Dated 22-11-23

1. That Private Respondents No.5 to 9 (**hereinafter referred to as Respondents**), being qualified, were appointed as Sub Engineers (BPS-11), in Irrigation Department Khyber Pakhtunkhwa (**hereinafter referred to as Department**), by the Competent Authority, vide Office Order No.1755/IB/ A/3-E, dated: 16.09.2013, on the recommendations dated: 09.09.2013 of the Khyber Pakhtunkhwa Public Service Commission.
(Copies of offer of appointment dated: 16.09.2013 & recommendations dated: 09.09.2013 of the Khyber Pakhtunkhwa Public Service Commission, are Annexures "A & B" respectively).
2. That Department, in pursuance of recommendation of the Up-gradation Committee and approval granted by the Competent Authority, accorded sanction to the up-gradation of the post of Sub Engineers, from BPS-11/12 to BPS-16 (one time), as personal grade to the incumbents, having ten years or more service to their credit, in same scale in all the Government Department of Khyber Pakhtunkhwa, vide Notification No.FD/SO(FR)7-13/2017/6253, dated: 07.03.2018.
(Copy of up-gradation Notification dated: 07.03.2018 is attached as Annexure "C")
3. That, keeping in view eligibility-cum-excellent performance of Respondents, the Department posted/appointed them as Sub Divisional Officers (OPS(s), vide Notifications dated: 09.12.2016, 19.01.2017, 07.11.2017, 19.09.2018 and 07.02.2020, respectively.
(Copies of Notifications dated: 09.12.2016, 19.01.2017, 07.11.2017, 19.09.2018 and 07.02.2020 are attached as Annexures "D to D/4" respectively).
4. That Respondents gone through Departmental Grade-B & Grade-A Examinations, successfully, evident from Office Orders dated: 16.08.2018 & 15.10.2020, 16.08.2018 & 15.10.2020, 16.08.2018 & 15.10.2020 and 06.08.2014 & 15.10.2020, respectively, therefore, in view whereof, coupled with length of service, they became eligible for promotion to the posts of Assistant Engineers (BS-17), as per law/rules governing the subject.

5. That Department initiated case of Respondents, alongwith other eligible employees, for promotion to the vacant posts of Assistant Engineers (BS-17) and prepared working paper, alongwith panel of eligible Graduate Sub Engineers, for consideration against 12 % quota, reserved for B.Sc. Engineering Degree holders.
(Copy of working paper alongwith ancillary documents, including panel of eligible Graduate Sub Engineers is attached as Annexure "G").
6. That synopsis of Respondents, alongwith others, was put before DPC, in its meeting held on 23.06.2021, under Agenda Item No. III, but astonishingly Respondents, alongwith other Graduate Engineers, have not been recommended for promotion

2

and deferred the Agenda Item No. III *ibid*, on the pretext to seek guidance from Establishment Department, on the following:

- i. As per amended Service Rules of Irrigation Department Notified on 25.06.2012, 12 posts of Assistant Engineers (BS-17) comes under 12% share quota of Graduate Sub Engineers alongwith passing of Departmental Grade-B & Grade-A Examinations against which six officers are working on regular basis while seven officers, included in the panel at Sr.No.1 to 6 & 9 are working as Assistant Engineers (BS-17) acting charge basis since 2011.
- ii. Before 25.06.2012 the passing of Grade-B & A examination was not mandatory for promotion to the post of Assistant Engineers and the above mentioned 7 graduates Sub Engineers were appointed to the post of Assistant Engineer (BS-17) on acting charge basis in 2011.
- iii. The departmental B & A examination is conducted after every two year. The last examination was held in 2020 and the next will be held in 2022. The officers of panel at Serial No.1 to 6 & 9 (except serial No.4 B & A passed) have passed their mandatory Grade-B Examination and will appear in the A Examination in 2022.
 - a. As to whether the amended rules notified on 25.06.2012 are applicable to the above employees who were appointed in the year 2011 on acting charge basis or the present recruitment rules will be applicable in the instant case?
 - b. If the present service rules are applicable upon the officers appointed on acting charge basis then before completion of mandatory examination by these officers, the officers junior to them can be promoted to the post of Assistant Engineers on regular basis or otherwise?

