Counsel for the appellant present.

Learned counsel referred to the judgment passed by learned Federal Service Tribunal in Appeal No. 1888(R)CS/2016 which was handed down on 03.12.2018. Through the said judgment the issue of payment of Conveyance Allowance to a civil servant during summer and winter vacations was held to be within his entitlement and the deduction already made from him was to be reimbursed. Similar reference was made to the judgment by Honourable Peshawar High Court passed on 01.10.2019 in the case of appellant.

Learned counsel, when confronted with the proposition that the issue, in essence, was dilated upon by the Federal Service Tribunal and, more particularly, by the Honourable Peshawar High Court in the case of appellant, stated that in case the respondents are required to execute the judgment of Peshawar High Court, the appellant will have no cavil about disposal of instant appeal..

The record suggests that while handing down judgment in the Writ Petition preferred by the appellant, the Honourable High Court not only expounded the definition of "Pay" as well as "Salary" but also entitlement of a civil servant for the Conveyance Allowance during the period of vacations. It is important to note that the respondents were represented before the High Court during the proceedings.

In view of the above noted facts and circumstances and in order to protect the appellant from a fresh round of litigation which may protract over a formidable period, the appeal in hand is disposed of with observation that the judgment of Honourable Peshawar High Court passed in Writ Petitions including W.P No. 3162-P/2019 shall be honoured and implemented by the respondents within shortest possible time. The appellant shall, however, be at liberty to seek remedy in accordance with law in case his grievance is not redressed by the respondents within a reasonable time.

File be consigned to the record.

**JUDGMENT**

**SIKANDAR ISMAIL KHAN, MEMBER:** Through the instant appeal, the appellant has prayed for issuance of a direction to the respondents not to deduct the conveyance allowance from the salaries of the appellant during summer and winter vacation are treated as holidays but not leave of any kind and the same be allowed as decided by the superior courts.

2. The facts as narrated in the memo of appeal are that the appellant is performing his duties as lecturer (BS-17) in Islamabad Model College for Boys. G-10/4, Islamabad. Being aggrieved by the deduction of conveyance allowance, the appellant preferred Departmental representation dated 22.06.2016 which has not been responded. Hence this appeal.
3. The learned counsel for the appellant has argued that travelling allowance and conveyance allowance is part of compensatory allowance with means an allowance granted to meet the personal expenditure necessitated by the special circumstances in which duty is performed. Further, in identical matter, the Hon'ble Sindh Service Tribunal allowed the conveyance allowance to all the teaching staff during summer and winter vacations vide judgment date 23.12.2015 which has been implemented by the department. Hence deduction of conveyance allowance from the salaries of the appellant and other reaching staff during summer and winter vacations is clear discrimination against the right of the appellant. He also referred judgment of this Tribunal dated 17.10.2017 passed in identical matter in appeals No.289 to 298@CS/2015 and upheld by

the Hon'ble Supreme Court of Pakistan in CPs No. 4957 to 4966 of 2017 dated 13.07.2018.

4. The appeals resisted by the respondents. It is stated that in fact the summer and winter vacations are holidays and not a leave, however, physically the teaching and other related staff are not on duty in the school and colleges during vacation, the presence of vacations, the science laboratories and libraries are also closed during holidays, therefore, conveyance allowance to vocational staff is not allowed in support of the arguments, the learned Assistant Attorney General referred SR No. 263.264 and 266.

5. We have heard the learned counsel for both the parties and have perused the available record admittedly. The summer and winter vacations are holidays and not leave of any kind but the appellant along with other colleagues are being ignored on the ground that physically the teaching and other related staff are not on duty in the school and college during vacations. We are not convinced with this assertion of the respondents especially when the summer and winter vacation are treated as holidays. We also sought wisdom from the judgment passed by the various courts and upheld by the honorable supreme court of Pakistan in identical matter. We may also like to mention that all the educational institution charge educational fee and other dues even for the winter and summer vacations. So how the respondents justify themselves by deducting the conveyance allowance of the staff for the same period. The equality should be maintained in all respect. This tribunal has already adjudicated the issue vide its judgment as referred to in Para 3 above and the said judgment has been upheld by the Honorable Supreme Court of Pakistan. It is imperative to reproduce hereunder the relevant portions of the judgment as a ready reckon:-

*"8. FR-82(b) enunciates in unambiguous terms that vacations count as duty. Even during vacations a government servant/teacher is required to be prepared for any call of duty in the relevant department. The vacations are available not on the basis of any option for the government servant/teachers working in school and colleges. The period of earned leave is curtailed by one month for each year. The summer vacations are not granted on the demand and option of the teachers. They are allowed lesser earned leave than the rest of the government servant of various departments.*

