Pukhtunkhwa appointment promotion and transfer rules 1989. The claim of these petitioners is plausible and convincing to the extent that they were entitled for confirmation and admission to list "E" from the date of appointment. The respondent on the contrary was supposed to travel on arduous journey by qualifying the initial four promotions list e.g "A", "B", "C", "D" before qualifying to be admitted to the promotion list "E". This committee is however constrained to comment upon the inclusion of the respondent name in list "E" leading subsequently to his confirmation in the rank of Sub Inspector as per the judgment of the Tribunal and the Honorable Supreme Court of Pakistan, and therefore in view of this the mandate of the committee is to look into the prospects of admission of the respondents name to the promotion list "F" in accordance with law, hence this report.

6. The law as regards admission to the promotion list "F" is spelled out by rule 13, 15 of Police Rules 1934, where pre-supposes only one condition that is name of confirmed Sub Inspectors considered fit for promotion to the rank Inspector shall be submitted by the district Superintendent of Police to Deputy Inspector General of Police who after thorough evaluation if agree the superintendent of Police recommendation shall send such list to Inspector General of Police with his own recommendations. However the part no unequivocal terms have agree that the inclusion of the name of respondent in promotion list "F" with effect from 20.02.2003 in the Tribunal judgment was no accurate rather his confirmation in promotion list "E" could have been made on 20.02.2003. From this it follows the

Respondent counsel conceded that his claim of admission into the promotion list "F" with effect from 20.02.2003 was due to a clerical or any other mis and that the respondent is ready to rectify the same and claim for seniority in promotion list "F" after his confirmation in the promotion list as of 20.02.2003 in light of the court judgments.

7. Police Rules 12.2(3) laid down that seniority amongst the lower sub ordinance shall be reckoned from the date of appointment, respondent DSP Nasir Khan was initially recruited in the rank of constable in 1991 and should have remained with his original batch mates subject to qualification to various promotion lists provided by Chapter 13 of the Police Rules 1934. The scheme things revolving around seniority and promotion under the police rule envisioned an elaborate system of seniority leading to promotion under the District and Range Police finally leading to a unified and common promotion list "F" which is maintained by the CPO for the whole of the province. The problem in the instant case is due to the fact that Frontier Reserve Police which was established in 1987, was allowed to regulate and governed under the Police Rules 1934 and later on through various standing Orders issued from time to time the unit was authorized not only to maintain promotion list of the pattern of the District & Rangers but was also given pro rate share in various promotion courses also enabling original recruits of FRP to undergo these trainings and claim seniority thereon. The respondent DSP Nair Khan is also original recruit of the FRP who had done his lower and inter courses in the FR allotted quota and after promotion to the rank of officiating Sub Inspector was transferred to the CCPO in 2001.
8. Generally, seniority in Police is determined on the basis of courses inclusion of name in various promotion lists. Since respondent Nasir Khan relatively better and accelerated opportunities for election to various services / courses in the FRP, which mainly comprised of illiterate officials his to CCPO naturally put in main at better place vis advertise those recruited long before him. The laws however provides different principles

Determination of seniority among the upper sub-ordinates which are laid down in police rules 12.2(3) and jotted down below for better understanding:

- I. Seniority shall be reckoned from the date of appointment in the first place which means that the one who is appointed earlier shall be considered senior to those who are appointed later in point of time.
 - II. A promote officer shall be considered senior to the directly recruited officer if both appointed on the same date.
 - III. Officers appointed directly in one batch have their seniority determined on the basis of age, the overage shall be considered senior to the rest of the batch who are junior in age and
 - IV. Seniority shall be finally determined from the date of confirmation provided the seniority inter-se of servant officers confirmed on the same date being that allotted to them on first appointment.
9. According to the judgment of the Apex Court dated 07.10.2020 wherein respondent Nasir Khan DSP was assigned seniority in promotion list "E" with effect from 20.02.2003, which means that on the mentioned date he was confirmed Asstt. Sub Inspector and promoted as Offg: Sub Inspector. Further accordance with Police Rules 13.8, the respondent was to remain on probation or a period of two years ending on 20.02.2005. although Police Rules 13.14(2) laid down the pre condition of SHO period for one year in non-domicile district of the officer for confirmation in the rank of Sub Inspector but the Tribunal Judgment brushed aside this aspect of the matter therefore the Respondent Officer was eligible for confirmation in the rank of Sub Inspector with effect from 20.02.2005, the effective date on which his two years probation was ended.
10. Going by this the respondent further seniority and admission to promotion list "F" is to be seen after the date of his confirmation the rank of Sub Inspector. According to Senior list "F" which stood on 31.12.2005 issued by CPO