(Copy of minutes of the DPC meeting dated: 23.06.2021 is attached as Annexure "H")

7. That Respondents preferred Departmental Appeals dated: 13.07.2021 (5 in numbers) to the Competent Authority, against the decision dated: 23.06.2021 *supra* of DPC, which was not considered, although, statutory period of 90 days was elapsed, eventually they approached this Hon'ble Tribunal through Service Appeal Nos.7663, 7659, 7660, 7662 & 7661 of 2021, with the following prayer of one of the appeals *ibid*:

"It is, therefore, most humbly prayed that on acceptance of instant appeal, impugned decision/recommendation of the Departmental Promotion Committee, in its meeting held on 23.06.2021, regarding Agenda Item No.III, vide which case of promotion of appellant as Assistant Engineer/Sub Divisional Officer (BS-17) was deferred, alongwith subsequent proceedings thereto, may be declared as illegal, unlawful, without lawful authority, void ab-initio and of no legal effect, hence be set at naught and Respondent Department may further be directed to promote him to the rank of Assistant Engineer/Sub Divisional Officer (BS-17) from the date of eligibility, with all consequential benefits."

This Hon'ble Tribunal, after procuring the requisite the comments and hearing the parties, was pleased to allow appeals of Respondents through consolidated Judgment dated: 15.04.2022, operative part whereof is reproduced as under:

"For the foregoing reasons, we hold that the minutes of the meeting of the DPC dated: 23.06.2021, deferring the Agency Item No. III relating to promotion would amount to depriving / ignoring the appellants from promotion and is thus a communication adversely affecting them, therefore, it would be considered a final order within the meaning of section 4 of the Khyber Pakhtunkhwa Service Tribunal Act, 1974.

In the given circumstances, we allow these appeals and direct the Respondents to consider the appellants for promotion against the vacant posts. The DPC shall be held at the earliest possible, but not later than a month of receipt this Judgment."

(Copy consolidated Judgment dated: 15.04.2022 of this Hon'ble Tribunal is Annexure "I")

8. That Competent Authority, in compliance of the consolidated Judgment dated: 15.04.2022 *supra* of this Hon'ble Tribunal and on the recommendations of the Departmental Promotion Committee (DPC), in its meeting held on 19.07.2022, promote Respondents to the post of Assistant Engineers / Sub Divisional Officers (BS-17) in Irrigation Department on regular basis w.e.f. 23.06.2021.

(Copy of Notification dated: 26.08.2022 is attached as Annexure "J")

3

9. That Department issue final / undisputed seniority list of Assistant Engineers (BPS-17), as stood on 03.10.2023, issued vide Notification dated: 03.10.2023, whereby names of Respondents are rightly reflecting from Serial Nos.25, 26, 27, 28 & 29 respectively, **(Copy of final / undisputed seniority Notification dated: 03.10.2023 of Assistant Engineers (BPS-17), as stood on 03.10.2023 is attached as Annexure "K")**
10. That neither consolidated Judgment dated: 15.04.2022 supra of this Hon'ble Tribunal was challenged before the apex Court, nor the final / undisputed seniority list of Assistant Engineers (BPS-17), as stood on 27.10.2022, issued vide Notification dated: 29.11.2022, was challenged through proper appeal contemplated within the meaning of Rule-3(2) of the statutory provision/ Khyber Pakhtunkhwa Civil Servants (Appeal) Rules, 1986, either by the appellant or any other employee, feeling aggrieved therefrom. Needless to add that the consolidated Judgment ibid as well as the final seniority list ibid had got finality and still holding the field.

Preliminary Objections:

1. That appellant has neither got cause of action nor locus standi to file the titled appeal.
2. That the titled appeal is not maintainable in its present form.
3. That appellant did not approach this Hon'ble Tribunal with clean hands, hence not entitled for the relief prayed for.
4. That no proper departmental appeal has been preferred by the appellant against the promotion Notification dated: 26.08.2022, rather a joint application has been moved on 06.09.2022, which could neither be termed as Departmental Appeal within the meaning of Rule-3(2) of the statutory provisions / Khyber Pakhtunkhwa Civil Servants (Appeal) Rules, 1986, nor could be taken into consideration.
5. That Respondents were promoted, as Assistant Engineers (BPS-17) in compliance with consolidated Judgment dated: 15.04.2022 of this Hon'ble Tribunal, which has not been challenged and still holding the field, therefore, appellant has been estopped by his own conduct to approach this Hon'ble Tribunal for the relief, which is impliedly equated to review of the Judgment ibid thus the titled appeal is not maintainable and deserves to be set at naught.
6. That appellant has deliberately suppressed/concealed material facts from this Hon'ble Tribunal, being fatal for the titled appeal.
7. That Provincial Government of Khyber Pakhtunkhwa has not been arrayed in the panel of Respondents, which is an illegality and not curable under any circumstance.

ON FACTS:

1. Related to the Department.
2. Not related.
3. Incorrect as laid, hence denied. Moreover, the Departmental Promotion Committee never refused promotion to the Respondents, rather their case of promotion was deferred for seeking advice from the Establishment Department **(Minutes of the DPC meeting are already annexed as "H")** and their such decision was challenged before this Hon'ble Tribunal, through proper Service Appeals, which were allowed through single consolidated Judgment dated: 15.04.2022 **(already annexed as "I")** and, on the directions of this Hon'ble Tribunal, Respondents were given promotion from the date of their eligibility i.e. 23.06.2021 (the date of DPC).

4. Minute perusal of the minutes of the Departmental Promotion Committee meeting held on 19.07.2022 would indicate that Respondents, who have passed the departmental Grade-B & A examinations have filed Service Appeals No.7659 to 7663 of 2021 with the prayer that on acceptance of their appeals, impugned decisions / recommendations of the Departmental Promotion Committee meeting held on 23.06.2021, vide which promotion of the Respondents was deferred, be declared as illegal and unlawful and this Hon'ble Tribunal directed Department, vide consolidated Judgment dated: 15.04.2022, to consider them for promotion against the vacant posts, the Department refer the case to law department for consideration of the scrutiny committee, in turn the law department held meeting of the said committee on 29.06.2022, advised that the department may consider case of Respondents for promotion, instead of filing of CPLA. After examining all the relevant record and Judgment of this Hon'ble Tribunal, the committee unanimously recommended Respondents eligible to the post of Assistant Engineers (BPS-17), on regular basis, w.e.f. the date of deferment of the previous Departmental Promotion Committee meeting i.e. 23.06.2021, therefore, assertion of the Appellant regarding anti-dated promotion Notification is unjust, unfair and against the peculiar facts / circumstances of the case.

(Copies of minutes of the Departmental Promotion Committee meetings held on 23.06.2021 & 19.07.2022 are attached as Annexures "L & M" respectively)

5. Misleading as laid, hence denied. Moreover, no departmental appeal, contemplated within the meaning of Rule-3(2) of the Statutory Provision / Khyber Pakhtunkhwa Civil Servants (Appeal) Rules, 1986, being essential pre-requisite for filing of the titled appeal, has ever been filed by the appellant. Though he annexed joint appeal dated: 06.09.2022 with the titled appeal, but with great respect, the same could not be termed as Departmental Appeal within the aforementioned provisions of law, therefore, on this score too, the titled appeal deserves to be dismissed. Needless to add that appellant is neither aggrieved person nor can impugned promotion Notification of the Respondents before this Hon'ble Tribunal, therefore, he has no right of audience under the law / rules governing the subject.

GRUNDS:

- A. Misleading as laid, hence denied. Moreover, service appeals of Respondents were allowed by this Hon'ble Tribunal, vide consolidated Judgment dated: 15.04.2022 supra, in terms of the prayers mentioned therein, therefore, the promotion Notification dated: 26.08.2022, subsequently issued in compliance of the Judgment ibid and on the recommendations of the Departmental Promotion Committee meeting held on 19.07.2022, is legal/in accordance with law and no illegality, whatsoever in nature, has been committed by the Department. Needless to add that the matter in hand is distinguishable from the Judgment of the apex Court reported as 2021 SCMR 1554.
- B. Misleading as laid, hence denied. Moreover, as stated earlier, no proper departmental appeal has ever been filed by the Appellant before the Competent Authority, therefore, he can neither invoke appellate jurisdiction of this Hon'ble Tribunal nor entitled for the relief prayer for, thus the titled appeal is liable to be discourage by way of dismissing the same with hefty cost. So far as the Judgment of the apex Court reported as 2005 SCMR 1142 is concerned, the same has no nexus with the case in hand.
- C. Admittedly process of promotion of Respondents was initiated from 23.06.2021 and culminated on their promotion, vide Notification dated: 26.08.2022, w.e.f. the date of initiation of the process of promotion i.e. 23.06.2021, but interestingly Appellant has tried to twist such peculiar facts and circumstances of the case, hence could not be taken into consideration, therefore, instant para, to that extent is vehemently denied.

