of Check Post have been held responsible for doing nothing but for implementation of directives of superiors. The judgment passed by the competent authority is discriminatory and biased.

- 18. That chance of personal hearing was not provided at any stage by any inquiry committee or appointing authority which was mandatory under the rules.
- 19. That GFR Paras 20 to 24 deal with losses to government and only a DDO is responsible for all losses to government. He has to report the matter to higher authority and has to conduct inquiry. In this case neither DFO Lower Kohistan nor Galis reported or conducted any inquiry about losses. Even a single explanation has not been called from their offices about the so-called losses.
- 20. That Dobair FHCS has signed agreement with DFO Lower Kohistan and in case of any irregularity managing director would have been taken to task. He (Managing Director) transported all the timber and sold in Market but only a single letter cited above is on record. No action was initiated against the society which was the basic duty of DFO Lower Kohistan. Depot incharge of Galis Division had no powers to

take any action. Moreover, the Government has received full 20% share hence, no loss at all has been caused to the Government.

- 21. That there would have been a joint inquiry as two
 Forest Divisions were involved for the same timber but
 intentionally Administrator Department issued
 separate charge sheets of staff of Kohistan and Galis
 Forest Divisions and created confusions to conceal
 facts.
- 22. That the appellant lodged appeal to the appellate Authority against orders passed by respondent No. 1 the Competent Authority on 28/05/2014 but neither it has been accepted nor rejected hence, the present appeal is preferred before this Honourable Tribunal, inter-alia, on the following grounds; -

GROUNDS; -

- a. That the impugned order is against the law and actual facts, hence, legally is not tenable and is requested to be set-aside.
- b. That the inquiry conducted is not according to the rules and regulations, as laid down under the

E&D Rules 2011. All the inquiry has been conducted in the absence of the appellant. While it was mandatory that the appellant be present at the time of inquiry at all the stages of proceedings of inquiry.

- appellants while it was the legal requirements that appellant be given a report of inquiry which was conducted against the appellant.
- d. That appellant had been exonerated by the Inquiry Officer, Sardar Muhammad Saleem and even the Conservator of Forests Hazara Circle Abbottabad.
- e. That during the long tenure of services, the appellant served the department, most honestly, diligently faithfully and retired from service vide order No. 116 dated 22/05/2013 on supperannuation. That is why the department itself admitted the good service record of the appellant, while awarding the punishment in the impugned order No. SO(Estt.) Envt./1-50(43)/2K12 dated 12/05/2014. The service record was not given any weight.

f. That the appellant had served his prime/golden period of service in the department and now when he is at the last stages of services, his previous services have been ignored. It can be considered that punishment was harsh and not justified at all.

In view of the above facts and reasons, it is humbly prayed that the Honourable Tribunal may graciously be set-aside the punishment with all the benefits from which the appellant has been deprived due to this impugned order till now and till decision and the appeal be accepted as prayed for.

Office Order No. 04, dated 13/8/2005 (Annexure-III) of DFO Lower Kohistan. Challan No. 85/2LK dated 20/8/2005 (Annexure-IV) issued / prepared by Saif-ur-Rehman F/Guard the then incharge Lower Kohistan Sale depot to private sale depot 569 and acknowledgement receipt of Managing Director for 1338 scants = 9,396.99 (Annexure-V) cft showing that the whole consignment of T.P. No. 24, dated 23/12/2004 = 3495 scants= 26,071.92 (Annexure-VI) cft was reached to the market and stand disposed off and nothing was balance in roadside depot and report thereof was submitted to Conservator of Forests, Abbottabad Circle who accordingly issued office order No. 121, dated 12/6/2008 (Annexure-VII) for the confiscation of this illegal timber 513 scants = 4,984.97 cft in favour of Government with a copy to Chief Conservator of Forests and a copy to DFO Lower Kohistan for putting the timber for sale and proceeding against the delinquent staff under intimation to his office.