No. 1845-62/E-11 dated 02.02.2006 the name of respondent DSP Nasir Khan would fall at serial No. 309 above the name of Ishtiaq Ahmad at Serial No. 310, and below the name of Falak Niaz at serial NO. 3098. It is further clarified that the name of DSP Nasir Khan at serial No. 309 above the name of Ishtiaq Ahmad is due to the fact that the later officer is also on the strength of CCPO, Peshawar who was promoted as confirmed Sub Inspector on 23.08.2005 almost six (06) months later than the former officer.

Likewise on perusal of the seniority list of DSP as it stood on 30.04.2020 issued by CPO vide No. 840/SE-I dated 30.04.2020, the name of respondent DSP Nasir Khan will be placed at serial No. 01 below the name of Falak Niaz at serial No. 40 and above the name of Ishtiaq Ahmad now at serial No. 41.

Although the above seniority shall be in accordance with the judgment rendered by the Tribunal and Apex Court yet the respondent officer would be able to rank senior to the entire probationers batches of ASIs of 1995 and afterwards.

11. It merits a mention that at that time the respondent was in the rank of constable the 1995 batch of probationer ASI were technically on promotion list "E" from the date of their appointment. Due to this the interest and valid seniority of the probationary ASIs could be seriously compromised they are denied their due right of confirmation from the date of appointment. Hypothetically speaking if the officers of 1995 batch are confirmed and admitted to promotion list "E" from the date of their appointment every officer of the batch shall naturally rank senior by seven (07) years from the respondent Nasir Khan whose admission and confirmation in the said list is with effect from 20.02.2003.

RECOMMENDATIONS:

In view of what is discussed above it is recommended to place the name of respondent DSP Nasir Khan in place suggested vide para No. 10 of the report which will be in accordance and compliance of the court judgment. However,

COMMITTEE REPORT

1. In compliance of the judgment rendered by the Honourable Supreme Court of Pakistan in Civil Appeal No. 164-P of 2014 captioned as Provincial Police Officer, Khyber Pakhtunkhwa Peshawar as appellant Vs Nasir Khan Respondent which was disposed of by the Apex Court on 07.10.2020 in the following terms:-

“The very determination of seniority and promotion after confirmation of the Respondents in List “E” on 22.02.2003 has not been determined as yet and all learned councils appearing for the parties before us suggested that for this determination the matter may be remanded to the Inspector General of Police Khyber Pakhtunkhwa Peshawar, who after hearing all Police Officials Order accordingly, The Apex Court further held that the aforesaid exercise shall be completed by the Inspector General of Police, Khyber Pakhtunkhwa positively within a period of three months from today and a report in this respect shall be submitted to the registrar of this Court for our perusal and chamber.

2. Consequently and in order to implement to direction of the Apex Court in the case as aforementioned in letter and spirit the Addl. IGP / HQrs. vide Order No. 5333-35 / Legal, dated 19.10.2020 constituted a committee the rightful place of Respondent DSP Nasir Khan in the seniority list which had been agitated by a number of petitioners mostly the probationer ASIs recruited in various batches such as 1991, 1994 and 1998 etc:-

3. That facts in brevity leading to the instant case appear that it is simple matter of determination of seniority of Respondents DSP Nasir Khan whose name was brought on promotion list “E” on officiating basis on 20.02.2001 however he was reverted later on which was challenged by him by way of filing a Service Appeal before the Khyber Pakhtunkhwa Service Tribunal Peshawar such Service Appeal was decided by the Tribunal dated 23.02.2003 whereby his name was restored to promotion list “E” with effect from date of notification dated 20.02.2002, the Respondent was confirmed in the position of Sub-Inspector with effect from 24.11.2003, however he also challenged this Notification before the Service Tribunal and prayed for granting him

