RESPECTFULLY SHEWETH

FACTS

1. That the few post of Sub-Engineer BPS-11 and were advertised in the Agriculture, Live Stock and Coop: Department, Peshawar in the local Daily's. the appellant being eligible applied for the post of Sub-Engineer (Agriculture) (BPS-11 now in BPS-16), appeared in the test and interview and qualified the same. Thereafter in the recommendation of the DSC, the appellant was appointed as Sub-Engineer in the Agriculture, Live Stock and Coop: Department, Peshawar on contract basis vide office dated 31.12.2004. (copy of order dated 31.12.2004 is attached as Annexure-A).
2. That it is pertinent to mentioned here that the larger bench of the Supreme Court of Pakistan in CP .Nos 134-PTO 138-P of re-opened all the court cases decided by the High Court as well as Supreme Court of Pakistan and delivered its own new judgment on 24-02-2016 with the following remarks.
  - a. The NWPP (now kpk) Employees (Regularization of services) Act, 2009 clearly provides for the regularization of the employees.
  - b. The non-obstante clause in section 4A of 2009 Act expressly excludes the application of any other law and declares that the provisions of this Act will have overriding effect, being a special enactment. in this

background, The causes of respondents squarely fall within the ambit of the Act and their services were mandated to be regularized by the provisions of the Act 2009.

- c. The OFWM project was brought on the regular side in 2006 and the respondents were appointed on contract basis and were in employment /service for several years and the project on which they were appointed ,have also been taken on the regular budget of the government, therefore, their status as project employees has ended once their services were transferred to different attached government departments, in terms of section 3 of 2009 act. The government of KPK was also obliged to treat the respondents at par, as it cannot adopt a policy of cherry picking to regularize the employees of certain projects while terminating the services of other similarly placed employees.
3. That the service of the appellant along with other colleagues were regularized w.e.from date mentioned against each official in light of Larger Bench Judgment of Supreme Court of Pakistan under the regularization ACT 2009 vide notification dated 30/11/2016. (copy regularization act 2009 and regularization order is attached as annexure-B & C).
4. That the department issued Seniority list in 2018, 2019 , 2021, 2022 which is correct as per section 4 of the Regularization Act-2009 and the same was remained undisputed. As per section 4 of the regularization act 2009 the seniority will be determined in manner following below:

*“The seniority interse of the employees, whose services are regularized under this Act within the same service or cadre, shall be determined on the basis of their continuous officiation in such service or cadre.”*

*“Provided that if the date of continuous officiation in the case of two or more employees is the same, the employee older in age shall rank senior to the younger one.”*

**Copy of the seniority lists are attached as annexure-D, E, F & G.**

5. That the department issued tentative seniority list dated 21 Feb 2023 which is against the Section-4 of the Regularization Act 2009 which was properly objected on time by the appellant but the deptt not response to

objections and kept himself mum on objections. **Copy of tentative list and objection are attached as annexure-H & I.**

- 6. That the respondent department issued impugned final seniority list notified on 14/06/2023 received by the appellant on 02/08/2023 which is not according to judgment of Large Bench of Supreme of Pakistan i.e section-4 of the Regularization Act 2009. So the appellant aggrieved from the seniority list file departmental appeal on 10/08/2023 against the same, which was not responded in the statutory period of ninety days. **(Copy of impugned seniority list and departmental appeal as annexure-J & K)**
- 7. That the respondent come to this august tribunal on the following grounds amongst others.

**GROUND**

- A. That not responding Departmental appeal with in statutory period of 90 days and the impugned seniority list is against the law, illegal, unlawful, without and lawful authority, thus calling interference of this learned tribunal.
- B. That the impugned seniority list is against the norms of service law and principles of natural justice and dictums of the apex courts.
- C. That the impugned seniority list is the worst example of favoritism, nepotism and colorful exercise of powers which is not warranted under law.
- D. That according to judgment of Larger Bench of Supreme Court of Pakistan held that "section 4A of 2009 Act Overriding effect "of this Act expressly excludes the application of any other law and declares that the provisions of this Act will have overriding effect, being a special enactment.in this background, the causes of respondents squarely fall within the ambit of the Act and their services were mandated to be regularized by the provisions of the Act 2009. But the impugned seniority list was not issued according to the section-4 of regularization Act 2009, which is against the law and rules and subject to correction of this Hon'able Tribunal.
- E. That the impugned seniority list is declared unlawful and not according to judgment of Larger Bench of Supreme Court of Pakistan i.e Act 2009

by respondent which clearly shows that the impugned seniority list is not according to Regularization Act 2009.