(5)

- D. Misleading as laid, hence denied. Moreover, case of Respondents is not of anti-dated promoted rather they were granted their right of promotion, accrued to them w.e.f. 23.06.2021, evident from DPC meeting held on 23.06.2022. The Judgment of the apex Court reported as 2005 SCMR 1742, mentioned herein, is not attracted into the case of Appellant, hence can't be pressed into service.
- E. Misleading as laid, hence denied. Moreover, Judgment of the apex Court reported as 2016 SCMR 1784 has no nexus with the case of Appellant. Needless to add that Respondents were performing duties as Assistant Engineers (BPS-17) in their own pay & scale, against the substantive vacant posts, after their respective appointments w.e.f 09.12.2016; 19.01.2017, 07.11.2017, 19.09.2018 and 07.02.2020, respectively, therefore, in view of the above, Respondents were eligible for onward promotion to BPS-17 from their respective dates of such appointments on own pay scale and they reserve their such right to be agitated in due course of time, if needed.
- F. Misleading as laid, hence denied. Moreover, appellant has never been discriminated. Needless to add that promotion Notification of Respondents is in accordance with law / rules governing the subject.
- G. Misleading as laid, hence denied. Moreover, Engr. Bakhtiar challenged his position in the tentative seniority list, which was allowed and his promotion Notification was given effect from 23.06.2021 i.e. the date of initial Departmental Promotion Committee, evident from final seniority list issued vide Notification dated: 03.10.2023, but this aspect of the case has deliberately been suppressed/concealed by the Appellant from this Hon'ble Tribunal, which speaks volumes of malafide on their part.
- H. In view of the peculiar facts / circumstances of the case, Appellant has no right to either press into service the titled appeal or agitate additional grounds.

It is, therefore, most humbly prayed that on acceptance of instant Parawise Reply, the titled appeal may be dismissed with hefty costs throughout.

5. It was mainly urged in the grounds of all the appeals that the appellants had been deprived of their right of promotion without any deficiency; that the department had no right to keep the promotion case pending for indefinite period; that the appellants were not treated in accordance with law; that the DPC departed from the normal course of law, which was malafide on their part; that the appellants were deferred for no plausible reasons.
6. On receipt of the appeals and their admission to full hearing, the respondents were directed to file reply/comments, which they did.
7. In the replies it was admitted that the appellants had passed Grade B&A examinations and had also completed 5 years' service for promotion as Assistant Engineer subject to considering their eligibility by the DPC and availability of posts as per service rules; that the agenda item for promotion was dropped due to non-availability of vacancies under 12% quota for promotion of Graduate Sub Engineers to the rank of Assistant Engineers BS-17

13. At this juncture it seems necessary to observe regarding the above referred advice sought by the DPC. As regards first query, whether the amended rules notified on 25.06.2012 were applicable to the employees who were appointed in the year 2011 on acting charge basis or the present Service Recruitment rules will be applicable in the instant case, it is observed that the administrative rules cannot be given retrospective effect. As regards the second query whether the junior officers could be promoted when the seniors already appointed on acting charge basis could not qualify either of departmental B&A examinations, it is in this respect found that the basic qualification for eligibility to be considered for promotion to the post of Assistant Engineer (BPS-17), is passing of departmental B&A examinations and when the seniors could not get through the both or any of them, they are not eligible and obviously next in the line were to be considered.

the stance of the respondents in the replies that the Agenda Item No.III was dropped due to non-availability of vacancies under 12% quota for promotion of Graduate Sub Engineers to the rank of Assistant Engineers BS-17 (i.e. 6 Nos. This stance is in clear negation to the working paper, panel list of the officers and minutes of the DPC wherein these 6 posts are shown vacant and were intended to be filled in by promotion. So far as contention of the respondents that the seats were occupied by the officers on acting charge basis, so those were not vacant, it is observed in this regard that rule 9 of the Khyber Pakhtunkhwa Civil Servants (Appointment, Promotion and Transfer) Rules, 1989 (*the Rules*) is quite clear and is reproduced below for facile reference: -

"(2) So long as a civil servant holds the acting charge appointment, a civil servant junior to him shall not be considered for regular promotion but may be appointed on acting charge basis to a higher post."

