Subject: DEPARTMENTAL ENQUIRY REPORT

Memo:

Kindly refer your good self Office Diary No. 011/PA, dated 04-02-2023 (attached in original).

Background:

The above memo inquiry was marked to the under signed to dig out the actual facts about the role of Incharge Main Gate No.1 IIC Ilyas No. 2723/FRP in the aftermath of miserably failing to check and stop the entry of suspect suicide bomber into the Main Gate No. 1 at Police Lines on dated 30-04-2023; which resulted in the loss of more than 80 police officers/ officials as envisaged in Charge Sheet issued to him vide the above quoted Memo.

During the course of enquiry, the concerned official was called to the office and was heard patiently. He also submitted written reply to the Charge Sheet and was cross questioned.

Statement of Alleged official:

IIC Ilyas No. 2723 FRP stated in his written statement that he was deputed as Incharge Gate No.1 on the eventful day along with 11 others for the last 6/7 months. He performed his duty from 08 AM to 08 PM. He further stated that he left no one without search and entries to Police Lines is allowed after due verification. In his statement, he narrated that they had performed their duties honestly.

Critical Analysis of Statement:

During the cross questioning, he admitted that uniformed personnel were not checked on the day of occurrence and he was focusing only on vehicles entering there. The above version of the part of Incharge suggests that he was unaware of the personnel entering through the gate without search. The suicide entered through the gate as shown in the video which was analyzed for enquiry of the police contingent. As observer, one cannot rely on his statement as it was the entry point where the suspect could be stopped or otherwise the damage could be minimized.

Findings:

Keeping in view the above position of alleged official as well the cross questions faced by him during enquiry, it has been established that IIC Ilyas No. 2723 FRP badly failed to engage his men properly for search duties. It also reflected his weak supervision.

Conclusion:

In the bottom lines of enquiry, I am of the view that IIC Ilyas No. 2723 FRP has been found guilty in the matter.
