

Committee. After a while, he came up and submitted that file work on restructuring of the Tribunal was almost complete. Regarding sanction of the posts to be created in the light of decision of the Restructuring Committee by the Finance Department, he says that the concerned person has told him that further steps could not be taken because of the fact that there was no elected government. We do not think that this matter could only be kept for waiting for the elected government as in the recent past, not only the certain other rules have been amended by the Provincial Government of the Khyber Pakhtunkhwa in a cabinet meeting but also the Ordinances are being promulgated by the Punjab Government as well Federal Government. Therefore, while disposing of this case, we direct the respondents to get the decision of the Restructuring Committee actualized from the Finance Department at the earliest possible but not later than three months. Consign.
