Dr. Abdul Sattar son of Aman Khan hereinafter referred to as the appellant has preferred the instant service appeal under Section 4 of the Khyber Pakhtunkhwa Service Tribunal Act, 1974 against order dated 12/13.07.2012 whereby his departmental appeal against original order dated 13.4.2009, removing the appellant from service, was rejected.</p> <p>3. Brief facts of the case of the appellant are that the appellant was serving as Medical Officer when removed from service vide notification dated 13.4.2009 alongwith other doctors w.e.f. 03.1.2008 on the allegations of wilful absence from duty where-against he preferred departmental appeal which was also rejected by the appellate</p>

authority vide final order dated 13.07.2012 and hence the instant service appeal on 06.08.2012.

4. Learned counsel for the appellant has argued that the appellant was condemned unheard. That proceeding were conducted ex-parte and that the procedure prescribed was not followed during the enquiry proceedings.

5. Learned counsel for the appellant while placing reliance on case law reported as 2008-SCMR-214 (Supreme Court of Pakistan) further argued that penalty was not only harsh but also unwarranted as the appellant was not in a position to attend his duty due to ailment of serious in nature.

6. Learned Senior Government Pleader has argued that the appellant was removed from service on the ground of absence from duty alongwith other doctors vide order order dated 13.04.2009. That absence notice was served on the appellant through home address as well as through newspapers published in Daily Express and Daily Dawn but he failed to resume his duty within 14 days of the publication of the said notice.

7. We have heard arguments of learned counsel for the parties and perused the record.

8. The appellant was proceeded against under Section 3 of the Khyber Pakhtunkhwa Removal from Service (Special Powers) Ordinance, 2000 hereinafter referred to as the Ordinance according to which a person in government or corporation service is to be dismissed,

05.10.16

removed and compulsory retired from service etc. if found guilty by the competent authority after enquiry under Section 5 of the said Ordinance. Before passing any such order the competent authority would be obliged to inform such civil servant by order in writing of the action proposed to be taken with regard to him and the grounds of action apart from affording him a reasonable opportunity of show cause against the proposed action within period specified by the authority. According to Section 5 (4) of the said Ordinance the competent authority may dispense with the enquiry under sub-section (1) if it is in possession of sufficient documentary evidence against the accused, or for reasons to be recorded in writing, it is satisfied that there is no need of holding an enquiry.

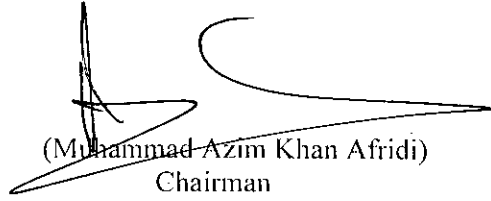

9. In the case in hand no enquiry was conducted as required under Section 3 read with Section 5 of the said Ordinance nor the competent authority had dispensed with the enquiry under the provisions of sub section-4 of Section 5 of the said Ordinance and as such the impugned order of removal of appellant from service dated 13.04.2009 and that of appellate authority dated 13.7.2012 would not hold ground.

10. The appellant has also placed on record certain documents with his claim that he was not absent in the entire period attributed to him, that he was a cardiac patient and as such admitted to hospital and not in a position to perform his duty or proceed on leave after obtaining prior permission. This aspect of the case would certainly require probe through holding enquiry. As such we are constrained to accept the instant appeal set aside the impugned orders referred to above and

05.10.16

reinstate the appellant in service for the purpose of denovo enquiry which shall be conducted by the authority within a period of 2 months from the date of receipt of this judgment. Issue of back/service benefits shall be subject to outcome of the denovo enquiry. In case the enquiry is not conducted and concluded within the period specified above then it shall be deemed that the appellant has been reinstated in service while the period of his absence shall, in such case, be treated as leave of the kind due. Parties are left to bear their own costs. File be consigned to the record room.

