3

6. That the 2000 SCMR 645 is self explanatory not to with hold promotions on the basis of pending inquiries and minor Penalties.

Copy is annexed as annexure......F 7. That again the PSB in its meeting on 08.11.2004 did not promote the Appellant due to the minor Penalties while (30) more juniors were promoted from BPS 17 to 18.

That on 05.05.2005 the appellant received letter from the department that the appeal of the Appellant was accepted by the Chief Minister for remission of minor Penalties and as well as for promotion with the condition that the Appellant will with draw his appeal in Service Tribunal. The Appellant conditionally withdrawn his appeal on 07.05.2005 from Service Tribunal that if the Government did not solve his problems he will again approach the Tribunal. The minor Penalties were withdrawn by the Department with immediate effect on 09.06.2005 but promotion was delayed by unknown reasons, in spite of Chief Minster's said order.

Relevant copies annexed as annexure......

That again on 12.07.2005 the PSB in its meeting did not promote the Appellant in spite of the accepted appeal of the Appellant by the Chief Minister to promote the appellant and in spite of no penalties no inquiry against the appellant as mentioned above in Para (8). The PSB astonishingly took the Position of lame excuse that inquiry against the Appellant has been initiated while on ground there was still nothing of such nature / possibility.

APPEAL AGAINST THE IMPUGNED ORDER/NOTIFICATION NO. SOE-U/W&S/4-5/72 DATED 8 FEBRUARY 2003 OF RESPONDENT NO.1, WHEREBY HE IN TOTAL VIOLATION OF THE SEMIORITY LIST. PROMOTED THE RESPONDENTS NO.3 TO 22, BEING JUNIORS TO THE APPELLANT, TO THE RANK OF EXECUTIVE ENGINEERS, BPS-18; AND SUPERSEDED THE APPELLANT.

#### PRAYER:

To set aside the impugned order/notification being illegal, void and while considering the case of the appellant in accordance with law, he in preference to respondents No.3 to 22, being senior most, he promoted as Executive Engineer, BPS.18, from the date of the impugned Notification/order.

#### Respectfully Sheweth;

Ι.

2.

3.

The facts leading to this Pelition are :

That the appellant, a civil engineer, joined the flich B&R now C&W Department, through Public Service Commission as SDO, Grade-17, in the year 1978.

That the appellant since then is serving the Department with dedication and has got undamaged service record through out, recommended regularly for promotion in every ACR.

That according to the Seniority List as on 1.6.2002, the appellant is placed on the top of the list at S.No.1. Copy of the Seniority List is <u>Annexure:A.</u>

That the appellant was temporarily promoted as XEN on 11.10.1999 against vacant post and till 25.3.2000 as Designing Engineer in Malakand Division in the office of Director. His temporary promotion was further maintained w.e.f. 25.3.2000 till 3.2.2002 as XEN Chitral in his original pay and scale.

That the position of the appellant was maintained as such since February 2003 and posted as Designing Engineer (NEN) in the office of Chief Engineer, Peshawar where the appellant is serving as such till date.

That on 4.12.2002, the then Secretary Works fabricated a filse case against the appellant and was thus charge-sheeted to which the appellant submitted his reply on 28.12.2002 to the Hon'ble Chief Secretary, which was pending when the posts of XEN were fallen vncant, however, the appellant though at S.No.1 of the Senierity List was not considered and consequently vide impugned, order/notification the junior most respondents No.2 to 22 were promoted. Copy of the charge-sheet, reply and the impugned Notification are Amesure: B, C & D.

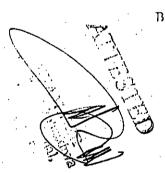

That feeling aggrieved the appellant submitted appeal/representation to the Hon'ble Chief Minister, NWFP on 1.3.2003, but unfortunately no reply was received even after a lapse of 90 days, hence this appeal on the following amongst other grounds:

#### GROUNDS

7,

6.

A. That the appellant, according to the Seniority List, was on the top of it at S.No.1, whereas respondents No. 3 to 22 are at much lower position and thus the appellant was the first person to have been promoted on first available vacancy as XEN Grade-18, as such, the impugned order/notification is in total violation of all norms of justice, law and rules governing the situation.

B. That the appellant has got unblemished service record without any adverse entry and has rendered 24 years service in Grade-17. He has also been temporarily promoted to the post of XEN in different capacities and is serving as such till date, hence he fulfills the requirement, besides seniority, of fitness as required under the law and, therefore, his name could not be dropped for considering the same for promotion to the next higher grade!

C. That even if an inquiry was pending, which is absolutely a false and fabricated case on the face of it, it could not hinder or could

not cause a bar for considering his name and accordingly promoting him to the next higher grade.

D. That the so-called inquiry was neither in accordance with law nor has had any basis for proceeding against the appellant. It is totally concocted case based on malafides of the then Secretary Works, who nourished ill-will with the appellant as the appellant had given a true statement in his defence instead of submitting to the whims of the said Secretary. The whole proceedings taken against the appellant are based on nurtatide and are facts and are liable to be brushed aside. The impugned order, if based on such inquiry, is not sustainable in the eyes of law.