105

(Signature)

confirmation with effect from 20.02.2003. The tribunal by the impugned judgment dated 13.05.2012 modified the notification to the extent that name of the Respondent was enlisted in the list "F" with effect from 20.02.2003 with the part of the learned Tribunal by not fully appreciating the facts of the case coupled with the prayer of the petitioner claiming seniority in the position of confirmed Sub-Inspector as of 20.02.2003 the Tribunal instead directed the inclusion of his name in list "F" with effect from 20.02.2003 enabling him to overtake many probationer ASIs some of whom were even recruited long before his induction in the rank of Constable in the year 1991.

4. It was due to this anomaly that both the parties mutually agreed before the Apex Court that the name of the Respondent could not have been brought in promotion list "F" which effect from 20.02.2003 rather his confirmation in promotion list "E" could be made on 20.02.2003 and thereafter further seniority and promotion has to be determined in accordance with rules applicable to Police Officials, it was in compliance of this direction of the Apex Court that a Committee as aforesaid was constituted with the mentioned officer to report on the determination of further seniority of Respondents DSP Nasir Khan in the promotion list "F" in accordance with the principle laid down by the Police Rules 1934.

5. The petitioners (as per the attached list) were personally examined by the Committee in order to ascertain their view points. These petitioners who were inducted mostly in the rank of ASI through Public Service Committee as early as 1991 and onward claimed seniority against Respondent DSP Nasir Khan on the ground that the Respondent was recruited initially in the rank of Constable in the year 1991 whereas the petitioners who were directly recruited ASIs shall rank senior to the former on the basis of services laws / rules laid down by Police Rules 1934, the Khyber Pakhtunkhwa Civil Servant Act 1973 and the Khyber Pakhtunkhwa Appointment Promotion and Transfer Rules 1989. The claim of these petitioner is plausible and convincing to the extent that they were entitled for confirmation and admission to list "E" from the date of appointment. The Respondent on the contrary was supposed to travel an arduous journey by qualifying the initial four promotions list e.g. "A", "B", "C", & "D" before qualifying to be admitted to the promotion list "E". This Committee is however constrained to comment upon the inclusion of the Respondent name in list "E" leading subsequently to his confirmation in the rank of Sub-Inspector as per the judgment of the Tribunal and the Honourable Supreme Court of Pakistan, and therefore in view of this the mandate of the

106

~~106~~

Committee is to look into the prospects of admission of the Respondent's name to the promotion list "F" in accordance with law, hence this report.

6. The law as regards admission to the promotion list "F" is spelled out by Rule 13.15 of Police Rules 1934, which pre-supposes only one condition; that is the name of confirmed Sub-Inspector considered fit for promotion to the rank of Inspector shall be submitted by the district Superintendent of Police to the Deputy Inspector General of Police who after through evaluation if agreed to the Superintendent of Police recommendation shall send such list to the Inspector General of Police with his own recommendations. Now the parties in no unequivocal terms have agreed that the inclusion of the name of the Respondent in promotion list "F" with effect from 20.02.2003 in the light of the tribunal judgment was not accurate rather his confirmation promotion list "E" could have been made on 20.02.2003. From this it follows that the Respondent counsel conceded that his claim of admission into the promotion list "F" with effect from 20.02.2003 was due to a clerical or any other mistake and that the Respondent is ready to certify the same and claim for seniority in promotion list "F" after his confirmation in the promotion List as of 20.02.2003 in light of the Court judgment.
7. Police Rules 12.2 (3) laid down that seniority amongst the lower sub-ordinance shall be reckoned from the date of appointment. Respondent DSP Nasir Khan was initially recruited in the rank of constable in 1991 and should have remained with his original batch-mates subject to qualification to various promotion lists provided by Chapter 13 of the Police Rules 1934. The scheme and things revolving around seniority and promotion under the Police Rules envisioned an elaborate system of seniority leading to promotion under the District and Range Police finally leading to a united and common promotion list "F" which is maintained by the GPO for the whole of the Province. The problem in the instant case is due to the fact that Frontier Reserve Police which was established in 1978, was allowed to regulate and governed under the Police Rules 1934 and later on through various Standing Orders issued from time to time the Unit was authorized not only to maintain promotion lists on the pattern of the District & Ranges but was also given pro-rata share in various promotion courses, also enabling original recruits of FRP to undergo these trainings and claim seniority thereon. The Respondent DSP Nasir Khan is also an original recruit of the FRP who had done his lower and inter Courses in the FRP allotted quota and after promotion to the rank of officiating Sub-Inspector he was transferred to the C.C.P.O in 2001.