Respectfully Sheweth:

1. That on 18.12.1995, appellant was initially appointed as Medical Officer, BPS-17 in Health Department for a period

- of one year or till the availability of Public Service Commission, etc. which reverts earlier as per agreement deed and was then posted at BHU, Opal, Swat. (Copy as annex "A")
2. That on 19.10.2000, appellant, on the recommendation of Public Service Commission, was appointed as Medical Officer BPS-17 on regular basis along with others. His name was placed at S.No.102 of the said appointment order. (Copy as annex "B")
 3. That on 10.03.2005 & 09.10.2005, the medicines mentioned in the lists were brought by Operation Theater Assistant Javed Khan in the last week of Feb, 2005 duly signed by the EDO Health with initial of appellant which was replaced later on Store Keeper of attached drug list. (Copy as annex "C")
 4. That on 22.08.2006, explanation of appellant was called for R.No.4 that on 20.08.2006, victims were brought to Civil Hospital, Karora but you were absent. Medicines & other items were not available in the Hospital. (Copy as annex "D")
 5. That each & every query of R.No.4 was replied with cogent reason which needs worth perusal. (Copy as annex "E")
 6. That on 12.09.2006, the explanation of appellant were not termed upto the standard by R.No.4. (Copy as annex "F")
 7. That on 21.05.2007, R.No.4 wrote letter to appellant to attend meeting personally along with auditable record. (Copy as annex "G")
 8. That on 21.05.2007, statements appeared in Daily Newspapers by showing 48 container full with Foreign Luggage for Earthquake effectees recovered from Industrial Estate closed Karkhana. (Copy as annex "H")
 9. That on 15.09.2007, Akhtar Hussain, Dispenser, Civil Hospital, Karora was designated as Incharge of the Hospital

3

at the place of appellant. Dispenser is of BPS-06 while Medical Officer is of BPS-17. (Copy as annex "I")

10. That on 27.02.2008, appellant was directed to perform his duties in B.H.U. Darmorai till further orders. (Copy as annex "J")
11. That appellant was a Cardiac patient, he went through many invasive procedures like Angiography and Mibi test and finally Bypass Operation (CABAG) at LRH, INOR and Rahman Medical Institute at Peshawar. (Copies as annex "K")
12. That without service of Charge Sheet, Show Cause Notice or Inquiry, appellant was removed from service vide Notification dated 13.04.2009 by R.No.3 along with other doctors with effect from 03.01.2008 at S.No.58 under RSO, 2000. (Copy as annex "L")
13. That after some recovery from the aforesaid illness, appellant attended the office for duty on 06.10.2012 but was told that he has already been removed from service. The impugned order was got from the office on the said date, so submitted appeal before R.No.1 on 20.10.2011 for reinstatement in his service which was rejected /filed on 12/13.07.2012 by him. (Copies as annex "M & N")

Hence this appeal, inter alia, on the following grounds:-

GROUND S:-

- a. That appellant has in his credit neat and clean service spread over 15 years, no benefit of the same was ever extended to him.
- b. That appellant was neither served with any Charge Sheet nor any Inquiry was ever conducted in the matter, so the impugned order is ab-initio void and illegal.
- c. That the impugned order was made with retrospective effect, so is of no legal effect as no administrative order could be effected retrospectively.

- 4
- d. That absence from duty was not willful but was on account of serious illness as first appellant went through Angiography and thereafter did Bypass operation of heart. Which requires complete bed rest.
- e. That at that same time the earthquake was so serious which damaged almost all buildings, roads, infrastructure, etc. and movement was made limited. Appellant never disobeyed any lawful order of the authority. He reached the office well within time. The victims were attended properly but as there was no X-ray machine in the hospital, so being accident victims, some were referred to hospitals where such facilities were available.
- f. That by keeping in view the aforesaid circumstances of the case, the impugned orders are not supported by legal reasons, so are based on malafide as Dispenser of BPS-06 was posted against the post of BPS-17.