*9. the conveyance allowance is admissible to the government servants who are on duty. The statute treats the period of vacations as duty. The explanation given by the Finance Division is in conflict with statutory provisions like FR-82(B) which are to reign supreme as compared to the explanation of the Finance Division. There seems to be no justification whatsoever for depriving the appellant of the payment of the conveyance allowance during the period of summer vacation.*

*10. in the circumstances, we are constrained to allow these appeals. Order accordingly. The conveyance allowance is payable to the appellants w.e.f the vacation 2014. When the departmental appeal/representation were filed by these appellants.*

6. For the foregoing reasons and in view of the rule of consistence we have no hesitation to accept the appeal. Therefore, the respondents are directed not to deduct the conveyance allowance from the salary of the appellant during summer and winter vacations. The conveyance allowance already deducted should be reimbursed to the appellant forthwith. This judgment is considered in rem and not in personam and thus the respondents should pay the said allowance to all similarly placed employees of the educational institutions to avoid discrimination under Article 4 & 25 of the constitution as well as un-necessary litigation.

7. There shall be no order as to cost. Parties shall be informed.

We are not convinced with the reasoning of the respondents especially when the summer and winter vacations are treated as holidays. We also sought wisdom from the judgment passed by the various courts and upheld by the Hon'ble Supreme Court of Pakistan in identical matter. We may also like to mention that of the educational institutions, viz. schools, colleges, and other, does even for the winter and summer vacations, so that the respondents justify themselves by claiming that the conveyance allowances of the staff for the same period. The allowance should be maintained in all respect. The Tribunal has already adjudicated the issue vide its judgment as referred to in Para 3 above and the said judgment has been upheld by the Hon'ble Supreme Court of Pakistan. It is imperative to reproduce hereunder the relevant portions of the judgment as a ready reckoner:-

"8. FR-32(b) enunciates in unequivocal terms that vacations count as duty. Even during vacations, a government servant/teacher is required to be prepared for any call of duty in the relevant department. The vacations are available not on the basis of any option for the government servants/teachers working in schools and colleges. The period of earned leave is controlled by one month for each year. The summer vacations are not granted on the demand and option of the teachers. They are allowed lesser period than the rest of the government servants of various departments.

9. The conveyance allowance is admissible to the government servants who are on duty. The statute treats the period of vacations as duty. The explanation given by the Finance Division is in conflict with the statutory provision, like FR-32(b) which are to reign supreme, as compared to the explanation of the Finance Division. There seems to be no justification whatsoever for depriving the

preferred departmental representation dated 22.06.2017 which has not been responded. Hence this appeal.

3. The learned counsel for the appellant has argued that travelling allowance and conveyance allowance is part of compensatory allowance with means an allowance granted to meet the personal expenditure necessitated by the special circumstances in which duty is performed. Further, in identical matter, the Honble Sindh Service Tribunal allowed the conveyance allowance to all the teaching staff during summer and winter vacations vide judgment dated 23.12.2015 which has been implemented by the department. Hence deduction of conveyance allowance from the salaries of the appellant and other teaching staff during summer and winter vacations is clear discrimination against the right of the appellant. He also referred judgment of this Tribunal dated 17.10.2017 passed in identical matter in appeals No.289 to 298(R)CS/2015 and upheld by the Hon'ble Supreme Court of Pakistan in CPs No.4957 to 4966 of 2017 dated 13.07.2018.

4. The appeal is resisted by the respondents. It is stated that in fact the summer and winter vacations are holidays and not a leave, however, physically the teaching and other related staff are not on duty in the school and colleges during vacation. The presence of vocational staff in the institutions is subject to opening after vacations. The science laboratories and libraries are also closed during holidays. therefore, conveyance allowance to vocational staff is not allowed. In support of arguments, the learned Assistant Attorney General referred to No.263, 264 & 266.

5. We have heard the learned counsel for both the parties and have perused the available record. Admittedly, the summer and winter vacations are holidays and not leave of any kind but

Appellants of the payment of conveyance allowance during the period of summer vacation

10 In the circumstances, we are constrained to allow these appeals. Order accordingly. The conveyance allowance is payable to the appellants w.e.f. the vacation of 2014, when the departmental appeals / representations were filed by these appellants.

(11)

6. For the foregoing reasons and in view of the rule of consistency, we have no hesitation to accept the appeal. Therefore the respondents are directed not to deduct the conveyance allowance from the salary of the appellant during summer and winter vacations. The conveyance allowance already deducted should be reimbursed to the appellant forthwith. This judgment is considered *in rem* and not *in personam* and thus the respondents should pay the said allowance to all similarly placed employees of the educational institutions to avoid discrimination under Article 4 & 25 of the Constitution as well as un-necessary litigation.