F. That the appellant is senior in age and continuous officiation but the appellant was shown junior, the impugned seniority list is against the law and rules.

G. That as per section 4 of the regularization act 2009 the seniority will be determined in manner following below:

*"The seniority interse of the employees, whose services are regularized under this Act within the same service or cadre, shall be determined on the basis of their continuous officiation in such service or cadre."*

*"Provided that if the date of continuous officiation in the case of two or more employees is the same, the employee older in age shall rank senior to the younger one."*

H. That according to Section-8 of the Civil Servant Act 1973 and section-17 of APT Rules 1989, it is the legal right of every civil servant to properly placed in seniority list according to his seniority position, but the same benefits was not extended to the respondent which is the violation of law and rules.

I. That some colleagues of the appellant junior in age and officiation from the appellant but placed senior to the appellant in violation of Sec-4 of the Regularization Act 2009. Which needs correction.

J. That according to Section-8 of the Civil Servant Act 1973 and section-17 of APT Rules 1989, it is the legal right of every civil servant to properly placed in seniority list according to his seniority position, but the same benefits was not extended to the respondent which is the violation of law and rules.

K. That the respondent was not treated according to the law and rules and has been deprived from his legal right of seniority in arbitrary manner without fault on his part.

L. That the appellant seeks permission to advance other grounds amongst others.

It is therefore most humbly prayed that the appeal of the appellant may be accepted as prayed for.

Subject: Request for Correction in the Seniority List.

76

R/Sir,

We the Sub- Engineers would like to bring to your attention the issue of the Seniority List which has recently been formulated on dated 21st Feb, 2023.

It is further added in your kind honour that wrong interpretation of (Act 2009 Actual Date of Appointment) is made in the given seniority list due to which Seniority of Sub Engineers is a badly affected.

Earlier to this, the former Seniority list was framed according to law which was based on (date of joining + age + Length of Service).

And the Secretary Agriculture, vide Notification No; SOE(AD)/17-131/2004 dated 30-11-2016 issued orders that Seniority will be awarded according to the Date of Appointment. Copy of the same is attached for your kind perusal.

It is to add that Secretary Agriculture according to Notification No; SOE(AD)/17-131/2004 dated 30-11-2016 issued orders for surplus Pool. And according to "date of Appointment" we got adjusted in water management deptt, letter No; 4558/DG/OFWM dated 19-12-2017.

Honorable Director General on farm Water Management Deptt, In light of the aforementioned Situation, we humbly request you that Seniority should be granted to us on the basis the of (Date of Arrival + age + Length of service). In the event that we are not given our due right, we would have no other option but to knock at the door of court.

Thanks and Regards.

Yours truly,

1. Masood Khan Sub Engineer O.F.W.M Bannu.

2. Kifayat Ullah Khan Sub Engineer O.F.W.M Bannu.

3. Waheed Ullah Khan Sub Engineer O.F.W.M Bannu.

Court of Pakistan held that "section 4A of 2009 Act Overriding effect "of this Act expressly excludes the application of any other law and declares that the provisions of this Act will have overriding effect, being a special enactment. In this background, the causes of respondents squarely fall within the ambit of the Act and their services were mandated to be regularized by the provisions of the Act 2009. But the impugned seniority list was not issued according to the regularization Act 2009, which is against the law and rules and subject to correction of this Hon'able Tribunal.

- F. That according to Section-8 of the Civil Servant Act 1973 and section-17 of APT Rules 1989, it is the legal right of every civil servant to be properly placed in seniority list according to his seniority position, but the same benefits were not extended to the respondent which is the violation of law and rules.
- G. That some colleagues of the appellant junior in age and officiation from the appellant but placed senior to the appellant in violation of Sec-4 of the Regularization Act 2009. Which needs correction

It is, therefore, most humbly prayed that the impugned seniority list may be set aside and the seniority list may be prepared as per law and rules and placed the appellant on his right position in the seniority list as per S-4 of regularization Act 2009 from the date of officiation.