- 167
8. Generally, seniority in Police is determined on the basis of courses and inclusion of name in various promotion lists. Since Respondent Nasir Khan had relatively the FRP, which mainly comprised of illiterate officials his transfer to C.C.P.O naturally put him in a better place vis a vis even those who were recruited long before him. The law however provides different determination of seniority among the upper sub-ordinates which are laid down in Police Rules 12.2 (3) and jotied down below or better understanding:-
- I. Seniority shall be reckoned from the date of appointment in the first place which means that the one who is appointed earlier shall be considered senior to those who are appointed later in point of time;
 - II. A promotee officer shall be considered senior to the directly recruited officer if both appointed on the same date;
 - III. Officers appointed directly in one batch have their seniority determined on the basis of age; the overage shall be considered senior to the rest of the batch who are junior in age; and
 - IV. Seniority shall be finally determined from the date of confirmation provided the seniority inter-se of several officers confirmed on the same date being that allotted to them on first appointment.
9. According to the judgment of the Apex court dated 07.10.2020 wherein Respondent Nasir Khan DSP was assigned seniority in promotion List "E" with effect from 20.02.2003, which means that on the mentioned date he was confirmed Asstt. Sub-Inspector and promoted as Offg. Sub-Inspector. Further in accordance with Police Rules 13.8 the Respondent was to remain on probation for a period of two years ending on 20.02.2005. Although Police Rules 13.14 (2) laid down the pre condition of SHO period for one year in non-domicile district of the officer for confirmation in the Rank of Sub-Inspector, but the Tribunal Judgment brushed aside this aspect of the matter there the Respondent Officer was eligible for confirmation in the Rank of Sub-Inspector with effect from 20.02.2005, the effective date of which his two years probation was ended.
10. Going by this the Respondent further seniority and admission to promotion "F" is to be seen after the date of his confirmation in the Rank of Sub-Inspector. According to Seniority List "F" which stood on 31.12.2005 issued by CPO No. 1845-62/E-II dated 02.02.2006 the name of Respondent DSP Nasir Khan would fall at Serial No. 309 above the name of Ishtiaq Ahmad at Serial No. 310, and below the name of Falak Niaz at Serial No. 309. It is further clarified that the name of DSP Nasir Khan at Serial No. 309 above the

108

FF

name of Ishtiaq Ahmad is due to the fact that later officer is also on the strength of CCPO, Peshawar who was promoted as confirmed Sub-Inspector on 23.08.2005 almost Six (06) months later than the former officer.

Likewise on perusal of the seniority list of DSsP as it stood on 30.04.2020 issued by CPO vide No. 840/SE-I dated 30.04.2020 the name of Respondent DSP Nasir Khan will be placed at Serial No. 41 below the name of Falak Niaz at Serial No. 40 and above the name of Ishtiaq Ahmad now at Serial No. 41.

- 11. It merit a mention that at that time the Respondent was in the rank of Constable the 1995 batch of probationer ASI were technically on promotion List "E" from the date of their appointment. Due to this the interests and valid seniority of the probationary ASIs could be seriously compromised if they are denied their due right of confirmation from the date of appointment. Hypothetically speaking if the officers of 1995 batch are confirmed and admitted to promotion List "I" from the date of their appointment, every Officer of the batch shall naturally rank senior by Seven (07) years from the Respondent Nasir Khan whose admission and confirmation in the said list is with effect from 20.02.2003.

