PARAWISE COMMENTS ON BEHALF OF RESPONDENTS NO. 1 AND 2

Respectfully Sheweth!

PRELIMINARY OBJECTIONS: -

- 1. That the instant appeal as before this honorable Tribunal is incompetent, not entertainable due to the notification of amendments in the Appointment/Recruitment Rules, 2010 as introduced vide Notification No. SO(E)C&WD/8-12/2022, dated 26/01/2022 (Annexed-I).
- 2. That the appellant has concealed the real and material facts from this honorable Court/Tribunal.
- 3. That the appellant is estopped by his own conduct to prefer the instant appeal before this Tribunal.
- 4. That the appellant has got no locus standi and cause of action because the Government has vested right to amend, rescined any kind of rules as enshrined under the General Clauses of Act, 1956.
- 5. That the appellant has not come to the Court with clean hands.
- 6. That the matter, being concerns as Subordinate Legislation, therefore the Tribunal lack jurisdiction to entertain such like appeals.

ON FACTS: -

- 1. Pertains to the matter of Court/Tribunal, hence not needs any comments thereupon.
- 2. The Appellant was appointed as Tracer in BPS-05 under the sub rule-4 of Rule-10, Appointment/Posting/Transfer Rules, 1989, meaning under Deceased's Civil Servants quota, with mere Matric qualification plus 01-year Survey Certificate.
- 3. During his services, he intended for higher qualification, and as such he got Diploma of Associate Engineer in Civil, Awarded the said certificate on 13/10/2019.
- 4. The department incepted amendments in the existing Appointment/Recruitment Rules, 2010 vide Notification No. SO(E)C&WD/8-12/2022, dated 26/01/2022 as under:-

UNDER THE HEADING "ENGINEERING SERVICES"

- (i) irrelevant
- (ii) irrelevant
- (iii) against SI No.5 in column-5 for the existing entries, the following shall be substituted, namely;
 - a. not relative
 - b. not relative
 - c. not relative
 - d. two point five percent (2.5%) by promotion, on the basis of seniority-cum-fitness from amongst the holders of the post of Tracer, with seven years service as such, having three years Diploma in Civil, Electrical or Mechanical Technology from a recognized Board of Technical Education.
 - NOTE: For the purpose of promotion to the post of Sub Engineers, the seniority of Tracers shall be determined from the date of appointment or acquiring the Diploma in Civil, Electrical or Mechanical Technology from a recognized Board of Technical Education, whichever is later: and
 - e. seventy five percent (75%) by initial recruitment.

A=

hence the seniorities in pursuance of the above-said rules had/have been casted/drawn on 17/8/2023 (Annexed-II). Here to add that in the old rules for this category/class no such conditions as underlined, was available which created a lot of un-certainties amongst those who though were holding Diploma of Associate Engineering earlier from those who were yet to become entitled after acquiring Diploma of Associate Engineering and by this way the seniorities of this class was reckoned from the date of their 1st entry/date of initial appointment despite they were not possessing the Diploma of Associate Engineering qualification at the time of entry point / 1st appointment in class/cadre. Further when a person possess/qualify such Diploma of Associate Engineering, he will then be entitled to relegate the seniority on the basis of acquiring such qualification.

- 5. There was no force in the objection application on the one and on the other, these applications were addressed to the person who in fact is not the Competent Authority. The Competent Authority in such matters is the Appointing Authority, hence not entertained. According to the seniority notified vide No. 198-E/419/CEC/C&WD dated 17/08/2023, the Appellant stands at SI.No.31 as stood on 15/08/2023 as annexed-II.
- 6. Incorrect. The notification with regard to amendments/substitution of certain rules vide notification dated 26/01/2022, these were properly processed in the SSRC meetings and its final approval by the Establishment Department, then were incepted, so the sayings that these are mis-conceiving or mis-interpreted is wrong in toto. As the Appellant acquired the Diploma of Associate Engineering on 30/10/2019 whereas no date (specific) is appearing in the Detail Marks Certificate (DMC), hence the date will be considered from the acquiring Diploma (Annexed-III/IV).
- 7. Incorrect. As expedited in para-5, above, the seniorities of others to whom the appellant stated taken seniority from their date of appointment is un-just the acquiring dates of Diploma of Associate Engineering is clearly mentioned against each in the specified column, hence denied.
- 8. The same as replied in para-5, above.
- 9. As explained in above paras of reply, there does not seem to accept the stance of the Appellant to advance any further grounds because of the facts he has kept / concealed

1/4

the real rules/regulations from this Tribunal, hence the instant Appeal being devoid of merit, is liable to dismissal in limine on the following replying grounds:-

ON GROUNDS: -

- A. Incorrect. The Government has the vested power to amend, rescind, modify any rules any time as enshrined in the General Clauses Act, 1956.
- B. Incorrect, misconceiving. According to the ibid substitution in rules the appellant now stands at SI.No.31 and not 38.
- C. Incorrect not worth consideration.
- D. The rules position have been elaborately descried in the above para-4 and as such not need to put further comments.
- E. The same as per reply at para-5, above.
- F. Incorrect. After the substitution of rules to the class to which Appellant pertains, the seniority as per annex-II has been published even available at the website of the department i.e. www.cwd.gkp.pk.
- G. Incorrect, ambiguous, the Appellant has no vested right to call for the Legislation as impugned or to nullify it as per his own whim and wishes.
- H. As expedited in above paras of reply, the Final Seniority as stood on 15/08/2023 has since been notified on 17/08/2023.
- I. The same as per para-H, above.
- J. The respondents seek leave to raise additional grounds at the time of arguments.

(.L

On the placing of above clarities, there seems no orders to be passed which affects the subordinate Legislation because the SSRC has assented these amendments/substitution under the Law.

In the wake of above said submissions, it is honorably prayed that the instant Appeal being devoid/frivolous may please be dismissed with heavy cost against the

Appellant.
