Ashfaq Ahmad Sub-Engineer PHED (4) bearing No. 379/2016 filed by Shah Khalid Steno typist PHED against the respondents being identical in nature, arising out of the same law, facts and circumstances.

3 The appellant has filed present appeal u/s 4 of Khyber Pakhtunkhwa Service Tribunal Act-1974 against the respondents and challenged therein order dated 14.02.2014 whereby the appellant was terminated from service on the ground that he was illegally appointed and there is no justification to retain him in the service of PHED.

4. Brief facts of the case are that the appellant was offered post of Sub-Engineer (BPS-11) vide order dated 21.10.2008 of the Chief Engineer Public Health Engineering Department Khyber Pakhtunkhwa Peshawar.

5. On 15.01.2014 during the hearing of C.Ps No. 2026 & 2029 of 2013, the august Supreme Court of Pakistan directed Chief Engineering Public Health Engineering Department Khyber Pakhtunkhwa to finalize the action against illegal appointees in his department within one month and submit his report through registrar of the august Supreme Court.

6. On 21.01.2014 Show Cause Notice was issued to 25 Sub-Engineers, 01 Senior Scale Stenographer, 06 Steno-typists and 02 Data Entry Operators, including the appellant regarding their illegal appointments and vide order dated 14.02.2014 the appellant was terminated from the post of Sub-Engineer with immediate effect on

Handwritten signature/initials

the ground that he was illegally appointed. The appellant preferred departmental appeal against his termination order but received no response. The appellant then filed appeal before this Tribunal and this Tribunal vide common judgment dated 30.12.2015 passed in appeals 31 in number, remit the case of the appellant to the appellate authority of the Department, without interfering in the impugned order dated 14.02.2014 and issued directions for the decision of departmental appeal strictly in accordance with law/rules considering merits and fulfilling the requirement of opportunity of personal hearing. Resultantly opportunity of hearing was given to the appellant and order dated 03.03.2016 by the appellate authority was issued whereby the departmental appeal of the appellant was dismissed also on the ground that his appointment ^{is} ~~his appointment~~ was affected as a consequence of production of politically motivated list by the then Political Secretary to Chief Minister and that too, in sheer violation of the provisions contained in the K.P Civil Servants Act, 1974 and the rules made there-under. Resultantly the appellant filed the present service appeal.

7. Learned counsel for the appellant argued that the termination order dated 14.02.2014 as well as the order of the appellate authority dated 03.03.2016 are against the law, facts, and norms of justice on the ground that the appellant possesses the required qualification. Further argued that the appellant was appointed by the competent authority after the fulfillment of all the codal formalities. Further argued that after appointment the appellant has accrued

Law.

vested right and therefore cannot be terminated and thereby allowed to suffer hardship. Learned counsel for the appellant stressed for the setting aside of the impugned orders and reinstatement of the appellant.

8. On the other hand learned Deputy District Attorney opposed the present appeal, controverted the arguments of the learned counsel for the appellant and defended the impugned orders on the grounds mentioned therein. Further argued that the appellant was appointed illegally on political considerations. Further contended that the post earlier occupied by the appellant has now been filled, upon the recommendation of Public Service Commission on merits. Further argued that some other affectedees/illegal appointees also took part in the examination held by Public Service Commission and few of them also succeeded to re-occupy their posts.

10. Arguments heard. File perused.

11. The vacancies/posts against which the appellant was appointed, were not advertised at all in the newspapers rather the then Chief Minister of Khyber Pakhtunkhwa provided a list of applicants through his political secretary for appointments against such posts by the departmental authority and in the said list the name of the appellant is also mentioned. The appellant has also not gone through any test. Hence the appointment of the appellant was not made on the basis of eligibility cum merit criteria but otherwise due to political pressure etc.

D
Amir

12. It may also be mentioned that neither the appointment was made in accordance with recruitment procedure applicable to the district cadre post, nor through the recommendation of Public Service Commission.

11. It is settled principle that all the appointments to the Government Institutions must be based on a transparent/fair process within the parameter of its applicable rules, regulation etc, but the fact remains that the appointment of the appellant was not made in the prescribed manner.

12. The argument on behalf of learned counsel for the appellant that he met the requisite qualification for the post and as such rightly appointed has no force in it as other persons having requisite qualification and might have been more meritorious were kept out of the whole process of the recruitment.

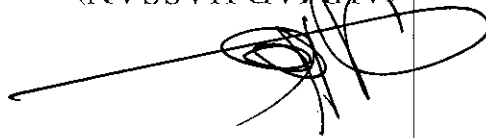

13. It may also be mentioned that twenty three (23) identical nature appeals of other illegal appointees in the Public Health Engineering Department have already dismissed by this Tribunal.

14. Learned counsel for the appellant could not differentiate/distinguish his case from that other cases/appeals already been dismissed by this Tribunal.

Dr. S. S. S.

15. As a sequel to above this Tribunal sees no merits in the present appeal and in the connected appeals. Consequently the present appeal and the connected appeals as mentioned in Para-2 of this judgment are dismissed. Parties are left to bear their own costs. File be consigned to the record room after its completion.

Respectfully Sheweth,

The Appellant humbly submits as under:-

1. That the appellant, being duly qualified, after going through the required procedure, was appointed as Sub Engineer (BPS-11) vide appointment order dated 21-10-2008 on the terms and conditions mentioned therein.

(Copy of the Educational documents & order is annexed as Annexure-A).

2. That the appellant was serving the department to the best of his abilities and to the satisfaction of his superiors when all of a sudden he was issued with a back dated joint show cause notice by the Respondent No. 3. The plea raised in the show cause notice was that some adhoc employees approached the August Supreme Court of Pakistan for the reinstatement/regularization of their service and their petition having no weight was dismissed. Afterwards they filed appeal in the August Supreme Court of Pakistan against the decision of Peshawar High Court. During the pendency of the said petition, the Counsel for those petitioners maintained that his clients were removed from service while others were left, to which the then Chief Engineer(Respondent No.3) had replied falsely that the cases of those appointees are underway, but in fact no case against any appointee was underway by that time. The Apex Court directed to finalize action and submit a report to that effect.

(Copies of the verdict of the Apex court dated 15.01.2014 is annexed as Annexure-B).

3. On arrival of the aforesaid judgment of the Apex court, the respondents sought guidance from the E & A department for further course of action vide letter No. SO (Estt) PHED/1-9/2012-13 dated 22-01-2014. In response, the E&A department vide letter No. SOR-V(E&AD)/15-3/09 dated 30-01-2014 advised that necessary action be initiated against the officers who were involved in the appointment after conducting proper inquiry into the case. It was binding upon the respondents to act upon the advice of the E&A department, where they instead of acting upon the advice, terminated the

appellant without fulfillment of legal requirements of inquiry etc to establish the charges against the appellant which is not only a formality but a mandatory requirement of law. (Copy of letter No. SOR-V (E&AD)/15-3/09 dated 30-01-2014 is annexed as annexure-C).