ii). Aggrieved of this, Mr. Muhammad Anwar Managing Director Dubair Forest Harvesting Cooperative Society preferred an appeal in the court of Civil Judge-I Abbottabad against the Conservator of Forests Abbottabad office order No. 121, dated 12/6/2008. The Forest Standing counsel Abbottabad offered comprehensive comments (Annexure-VIII) on the civil suit No. 105/01 in the court of Civil Judge-I Abbottabad, stated that the whole timber is disposed off and nothing is left at depots which was dismissed on 10/7/2010 but later on remanded in the court on the basis of additional evidence which was not properly defended in the court and the case was decided in favour of Managing Director on 8/10/2011. The letter No. 3696/GL, dated 3/12/2011 (Annexure-IX) of the office of Conservator of Forests, Upper Hazara Forest Circle Mansehra addressed to the Chief Conservator of Forests-II Khyber Pakhtunkhwa Peshawar is worth perusal with all its enclosures showing that who failed in the court and why the case became unfit for further proceedings which resulted in initiation of another enquiry against the staff of Galis Forest Division.

c).i). I and Mr. Muhammad Rafique Forest Guard had maintained a neat and clean record about the inflow and out flow of timber in daily Roznamcha and Khata register. Though the so called book balance i.e. 779 scants = 4948.77 cft was available in the Khata register (Annexure-X) of Goherabad Check post but after un-loading and proper measurement nothing remained balance as all the timber of T.P No. 24, dated 23/12/2004 had reached the timber market. In this regard the version of Forest Manual Volume-II Page-223, clause 15.7 can be quoted as under: "All logs and scantlings will be measured and marked as soon as possible after arrival at a "sale depot" in the manner prescribed in the "Depot and Sale Rules". All other forest produce will be counted, measured or weighed as the circumstances may require immediately on arrival at a "sale depot". (Annexure-XI)

After examining the record of Kohistan Sale depot and private sale depot 569, it has become crystal clear that the whole consignment of Lower Kohistan T.P. No. 24 dated 23/12/2004 had been distributed by DFO Lower Kohistan in proportionate share of 20% Government and 80% Owner share and released the 80% owner share to the owners/Managing Director vide his office order No. 29, dated 11/2/2005 and 04, dated 13/8/2005 respectively and nothing was balance as per detail given below:

SYED MAHBOOB AHMAD SHAR Professor, M.A. Court Advocate High Court

	otal	3495 = 26071.92	454 = 5215.13	3041 = 20856.79
O/O No 04, dated 13-8-2005		1553= 11746.93	215=2349.94	1338= 9396.99
O/O No 29, dated 11.2.2005,	3495= 26071.92	1942= 14324.00	239= 2865.19	1703= 11459.80
DFO Lower Kohistan Office order & date	Quantity as per T.P.	Timber reached in Goherabad Sale Depot	20% Govt. Share	80% Owner Share

Hence the carriage of 513 scants = 4,984.97 cft in lieu of so called 779 scants = 4,948.77 cft book balances to the Goherabad by Managing Director was not justified and unwarranted.

ii). No omission had been occurred during my tenure at private depot 569 dealing with private timber because neither the Depot Holder nor the President of Timber Merchant Association, MDs of Societies, Chairmen of the JFMCs, the staff posted at Goherabad themselves or through their Range Officers preferred any complaints or brought any irregularity in my notice.

iii). I and Mr. Abdullah Khan the then Range Officer Abbottabad had checked the released private share i.e. 1338 scants = 9396.99 cft shifted under the challan No. 85/2LK dated 20/8/2005 of Lower Kohistan Forest Division issued/ prepared by Mr. Saif-Ur-Rehman Forest Guard the Incharge of Lower Kohistan sale depot to private sale depot 569. We have also verified the entry in form No. 5 (Annexure-XII) and its further disposal in Form No. 6 (Annexure-XIII) of the said depot.

iv). I have performed my duty earnestly and honestly with zeal and zest. The loss sustained to Government is not on my part but on the part of the Prosecutor who could not bring the facts in the notice of the Enquiry Committee comprising of M/S. Hussain Shah Additional Secretary Govt. of Khyber Pakhtuukhwa Health Department and Muhammad Ayaz Deputy Secretary Govt. of Khyber Pakhtuukhwa Finance Department. It also lies on the part of the officers who failed to defend the suit case No. 105/01 in the court of Civil Judge Abbottabad filed by MD of Dubair Cooperative Society against Conservator of Forests, Abbottabad office order No. 121, dated 12.6.2008(see the last paragraph of "Discussion of the fact finding enquiry of Mr. Shah Wazir Khan and Malik Javed) (Annexure-XIV)

