—

Radiographer in (BPS-09) with 1/3rd post which is the domain of Finance Department. Finance Department Khyber Pakhtunkhwa may, however, confirm as to whether the notification No.F.4-78/85-MP-II dated 01st March, 1988 issued by Government of Pakistan, Ministry of Health, Special Education and Social Welfare (Health Division), Islamabad has been adopted by the Finance Department, Khyber Pakhtunkhwa or otherwise.

11

of Khyber Pakhtunkhwa Civil Servants Act, 1973, therefore, Health Department may determine the seniority list of both the cadres at their own level accordingly.

(Copy of the reply dated 02.08.2022 is annexed as annexure "AA").

28. That, the Khyber Pakhtunkhwa Civil Servant Act, 1973 is very much clear on the subject regarding seniority.

(Copy of the Khyber Pakhtunkhwa Civil Servant Act, 1973 is annexed as annexure "BB").

29. That, the appellant being aggrieved submitted departmental appeal with the respondents' department upon which the comments were sought which favours the contention of the appellant but despite that fact, neither the fate of the appeal of the appellant was decided by the respondents' department nor the grievances of the appellant were redressed.

30. That, the appellant being aggrieved filed a Writ Petition before Honourable Peshawar High Court, Bench Abbottabad and the Honourable Court vide order dated 08.02.2023 directed the respondent No.1 to decide the appeal of the appellant within two (02) months after receipt of the order of this Court.

(Attested copy of the order dated 08.02.2023 is annexed as annexure "DD").

31. That, after the order passed by this Honourable court, respondents straightaway dismissed the departmental appeal filed by the appellant vide impugned order dated 28.03.2023.

(Copy of the order dated 28.03.2023 is annexed as annexure "EE").

32. That, the appellant feeling himself aggrieved by the impugned acts of the respondents approached the Honourable Peshawar High Court, Bench Abbottabad by way of Writ Petition bearing No.474 of 2023 and the Honourable Court was pleased to transmit the Writ Petition to this

13
—

Honourable Tribunal vide its order dated 07.11.2023.

(Attested copies of the Writ Petition alongwith order dated 07.11.2023 are annexed as annexure "FF").

33. That, the appellant being aggrieved from the impugned actions/in-actions of the respondents seeks the gracious indulgence of this Honourable Tribunal by way of instant Service Appeal, inter alia, on the following:-

GROUND

- i. That, the appellant being senior most is entitled for the promotion as mentioned in the heading of the instant appeal but non-promotion of the appellant by the respondents is wrong, illegal, against the law and facts, arbitrary, fanciful, perverse, against the relevant law, rules and regulations as well as notification by the respondents hence the same is not maintainable in the eyes of law .

- ii. That, admittedly the appellant was appointed in the respondents' department during the year 1988 and the appellant served the respondents' department with great zeal and zest and given his golden period of life to the respondents' department hence keeping in view the long service of the appellant, the appellant is senior most candidates.
- iii. That, long standing service of the appellant accrues legal, legitimate and valid right in favour of the appellant for the purpose of promotion and the relevant law, rules and regulations on the subject clearly supports the contentions of the appellant regarding his promotion.
- iv. That, it is also an admitted position that the respondents issued notification dated 01.03.1988 whereas in view of the said notification, same like employees have been compensated by giving them promotion whereas in case of the appellant, the same treatment has been refused hence the appellant has been discriminated with by the

respondents in a sheer malafide manner.

- v. That, no legal, valid or justified reasons have been given by the respondents regarding refusal to the promotion by the respondents whereas the appellant is at par with the employee who has been given the benefit of the notification dated 01.03.1988 but non-treating the appellant alike similarly placed employees does not appeal to a prudent mind rather smacks malafide on the part of the respondents.

(Copy of the record regarding promotion of juniors than the appellant are annexed as annexure "GG").