4. That in the garb and misleading statement and verdict before the Apex court, the appellant was issued the alleged back dated show cause notice, although the same was never mandated. In reply to show cause notice, the respondent No.3 was requested to extend time for him to file a reply, but the respondent No. 3, was determined with all malafide to terminate the appellant among others unlawfully, terminated the appellant vide dated 14-02-2014.

(Copy of order dated 14-02-2014 and application for time extension to show cause is annexed as Annexure-D).

5. That in this connection, reference is made to the act, passed by the provincial Assembly on 24th October, 2009 vide No. PA/NWFP/FP/Bills/2009/38472 vide which services of all contract and adhoc employees appointed up-to 31-12-2008 were regularized. Since the services of the appellant stand regularized under the said act, therefore, his services cannot be terminated in such a harsh and unlawful manner i.e. without proper inquiry, charge sheet/ statement of allegations and opportunity of personal hearing. (Copy of the act is annexed as Annexure-E).

6. That as regards, the directions of the August Supreme court of Pakistan, the then Chief Engineer (South) PHED himself made a statement before the Supreme Court and then made direction of the Supreme Court basis for the impugned action against the appellant while incorrectly interpreting and applying the general order of the Apex court with regard to illegal appointments in the department upon the appellant. In this connection a reference is made to the order passed by the Hon'ble Supreme Court of Pakistan dated 28-04-2014 in CP No. 551/2004 wherein the Apex court itself has clarified/ interpreted its direction in the following words "Apprehension

of the petitioner is misconceived. In the event of filing appeals, the service tribunal shall decide the appeal as mandated in law".

7. That the appellant submitted his departmental appeal, however, it was not responded, hence the appellant approached the Hon'ble Peshawar High Court Peshawar in W.P. No. 615-P/2014 who vide its order dated 26-02-2014 observed that the instant petition relates to the terms and condition of service, therefore, the appellant should seek his remedy before proper forum, the W.P. was dismissed accordingly. (Copy of W.P. order dated 26.02.2014 is annexed as Annexure-F)

8. That feeling aggrieved, the appellant moved the August Supreme Court through a civil petition, but the August Supreme Court directed the appellant to approach this Hon'ble Tribunal which shall decide the appeal as mandated in law.

(Copy of the order in C.P No. 551/2014 dated 28-04-2014 is annexed as Annexure-G).

9. That the appellant approached this Hon'ble tribunal through a service appeal No. 795/2014 which appeal was remanded through order dated 30-12-2015 with the observations that the departmental appeal be decided within two months.

(Copy of appeal and order dated 30-12-2015 is annexed as Annexure-H).

10. That while dealing with the departmental appeal, all the 31 appellants including the present appellant were got assembled in a hall and they were told by the respondent No.2 that all his sympathies lie in favour of the appellants and he is going to restore them, but despite all stated above, their appeals were dismissed vide order dated 03-03-2016. It is worth to mention here that the respondent No. 2 disclosed during the interview that there is huge pressure upon him by the Minister for PHE not to restore the appellants even if they deserve re-instatement.

(Copy of order No. SO(Estt)/PHED/1-90/2013-14.Vol-II dated 03-03-2016 is annexed as Annexure-I).

11. That Appellant feeling aggrieved of the order dated 14-02-2014 and 03-03-2016 prefers this Appeal, *inter alia*, on the following:

GROUND OF APPEAL

- A. That the impugned orders of the respondents are against the law on the subject, illegal, void ab initio and arbitrary, hence liable to be struck down.
- B. That the impugned termination(s) is the result of discrimination and against the fundamental rights guaranteed under the constitution of the Islamic Republic of Pakistan, 1973, hence liable to be set aside.
- C. That the impugned orders of the respondents is the sheer violation of article, 25 of the Constitution of the Islamic Republic of Pakistan, 1973, hence liable to be set aside.
- D. That the impugned orders of the respondents are against the spirits of the natural justice, hence untenable.
- E. That there is great malafide on the part of the respondents in terminating the appellant, hence the same needs setting aside.
- F. That the termination of the appellant is based on the misconceived judgment of the August Supreme Court, of Pakistan and the said judgment never mandated the termination of the appellants, hence termination of the appellant is nullity in the eyes of law.
- G. That the August Apex court was misled by the department, hence all the proceedings against the appellant are in violation of the order of the Apex court, law of the land and natural justice, hence liable to be set aside.

6

- H. That the appellant has served the department for almost five years with zeal and dedication and has got vested rights and the termination of services at the one stroke of pen is unjust, unfair, arbitrary, unlawful, hence liable to be set aside.
- I. That the impugned termination order(s) is against the principles of locus poenitentiae, hence liable to be struck down.
- J. That any other ground not specifically raised herein may be allowed at the time of arguments

It is therefore, most humbly prayed that on acceptance of this appeal, the impugned order dated 14-02-2014 of the respondents may kindly be declared as illegal, unlawful, arbitrary and void ab initio and the appellant may kindly be reinstated into his service with all back benefits

The Secretary,
Government of Khyber Pakhtunkhwa,
Public Health Engineering Department,
Peshawar.

Subject: Departmental appeal under Section 22 of the Khyber Pakhtunkhwa Civil Servants Act, 1973 read with Rule 3 of the KP Civil Servants (Appeal) Rules, 1986 against the impugned order dated 14.02.2014 whereby the services of appellant was terminated with immediate effect by the Chief Engineer (South) of the Public Health Engineering Department, Peshawar.

Respected Sir,

1. That appellant being qualified for the post of Sub Engineer so he applied for the existed vacancies of Sub Engineers in the Public Health Engineering Department Khyber Pakhtunkhwa Peshawar. After observing the codal formalities, on the recommendation of **Departmental Selection Committee** he was appointed as Sub Engineer (BPS-11) on regular basis from his respective date of appointment issued by the Chief Engineer.
2. That after completing the requisite formalities including medical fitness certificate, the appellant joined duties at his respective place of posting. The respondent department also maintained the service book of the appellant and necessary entries have been made therein from time to time.
3. That the appellant is regular employee of the respondent department working against the permanent post since his respective appointment having more than five years service at his credit with excellent service record.
4. That some other employees whose appointments were made on adhoc basis so they agitated their regularisation under the Khyber

[Handwritten signature]

Pakhtunkhwa Employees (Regularization of Services) Act, 2009 before this Hon'ble Court through two separate writ petition NOs.271-P/2013 and 663-P/2013 which were dismissed by common judgment passed on 02.10.2013.

5. That the impugned judgment was challenged by the same employees before Hon'ble Supreme Court of Pakistan through C.P. No.2026 and 2029 of 2013 but same were also dismissed on 15.01.2014. However during the proceedings, Mr. Sikandar Khan Chief Engineer, **Public Health Engineering Department, Khyber Pakhtunkhwa** orally brought into the notice of Hon'ble Supreme Court of Pakistan about the existence of illegal appointees in the department and accordingly he was directed to finalize the action against such illegal appointees within one month.