15/1/23

17. Before deletion of sub rule (2) of the rules, a junior officer to a senior civil servant, so long as he (the senior) holds the acting charge appointment, could not be considered for regular promotion to a higher post. The provisions of Rule 9 of the rules though empowers the Appointing Authority to make appointment of a senior civil servant on acting charge basis but, even after deletion of sub rule (2) of the ibid rules, that will not disentitle a junior officer to be considered for regular promotion to a higher post.

18. Regarding the acting charge appointment, the august Supreme Court of Pakistan has a consistent view that such posts being a stopgap arrangement, could not be a hurdle for promoting the deserving officers on their availability. for regular appointment may not be available in a department. However, all such exigencies are taken care of and regulated by statutory rules. In this respect, Rule 8-A of the Sindh Civil Servants (Appointment, Promotion and Transfer) Rules, 1974, empowers the Competent Authority to appoint a Civil Servant on acting charge and current charge basis. It provides that if a post is required to be filled through promotion and the most senior Civil Servant eligible for promotion does not possess the specific length of service, appointment of eligible officer may be made on acting charge basis after obtaining approval of the appropriate Departmental Promotion Committee/Selection Board. Sub-Rule (4) of the afore-referred Rule 8 further provides that appointment on acting charge basis shall be made for vacancies lasting for more than 6 months and for vacancies likely to last for less than six months. Appointment of an officer of a lower scale on higher post on current charge basis is made as a stop-gap arrangement and should not under any circumstances, last for more than 6 months. This acting charge appointment can neither be construed to be an appointment by promotion on regular basis for any purposes including seniority, nor it confers any vested right for regular appointment. In other words, appointment on current charge basis is purely temporary in nature or stop-gap arrangement, which remains operative for short duration until regular appointment is made against the post. Looking at the scheme of the Sindh Civil Servants Act and Rules framed thereunder, it is crystal clear that there is no scope of appointment of a Civil Servant to a higher grade on OPS basis except resorting to the provisions of Rule 8-A, which provides that in exigencies appointment on acting charge basis can be made, subject to conditions contained in the Rules."

very nature is transitory which is made for a particular period and creates no right in favour of incumbent with lapse of time and the appointing authority may in his discretion if necessary, make ad hoc appointments but it is not open for the authority to disregard the rules relating to the filling of vacancies on regular basis in the prescribed manner. In the case of Tariq Aziz-ud-Din and others: (in re: Human Rights Cases Nos. 8340, 9504-G, 13936-G, 13635-P and 14306-G to 143309-G of 2009) (2010 SCMR 1301), this Court held that in case where the appointing authority is satisfied that no suitable officer is available to fill the post and it is expedient to fill the same, it may appoint to that post on acting charge basis the most senior officer otherwise eligible for promotion in the cadre or service as the case may be. It is the duty and obligation of the competent authority to consider the merit of all the eligible candidates while putting them in juxtaposition to isolate the meritorious amongst them. Expression 'merit' includes limitations prescribed under the law. Discretion is to be exercised according to rational reasons which means that: (a) there be finding of primary facts based on good evidence; and (b) decisions about facts be made for reasons which serve the purposes of statute in an intelligible and reasonable manner. Actions which do not meet these threshold requirements are considered arbitrary and misuse of power [Director Food, N.W.F.P. v. Messrs Madina Flour and General Mills (Pvt.) Ltd. (PLD 2001 SC 1)."