"Due to non inclusion of Forest officer in the enquiry committee to ascertain technical aspect of the issue against M/S Hafiz-Ul-Islam and Qazi Shabir Ahmad SDFOs besides poor prosecution of the department, the charges against the accused officers/officials were not proved although they are not so innocent because TP No. 24 dated 23/12/2004 (already extended on 13/7/2005) was granted another extension on 3/6/2008 (after 3 years) which is not understood. Conservator of Forests, Abbottabad while confiscating the timber vide his office order No. 121, dated 12/6/2008 clearly states that the so called timber is not available on balance and was confiscated. Later on due to poor prosecution of the Department could not prove the charges against the officers/officials during the enquiry proceedings. In case of civil suit the department (DFO Lower Kohistan and his staff) failed to safeguard the Govt: interest and rather gave chance to the private party (MD of the society) to prove his case against the Department, which clearly shows their In-efficiency and Misconduct."

vi) In compliance to the directives contained in the Section Officer, Establishment Government of Khyber Pakhtunkhwa Environment Department letter No. SO (Estt)Envt:/1-50(40)2k9/611, dated 26/2/2011(Annexure-XV) about the endorsement of decision of worthy Chief Secretary upon the Enquiry Report of Mr. Hussain Shah Additional Secretary Govt. of Khyber Pakhtunkhwa Health Department on the subject "DISCIPLINARY PROCEEDINGS AGAINST TWO SUB DIVISIONAL FOREST OFFICERS, ONE JUNIOR CLERK AND FOUR FOREST GUARDS" addressed to Chief Conservator of Forests, Khyber Pakhtunkhwa, the DFO Galis has initiated enquiry as given in the 2nd paragraph of the letter.

"Besides, it has also been approved that an inquiry/disciplinary case against the staff of Galis Forest Division posted at Goharabad Deport may also be conducted /initiated; therefore, necessary steps may be taken accordingly under intimation to this department. In this connection a copy of Inquiry Report is attached."

After enquiry I have been exenorated from the charges leveled against me by the Enquiry Committee Sardar Muhammad Salim Sub Divisional Forest Officer, Abbottabad(Annexure- XVI)

v).Mr. Muhammad Anwar MD of the Dubair Forest Harvesting cooperative society is responsible for the loss sustained to the Government by brining illegal timber 513 Fir/Spruce scants= 4994.97 cft. He is not an innocent and this is not his first instance but he has violated the Transport Pass Rules in T.P. No. 06, dated 25/9/2006, T.P. No. 07, dated 27/9/2006 and T.P. No.08, dated 27/9/2006 issued by the DFO Lower Kohistan for the carriage of timber from Dobair Roadside depot to Goharabad Market which was detected during checking in March 2007 by the NAB (F) team where huge quantity was admixed and through open auction of this illegal timber, more than Rs.70,00,000/- was remitted into Government Treasury. (Annexure-XVII, XVIII & XIX). Had this not been detected by the NAB (F) team then the Government exchequer would have sustained a huge loss. The detail is given below:

T.P. No. and Date	Timber Confiscated in Market / disposed of.		
T.P. No. 6 dated 25.9.2006 issued from Dobair R/Side depot to Goharabad Market	968.92 Cft Excess timber was detected in Goharabad Timber Market and confiscated vide DFO Lower Kohistan Office Order No. 54 dated 28.3.2007 and Security Rs. 26083/- was forefeited to Govt. and confiscated timber was disposed of through open auction receiving Rs. 8,64,389/- as sale value plus taxes.

d). The money worth Rs.16,45,040/- as sale proceed of 513 = 4984.77 cft confiscated timber has gone to the pocket of Managing Director after its open auction vide DFO Lower Kohistan cross cheque No. 281309, dated 2/2/2012 and not to the pocket of any outsider. This is the actual loss sustained to the Government. This is not theft, dacoit or misappropriation rather it happened due to malified intention of Managing Director who is stake holder with DFO Lower Kohistan being involved in this case the Managing Director Dubair Forest Harvesting Cooperative society was required to be panelized and banned his society.