6. That a joint show cause notice was issued to appellant alongwith others vide letter No.32/E-4/PHE dated 21.01.2014 by Chief Engineer (South) therein he has unlawfully and malafidely shown the appointments of appellant and others as illegal. Since the copy of show cause notice was not received within stipulated time therefore he submitted an application before the Chief Engineer (South) requesting for extension in period of reply but before submitting the requisite reply, now which had been submitted, the Chief Engineer (South) had issued the impugned order dated 14.02.2014 thereby his services were terminated with immediate effect.

Grounds:

A. That the appointment of appellant was made by competent authority on regular basis on the recommendation of **Departmental Selection Committee**. He was within age limit, having prescribe qualifications thus in such circumstances the Chief Engineer (South) was unjustified to treat the valid appointment of appellant as illegal.

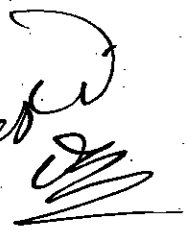

Accepted

- B. That it is pertinent to mention that by notification vide No.SO(O&N)E&AD/8-16/2000 dated 01.08.2001 the three departments namely Public Health Engineering, Physical Planning & Housing and Communication and Works Department were merged into Works and Services Department as mentioned in order dated 05.11.2001 and meanwhile the Khyber Pakhtunkhwa Local Government Ordinance, 2001 was also promulgated (now repealed) and under section 14 thereof the administrative and financial authority for management of the offices of the government specified in Part-A of the first schedule was decentralized to district government. Similarly the posts in BPS-01 to 15 in the Works and Services Department were also declared as district cadre posts vide notification No.SO(Estt:)W&S/13-1/77 dated 22.03.2005 as referred in letter dated 08.04.2006 by the Establishment Department to W&S Department.
- C. That when the posts in BPS-01 to 15 in W&S Department were declared **District Cadre Posts including the post of appellant** then a letter was written to Secretary Khyber Pakhtunkhwa Public Service Commission, Peshawar on 02.05.2007 therein requested for withdrawal the requisition for filling in the vacant posts of Sub Engineers (B-11) in the W&S Department and done accordingly. In such circumstances the plea of Chief Engineer (South) regarding non fulfilling the requirements of recommendation of **Public Service Commission, Khyber Pakhtunkhwa** in the cases of appellant is unjustified, unreasonable, mala fide and without lawful authority and not sustainable under the law and rules.
- D. That in view of clause 5 of the appointment order of each appellant, his service was placed on probation for a period of two years extendable upto three years which the appellant has completed satisfactory becoming a confirmed employee of the office Chief Engineer. At the time of passing of impugned order the appellant has rendered more

than five years service to the department efficiently, satisfactory and without any complaint. Therefore the Chief Engineer has not acted in accordance with law and rules and unlawfully passed the impugned order without observing codal formalities as required in the case of a confirmed employee. Therefore the impugned order thereby appellant was terminated has no legal sanctity being without lawful authority.

- E. That clause 2 of appointment orders of appellant provides that he will be governed by the Khyber Pakhtunkhwa Civil Servants Act, 1973 and all the laws applicable to the Civil Servants and Rules made thereunder and similarly in the impugned show cause notice mentioned that action would be taken under the Efficiency and Disciplinary Rules, 2011 but the Chief Engineer has not followed any law in passing the impugned order which is arbitrary, unjust and unfair and not warranted, liable to be set aside.
- F. That in the impugned order, Chief Engineer used the word of "termination" which neither applicable in the case of appellant being confirmed employees of the department nor prescribed in the E&D Rules, 2011 therefore the impugned order is ambiguous, vague and illegal not sustainable under the law and rules.
- G. That Chief Engineer has malafidely brought in the notice of the Hon'ble Supreme Court of Pakistan during the hearing of an other case. Neither he supplied any list of illegal appointments to Hon'ble Supreme Court of Pakistan at that very moment nor specified such illegal appointments but in general way he mentioned the existence of illegal appointments in the department which now he has exploited the situation and purposely held the appointments of appellant and others as illegal and issued the impugned order of termination without legal justification.

Allesed

- H. That the impugned order has been passed at the back of appellant. Neither any regular enquiry has been conducted nor a fair opportunity was provided to them to defend their cases therefore the impugned order is illegal, without lawful authority being violative of principle of natural justice.
- I. That the appellant was continuously serving the department having more than five years service at their credit without any complaint which accrued vested rights in his favour which could not be taken away or withdrawn by the authority under the principle of locus poenitentiae.
- J. That in case of any defect in the appointment of appellant is existed for which only the departmental authority is responsible and not the appellant therefore the action of the Chief Engineer is not warranted under the law and rules and the impugned order is illegal and of no legal effect.
- K. That the appellant is a permanent and confirmed employee of the department and performing his respective duty efficiently since the date of his appointment during which he was provided all the benefits and privileges attached with his post including annual increments. Now the appellant has crossed the upper age limit, supporting a family with his children who are getting education in various schools and colleges thus in such circumstances, the Chief Engineer has no legal and moral justification to hold the appointment of appellant as illegal. Therefore the act and action of the Chief Engineer is tainted with malafide intention, unlawful and not operative against the vested rights of appellant.

It is, therefore, humbly prayed that on acceptance of this departmental appeal, the impugned order dated 14.02.2014 thereby the services of appellant

In pursuance thereof show cause notices were issued and ultimately through impugned order dated 18.02.2014 the services of petitioners were terminated.

3. At the very outset the learned counsel for the petitioners was confronted with the legal position with respect to the fact that the petitioners, who claims themselves to be civil servants under Civil Servant Act 1973, whether their termination orders does not come within ambit of terms and condition of service, and whether the petition is maintainable under barring Provision of Article 212 of the Constitution, 1973? There was no plausible explanation in this regard. The Provision of Article 199 of the Constitution through which the remedies are sought by the petitioners are subject to the Provision of Article 212(3) of the Constitution. It is

well settled by now that even illegal orders, or order without jurisdiction, regarding Civil Servant, can only be challenged in the proper forum established under the law.

4. Admittedly termination orders of the petitioners related to terms and condition of their services, therefore, Constitutional petition under Article 199 is not maintainable by virtue of article 212 of the Constitution and Section 4 of Service Tribunal Act 1973.

In view of what has been observed above, this petitioner is dismissed being not entertainable, however petitioners are at liberty to seek their remedies before proper forum if so advised.

IN THE SUPREME COURT OF PAKISTAN

PRESENT:
MR. JUSTICE TASSADUQ HUSSAIN JILLANI, HCU

CIVIL PETITION NO. 551 OF 2014
(On appeal from the judgment dated 26.2.2014 passed
by the Peshawar High Court, Peshawar in WP No. 615-

Tariz Nawaz Khan and others
... Petitioners

VERSUS
Government of KPIC through Chief Secretary, Peshawar and others
... Respondents

For the Petitioners: Mir Aurangzeb, ASC

For the Respondents: N.R.