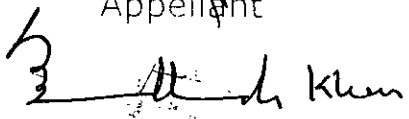

It is, therefore, most humbly prayed that on acceptance of the appeal, the impugned order dated 15.07.2012 of R.No.1 or order dated 13.04.2009 of R.No.2 be set aside and appellant be reinstated into service with all back benefits.

Sir, As you know, 2005 year is misfortune year for our Distt. First in Feb, 2005, the heavy rains & snow fall suffered thousands of people and then the earth quake of 8 October, 2005.

EXPLANATION.

The reply to the subject explanation received on 09/09/2006, is regretted as it is not relevant to what has been asked for. However, the points raised by you are misperceptions of your mind. As for as the donations of drugs are concerned, your hospital has received drugs/ medicines from volunteers, NGOs directly with the permission of this office. However, the medicines received from the National Programme as donation for the Earthquake affectees, have been issued from this office. Your dispenser has probably maintained the record of these medicines but you are not aware being not interested in your duties. The Kits from the UNICEF received by you from Dr. Qayum APO UNICEF, were with the permission of this office.

The medicines are issued from the main store of the District according to the demand and need of the hospital as you are not interested in the public interest, so you are not putting your demand to this office for the issue of drugs.

As for as your meeting with the undersigned is concerned, it is the policy to write an application to the office that you want to meet with the undersigned on such date and time on the basis which permission will be granted from this office. However, this office has called for a counseling vide this office No. 731/EDO(H) dated 27/02/2006, but you have failed to comply with.

(Cont--2--)

Your pay has been stopped with the directions of the District & Session Judge Shangla, which will be released as and when the directions for the release are received from the concern. The entry of the adverse remarks is not a threat but is based on your performance, which this office has communicated to you from time to time.

CARDIAC SCANNING (Tc99m MIBI STRESS REST)

Patient Name: **DR. ABDUL SATTAR** Sex / Age: **M / 47**
Reg/No: **NM-134 / 09** Dated: **21-10-09**
Study: **MIBI SCAN** Diagnosis:
Ref. By:

INDICATION: Assessment of Chest Pain

PROTOCOL: STRESS/REST ONE DAY PROTOCOL

PROCEDURE:
The patient performed treadmill exercise using Bruce protocol, completing 8 minutes (Bruce Stage-IV) and completing an estimated workload of 13.1 METS. The heart rate was 97 beats per minute at baseline and increased to 173 beats at peak exercise, which was 102% of maximum predicted heart rate. The blood pressure response to exercise was hypertensive. The patient developed fatigue. The resting electrocardiogram demonstrated T wave inversion in infero-lateral leads.
The patient was injected with 8 mCi of Tc^{99m} MIBI at end of exercise and exercise was continued later on for one minute. Cardiac SPECT imaging done 30 minutes after tracer injection. Rest imaging was done with 25mCi of Tc^{99m} MIBI.

E.T.T FINDINGS:
Resting ECG is within normal limits.
Exercise shows >2mm ST-depression in V-4 to V-6

SCAN FINDINGS:
The overall quality of the study is very good.
Left ventricular cavity is noted to be normal on the rest and stress studies. There is no evidence of abnormal lung activity. Additionally, the right ventricle is normal.
A large area of severe/absent tracer uptake is seen in the inferior wall in stress images that does not show reperfusion in the resting images. Another area of severely reduced tracer uptake is seen in the inferolateral wall reaching to the apex in stress images that shows complete reperfusion in resting images.

GATED IMAGES: Global hypokinesia and inferior wall akinesia
EDV = 136ml, ESV = 97ml, EF = 28%

IMPRESSION:
Myocardial Perfusion Scan Findings are Consistent with:
• Large area of scar in the inferior wall
• Medium sized area of reversible ischemia in the inferolateral wall.

20-10-11

BEFORE THE HONOURABLE CHIEF MINISTER, KHYBER
PAKHTUNKHWA.