Keeping in view the above ex-position it is humbly prayed that I may please be exonerated from all the charges leveled in the charge sheet/Memo of allegation against me and I may also be heard in person. It is further requested to direct the prosecution to bring all the relevant record at the time of personal hearing as per detail given below:

- 1). Correspondence file of Charry 4(ii) of DFO Lower Kohistan.
- 2). Court file maintained by DFO Lower Kohistan.

Subject: SHOW CAUSE NOTICE.

Kindly refer to your letter No.SO(estt) Env/1-50(43)2kG,dated 8/5/2013, received vide DFO Patrol Squad letter No.983/PS, dated 4/6/2013 wherein I have been directed to reply to the attached show cause notice issued from Honourable (Justice (R) Tariq Pervez Khan) Chief Minister KPK regarding the Penalties to be imposed upon me i) compulsory Retirement form service (ii) Recovery of loss amounting to Rs.12,66,988/- in the light of the Enquiry completed by Mr Abdul Jamil CCF, KPK & Mr Janat Gul Additional Secretary Irrigation Department KPK. In this connection it is humbly submitted that a detailed reply was submitted to the Enquiry Committee and also during the personal hearing a detailed answer was given to the questionnaire but the Enquiry Committee did not give weight to my reply/ view points

Again it is submitted that I am not involved in this event. The version of the Enquiry Committee in Para (f) of their Enquiry report that I am responsible for the exit of excess timber to the tune of 4985 cft from Goharabad market is not corrects, because 21087 cft timber was brought to Goharabad market vide TP No. 24 dated 23/12/2004 issued by DFO Lower Kohistan which was allowed at entry /exit check post of the market to its destination i.e sale depot of Lower Kohistan in side the Goharabad market for its proper measurement and disposal through the staff of Lower Kohistan. After necessary process by them the, DFO%Kohistan prepared another documents for its disposal and issued office order No.29,dated11/2/2003 and O/O. No.04, dated13/8/2005 for disposal of 26072 cft from Goharabad market sale depot of Lower Kohistan at entry/exit point 1 allowed this to its destination in the basis of their documents.

There is no difference in the record of sale depot 569 i.e form No.5 receipt and Form No.6 disposal, what so ever is released by the DFO Lower Kohistan & his staff to the depot 569, that amount is delispatched and allowed to its detonation.

The amount of the excess timber has gone to the pocket of MD of the Dubir Society of Lower Kohistan Division. The department had failed to pursue the case in the courts against him where the excess timber was detected by CF, Abbottabad and confiscated vide office No.121 dated 12/6/2008 and still his society is in working condition.

- (IV) My duty was (DATA) recording and I have done this correctly and I have realized on the record of DFO Lower Kohistan and his documents.
- Due to non inclusion of Forest Officer in the enquiry committee to (V) ascertain technical aspect of the issue against M/S Hafiz-ul-Islam and Qazi Shabir Ahmad SDFOs besides poor prosecution of the department, the charges against the accused officers/official were not proved although they are not so innocent because TP No.24 dated 23/12/2004 (already extended on 13/7/2005) was granted another extension on 3/6/2008 (after 3 years) which is not understood. Conservator of Forest Abbottabad while confiscating the timber vide his office order No.121, dated 12/6/2008 clearly states that the so called timber is not available on balance and was confiscated. Later on due to poor prosecution of the Department could not prove the charges against the officers/officials during the enquiry proceedings. In case of civil suit the department (DFO Lower Kohistan and his staff) failed to safeguard the Govt: interest and rather gave change to the private party (MD of the society) to prove his case against the Department, which clearly shows their Inefficiently and Misconduct.

It is further requested that:-

- 1- The enquiry committee has not fulfilled the basic norms of justice.
- 2- They have not considered the evidence provided by me in my defence.
- 3- They have established charges upon me which I have not committed.
- 4- The officers who were charged alongwith me have been exonerated proving that the responsibility cannot be fixed on staff of Galis Forest Division Abbottabad and if Galis Forest Division staff is responsible then the officers exonerated should have been penalized and discrimination is not warranted under constitution.