Date of Hearing: 28.04.2014

ORDER

TASSADUQ HUSSAIN JILLANI, CJ.- Petitioners are civil servants and they challenged the order terminating their services in a Constitution petition which stands dismissed vide the impugned order mainly on the ground that the said petition was not maintainable in view of Article 212 of the Constitution read with Section 4 of the Service Tribunal Act, 1973. The only ground being taken by the learned High Court to invoke Article 199 of the Constitution is that the competent authority in the department had passed the order of termination of petitioners' services pursuant to a judgment of this Court and the learned Service Tribunal may be diffident to decide the case independently and in accordance with law.

2. We are afraid, the apprehension of the petitioners is misconceived. In the event of filing the appeal, the Service Tribunal shall decide the appeal as mandated in law. Disposed of in terms noted above.

2. The above appellants, employees of the PHE Department, were terminated from service by way of impugned order dated 14.02.2014 and their departmental appeal was not decided, hence this appeal under Section 4 of the KPK Service Tribunal Act, 1974. In view of the common question of facts and law, we propose to dispose of all the above appeals by this single judgment.

3. Relevant facts, in brief, as revealed from record are that the Hon'ble Peshawar High Court Peshawar vide its judgment dated 02.10.2013 dismissed Writ Petitions No. 271-P and 363-P both of 2013 of some of the appellants which judgment came up before the august Supreme Court of Pakistan in Civil Petitions No. 2026/13 and 2029/13. The august Supreme Court of Pakistan vide its order dated 15.01.2014 was pleased to direct as follow:-

"2. So far as some other illegalities in the appointments brought to our notice is concerned, in response to our earlier order dated 09.01.2014, Mr. Sikandar Khan, Chief Engineer, Public Health Engineering Department, KPK is present in Court, he states that although many other illegal appointees in his department have been removed from service, but against many others such action is in process of various stages and they are still in service.

3. In view of the above statement, he is directed to finalize the action against such illegal appointees within one month from to-day and submit his report

through Registrar of this Court. In case, he faces any difficulty in this regard, those difficulties may also be brought to our notice so that appropriate orders may be passed."

In the wake of the said order of the august Supreme Court of Pakistan, a joint show cause notice was prepared and issued to the appellants followed by the impugned termination order.

4. The charges against these appellants are reproduced as follow from the show cause notice issued to them:-

1. In light of S&GAD letter No.SOR-I(S&GAD)I-117/91© dated 12.10.1993 the appointment of Sub Engineer, Steno Typist/Stenographer and DATA E/Operator continued to be made through recommendation of Public Service Commission. Whereas you have been appointed without the recommendation of Public Service Commission which is contrary to the prevailing rules. Therefore, you are directed to provide recommendation of Public Service Commission, if any.

2. Your appointment orders have been made in contravention of Govt. laid down policy vide circulated notification No.SOR-VO/EXAD/I-10/2005/Vol-VI dated 15.11.2007.

3. The content of your appointment orders reveal that you have been appointed without recommendation of the Public Service Commission of Khyber Pakhtunkhwa. No NOC obtained from the Public Service Commission for

recruitment, no requisition submitted to Secretary Works & Services Department, no sanction/approval was obtained from Administrative Secretary, no Departmental Promotion Selection Committee constituted by the Secretary Works & Services Department, not advertised and nor the appointment are modified in terms of para-13 and 14 of N.W.F.P Civil Servants (Appointment, Promotion and Transfer) Rules, 1989. Codal formalities have not been fulfilled in your appointment.

4. Necessary sanction to condonation of the violation of codal formalities have not been accorded by the competent authority."

The appellants replied to the show cause notice and after their termination, filed their departmental appeals, copies of which are available on file.

5. Arguments heard ad record perused.

6. The record revealed that on receipt of a list comprising of the appellants from the office of the then Chief Minister, to appoint appellants in the department of PHE, they were accordingly appointed.

7. In support of the appellants, it was submitted that the appellants were terminated from service without observing codal formalities of the charge sheet, enquiry; that no opportunity of defence and personal hearing was provided to them. It was further submitted that the

appellants were duly qualified, and they were duly recommended for appointment by DSC where after they were appointed by the competent authority. It was further submitted that being the district cadre posts, its recruitment did not fall in the purview of Public Service Commission. It was also submitted that the appellants had rendered sufficient service and with the passage of time, their rights were protected under the principle of locus poenitentiae. It was also argued that the respondent-department have mis-conceived and misapplied order of the august Supreme Court of Pakistan dated 15.01.2014. That this Tribunal is competent and has jurisdiction to decide these appeals. Finally it was submitted that the appeals may be allowed and appellants may be reinstated in service with all back benefits.

8. These appeals were resisted by the learned Sr. Govt. Pleader on the grounds that the Public Service Commission was the competent forum for the process of recruitment of the posts of the appellants. That no formalities of advertisement, constitution of DSC, conduct of test/interview, preparation of merit list etc. had been observed in those appointments, therefore, the appointments were illegal. That the appointments were the result of political pressure and interference, hence the appellants were rightly terminated. That the respondent department in compliance with the order of the august

Service Tribunal,
Peshawar

Supreme Court of Pakistan dated 15.01.2014 terminated the appellants therefore, this Tribunal has no jurisdiction to reinstate the appellants. Finally it was submitted that these appeals may be dismissed.

9. Order dated 15.1.2014 of the august Supreme Court of Pakistan is explicit according to which the respondent department was directed to take action against the illegal appointees. Contention advanced by the learned counsel for the appellants during the course of arguments was that appointments of the appellants were in accordance with the prescribed procedure as the posts did not fall in the purview of the Public Service Commission. Further that the appellants were not given opportunity of defence as evident from the facts that even prior to the lapse of the terminal date for reply to the show cause notice, the appellants were terminated. It was also contended for appellant Farhanullah (Data Entry Operator BPS-12), that prior to this post he was a valve-man in the department, therefore, instead of termination, he should have been reverted to his previous position.

9. On the point as to whether the Tribunal would be competent to adjudicate on these appeals, the learned counsel for the appellants submitted copy of a subsequent order dated 28.04.2014 in CP NO. 551 of 2014 according to which the Service Tribunal shall decide the appeals as

mandated in law. Evidently no charge sheet has been issued to the appellants nor opportunity of personal hearing has been provided to them and instead show cause notice was served on them. It is apparent from record that the impugned order has been passed quite in haste. After the impugned order, the respondent department vide letter No. 03/G-4-A/HC/PHE dated 17.2.2014 intimated to the Registrar Supreme Court of Pakistan that in pursuance of order dated 15.1.2014, a total of 24 Sub Engineers, 6 stenotypist/Stenographers and 2 Data Entry Operators had been terminated. This being so, we are afraid that due care and caution had not been exercised by sorting out individual case of each of the appellants. In the above scenario, while not interfering with the ^{impugned} order dated 14.2.2014 at this stage, the Tribunal in the interest of justice would remit cases of the appellants to the appellate authority of the department with direction to decide the departmental appeals of the appellants strictly in accordance with law/rules considering each of the appeal on its merits and fulfilling the requirements of opportunity of personal hearing. This process of disposal of departmental appeals of the appellants be completed within a period of 2 months after receipt of this judgment. In case the appellate authority finds that any of the appellant had been unlawfully terminated or terminated by mis-conceiving order of the august Supreme Court of Pakistan dated 15.1.2014 and

facts of a particular case and it leads the authority to accept such an appeal, the said decision would require to be taken with full justification and shall have to be intimated to the Registrar of the august Supreme Court of Pakistan in continuation of respondent department letter dated 17.2.2014. All the appeals are disposed off accordingly. Parties are left to bear their own costs. File be consigned to the record room.