It is, therefore, humbly prayed that on the acceptance of this appeal, the impugned order/notification may kindly be set aside and while considering the case of the appellant in accordance with law, he in preference to respondents No. 3 to 22, being senior most, may be promoted as Executive Engineer, BPS.18 from the date of the impugned Notification. Any other just and equitable relief deems tit in the circumstances of the case may also be granted to the appellant.

SUPREME COURT MONTHLY REVIEW [Vol. XXXII]

### JUDGMENT

IRSHAD HASAN KHAN, J.---This petition is directed against the judgment, dated 27-9-1999 passed by the Lahore High Court in Crl. Original No.279-W of 1999.

2. The dispute herein relates to the promotion of the respondent as Deputy Superintendent of Police.

3. This Court through judgment, dated 15-4-1999 passed in C.P.L.A. No.1617-L of 1997 entitled The Inspector General of Police, Punjab, Lahore etc. v. Mrs. Nascem Chaudhry, etc., while dismissing the appeal of the Inspector-General of Police against the order of the Punjab Service Tribunal, Lahore in Appeal No.3097 of 1997, made the following observation:-

*5. We have heard the learned counsel for the petitioner Dr. A.Basit learned senior counsel for the respondent/caveator and perused the available material on record. The Tribunal was right in holding that the respondent had not been promoted by superseding any officer senior to her. She was entitled to be promoted from the date her juniors were promoted. There was no valid reason not to consider her case for promotion as DSP as above. The impugned order appears to be just, fair and equitable. Mr. Ghuman was unable to substantiate his plea that the impugned order suffers from any illegality. Be that as it may, no substantial question of public importance is involved to warrant interference in these proceedings.

4. The petitioner not implemented the above order passed by this Court. The respondent therefore, approached the High Court for redress of her grievance. The contempt application was also filed on 25-1-1999 wherein notice was issued to the petitioner, who took the plea that the respondent could not be promoted as some disciplinary proceedings had been initiated against her. The contention was repelled by the learned Judge in Chamber, vide the impugned order, dated 27-9-1999, which is to the following effect:-

"The learned Advocate-General says that the petitioner has been suspended from service and as such the question of her promotion does not arise. The learned counsel for the petitioner has, however, placed on record, a copy of the order, passed by the Punjab Service Tribunal on 30-8-1999, whereby the order of suspension of the petitioner has been suspended. That being so, there is no hurdle left in the way the respondent for implementation of the orders passed by this Court. The needful shall now be done within one week from today failing which coercive process shall be issued against the respondents."

5. The learned Additional Advocate-General, Punjab submitted that the High Court fell into error by not considering in true perspective that the disciplinary proceedings have been initiated against the respondent and, therefore, there was genuine hurdle in the way of petitioner to promote her in accordance with the orders passed by the Supreme Court as well as the High

Court. We are afraid that the mere fact that some disciplinary proceedings are pending against the respondent is not a sufficient ground to disregard the order passed by this Court. However, we may clarify that promotion of the respondent as DSP will not debar the petitioner to continue with the disciplinary proceedings against the respondent if any, justly, fairly and in accordance with law.

7. With the above observation, the petition is dismissed and leave to

appeal declined. M.B.A./Z-33/S

APPEAL U/S 4 OF THE N.W.F.P. SERVICE TRIBUNAL ACT, 1974 FOR PROMOTION OF THE APPELLANT IN THE NEXT HIGHER GRADE OF BPS-18 AND ABOVE WITH ALL BACK BENEFITS.

Respectfully Sheweth;

or more

That the appellant, a civil engineer, joined the then B&R Now C&W Department, through Public Service Commission as SDO, Grade-17, in the year, 1978.

- 2. That the appellant since then is serving the Department with dedication and has got unblemished service record through recommended regularly for promotion in every ACR.
- 3. That the appellant was temporarily promoted as XEN on 11.10.1999 against vacant post and till 25.3.2000 as Designing Engineer in Malakand Division in the office of Director. His temporary promotion was further maintained w.e.f. 25.3.2000 till 3.2.2002 as XEN Chitral in his original pay and scale.
- 4. That the position of the appellant was maintained as such since February 2003and posted as Designing Engineer (XEN) in the office of Chief Engineer, Peshawar and lastly posted as XEN C&W, Chitral.

5. 7.

That on 4.12.2002, the then Secretary Works fabricated a false case against the appellant and was thus charge-sheeted to which the appellant submitted his reply on 28.12.2002.

That however, not satisfied with the reply of the appellant an inquiry was initiated and on completion of the so-called inquiry the respondent passed the impugned order.

That the appellant filed an Appeal before the Hon'ble NWFP Service Tribunal, Peshawar vide Appeal No. 598/2003 which was pending adjudication.

8.

That in fact minor penalties imposed upon the appellant was due to a false and concocted case against him for alleged

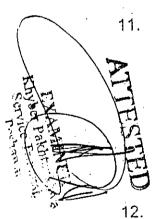

1.

irregularities in the scheme "Feasibility study and construction of RCC Bridge over Yarkhun at Mastuj with co-alignment of Parwak Mastuj Road (11 km)", thus the appellant was deprived of his due promotion in the normal course.