20. Similarly, in 2016 SCMR 2125 titled "Secretary to Government of the Punjab, Communication and Works Department, Lahore and others Versus Muhammad Khalid Usmani and others" the august Supreme Court was pleased to have observed as follows:

"15. As is evident from the tabulation given in the earlier part of this judgment, we have also noted with concern that the respondents had served as Executive Engineers for many years: two of them for 21 years each and the two others for 12 years each. The concept of officiating promotion of a civil servant in terms of rule 13 of the Rules is obviously a stopgap arrangement where posts become available in circumstances specified in Rule 13(i) of the Rules and persons eligible for regular promotion are not available. This is why Rule 13(iii) of the Rules provides that an officiating promotion shall not confer any right of promotion on regular basis and shall

The august Apex Court in paragraphs 20, 21 & 22 ruled as under:

"20. The record produced before us including the working paper produced before the DPC held on 11.08.2008 shows that the sanctioned strength of XENs in the appellant-Department at the relevant time was 151; out of which 112 were working on regular basis and 47 on officiating basis. It is also evident that 39 Executive Engineers' posts were available for regular promotion. This clearly shows that 39 Executive Engineers were working on officiating basis against regular vacancies. We have asked the learned Law Officer to justify such a practice. He has submitted that this modus operandi is adopted by most Government Departments to ensure that corruption and unprofessional conduct is kept under check. We are afraid the justification canvassed before us is not only unsupported by the law or the rules but also lends ample support to the observations made in the Jafar Ali Akhtar's case reproduced above. Further, keeping civil servants on officiating positions for such long periods is clearly violative of the law and the rules. Reference in this regard may usefully be made to Sarwar Ali Khan v. Chief Secretary to Government of Sindh (1994 PLC (CS) 411), Punjab Workers' Welfare Board v. Mehr Din (2007 SCMR 13), Federation of Pakistan v. Amir Zaman Shinwari (2008 SCMR 1138) and Government of Punjab v. Sameena Parveen (2009 SCMR 1).

15/11/22

21. During hearing of these appeals, we have noted with concern that the device of officiating promotion, ad hoc promotion/appointment or temporary appointment etc. is used by Government Departments to keep civil servants under their influence by hanging the proverbial sword of Damocles over their heads (of promotion 'on officiating basis' liable to reversion). This is a constant source of insecurity, uncertainty and anxiety for the concerned civil servants for motives which are all too obvious. Such practices must be seriously discouraged and stopped in the interest of transparency, certainty and predictability, which are hallmarks of a system of good governance. As observed in Zahid Akhtar v. Government of Punjab (PLD 1995 SC 530) "a tamed subservient bureaucracy can neither be helpful to the Government nor it is expected to inspire public confidence in the administration".

22. This issue was earlier examined by this Court in *Federation of Pakistan v. Rais Khan* (1993 SCMR 609) and it was held that "it is common knowledge that in spite of institution of ad hoc appointments unfortunately being deeply entrenched in our service structure and the period of ad hoc service in most cases running into several years like the case of the respondent (8 years' ad hoc service in BPS-17), ad hoc appointees are considered to have hardly any rights as opposed to regular appointees though both types of employees may be entrusted with identical responsibilities and discharging similar duties. Ad hoc appointments belong to the family of "officiating", "temporary" and "until further orders" appointments. In *Jafar Ali Akhtar Yousafzai v. Islamic Republic of Pakistan* (PLD 1970 Quetta 115) it was observed that when continuous officiation is not specifically authorized by any law and the Government/competent authority continues to treat the incumbent of a post as officiating, it is only to retain extra disciplinary powers or for other reasons including those of inefficiency and negligence, e.g. failure on the part of the relevant authorities to make the rules in time, that the prefix "officiating" is continued to be used with the appointment and in some case for years together. And in proper cases, therefore, Courts (at that time Service Tribunals had not been set up) are competent to decide whether for practical purposes and for legal consequences such appointments have permanent character and, when it is so found, to give legal effect to it." In *Pakistan Railways v. Zafarullah* (1997 SCMR 1730), this Court observed that, "appointments on current or acting charge basis are contemplated under the instructions as well as the Rules for a short duration as a stop-gap arrangement in cases where the posts are to be filled by initial appointments. Therefore, continuance of such appointees for a number of years on current or acting charge basis is negation of the spirit of instructions and the rules. It is, therefore, desirable that where appointments on current or acting charge basis are necessary in the public interest, such appointments should not continue indefinitely and every effort should be made to fill posts through regular appointments in shortest possible time."