BRIEF HISTORY

A writ petition bearing No W.P 271-P/2013 was filed by Mr. Mushtaq Ahmad, etc, for extending benefits of regularization, before the Peshawar High Court order, Peshawar and the same was declined by the Peshawar High Court, (Copy of the judgment dated 2.10.2013 is annexed as **Annexure-I**). The said petitioners then moved a Civil Petition No 2026 and 2029 of 2013 before the August Supreme Court of Pakistan. Though the August Supreme Court of Pakistan dismissed the same and directed the department to finalize the action against the illegal appointees within one month, vide judgment dated 15.1.2014 (**Annexure-II**) and subsequent reminder dated 07.02.2014 (**Annexure-III**). The appellant was appointed from a list submitted by Political Secretary to then Chief Minister Khyber Pakhtunkhwa (**Annexure-IV**). Upon completion of the legal formalities i.e. issuance of Show Cause Notice etc, the action was taken against the appellant.

ON THE FACTS.

- (1) Incorrect. The appellant was illegally appointed through a list received from Political Secretary to the then Chief Minister Khyber Pakhtunkhwa without recommendation of Public Service Commission, test interview and advertisement. The appointment of Sub Engineer BPS-11 is in purview of Public service Commission. The Chief Engineer was not in power to appoint the appellant.
- 2) Denied as drafted as one wrong or any number of wrongs cannot be made bases to justify an illegal action. The post of Sub Engineer BPS-11 comes in the purview of Public Service Commission according to the Public Service Commission Ordinance and ESTA Code, (Copy of the Public Service Commission Ordinance and the concerned rules of the ESTA code and recruitment policy is attached as **ANNEXURE V, VI & VII**), therefore, the then Chief Engineer was not competent to appoint the Appellant. Similar case of Sub Engineer vide Service Appeal No.1331/2013 was dismissed by honourable court vide judgement dated 30/05/2016 **Annexure-VIII**.

Upon the direction of the August Supreme Court and on completion of legal formalities, the appellant was removed from service. It is pertinent to mention that the department had already initiated proceedings against the then Chief Engineer and other DSC members (Copy of letters in this respect are attached as **ANNEXURE-IX**).

- 3) Incorrect. In the advice of the Establishment Department it has clearly been mentioned that appointment is in the purview of Public Service Commission (ANNEXURE-X). In light of advice of the Establishment Department, Public Service Commission Ordinance, ESTA Code, recruitment policy, after giving opportunity of show cause notice the appellant was terminated being illegal appointed. Further to above in light of advice of Establishment Department proceeding against the then Chief Engineer and other DPC members has been initiated.
- 4) incorrect. On the direction of apex court order dated 15.1.2014 and subsequent reminder dated 07.2.2014 proper show cause notice issued to all illegally appointees including the appellant. As the appellant was illegally appointed contrary to all prevailing rules/procedure i.e. recommendation of Public Service Commission, test interview and advertisement. There was no weight age in his reply of show cause notice hence terminated.
- 5) Incorrect. The appellant was illegally appointed without adopted proper/legal procedure. The appointment of Sub Engineer was in purview of Public Service Commission and Chief Engineer was not competent authority to appoint the appellant. The appointment of appellant was made from the list provided by the then Political Secretary to the then Chief Minister Khyber Pakhtunkhwa. The act mentioned by the appellant not ment for illegal appointees but those who were legally appointed on adhoc and contract basis. The appellant was given opportunity of show cause notice and no inquiry required in the case of illegally appointees as the appellant was not civil servant. The referred ordinance by the appellant is only ment for contract and adhoc employees but the appellant was appointed on regular basis illegally contrary to rules/procedure which was also claimed by the appellant in his service appeal No.750/2014 in para-6 of the grounds of his appeal. Hence the above mentioned acts not apply on the appellant.
- 6) Incorrect. The appellant misconceived the orders of Apex court the then Chief Engineer PHED has taken action against all illegal appointees in the light of direction of Apex Court dated 15.1.2014 and subsequent reminder dated 7.2.2014 after issuing of show cause notice to the appellant.

- 7) Denied as drafted. A show cause notice was issued to the appellant but the same was never replied in stipulated time, hence the termination order was validly issued, as the appellant was not come in the category of civil servant. The appellant was illegally appointed and the department was in the obligation to take action, on the direction of the August Supreme Court, against such illegal appointees, in letter and spirit.
- 8) Pertain to record as no comments.
- 9) Correct to the extent that the case was remanded by the Service Tribunal to the department for giving opportunity to the appellant for departmental appeal and personal hearing which was accordingly given to the appellant in the stipulated period.
- 10) Denied as drafted. The appellant including the other 31-Nos illegally appointed from the list provided by the Political Secretary to then Chief Minister, contrary to all prevailing rules without recommendation of Public Service Commission, test interview and advertisement. There was no merit/weight age in reply of the appellant, hence departmental appeal was rejected by the appellant authority on merit and according to rules.

GROUND S

- (A) Incorrect. The impugned order has been issued on the direction of Supreme Court of Pakistan for finalizing action against all such illegal appointees. Fact is that the appellant was illegally appointed without Advertisement, test, interview and merit and without recommendation of Public Service Commission.
- (B) Incorrect. No discriminatory treatment has been meted out with the appellant. Since promulgation of Public Service Commission Ordinance all the posts of Sub Engineer have been filled through the recommendation of Public Service Commission. One wrong if made in the past cannot be referred as precedent for doing another wrong. According to ESTA Code Advertisement for any vacancy is compulsory, statement of the appellant is totally false and may be considered as confessional statement of wrong doing in case of his recruitment.

