Likewise from the same firing one Humid Raza sustained firearm injury on his wrist/arm.
- 5) The entire prosecution case hinges upon; ocular evidence furnished by PW-13 who is complainant/injured and Abdul Hameed PW-11 the eye witness, medical evidence furnished by PW-9 & PW-14, evidence of recovery of crime empties furnished by PW-16, recovery of blood stained articles coupled with FSL report, recovery of weapon of offence i.e. rifle 222 loaded with magazine having 3 live cartridges Ex PA/2 and motive for the occurrence as stated by PW -13.
- 6) The facts regarding cause of death of deceased, the time and venue of occurrence as reported in the case are proved through medical evidence and evidence regarding collection of blood stained earth from the reported place of deceased with their blood stained garments coupled with FSL report Ex.PY speaking that all these articles were stained with human blood of the same group. These facts have not been challenged by the defence, therefore, evidence

regarding these facts is not needed to be discussed in detail and it stands proved on record that deceased *Muhammad Haroon* and *Riayat Ali* were done to death through firearm shots and *Hamid Raza* sustained firearm injury in the occurrence taken place on 01/06/2012 at about 2100 hours at the reported place of village *Morklan*.

7) As far as the prosecution charge for commission of reported offence against the accused facing trial is concerned, the prosecution is heavily relying on the ocular testimony furnished by eyewitness of the occurrence i.e. the complainant (PW- 13) and PW-11 as direct evidence of charge while motive behind the occurrence, recovery of blood stained earth and garments of the deceased, crime empties, recovery of weapon of offence and medical evidence as corroborative pieces of evidence. The accused facing trial have been charged in this case in the manner that on the given date and time they committed offence of murder by killing the deceased through firing made by *Waseem Anwar* on the command of *Mst. Kausar Bano* while the other co-accused *Zeeshan Anwar* supported and assisted him and also inflicted blows to injured with hockey, who being juvenile has been tried separately.

8) As per FIR, two eyewitnesses were introduced in the case who were examined as PW-11 and PW-13. These witnesses in their statement before the court gave ocular account of occurrence but their evidence is not believable, for the reason that both the witnesses have contradicted each other on material points and their statements are neither consistent nor corroborated by each other. Perusal of the statements of complainant (PW-13) and *Abdul Hameed* (PW-11) reveal that in his statement, PW-11 has not only failed to mention date, time and place of occurrence but also given the number of Jirga members as 4/5 persons. Likewise, according to this PW accused facing trial *Waseem Anwar* asked co-accused *Mst. Kausar Bano* to bring his riffle from the house and she asked him to kill all the

persons whereupon accused *Waseem Anwar* fired four shots. In sharp contrast to him, complainant as PW-13 stated that the occurrence took place at *Maghrib Vela* when on exchange of harsh words between the parties *Mst. Kausar Bano* raised a *Lalkara* and by handing over rifle to *Waseem Anwar* asked him to kill all the persons. Similarly, according to PW-11, first bullet hit *Hamid Raza* whereafter *Malik Haroon* ran towards *Waseem Anwar* and requested him not to fire, he would resolve the dispute in the name of *Allah* but accused fired at him from close range hitting him on his face as result whereof he died at the spot, while third fire shot hit his nephew *Riayasad*. Whereas contradicting him, complainant (PW-13) stated that first bullet hit *Haroon* and he died at the spot, second bullet hit *Riasat* and then *Hamid Raza* received bullet injury on his arm. Likewise, in his cross examination PW-11 stated in clear terms that the occurrence took place at *Shaam Vela* and denied the occurrence to have taken place at 2100 hours and thus negated the version of FIR wherein the time of occurrence has specifically been mentioned as 2100 hours. It is noteworthy that as per record, the FIR Ex PA was lodged on the basis of *Murasila* incorporated by Sajjad IHC at ATH, *Abbottabad*, where the matter was reported by complainant *Faisal Raza* in Emergency Ward but surprisingly PW-11 during his cross examination deposed that it was he who lodged the report to police at the spot and his statement was also recorded there, which are glaring and material contradictions in the evidence of both the ocular witnesses. It merits mention here that the statement of the eye witness (PW-11) was recorded by the police after lapse of about 04 days of the occurrence without any plausible explanation on record, which delay renders his reliability doubtful. No doubt, in a criminal case conviction of accused can be based on the statement of solitary witness even without corroboration but the condition is that the witness should be absolutely dependable. Applying this principle of appreciation of evidence in the instant case, it transpires that the evidence of complainant and eyewitness (PW-11) cannot attain that high standard on which conviction can safely be based on their testimony. Moreover, admittedly there is a cross FIR registered by