respondents were allowed and the order, impugned before the Service Tribunal dated 25.08.2008 passed by the Secretary, Communication and Works Department, Government of the Punjab, Lahore, reverting them to their original ranks of Assistant Engineers, was set aside to their extent. As a consequence, all the respondents were deemed to have been promoted as Executive Engineers on regular basis with effect from the respective dates on which they were promoted 'on officiating basis' with all consequential benefits. It was further held that the condition of 'on officiating basis' contained in promotion orders of all the respondents shall stand deleted but it was a case where the persons promoted 'on officiating basis' were duly qualified to be regularly promoted against the promotion posts, therefore, wisdom is derived that in a case, like one in hand, where the persons promoted 'on acting charge basis' did not possess the requisite qualification or other prescribed criteria for promotion, should remain 'on acting charge basis' i.e. that made for stopgap arrangement till their qualifying for their eligibility and suitability for regular promotion or till the availability of the suitable and qualified officers. department seems reluctant to fill the vacancies, (occupied by them 'on acting charge basis') by regular promotion despite availability of suitable and qualified officers.

21. The honourable High Court of Sindh in a case reported as 2019 PLC (CS) 1157 titled "Attaullah Khan Chandio versus Federation of Pakistan through Secretary Establishment and another" observed as under:

"16. Admittedly, the Petitioner was encadred in Police Service of Pakistan on 19.10.2010 and his seniority would be reckoned from that date. We are mindful of the fact that acting charge promotion is virtually a stopgap arrangement, where selection is made pending regular promotion of an officer not available at the relevant time of selection and creates no vested right for promotion against the post held."

(Underlining is ours)

22. Proceeding ahead, Rule 3 of the rules pertains to method of appointment. Sub rule (2) of rule 3 of the rules empowers the department concerned to lay down the method of appointment, qualifications and other conditions applicable to a post in consultation with the Establishment and Administration Department and the Finance Department.

23. While Rule 7 of the rules is regarding appointment by promotion or transfer. Sub rule (3) of rule 7 of the rules states that:

"(3) Persons possessing such qualifications and fulfilling such conditions as laid down for the purpose of promotion or transfer to a post shall be considered by the Departmental Promotion Committee or the Provincial Selection Board for promotion or transfer, as the case may be."

Neither any deficiency of any of the appellants could be pointed out in the replies nor argued before us rather in paragraph 6 of the replies, the eligibility and fitness of the appellants was admitted in unequivocal terms. The only reason which was stated in the replies, the non-availability of the posts because the vacant posts, detailed in the working paper and in the minutes of the DPC, were occupied by the ineligible officers on acting charge basis since 2011 in utter violation of the rules and the method laid down by the department concerned.

25. In a recent judgment reported as 2022 SCMR 448 titled "*Bashir Ahmed Badini, D&SJ, Dera Allah Yar and others Versus Hon'ble Chairman and Member of Administration Committee and Promotion Committee of hon'ble High Court of Balochistan and others*", the august Supreme Court of Pakistan has held as under:

"13. According to Section 8 of the Civil Servants Act, 1973, for proper administration of a service, cadre or post, the appointing authority is required to make out a seniority list of the members, but no vested right is conferred to a particular seniority in such service, cadre or post. The letter of the law further elucidates that seniority in a post, service or cadre to which a civil servant is appointed shall take effect from the date of regular appointment to that post, whereas Section 9 is germane to the promotion which prescribes that a civil servant possessing such minimum qualifications as may be prescribed shall be eligible for promotion to a higher post under the rules for departmental promotion in the service or cadre to which he belongs. However, if it is a Selection Post then promotion shall be granted on the basis of selection on merit and if the post is Non-Selection Post then on the basis of seniority-cum-fitness. A quick look and preview of Rule 8-B of the Civil Servants (Appointment, Promotion and Transfer) Rules, 1973 ('1973 Rules') shows that an Acting Charge Appointment can be made against the posts which are likely to fall vacant for a period of six months or