- vi. That, as per law, when any notification has been issued, the same has been implemented in its true letter and spirit to all the employees of the department and no employee can be deprived from his legal, valid or legitimate right but in the instant case, the respondents have decorated their blue eyed chaps

whereas the appellant has been left over by the respondents.

vii. That, the appellant is running from pillar to post from a considerable time but despite hectic efforts, the appellant has been made rolling stone by the respondents in a sheer malafide manner and legal right of the appellant is being infringed by the respondents in a sheer malafide manner.

viii. That, as the appellant has not been given the benefit of notification dated 01.03.1988 due to this reason, the appellant has been made juniors than the employees who were appointed much after the appellant which is also a height of injustice with the appellant.

ix. That, the seniority lists so prepared by the respondents is also in sheer violation of the relevant law, rules and regulations as well as notifications issued by the respondents themselves whereas the respondents were duty bound to compile/prepare the seniority list in accordance with relevant law, rules,

regulations as well as notification on the subject but the acts of the respondents clearly comes within the ambit of resile from the relevant law, rules, regulations as well as notification making the impugned seniority lists as nullity in the eyes of law.

x. That, the appellant has also filed department appeals with the respondents' department upon which the comments were also called from different officers/ departments and the said comments also favours the contention of the appellant but despite that fact, the respondents have not decided the fate of the appeals of the appellant nor redressed the genuine grievances of the appellant.

xi. That, the Ministry of Health, Special Education and Social Welfare (Health Division) Government of Pakistan in its letter dated 01st March, 1988 removed the anomaly in scales of X-ray Technicians and Radiographers and granted BPS-09 to both the cadres. The said letter was

communicated to Accountant General Peshawar besides others. The said rectification was required to be implemented by the health Department Khyber Pakhtunkhwa as well as but was not implemented whereas the implementation of the said letter was the responsibility of the respondents' department but for the reasons best known to them, the respondents have not implemented the same.

- xii. That, after restructuring of paramedics in 2006, Radiographers and X-ray Technicians were given the same scale (BPS-09), however, Radiographers were placed at the bottom in the seniority list of CT Radiology even those radiographers i.e. appellant who was appointed much earlier than the X-ray Technicians hence the relevant law, rules, regulations as well as notification have blatantly been violated by the respondents.
- xii. That, as per true letter and spirit of Khyber Pakhtunkhwa Civil Servant Act, seniority of Civil servants shall be reckoned from dates of initial

appointment and the respondents' department is bound to rectify its uncertain wrongs done to Civil servants/appellant and there is no limitation or bar upon department as per ruling of government of NWFP (KPK) Law Department.

- xiii. That, another glaring aspect of the instant case is that some of the radiographers filed a Writ Petition in Honourable Peshawar High Court for redressal of their grievances and the Honourable Peshawar high Court directed the Health Department to reckon the seniority from dates of their initial appointment. Consequently Health Department vide letter dated 18.01.2012, directed the Director General Health Services Khyber Pakhtunkhwa to implement the court judgment in future when preparing working papers for seniority lists for upgradation. In para No.(ii), sub para (ii) of health Department letter dated 03.05.2013, addressed to Director General Health Khyber Pakhtunkhwa envisaged consideration of promotion cases of paramedics on seniority list prior to

15.01.2002 but radiographers have been unlawfully and illegally deprived of the same.

xiv. That, the impugned actions/inactions of the respondents offends all norms of justice, fair play, equity, good conscious and also comes within the ambit of sheer violation of the fundamental rights of the appellant hence the interference of this Honourable Court is being solicited.

xiii. That, the powers or jurisdiction are vested in an authority to exercise it justly, fairly, honestly, judiciously and in accordance with law, rules and regulations whereas the respondents have transgressed upon their powers while dealing with the matter in hand.

xv. That, it is an inalienable right of the appellant to enjoy the protection of law and to be treated in accordance with law, rules and regulations on the subject whereas such right of the appellant is being infringed by the respondents in a sheer malafide manner.

21
~

xvi. That, keeping in view the peculiar facts and circumstance of the case, notification dated 01.03.1988 is applicable to the case of the appellant but the respondent No.1 while dismissing the departmental appeal have wrongly and illegally declared the same as not applicable to the appellant which shows that the respondent No.1 decided the matter in hand in hap hazard and haste off manner.

