**PRAYER:**

On acceptance of the instant appeal, both the impugned orders dated 07.12.2023 and 09.01.2024 may graciously be brushed aside and the appellant be allowed to remain posted at Saidu Group of Teaching Hospital, Swat.

---

Respectfully Sheweth,

*Facts giving rise to the present writ petition are as under:-*

1. **That** the appellant is the senior-most employee of the Health Department. He was appointed as Junior Clerk on 17.07.1987 in the then Divisional Directorate, Swat and subsequently promoted to the post of Senior Clerk on 09.07.2007 and later on promoted to the post of Office Assistant on 10.08.2010. Throughout his service, appellant performed his duties efficiently and to the entire satisfaction of his superior officers. (Bio Data of the appellant and Seniority List *Annex:-A*).
2. **That** while posted at Saidu Group of Teaching Hospital, Saidu Sharif, Swat ("SGTH"), the appellant was transferred within the same hospital from Accounts Section to Development Section by the Medical Superintendent vide office order dated 14.06.2023 (*Annex:-B*) under the directives of the Respondent No.2 but subsequently, the Medical Superintendent of the SGTH requested Respondent No.2 vide letter dated 13.11.2023 (*Annex:-C*) to cancel his posting order *ibid* for the reasons duly mentioned in the letter of request. Consequently, the Respondent No.2 vide office order dated 15.11.2023 (*Annex:-D*) cancelled the earlier posting order dated 14.06.2023 *ibid*.
3. **That** the niece of the then Chief Minister namely Mehmood Khan is also serving in the same hospital, and the brother of then Chief Minister called the appellant on 06.12.2023 at 09:37 AM to discuss her leave salary bill but since the appellant was sick on that day, therefore, he could not attend to the call (Phone History of appellant's Mobile of 06.12.2023 *Annex:-E*). Since the Finance Department had not released the funds, therefore, the bill got delayed a bit as is evident from the record (*Annex:-F*) which annoyed the brother of then CM and he requested Respondent No.2, who accordingly issued the impugned order dated 07.12.2023 (*Annex:-G*) whereby the appellant was transferred to a far-flung station i.e. office of the DHO, Dir Upper by way of punishment.
4. **That** the Medical Superintendent SGTH vide his letter dated 04.01.2024 (*Annex:-H*) requested the Respondent No.1 for the withdrawal of the

transfer of the appellant on account of the experience and satisfactory performance and for the preparation of budget estimates, for which the services of the appellant were required being the only employee in the hospital. The Respondent No.1 forwarded the request of the Medical Superintendent SGTH to Respondent N.2 to tender his views on the issue vide letter dated 22.01.2024 (*Annex:-I*). It is also pertinent to add that the appellant has not yet been relieved from the post.

5. That the appellant preferred a Departmental Representation which was forwarded to Respondent No.2 vide letter dated 14.12.2023 (*Annex:-J*) but the same was rejected/regretted vide letter dated 09.01.2024 (*Annex:-K*), hence this Appeal inter-alia on the following grounds:-

**Grounds:**

- A. That Respondents have not treated appellant in accordance with law, rules and policy on subject and acted in violation of Article 4 of the Constitution of Islamic Republic of Pakistan, 1973 and unlawfully issued the impugned orders, which are unjust, unfair and hence not sustainable in the eye of law.
- B. That as per Notification dated 12.11.2021 (*Annex:-L*), the Government of Khyber Pakhtunkhwa has constituted Regional Directorates of the Health Department wherein the power of transfer/posting of employees in BPS-1 to 16 within the Regional Directorates has been delegated to Regional Directors and therefore, Respondent No.2 is not competent in matters of transfer/postings within the Regional Directorate. Thus the impugned orders are coram non-judice, without lawful authority and hence liable to be set aside.
- C. That as per Posting/Transfer Policy of the Provincial Government (*Annex:-M*) "*All the posting/transfer shall be strictly in public interest and shall not be abused/misused to victimize the Government Servants*". In the case in hand the impugned transfer order is neither in the public interest nor in exigency of service but the result of extraneous pressure which is against the law and judgments of the Hon'ble Apex Court.

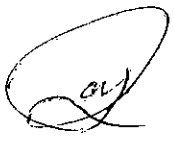

- D. **That** the appellant has been transferred to a far-flung station by way of punishment on the dictation of political figures. Transfer/posting is though not the punishment but the manner in the object with which the impugned order has been issued patently display the intent of the authority to punish the appellant. Transfer with such intention of punishment is against the Rules, justice, fair-play and the spirit of transfer/posting policy as well as Section-10 of the Khyber Pakhtunkhwa Civil Servants Act, 1973.
- E. **That** the appellant is a chronic patient of heart diseases as is evident from the Medical Prescription and Test Report (*Annex:-N*) and has been advised by the Medical Officer to avoid long travellings. Similarly, he is also suffering from Diabaties as is evident from the Medical Prescriptions and Test Reports (*Annex:-O*). The appellant is also suffering from the disease of Arthritis and has also been instructed by the Medical Officer to avoid hardworking etc vide Medical Prescription (*Annex:-P*). In view of such diseases the impugned transfer order is against the principle of justice and fair-play and therefore, the on medical grounds the impugned orders are also liable to be set aside.
- F. **That** the appellant is in advanced age on the way to his retirement. His home is situated at District Swat where he is supporting and supervising a large family comprising of his minor sons and daughters who all are school/college going children. In absence of the appellant it will be highly inconvenient for the appellant to stay as a bachelor in a far-flung station and will also adversely affect the brought up of his children. It is also essential to add that the appellant is not capable of daily travelling long distances due to his numerous ailments as mentioned above.
- G. **That** not only the post of the appellant at SGTH is lying vacant but there are other three vacant posts of Office Assistants and therefore, the entire burden of the work is on the shoulder of the appellant, for that very reason the appellant has not yet been relieved from the post by the Medical Superintendent as there is none to shoulder the responsibility of the work. Similalry, no substitute has been provided to the SGTH through the impugned transfer order which confirms the factum that the impugned

order has been passed by way of punishment.

H. **That** appellant would like to offer some other grounds during the course of arguments.

It is, therefore, humbly prayed that the instant appeal may graciously be accepted as prayed for above.

Any other relief as deemed appropriate in the circumstances of case not specifically asked for, may also be granted to appellant.

Respectfully Sheweth,

1. That the above titled service appeal is being filed today before the Hon'ble Tribunal which is yet to be fixed for hearing.
2. That the facts alleged and grounds taken in the body of Memo of appeal may be taken as intgeral part of this application which make out an excellent prima facie case in favour of the applicant who is thus quite sure that the appeal will succeed on merits.
3. That the applicant has not yet been relieved from the post of Office Assistant at SGTH as there is no substitute of the appellant in the said hospital.
4. That the applicant is suffering numerous diseases and has been strictly forbidden from long travelling. Thus the balance of convience and inconveince squirely lies in granting the interim relief in the interest of justice and due to health conditions of the applicant.
5. That in case the interim relief is not granting, the applicant is bound to suffer loss which cannot be compensated in terms of money whereas in case of interim relief no one is to suffer.