Subject: **APPEAL FOR RE-INSTATEMENT IN SERVICE.**

Respected Sir,

It is submitted that I joined Health Department as Medical Officer (BS-17) on contract basis on 18.12.1995 (Annex-I) and posted in BHU Opal, District Swat. I appeared before the Khyber Pakhtunkhwa Public Service Commission and I was recommended for appointment as Medical Officer (BS-17) on regular basis vide DG Health Service Office Order 19.10.2000 (**Annex-II**) and posted as Medical Officer in Civil Hospital Karora, District Shangla. Since my first appointment as Medical Officer in Health I was performing my duties in each and every with the entire stratification of my superior. There was no complaint from any quarter till the demolition of Civil Hospital, Karora.

2. It is added here that during the devastating earthquake, building of the Civil Hospital alongwith other Govt. and private buildings received damages and the building was risky for further inhabitation. It was decided to demolish the building and construct new building for the Hospital. A German firm (CUP) took the responsibility of reconstruction of the Hospital and all of sudden I was directed to perform duties in BHU Damorai vide EDO(Health) vide Office Order dated 27.2.2008 (**Annex-III**). Pursuant to orders of the EDO (Health) I was performing duties over there though the BHU was not with the Provincial Government but was under the administrative control of Red Crescent and one Dr. Irshad was looking after the affairs of the BHU. Despite my posting to the BHU, Damorali, the EDO (H) Shangla issued another office order, wherein my performance in Civil Hospital Karora was shown unsatisfactory and one Mr. Akhtar Hussain, Dispenser was declared incharge of the Hospital vide order dated 15.09.2007 (**Annex-IV**). This was first time in the history of health that subordinate official is declared incharge of a Civil Hospital despite the fact that I was detailed to perform duties in BHU Damorai.

3. Office Order of EDO (Health) Shangla referred to in Annex-IV, put me in hypertension which later-on converted in heart disease and I gone through many invasive procedures and finally ended on by-pass (CABG) **(Medical reports and investigation reports attached)**.
4. There were certain reasons for this act, some of which later on came to my knowledge were that:-
- i) On agitating the issue of non provision of emergency medicines and other valuable relief goods which were sanctioned for the emergency caused due to heavy rains and snow falls in the vicinity in Feb, 2005 and devastating earth quake of October 2005 provided by the various donors agencies. Which was later-on reported in the press (Press clipping attached).
 - ii) Secondly the issue of demolition and auction of various buildings of the Health Institutions falling in my jurisdiction and thereafter auctioning.
 - iii) Direction issued by the undersigned to Mr. Akhtar Hussain, Dispenser who was declared incharge of the Civil Hospital, Karora to updating record of the medicine etc which were transferred to the office of EDO(Health) (Copy of my letter is attached).
5. Meanwhile, the EDO(Health) reported my wilful absence to the competent authority, though I was performing my duties at BHU Damorai. On complaint of the EDO(H) I was removed from service with others who were actually not performing their duties and thus I received great shock; and I become seriously ill and remained under treatment of the Cardiologist of AMC, INOR and Prof. Dr. Hafeezullah, Cardiologist, LRH, Peshawar where I did my ANGIOGRAPHY. Besides, that my heart was there and I compelled to do by-pass operation and thus I did it in the RMI, Peshawar. Subsequently the entire Swat valley falls in the hand of Militants and for the reason above; I could not be able to pursue my case for re-instatement in service.

6. In view of the foregoing submission, it is fact that my present appeal is not within time, but it was beyond my approach to file departmental within time as per provision in the appeal rules. Therefore, I requested your kind honour to kindly condone the delay and accept my appeal and re-instate me in service and the intervening period may kindly be considered as leave without pay. I also requested that I may kindly be heard in person.

I will pray your long life.

Yours faithfully

(Dr. Abdul Sattar)

Civil Hospital, Karora, Shangla.