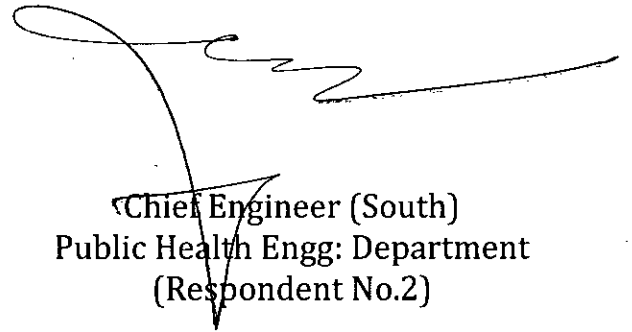

- (C) Incorrect. The appellant was not a regular civil servant appointed through back door. As such the appellant service cannot be protected.
- (D) Incorrect. The appellant was illegally appointed by unlawful authority contrary to all prevailing rules/procedures and was not come in category of civil servant. As such the appellant service cannot be protected.
- (E) Incorrect. There is no malafide of the respondent. The respondent take action correctly in the light of direction of the Apex Court against the appellant who was illegally appointed, contrary to all prevailing rules/procedures.
- (F) Incorrect. The appellant misconceived the judgment of Apex Court. The appellant was illegally appointed without the recommendation of Public Service Commission, test/interview and advertisement. In light of direction of Apex Court dated 15.1.2014 and subsequent reminder dated 7.2.2014 to take action against illegally appointees the appellant being illegally appointees was terminated.
- (G) As above.
- (H) Incorrect. Illegally appointees has create no legal right to retain in service. As one wrong cannot be justified for another wrong. The appellant was given opportunity of show cause notice, but the appellant failed to produce legal documents regarding his legality of his appointment.
- (I) Incorrect. The appellant was illegally appointed contrary to rules and procedures without recommendation of Public Service Commission as the appointment of Sub Engineer come in purview of Public Service Commission Ordinance, ESTA code and recruitment policy. The illegal appointees has no legal rights to retain in service.

(J) The respondent seeks leave of this Honourable Tribunal to raise additional grounds and proof at the time of arguments.

In this case article 25 of the constitution has been violated by not giving equal right of opportunity to the citizen of the Khyber Pakhtunkhwa and FATA having the requisite Qualification zonal allocation formula has been violated. Appointment of the appellant is without lawful authority and of no legal effect. It is therefore humbly prayed that in view of the above written reply, the appeal of the appellant may kindly be dismissed with cost.

REJOINDER TO PARAWISE COMMENTS FILED BY RESPONDENTS-1 TO 3

Respectfully Sheweth,

The Appellant humbly submits as under:

Reply to the preliminary Objections:

1. Misconceived, frivolous, thus, denied. The Appellant has got very strong cause of action.
2. Denied. Instead it is the Respondents who have been estopped by their own conduct as the Appellant has been appointed and kept remained in service for more than five years.
3. Denied. Appeal is in proper form, thus, has been admitted for full hearing.
4. Denied for being misconceived. The Appellant *locus standi* infatal.
5. Frivolous, thus, denied. As the allegations in the Show Cause Notice with all due respect pointing towards the short comings of the Respondents.
6. Denied. In fact it is the respondents who are dragging the appellant in the courts of law.
7. All necessary parties have been arrayed as necessary party.
8. The Appeal is in accordance with law and within time, hence, the objection is not maintainable.
9. Misconceived, thus, denied. Under the law and the orders of the Hon'ble High Court and Apex Supreme Court of Pakistan per se suggest that no Court or Forum other than this Hon'ble Service Tribunal is to entertain this Appeal.

Brief History:

Infact some of the *ad hoc* employees of Public Health Engineering Department had challenged their termination *vide* W.P No. 271/2013 which was dismissed. Their C.Ps Nos. 2026, 2029 of 2013 against the Hon'ble Peshawar High Court were also dismissed. However, at the time of losing legs before the apex Court, the Petitioners Counsel tried to persuade purportedly of discrimination by stating in general terms that there were certain other illegal appointments made by the department against which no action had been taken yet. On which the Supreme Court, obviously, as a matter of principle observed that, if that be a case, then action was ought to be taken by the department against such appointments.

On arrival of the aforesaid judgment of the Supreme Court, the learned Secretary PHE Department sought the guidance, for further course of action, from the Secretary Establishment and Administration Department vide letter No. SO (Estt) PHED/1-90/2012-13 dated 22-1-2014. In response, the E&A Department vide letter No. SOR-V(E&AD)/15-3/09 dated 30.01.2014 (**Annexure-I**) advised that necessary action be taken and in case the appointments proved illegal the Hon'ble Supreme Court of Pakistan may be apprised accordingly. Moreover, the Department should also initiate disciplinary action against the officers who were involved in the illegal appointments and brought them to the justice. That instead of acting upon the advice of the E&A Deptt, to take action against the officers who have allegedly made illegal appointments, if there be any, the Respondents under fear of being proceeded for their misdeed, they out of panic have with great haste & against the advice of E&A Department issued Show Cause Notice in back date to the appellant and without any enquiry and issuance of charge sheet / statement of allegation and mandatory opportunity of hearing the Appellant was terminated. Here it is worth to add that the said observation of the Apex Court in case of aforesaid "ad hoc employees" have been subsided by the August Supreme Court of Pakistan dated 28.04.2014 in C.P No. 551/2014 by the Bench headed by the then Honourable Chief Justice Tassaduq Hussain Jilani where-in it was observed that:

"Tassaduq Hussain Jilani, CJ:- *Petitioner are civil servants and they challenged the order terminating their service in a Constitution petition which stands dismissed vide the impugned order mainly on the ground that the said petition was not maintainable in view of Article 212 of the Constitution read with Section 4 of the Service Tribunal Act, 1973. The only ground being taken by the learned High Court to invoke Article 199 of the Constitution is that the competent authority in the department had passed the order of termination of petitioners' service pursuant to a judgment of this Court and the learned Service Tribunal may be diffident to decide the case independently and in accordance with law.*

2. *We are afraid, the apprehension of the petitioners is misconceived. In the event of filing the appeal, the Service Tribunal shall decide the appeal as mandate in law. Disposed of in terms noted above".*

To put the record straight, the following fatal irregularities have been committed by the Respondents which has made the impugned Order *void ab initio*, without lawful authority and of no legal effect.

- a) It was binding upon the Respondents to act upon the advice of the E&A Department, where he did not act in accordance with the said advice and for *malafidely* reasons to escape or save either themselves or an officer of their rank and file, terminated the Appellant with undue haste and no pre-requisite

enquiry and other pre-requisites The Appellant was terminated in a very harsh, abrupt and unlawful manner.

- b) The Respondent-3 while terminating the Appellant on 14.02.2014, not even waited for completion of the period of 15 days for reply which was to be over by 20.02.2014.
- c) The Respondent-3 without observing legal requirements of conducting proper enquiry into the case and to establish the charges, if any, against the Appellant and giving him opportunity of personal hearing etc. to the Appellant terminated him.
- d) In spite of the fact that the Appellant was appointed by the Competent Authority on recommendation of the Departmental Selection Committee and he was having a continuous service of five and a half years at his credit, terminating his Services in such a slip- shod manner is unjust.
- e) As conducting of inquiry & giving fair and proper opportunity of hearing is not only a formality but a mandatory requirement of law as laid down in 2000 SCMR 1743.
- f) In this way the terms and conditions set with the Applicant at the time of his appointment were utterly disregarded.
- g) The order of termination was illegal as it was not specified therein that under what Law/ Rules the Authority could resort to the penalty of 'termination' as there is no provision of termination in the disciplinary Laws where the Appellant could be made to suffer for fault / irregularity, if any, on the part of the Respondent Department.
- h) As regards the direction of the August Supreme Court of Pakistan, the Respondent-3 himself made a statement before the August Supreme Court of Pakistan and then made direction of the August Supreme Court of Pakistan a pedestal for the impugned action against the Appellant while incorrectly interpreting & applying the general order of the Apex Court with regard to illegal appointments in the Respondent Department upon the Appellant.
- i) In this connection a reference is made to the order passed by the Hon'ble Supreme Court of Pakistan dated 28.04.2014 in C.P No. 551/2014 where in the Apex Court itself has clarified / interpreted its direction in the following words "apprehension of the Petitioners is misconceived. In the event of filing the Appeal, the Service Tribunal shall decide the appeal as mandated in law".
- j) No action has been taken against the purported, alleged and illegal appointments if any, as advised by the Establishment and Administration Department.