2. As per averments of the writ petition, the petitioners are serving in the Elementary & Secondary Education Department on their respective posts. On 14.7.2011 the Government of Khyber Pakhtunkhwa enhanced the conveyance allowance to all the Civil Servants i.e. from BPS-1 to 15, including the petitioners, which was subsequently revised vide another notification dated 20.12.2012 and was further enhanced. allowance under the wrong and illegal pretext that the same is not allowed for the leave period.

3. In essence, the grievance the petitioners is that they were receiving the conveyance allowance under the notifications mentioned above, which was stopped without any justifiable reason.

4. Since the matter pertain to grant of conveyance allowance which is part and parcel of pay. Similar controversy came before this Court in Writ Petition No. 3509-P/2014 titled (Hafiz Mohammad Ilyas etc..vs..Government of Khyber Pakhtunkhwa), wherein the pay and salary were defined in the following manner.

“7. To resolve the controversy as to whether payment of allowances to a civil servant falls in chapter-2 of Khyber Pakhtunkhwa Civil Servants Act, 1973 i.e. terms and conditions of service, it is necessary to reproduce the definition of “pay” provided in section 2(e) of the Khyber Pakhtunkhwa Civil Servants Act, 1973 which reads as under:

“ 2. (e)—“Pay” means the amount drawn monthly by a civil servant as pay, and includes special pay, personal pay and any other emoluments declared by the prescribed authority to be paid.” (emphasis provided).

The word “emolument” used in the above quoted definition clause of the Civil Servants Act, 1973, according to its dictionary meaning, denotes wages and benefits received as compensation for

holding an office or having employment. The word emolument is basically derived from the Latin word emolumentum. It originally meant "the sum paid to a miller for grinding a customer wheat". Today, the term exists mostly as a bit of archaic legalese, but it might be within the route of expression i.e. "grinding out a living". From the above it is manifest that emoluments are essentially the benefits that one gets from the working of being employed. **Emolument** is the profit from employment and is compensation in return of services, hence the emoluments are part and parcel of pay. Section 17 being part of chapter-2 i.e. terms and conditions of service of a civil servant provides that, a civil servant appointed to a post shall be entitled, in accordance with rules, to the pay sanctioned for the post. Likewise, Rule 9(21) of (FR/SR) provide, the definition of pay which means the amount drawn monthly by a government servant as ;

- (i) the pay, other than special pay or pay granted in view of his personal qualification, which has been sanctioned for the post held by him substantively or in an officiating capacity, or to which he is entitled by reason of his position in a cadre, and (ii) overseas pay, technical pay, special pay and personal pay and
- (iii) any other **emoluments** which may be specially classed as pay by the governor general.

The legislature in its wisdom has wisely used the word "pay" instead of salary in definition clause and section 17 of Khyber Pakhtunkhwa Civil Servants Act, 1973. The word 'pay' connotes

payment of wages including emolument in broader spectrum while the salary is used for amount that one receives in return for work and or service provided, which is paid periodically i.e. over a specified interval of time such as weekly or most commonly monthly. The term "salary" has been dealt with at page-553 of Corpus Juris Secundum Vol. 77 as under:-

"Salary". The word "Salary" is defined has meaning fixed compensation regularly paid by the year, quarter, month or week; fixed compensation for regular work, or for continuous services over a period of time; periodical compensation for services; compensation for services rendered; per annum compensation mean in official and in some other situation, or station; legal compensation.

Salary is also defined as meaning stipulated periodical recompense; or consideration paid, or stipulated to be paid to a person on regular interval for services usually a fixed sum to be paid by the year or half year, quarter; reward or consideration paid or agreed to be paid to a person on a regular intervals by the year, month or week for services; reward of fixed or recompense for services rendered or performed; reward or compensation of services rendered or performed.

From the above mentioned definition it is manifest that the "salary" of a civil servant is a fixed amount regularly paid as compensation to the employee, whereas the pay means an amount received by a civil servant including other emoluments i.e. allowances."

5. Besides, certain other petitions filed by the Teachers /employees of the same department serving from other corners of the province which were decided by Abbottabad Bench of this Court, wherein it was held that the conveyance allowance being part of pay fall in terms and conditions of civil servant and it can adequately be claimed through an appeal by adopting the prescribed procedure under the Khyber Pakhtunkhwa Civil Servants Act, 1974.

6. For the reasons given hereinabove, the petitioners are civil servants and their claim falls in terms and conditions of service enumerated in Chapter-2 of the Khyber Pakhtunkhwa Civil Servants Act, 1973, wherein the jurisdiction of this Court is expressly barred by Article 212 of the Constitution of Islamic Republic of Pakistan, 1973.