more which appointment can be made on the recommendations of Departmental Promotion Committee or the Selection Board. The acting charge appointment does not amount to an appointment by promotion on regular basis for any purpose including seniority and also does not confer any vested right for regular promotion to the post held on acting charge basis. Under Rule 18, the method of making Ad-hoc Appointments is available with the procedure that if any post is required to be filled under the Federal Public Service Commission (Function) Rules, 1978, the appointing authority shall forward a requisition to the Commission immediately. However, in exceptional cases ad-hoc appointment may be made for a period of six months or less with prior clearance of the Commission as provided in Rule 19 wherein if the appointing authority considers it to be in public interest to fill a post falling within the purview of Commission urgently pending nomination of a candidate, it may proceed to fill it on ad-hoc basis for a period of six months. The reading of Balochistan Civil Servants Act, 1974 also reveals that the provisions made under Section 8 are similar to that of Civil Servants Act, 1973. Here also in Section 8, it is clarified that the seniority in the post, service or cadre to which a civil servant is promoted shall take effect from the date of regular appointment to that post and the criteria for promotion is also laid down with like prerequisites for the selection post and or non-selection post as provided in Civil Servants Act, 1973. So far as ad-hoc and temporary appointments are concerned, Rules 16 to 18 of Balochistan Civil Servants (Appointment, Promotion and Transfer) Rules, 2009 also enlightened that in case a post is required to be filled through Commission, the Administrative Secretary of the Department shall forward a requisition in the prescribed form to the Commission, however, when an Administrative Department considers it to be in public interest to fill in a post falling within the purview of Commission urgently, it may, pending nomination of a candidate by the Commission, with prior approval of the competent authority, proceed to fill such post on ad-hoc basis for a period not exceeding six months by advertising the same. The Acting Charge appointment is encapsulated under Rule 8 with the rider that appointment on acting charge basis shall neither amount to a promotion on regular basis for any purpose including seniority, nor shall it confer any vested right for regular promotion to the post held on acting charge basis."

26. Last but not the least, it seems quite astonishing that, while negating their own stance that there was no vacancy available so that the appellants could be promoted, the respondents, vide Notification No. SO(E)/IRRI/4-3/DPC/2019/Vol-IX dated 28.03.2022, promoted Engr. Bakhtiar, (only one of the eligible) Graduate Sub-Engineer/Assistant Engineer BS-17 (ACB means acting charge basis); to the post of Assistant Engineer (BS-17) on regular basis. This action of the respondents not only speaks volumes about their malafide but also proves the stance taken by the appellants that they were being discriminated and were not being dealt with equally or in accordance with law.

27. Before parting with the judgment we deemed it appropriate to address a possible question and that is whether the minutes of the meeting of the DPC, deferring the Agenda item-III pertaining to promotion, whereby the appellants were, in a way, ignored from promotion on the pretext discussed hereinabove, could be termed as 'final order' enabling the appellants to file appeal before this Tribunal. In this respect we will refer and derive wisdom from the judgment of the august Supreme Court of Pakistan reported as PLD 1991 SC 226 titled "Dr Sabir Zameer Siddiqui versus Mian Abdul Malik and 4 others". It was found by the honourable Supreme Court that:

(Underlining is ours)

28. We also refer to the judgment of the honourable High Court of Sindh reported as 2000 PLC CS 206 titled "Mian Muhammad Mohsin Raza versus Miss Riffat Shiekh First Senior Civil Judge and others", wherein the honourable High Court of Sindh, while dealing with the term 'final order' observed as under:

"It would not be out of place to mention that appeals before the Service Tribunal are provided by section 4 of the Sindh Service Tribunals Act, 1973, against any "final order". The term "order" cannot be given any restricted connotation and as held in Muhammad Anis Oureshi v. Secretary Ministry of Communication 1986 PLC (C.S.) 664, the word "order" as used in section 4 of the Service Tribunals Act, 1973, is used in a wider sense to include any communication which adversely affects a civil servant."

(Underlining is ours)

For the foregoing reasons, we hold that the minutes of the meeting of the DPC dated 23.06.2021, deferring the Agenda item No.III relating to promotion would amount to depriving/ignoring the appellants from promotion and is thus a communication adversely affecting them, therefore, it would be considered a 'final order' within the meaning of section 4 of the Khyber Pakhtunkhwa Service Tribunal Act, 1974.