On The Facts:

Para-1. Not Correct while para 1 of the appeal is correct. The Appellant was highly skilled and qualified appointed against the regular vacant post of Sub

(4)

Engineer by the competent authority after fulfillment of all the requisite formalities of test / Interview etc. The Appellant had no access either to any politician or to the Chief Minister Secretariat to involve them for his recruitment. Therefore, the Appellant denies his relevancy to the list and believes that the list is not genuine and has been fabricated by the department to prove the appointments as politically motivated. The list therefore, needs to be verified from the concerned authority / office as it is an unattested Photostat copy, hence, cannot be accepted in its present shape. Moreover, after abolition of C&W & PHE Departments and their merger into a single organization of W&S Department vide W&S Department order NO. SO(E) W&S(C&W)13-2/2000 dated 05-11-2001(**Annexure-II**) and Notification No. SOEW&S/13-1/77 dated 22-03-2005(**Annexure-III**) and Establishment Department Notification dated 02-11-2002(**Annexure-IV**) as well as under section 6(b) District Government Rules of Business 2001 (**Annexure-V**), the posts in the department from BPS-1 to BPS 15 were declared as District Cadre Posts. Hence it remained no longer in the preview of Public Service Commission to fill in such post through them.

Para-2-3. Not correct. In fact, the Appellant in his appeal has not pinpointed any wrongs on the part of officers rather he has simply stated that way and procedure adopted by the Deptt in the appointment of the others, was incidentally adopted in appointment of the appellant. Moreover, after devolution it remained no more the responsibility of the PSC to make appointment for District Govts. In this connection reference is made to the W&S Notification Dated 22.03.2005 attached as (**Annexure-III above**) whereby the competent authority has declared the provincial cadre post from BPS-1 to BPS-15 of the Department as district cadre posts. Therefore, the E&A Deptt, vide letter No. SOR- V (E&AD) 1-368/2005 (SE) Dated 02.05.2007 (**Annexure-VI**) with drawn the requisition made by the Deptt for filling in the 20 vacant post of Sub Engineers.

From the aforementioned notification Dated 22.03.2005 it is clear that the post of Sub Engineers stenos, DEOs etc of District Government Rules of Business 2001 were declared as district cadre post and under section 6(b) of the District Government Rules of Business 2001, DCOs were competent to appoint and regulate their post, appointment, management and other affairs. However, by the time when these instructions become operative, the district / local Governments have consumed their tenure and fresh elections were not held. Since, the provincial Government has already devolved the posts to the District Governments which were not in existence and also the provincial Govt. has not revoked the above notification dated 22.03.2005.

5

Moreover, being newly born, the District Governments having no capacity/ strength could not be able to handle the establishment matters entrusted to them. In the circumstances and being a parent organization, the officers of respective Chief Engineers have made the subject appointments, after authorization by the competent authority *vide* Notification dated 30.04.2008 (**Annexure-VII**) so as to avoid breakage in their functions as they were responsible to perform these functions. Moreover, the Secretary PHE (Respondent No.2), while reinstating two of the terminated employees i.e. Mr. Muhammad Jamil, Steno (B-12) PHE, Tank and Suleman Draftsman B-11, *vide* his Order No. SO(Estt)PHED/1-90/2013-14/Volume-II dated 09.05.2016 and even No. dated 10-08-2016 (**Annexure-VIII & IX**) respectively has mentioned that they were appointed by the then DCO, Tank by virtue that he had the powers of appointing authority in respect of officials in BPS-1 to BPS-15 u/s 6(b) of the District Government Rules of Business, 2001 from which it appears that the worthy Secretary is convinced that these posts belong to District cadre. However, it is strange that the Secretary PHE is considering the post of the Appellant i.e. Sub Engineer as provincial cadre Post. Moreover, the case of the Sub-engineers Service Appeal No. 1331/2013 dismissed by this Hon'ble Tribunal *vide* its Judgment dated 30.05.2016, being a case of promotion has no relevancy to the case of the Appellant as the case of the Appellant pertains to appointment.

As stated in the brief history, the Supreme Court has never directed to terminate the Appellant. It is also wrong that legal formalities have been completed in the case of termination of the Appellant. As the termination affected without fulfillment of the legal formalities of inquiry, issuance of charge sheet and providing the opportunity of personal hearing etc. Instead of completion of legal formalities only a Show Cause Notice was issued and that too in a back date and the Appellant was terminated unlawfully and unfairly in utter disregard to the instructions of E & A Department to the PHE Department *vide* their advice letter dated 30-01-2014 (**Annexure-I above**). As regards, the initiation of departmental proceedings against the officers, it is not correct. As without a simple letter by the Chief Engineer Respondent No.3 to the Secretary PHE no further efforts on the part of Respondents towards the logical end of the case exist/ available on record. In fact it was binding upon the department to conduct detail inquiry, to establish the charges & to take disciplinary action against the culprits, if any, but all in vain.

Para-4. Not correct. Advice of E&A Department sought for earlier in the matter was conveyed to respondents *vide* letter dated 30-01-2014 (**Annexure-I**

(6)

above) which was not acted upon in its letter and spirit. The second advice of the E&A Department bearing No. SOR-V(E&AD)15-3/2009 dated 17.03.2014 (Annexure-X) pertains to the case of Sub-Engineers and not to the post of Sub Engineer possessed by the Appellant. Also in the second advice the E&A Department has not given any direction with regard to the termination of the Appellant. Rather, in the advice, the department has been directed to initiate disciplinary action against the responsible officers. Moreover, the second advice is contradictory to the earlier advice issued by the E&A Department on 30.01.2014(Annexure-I above) to the Notifications dated 22-03-2005 (Annexure-III above). Besides the second advice of E&A department, also over rules the section 6(b) of the District Govt. Rules of Business 2001 which provides that DCOs were the appointing authorities for the district cadre posts which fact has also been admitted by the Secretary PHE Respondent No. 2 in his reinstatement orders mentioned above. Also no disciplinary proceedings can be initiated against the responsible officers if any. The Respondent No.3 wrote only a letter to the secretary of the department to take disciplinary actions against the officers. The Secretary Office moved a summary to the Minister PHE proposing therein action against officers through NAB who made preliminary investigation into the matter with no further action by the NAB or by the department against the officers which shows that there was no illegality whatsoever in the process of appointment of the appellant. In the enquiries conducted by the Anti-Corruption establishment are also silent in this regard no irregularity/ illegality in the process of the appointment could be proved, hence filed.