Professor, M.A.LL.B. Advecate High Court Abbottabad

keeping in view the above exposition it is humbly requested that I may be exonerated

from the charges and may be heard in person please.

SO(ESTT.)/1-50(43)/2K13/2160 12/05/2014, WHEREBY, IT HAS RECOMMENDED TO HONOURABLE THE CHIEF PAKHTUNKHWA, BEING KHYBER MINISTER COMPETENT AUTHORITY THAT AN FIR AGAINST APPELLANT MAY BE APPROVED TO BE LODGED UNDER RULES FR 54-A. BESIDES, RECOVERY OF AN PER OF RS. 12,66,988/-, **AMOUNT** RECOMMENDATION OF THE INQUIRY COMMITTEE HAS ALSO BEEN DIRECTED TO BE RECOVERED FROM THE APPELLANT.

PRAYER: ON ACCEPTANCE OF THE INSTANT APPEAL/ REPRESENTATION/ REVIEW, THE IMPUGNED LETTER/ ORDER DATED 12/05/2014 MAY KINDLY BE SET-ASIDE/ REVIEW IN THE HIGHEST INTEREST OF EQUITY, JUSTICE AND FAIR PLAY.

Respected Sir,

The facts giving rise to the instant appeal are arrayed as under;-

SYED MAHBOOR AHMAD SHAH 1
Professor, M.A. L. Surt
Professor, M.A. Court
Advocate High Court

That the appellant after attaining the age of superannuation retired from service on 19/06/2013 as Deputy Ranger.

- 2. That vide show cause notice dated 04/06/2013, the appellant was directed to submit reply regarding the penalties to be closed upon him in the light of inquiry completed by Mr. Abdul Jamil CCF KPK and Mr. Janat Gul Additional Secretary Irrigation Department KPK.
- 3. That the appellant submitted detailed reply, wherein, it was proved through cogent evidence above innocence of appellant but the same was not considered by the competent authority.
- That the version of the inquiry committee was not correct. The timber measuring 21087 was brought to Goharabad Market vide TP No. 24 dated 23/12/2004 issued by DFO Lower Kohistan which was allowed at entry / exit check post of the market to its destination i.e. from sale depot of lower Kohistan to Goharabad market for its proper measurement and disposal through the staff of Lower Kohistan. The whole proceedings / process had been carried out / conducted by the officers and not the appellant because neither the appellant was authorized to do so nor it was the mandate of the appellant.
- A cursory perusal of the record would reveal that the appellant has been made scapegoat. Probably, rather, surely, to give safe way to the persons/ officers who are actually responsible for the misconduct, inefficiency and corruption. Copies of TP No. 24 dated 23/12/2004, copy of letter No. 29 dated 11/02/2003, No. 04 dated 13/08/2005 are attached for ready reference.
 - That the appellant had released the timber under the challan issued by officers, who were co-accused. It is astonishing that the said officers / authority to release the timber, have been exonerated, surely, due to favourtism, nepotism and personal

6.

- 7. That firstly charge sheet, secondly statement of allegations, thirdly inquiry proceedings, fourthly show cause notice and finally the letter dated 12/05/2014 are alien to law. The whole proceedings till issuance of letter dated 12/05/2014 have been conducted without observing legal provisions on the subject, coupled with illegal exercise of jurisdiction.
- 8. That the inquiry committee has failed to comprehend the actual situation in the matter while concluding the inquiry and did not consider the facts and circumstances narrated by the appellant.
- 9. That the legal provisions of the law have been ignored throughout the proceedings. The appellant was quite innocent. No malafide whatsoever or misconduct, as have been alleged against the appellant could be proved against the appellant. Infact, in order to save the skin of actual culprits, the appellant has been dragged.
- That the malafide is palpable on record, even from the letter dated 12/05/2014, wherein, in the subject, disciplinary proceedings have been shown against five persons, whereas, the FIR and recovery of Rs. 12,66,988/- has been recommended against the appellant. What a standard of justice. On one hand section officer, environment department is showing disciplinary action against five persons and in the same letter only the appellant is being penalized and that too for the faults and wrongs committed by others.
- That on each and every occasion, the appellant had been requesting for personal hearing but each time the personal hearing was restricted only to introduction. No proper opportunity of personal hearing has been afforded to the appellant, which could enable him to explain his position. It is the worst example of highhandedness and abuse of power and