RECOMMENDATIONS:-

In view of what is discussed above it is recommended to place the name of Respondent DSP Nasir Khan in place suggested vide Para No. 10 of report which will be in accordance and compliance of the Court Judgment. However in order to protect the interests of the probationary ASIs it is recommended that every Officer's name may be brought on promotion List "E" from the date of his appointment which is in accordance with the principle of justice and service laws on the subject such as section 7 (3) and (5), / (4) of Khyber Pakhtunkhwa Civil Servant Act-1973 & Rule 16 and 17(1) explanation-III (2) of the Khyber Pakhtunkhwa, Appointment, Promotion and Transfer Rules-1989.

Respondent counsel conceded that his claim of admission into the promotion list "F" with effect from 20.02.2003 was due to a clerical or any other mistake and that the Respondent is ready to rectify the same and claim for seniority in promotion list "F" after his confirmation in the promotion List as of 20.02.2003 in light of the Court Judgments.

7. Police Rules 12.2 (3) laid down that seniority amongst the lower sub-ordina shall be reckoned from the date of appointment. Respondent DSP Nasir Khan was initially recruited in the rank of constable in 1991 and should have remained with his original batch-mates subject to qualification to various promotion lists provided by Chapter 13 of the Police Rules 1934. 9. According to the judgment of the Apex Court dated 07.10.2020 wherein Respondent Nasir Khan DSP was assigned seniority in promotion List 'E' with effect from 20.02.2003, which means that on the mentioned date he was confirmed Asstt. Although Police Rules 13.1A 2N laid down the pre-condition of SHO period for one year in non-domicile district of the officer for confirmation in the Rank of Sub-Inspector, but the Trial Judge's judgment brushed aside this aspect of the matter, therefore the Respondent Officer was eligible for confirmation in the Rank of Sub-Inspector with effect from 20.02.2005, the effective date on which his two years probation was extended.

2. In essence, it is the petitioners' case that they were appointed as Assistant Sub-Inspector on 26.03.2011 through Public Service Commission and subsequently on completion of satisfactory probation period, they were confirmed w.e.f 26.03.2011 from the date of appointment, but were placed in their own seniority list and not properly placed at "E" list which needs to be prepared and maintained in the candidates who can further sent for upper college course for promotion and placing in the regular list of SIs. It is alleged in the petition that the petitioner filed representation before the respondents department on which the competent authority constituted committee for the purpose of fixation of the seniority list, who recommended that "E" list be revised and the appellants/petitioners including others if any, be brought and placed at their due place and the candidates who being officiating promotion may be brought on seniority list "E" after completion of officiating/probation period according to police rules. No Probationary Assistant Superintendent of Police shall be appointed as an Assistant Superintendent of Police until he has passed the prescribed departmental examination.

A Probationary Assistant Superintendent of Police who does not qualify by passing these examinations within two years, or at the first examination after two years, from the date of his joining the service, will be removed from Government service. Provided that the Provincial Government shall have power to relax this rule in special cases when the Probationary Assistant Superintendent of Police is likely to make a good police officer.

(2) The rules governing the probation and confirmation of Deputy Superintendents of Police are contained in Appendix 12.1.

(3) All appointments of enrolled police officers on probation according to the rules in this Chapter applicable to each rank.

Seniority, in the case of upper subordinates, will be reckoned in the first instance from date of first appointment. Officers promoted to a lower rank being considered senior to persons appointed direct on the same date, and the seniority of officers appointed direct on the same date being reckoned according to age. Seniority shall, however, be finally settled by dates of confirmation, the seniority inter se of several officers confirmed on the same date being that allotted to them on first appointment. Provided that any officer whose promotion or confirmation is delayed by reason of his being on deputation outside his range or district shall, on being promoted or confirmed, regular the seniority which he originally held vis-a-vis any officers promoted or confirmed before him during his deputation.

The seniority of lower subordinate shall be reckoned from date of appointment, subject to the conditions of rule 12.24 and provided that a promoted officer shall rank senior to an officer appointed direct to the same rank on the same date.