Para-5. Not correct, hence, denied. The Show Cause Notice was issued in a back date as on receipt of the notice, the given time for reply was expired even then the Appellant submitted his Reply to the Show Cause Notice but his services were terminated on 14.02.2014 in a hurry, harsh and illegal manner. If the Appellant was not a regular employee then the Act of 2009 was applicable to him. Also no inquiry, whatsoever, could be held by the department to prove the appointment of the Appellant as illegal, therefore, it is not justified to say that his appointment was illegal. The apex Court has not given any direction for termination of the Appellant.

Para-6. The Respondents have offered no comments.

Para-7. The Hon'ble Tribunal had remanded the case to the Appellate Authority of the department (Respondent-2) vide its direction on 30.12.2015 with direction to decide the departmental appeal of the Appellants strictly in accordance with law / rules within two months. In case the Appellate authority found that any of the Appellants had been unlawfully terminated

(7)

or terminated by mis-conceiving order of the August Supreme Court of Pakistan dated 15.01.2014 and facts of particular case and leads the authority to accept such an appeal, the said decision is required to be taken with full justification and shall have to be intimated to the Registrar of August Supreme Court of Pakistan. The Respondent No.2, therefore, called for all the 32 terminated employees on 08-02-2016 for personal hearing just to complete the formality as it is not possible to hear the stance of all the Appellants at a time by the authority. The Respondent No. 2 thus, just to fulfill the formality, rejected the Appeals through a non-speaking order.

Para-08. Misconceived, thus, denied, as stated in the earlier paras, the Appellant has not approached to any political figure for his appointment. The list shown to have been provided by the then Political Secretary is fake and has been fabricated by the department to prove the appointment as politically motivated whereas after devolution, Public Service Commission has to play no rule in the appointments against the posts borne on District Cadre. The Appellant was duly qualified and appointed on merit against the regular vacant post of Sub Engineer after completing all the requisite procedure of test, interview etc. as and when asked by the department. It is not correct that there was no weightage in reply of the Appellant. Infact no time for reply was given, therefore, not only the prevailing rules but the natural justice and fundamental rights protected under the Article 25 of the Constitution were violated.

Grounds:

- (A) Not correct. The Supreme Court of Pakistan has never given the direction to terminate the Appellant as the Appellant duly qualified and after necessary test / interview etc. he was appointed as Sub Engineer by the competent authority. There has been conducted no inquiry to prove the appointment as illegal. After devolution it remained no more purview of the Public Service Commission to make recommendations to the District Governments for appointments which fact has been admitted by the Secretary PHE (Respondent No. 2) in the reinstatement orders of two of the terminated employees.(Annexure- VIII & IX).
- (B) Not correct. As all such post were borne on the district cadre. This fact has also been admitted by the Secretary PHE (Respondent No.2) in his orders of reinstatement mentioned above. Hence, it there are clear contradictions in Respondents reinstatement orders and dismissal/ termination orders. Moreover, the Appellant has not pinpointed the wrong doings in the department rather he has mentioned that, as a matter of practice, the department for the last 15 years

- 8
- are so, has been making appointments through the same procedure as incidentally has been adopted in the appointment of the Appellant.
- (C) The Appellant being duly qualified was appointed against the vacant post of Sub Engineer on merit by the competent authority. After completing the prescribed probation period of two years he became a regular civil servant and his services were liable to be protected under the Civil Servant Act, 1973.
- (D) Not correct. The Appellant was legally appointed on merit by the competent authority as he was duly qualified for the post and cleared / gone through all the formalities of test / interview etc. As per the terms and conditions of the appointment letter and successful completion of the probation period of two years, the Appellant became a regular Civil Servant of the department as per the prevailing rules, therefore, his services were protected under the Civil Servant Act, 1973. Besides, no departmental inquiry could be conducted to prove the appointment as illegal. Through enquiries conducted by the NAB & Anti-Corruption establishment, appointments could not be proved as illegal.
- (E) Not correct. As the action of the Respondent No.3 is based on mala fide, as the mandatory requirements of law, detailed in below were not completed while terminating, the Appellant:-
- (i) No Charge Sheet / Statement of allegations were issued.
 - (ii) No inquiry was conducted.
 - (iii) A Show Cause Notice was issued in the back date meaning thereby that no time for reply could be provided.
 - (iv) Opportunity of personal hearing was not given.
 - (v) Termination order was issued in a hurry, harsh, abrupt and unlawful manner/.
 - (vi) The remarks of august Court were misconceived.
 - (vii) The Respondent No.3 made a complaint to the Supreme Court himself and then made the general remarks of the Court as basis for termination of the Appellant, thus, acted as a complainant, counsel and judge in the same case which is an utter violation of the norms, law of the land and natural justice.
 - (viii) The Respondents have attached a fake, false and fabricated letter along with their comments just to show that the letter was received from the then Political Secretary to Chief Minister Khyber Pakhtunkhwa to prove the appointments as illegal.
 - (ix) The Show Cause Notice and termination orders of about 50% employees issued by the Chief Engineer (South) (Respondent-3) for which he was not competent as these employees were not working under him but were under the jurisdiction of Chief Engineer (North).
- (F) Not Correct as the Judgment of the august Court has not been misconceived by the Appellant rather it has been misconceived by the Respondents as cleared by

the August Court in the second verdict on 28.04.2016. The Appellant duly qualified and after going through the requisite requirements of the department such as test, interview, etc. was appointed on merit against the regular vacant post of Sub Engineer . After an unblemished and continued service of 5^{1/2} years, the Appellant was illegally terminated on 14.04.2014.

- (G) No comments have been offered by the Respondents.
- (H) Needs no rejoinder as explained above except that the Appellant has earned annual increments, his proper service book, ACR & personal file were maintained..
- (I) Needs no rejoinder as already explained above except that if the appointment of the Appellant was illegal then necessary action against the responsible officers should have been initiated / taken by the competent authority. Since, no such action has been taken which shows that appointment was legal. The Department, through enquiries conducted by the NAB & Anti-Corruption establishment could not find any irregularity or illegality in the appointment of the appellant.
- (J) Needs no rejoinder.

No violation of the Article 25 of the Constitution is involved in the case as not only the Appellant but he along with 32 others belonging to different Districts, Zones and FATA were appointed on merit against the regular vacant posts by the competent authority after conducting necessary test and interview etc. The Respondents while terminating the Appellant unheard and without inquiry / charge sheet etc. have violated Article 10 of the Constitution under which fundamental rights of all citizens are protected.

Prayer: Considering the above submissions, it is, therefore, most respectfully prayed that by way of acceptance of this Appeal, this Hon'ble Tribunal may please set aside the impugned Order of the termination and reinstate the Appellant with all back benefits. Or any other relief deemed appropriate by this Hon'ble Tribunal under the circumstances may also be granted.