.....PRAYER.....

It is, therefore, most humbly prayed that on acceptance of the instant Service Appeal, the respondents may please be directed to rectify/modify the seniority list prepared/compiled for X-ray Technician by placing the names of the appellant at correct/proper position according to their service keeping in view the relevant law, rules and regulations on the subject and also to promote the appellant from BPS-9 to BPS-12 w.e.f. 20.04.2010, from BPS-12 to BPS-17 w.e.f. 19.08.2013 and from BPS-17 to

22
—

BPS-18 w.e.f. 28.09.2021 and the appellant may also please be held entitled for the relevant benefits keeping in view the relevant law, rules and regulations as well as notification on the subject or any other order or relief as this Honourable Tribunal deems fit and appropriate in the circumstances of the case, may also be issued/passed.

2. That on promulgation of the N.W.F.P. Civil Services, Pay Revision Rules, 1978, the post of Radiographers and X-Ray Technician were placed in BPS-6 subsequently in the year 1983 the post of X-Ray Technician was upgraded to BPS-9. (Annexure "A").
3. That as per Service Rules, the prescribed academic and professional qualification, training period for the post of Radiographers and X-Ray Technician are equivalent and they are performing the same functions as per their job description. (Annexure "B").
4. That the anomaly in pay scale was seriously realized by the Head of the Institutions and they referred the matter to the respondent No.3 for removal of disparity among the employees performing similar functions. It was also suggested that X-Ray Technician and Radiographers be treated at par in pay and other prospectus of service. (Annexure "C").
5. That the Administrative Department referred the matter to the Finance Department for advice and decision on 15-01-1995. The respondent No.4 made observations and certain information regarding qualification of the Radiographers was sought which was accordingly provided by the Administrative Department. Ever since the matter is lying pending in the office of the respondent No.4 without any tangible result (Annex "D"). The respondent No.4 however promptly pursuing the case, but to utter dismay of the petitioners that respondent No.4 made no move to finalize the issue. Now it is beyond the reach of the petitioners to awake the respondent from his deep slumber.

6. That it is pertinent to mention that Government of Pakistan Ministry of Health, Social Education allowed (B.P.S-9) to the X-Ray Technician and Radiographers with 1/3rd posts in selection grade (BPS-11) w.e.f. 26-01-1988. Thus both category of employees are treated at par with the approval of the Finance Department while the same benefit is being denied to the petitioners. (Annexure "E").
7. That since the respondents have confirmed in their references that Radiographers and X-Ray Technicians are the same, their basic qualification, training tenure, examination and job descriptions are identical, therefore, the authorities left with no other option to consider the case of the petitioners with sympathetic out look as most of them were at the verge of retirement.
8. That the respondents bitterly ignored the provisions of Article 3 of the Constitution wherein it is envisaged that the state shall ensure the elimination of all forms of exploitation and the gradual fulfilment of the fundamental principle, from each according to his ability to each according to his work.
9. That the petitioners with series of representations (Annexure "F") constantly and vigorously pursued their case with the concerned authorities. The case remained in process between the respondents right from 2005 to date but there was no end to the continuous observations raised by the respondent No.4 from time to time without any positive result. As the petitioners are drawing near

to their retirement and they are victim of discrimination, therefore, they respectfully approaches this Hon'ble Court and hope court would be gracious enough to remove the disparity among the employees of the same category following the principle of policy of the Constitution Article 38(a)(e)

- 10. That the petitioners have not been treated according to Article 4 and 25 of the Constitution. They have been deprived of the pay and status due to lethargic attitude of the respondents for which they were legally entitled.

In view of the facts and circumstances of the case, it is humbly prayed that in the interest of justice, equity and good conscience the respondents may kindly be directed to finalize the upgradation case of the petitioners in order to bring them at par with the X-Ray Technicians on priority basis.

Any other relief which this Hon'ble Court deems appropriate in the circumstances of the case may also be granted to the petitioners.