accused facing trial *Waseem Anwar* charging therein the present complainant and eyewitness along with others for criminally trespassing into the house of accused *Waseem Anwar* and attempt at their lives which fact has frankly been admitted by the eyewitness (PW-11) in the following manner:

"It is correct that we all were also charged for criminally trespassing into the house of Waseem Anwar and giving stick blows to Samina Kosar and breaking the household articles."

9) No doubt the prosecution also introduced one *Abdul Qayyum* as eyewitness and recorded his statement as PW-12 but his statement is of no help to the prosecution because this witness has neither mentioned date, time or place of occurrence nor narrated any facts reasonably connecting the accused facing trial with the commission of offence as according to him he on hearing fire shots decamped from the spot and didn't know what happened thereafter.

10) Admittedly, the occurrence took place during night time. None of the eyewitnesses mentioned the source of light at spot in the FIR or statement recorded under Section 161 Cr.P.C. Similarly, no source of light was mentioned in the site plan nor any bulb was taken into custody but the IO but later on while appearing before the Court, the eyewitnesses introduced the presence of emergency light at the spot of occurrence, which is a glaring improvement.

11) In the present case, the prosecution has failed to produce any witness to support and corroborate the complainant on the ocular side of the occurrence. The alleged eyewitness of the occurrence has contradicted the complainant on material aspects of the case. In such circumstances, the testimony of only the complainant cannot be held sufficient for the proof of the prosecution case.

DISTRICT & SESSION JUDGE
22/02/16

12) As per the prosecution case, one crime empty of 222 bore was recovered from the spot. But even if this recovery is taken as proved

12

25

mechanical manner and did nothing towards proper investigation of the case. As such, the present case was badly handled by the local police as well as the investigation officer.

P-21

15) In view of the above facts this Court is of the view that story of the prosecution is highly doubtful and it is not safe to base conviction of accused on such evidence. For giving benefit of doubt it is not necessary that there should be many circumstances creating doubts. A single circumstance creating reasonable doubt in a prudent mind about the guilt of accused makes him entitled to its benefit, not as a matter of grace and concession, but as a matter of right and there are more than one such doubts in the present case. Where evidence creates doubt about truthfulness of prosecution story, its benefit has to be given to the accused without any reservation. Drawn wisdom from the following rulings of apex court and august Peshawar High Court:

- i) 1995 SCMR 1730
- ii) 1997 SCMR 25
- iii) 2009 SCMR 230
- iv) PLD 2004 Peshawar 299
- v) 2012 MLD 441 (Peshawar)

16) For the reasons stated herein above, it is safely concluded that the prosecution has miserably failed to prove its case against the accused facing trial beyond shadow of doubt, benefit of which would definitely go in favour of accused facing trial. Therefore, by extending benefit of doubt the accused facing trial *Waseem Anwar S/o Haji Anwar Javed and Mst. Kausar Bano widow of Haji Anwar Javed residents of Morklan, Tehsil & District Abbottabad* are acquitted of the charges leveled against them in case FIR No. 552 dated 01/06/2012 U/S 302/324/ 337F(v)/34 PPC police station *Mirpur, Abbottabad*. *Mst. Kausar Bano* is on bail, her bail bonds stands cancelled and the sureties are absolved from the liabilities of bail bonds. Accused *Waseem Anwar* is in custody, be released forthwith if not required in any other crime. The case property be disposed of according to law after the expiry period of appeal/ revisions.