COMMENTARIES

Regularization of seniority and probation and confirmation of service. Inspectors/Bergeants, Sub-Inspectors and Assistant Sub-Inspectors who were directly appointed, were to be confirmed from the date of their appointment if probation period of three years was completed successfully. Civil servant who was recruited as direct Inspector, his seniority and the probationary period of three years were to be regularized from the date of his appointment according to law irrespective of the fact whether any of his juniors had been or had not been confirmed from a particular date. Order confirming service of civil servant after about three years from the date of his appointment, was set aside holding him entitled to

be confirmed as Inspector/Sergeant from date of his appointment 1971. PLC (C.S.) 47; 1999 SCMR 1694; 1988 SCMR 215 ref. 2002 PLC (C.S.) 1298 (b).

Termination of service. Civil servant was appointed as Sub-Inspector of Police, but his services were terminated after issuing him show cause notice on ground that his appointment was made in complete violation of method of appointment prescribed by Civil Servants Act, 1973 and Rules made thereunder and without observing the formalities. Advertisement for post of Assistant Sub-Inspector of Police showed that minimum qualification was Intermediate 'C' Grade whereas civil servant was in 'D' Grade and age specified under Rules for said post was 18 to 26 years as the date of advertisement, but age of civil servant at that time was 80 years, 5 months and 7 days. Appointment of civil servant which was to be made on recommendation of Selection Board was made on political basis on recommendation of Minister despite civil servant had failed in written test and viva voce test held by Selection Board, constituted under Police Rules 1934, R. 12.6. Civil servant who otherwise was not qualified to be appointed to the post, having been appointed on political influence in violation and in complete disregard of Police Rules and without observing formalities as laid down by Supreme Court in its judgment reported in 1999 SCMR 1287, his services were rightly terminated. 1996 PLC (C.S.) 801; 1998 SCMR 1352; 1985 PLC (C.S.) 136; PLD 1685 SC 159; 1999 PLC (C.S.) 1160; 1993 SCMR 1227; 1988 PLC (C.S.) 450; 1988 PLC 921; 1999 PLC (C.S.) 190; PLD 1997 SC 851; 1998 SCMR 1494; 1981 SCMR 231; 1990 SCMR 398 and 1982 SCMR 770 ref. 20002 PLC (C.S.) 190.

(12.8. Direct appointment of Inspectors, Sub-Inspectors and Assistant Sub-Inspector. Except as provided in rules 12.1 and 12.4, direct appointments shall not be made except in the rank of Inspector, Prosecuting Sub-Inspector, Sub-Inspector and Assistant Sub-Inspector. Such appointments in the rank of Inspector, Sub-Inspector and Assistant Sub-Inspector may be made up to a maximum of ten per cent, fifty per cent and twenty-five per cent, of vacancies, respectively).

COMMENTARIES

Relaxation of Rules. Civil servant serving as Sub-Inspector of Police had challenged direct recruitments in rank of Inspector contending that under Rule 12.8 of Police Rules, 1934, direct appointments in rank of Inspector could be made up to maximum 10%. Authority repelled contention of civil servant stating that Governor's Notification, dated 6-2-1998 had relaxed Rule 12.8 of Police Rules, 1934. Civil servant had claimed that notification relied upon by Authority, was ultra vires of Articles 25 & 27 of Constitution of Pakistan (1973); that rule relating power was with I. G. of Police under Section 12 of Police Act, 1861 and not with Governor, that

being similar to said nine persons, he was also entitled for relaxation of Rules and to be appointed as A.S.I. 2007 PLC (C.S) 529.

Orders passed by Inspector-General of Police were invariably final and not amenable to jurisdiction of an outside Authority. No representation would lie before Inspector-General of Police himself as no such right had been created by Police Rules, 1984. Punjab Civil Servants Act, 1974 did not apply to Police Officers. Provisions of Section 4, Punjab Service Tribunals Act, 1974 were, however, applicable. Service Tribunal could not entertain any appeal until Police Officer had availed Departmental appeal, representation or review. Police Officer's application against earlier order of Inspector-General of Police would be construed to be an application for review, thus, satisfying requirement of Section 4, Punjab Service Tribunals Act, 1974. Appeal against order in question was thus, valid and within limitation. P.L.D. 1985 SC 159 rel. (1985 PLC (C.S.) 229(b).

124.

12.2. Seniority and probation.--(1) The seniority, of Assistant Superintendent of Police is regulated by the orders passed from time to time by the Secretary of State and the Central Government.