SYED MAHBOCA MALLE Advocate High Court

- 12. That another alarming factor of the situation is that, the appellant retired after rendering unblemished service from the department and during the whole tenure even a single complaint against the appellant has not filed, except the present proceedings which are clearly based on malafide. Since his retirement, the appellant is compelled to live a miserable life because the pension / gratuity has not been released to the appellant. The appellant has neither any son to look after him nor he has any other source of income.
- 13. That if the whole proceedings were conducted in a fair, transparent and impartial manner, the appellant would have been exonerated from very inception and actual culprits penalized.
- 14. That the appellant has tried his level best to convince the authorities regarding his innocence but the stance of influential person / officers always prevailed.
- 15. That the actual culprits and the officers conducting inquiry and other proceedings in the matter in hand were hands in gloves with each other. The appellant is dead sure that Honourable, the Chief Minister has been misguided through misrepresentation of the facts, otherwise, the Chief Minister being a kind and law knowing person should have never endorsed the proceedings.
- 16. That the inquiry committee has not fulfilled the basic norms of justice, have not considered the evidence provided by the appellant in his defence.

That the officers who were made co-accused and charged alongwith the appellant have been exonerated which is sufficient to establish that the appellant is innocent because if the appellant has committed any wrong or misconduct, the same was done under the authority of officers and if they

SYED MAHISCO MALL. B. Professor, M. A. LL. B. Court Professor, M. Court Professor, M.

have been exonerated, their left no reason/lawful justification for penalizing the appellant.

- That no law of the land provides double jeopardy. Letter 18. dated 12/05/2014 is showing to punishments i.e. lodging of FIR and recovery of amount. The appellant being subordinate cannot be held as accused, therefore, both the punishments are not applicable to the appellant.
- That the appellant is sure that if your good honour could 19. kindly spare some moments form your precious time to give chance of audience to the appellant, enabling him to clear his position, it is hoped that the whole charges would be withdrawn and appellant exonerated from the charges leveled against him.

It is, therefore, humbly prayed that on acceptance of instant appeal / representation / review, the appellant may kindly be exonerated from the charges leveled against him. It is further requested that in the light of foregoing submission and those which may be agitated during personal hearing, concerned quarters may kindly be directed to forthwith release the service benefits of the appellant. It is further prayed that till disposal of the appeal, concerned quarters may also be directed not to register FIR against the appellant.

DISCUSSION.

After going through the written reply, attached annexure, personal hearing and cross examination it is derived that the accused official has dispatched the consignment of T.P. No. 24 dated 23.12.2004, keeping in mind the distribution report, challan of timber handed over to Managing Director Dubair harvesting society, receipt of MD etc. All those documents prove that all the timber has been handed over to the Managing Director and he has dispatched it therefore, it is not proved any where that the accused official is responsible for the short fall. Therefore, keeping in view the documentary and circumstantial evidence provided by the accused in his defense, the charges leveled against Mr. Mohammad Iqbal Deputy Ranger cannot be established.

TRANSPORT PASS NO.24 DATED 31.7.2009

Ref:

Your office 1528-30/GL, dated 20.8.2009

It is submitted that the committee constituted for threshing out of timber in question brought under TP No.24 dated 31年 July,2009 from Lower Kohistan Forest Division has categorically been combed out and came to the conclusion, elaborated in the following lines:

> The timber remained stacked in Goherabad Market since more than one year and now apparently changed in colour etc being Fir/Spruce in the open air due to Natural Hazard and therefore the timber to the tune of 82 scants = 1055.00 cft seems too old and relatively is of low quality as compared to the timber to the tune of 431 scants= 4332.00 cft of Fir/Spruce.

The report is submitted for favour of further course of action please