9. That the appellant filed another appeal vide Service Appeal 984/2003 before the NWFP Services Tribunal, Peshawar, against the impugned order dated 16.5.2003 of the department under the NWFP Removal from Service (Special Powers) Ordinance, 2000 whereby minor penalties of withholding of three increments for three years and censure was imposed on the appellant.

10. That both the aforementioned appeals were pending before the Hon'ble NWFP Service Tribunal when vide letter No. SOE-I/W&S/1-6/78 dated Peshawar the 5.5.2005 by Secretary Works & Services through Section Officer (Esttt-I) and the appellant was informed that the appeal already submitted to the Hon'ble Chief Minister, is pleased to accept the same subject to the condition that the appellant should withdraw his appeals aforementioned in the NWFP Services Tribunal against the imposition of said minor penalties. Copy of the letter is annexed.

That consequently vide said letter, the appellant submitted an application before the Hon'ble NWFP Services Tribunal, Peshawar dated 7.5.2005 for withdrawal of both the aforementioned appeals i.e. against the imposition of penalties as well as for promotion to the higher grade. Copy of the application is annexed.

That the Hon'ble NWFP Services Tribunal was pleased to allow the appellant and withdraw the appeals vide order dated 31.5.2005. Copy of the orders is annexed.

RHIG

- 13. That, however, the then Hon'ble Chief Minister was pleased to withdraw the case of alleged irregularities aforementioned and the penalties imposed upon the appellant vide his order No. SOE-I/W&S/1-6/78 dated 9.6.2005, matter of promotion of the appellant to the higher grade was kept pending till date. Copy of the order is annexed.
- 14. That the only reason for withholding of promotion of the appellant was the stigma created by the aforementioned minor penalties and thus the appellant is, therefore, entitled to his due promotion as required under the law and circumstances of the case.
- 15. That the appellant is much senior when seniority list of Assistant Engineers was promulgated on 1.6.2002 where the appellant stood at serial No: 1 i.e. on the top of the list for promotion to the next higher grade i.e. grade-18. Copy of the seniority list is annexed.
- 16. That unfortunately during this period, vide notification No. SOE-I/W&S/4-5/72 dated 8.2.2003 officers junior to the appellant 20 in numbers have been promoted from grade-17 to grade-18 but the appellant has not been considered being senior most. Vide Notification No. SOE-I/W&S/4-5/72/2004 dated 23.12.2004, 30 more junior officers have been promoted from grade-17 to grade-18 and the appellant has been ignored once again. Copies of the notifications are annexed.

/ That even recently, vide Notification No. SOE-I/W&SD/4-53/70 dated 31.12.2008 junior officers promoted from grade-17 to grade-18 have now been moved-over from grade-18 to grade-19. These includes also junior officers who were much junior than the appellant while they were promoted to grade-

win't

18 and now they have been placed in grade-19. Copy of the notification is annexed.

18. That because of the assurance by the then Chief Minister, the appellant withdrew his service appeals from the Hon'bie NWFP Services Tribunal, Peshawar and waited for blessing of the then Chief Minister till date, however, with no fruitful results.

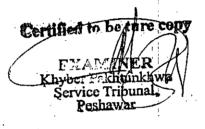

- 19. That it is important to mention here that because of the official fraction, the appellant was once removed from service on a frivolous charge in March 2006, however, on appeal before the Hon'ble NWFP Services Tribunal, he has been reinstated to his post with all back benefits in August, 2008. Copy of the order is annexed.
- 20. That by all these facts narrated above, the appellant has been time and again subjected to humiliation by the department, however, nothing could be found against the appellant and thus he is now in service but without his due right i.e. right of promotion to the grade for which he is entitled to promotion from grade-17 to grade-18 on the due date and thereafter to grade-19 as per seniority list and grant of the same grade to his juniors as mentioned in the preceding paras.

21. That the appellant filed an appeal but the same has been responded on 30, 9,2009 with remarks that the appeal has been kept pending. The appellant could not file the appeal earlier as it was assured by the authority that his appeal is being considered sympathetically and on flat refusal the present appeal.

It is, therefore, humbly prayed that on the acceptance of this appeal, appellant being promoted to next higher grade i.e. Grade-18 and above with all back benefits from the due dates.

#### JUDGMENT

OALANDAR ALI KHAN, CHAIRMAN:- Nazir Ahmad Khan, the then Deputy Director Works and Services, Chitral (appellant) had lodged this appeal against the Government of NWFP (Khyber Pakhtunkhwa) through Secretary Works and Services Department, Peshawar and 43 others (respondents) for promotion in the next higher grade (BPS-18) and above with all back benefits.

2. In his appeal, the appellant contended that having joined the then B&R and now C & W Department through Public Service Commission as SDO in grade 17 in the year 1978, he was temporarily promoted as XEN (Designing Engineer) in Malakand Division in the office of Director on 11.10.1999 till 25.3.2000, on the basis his unblemished service record and being recommended for promotion in each and every ACR. The temporary promotion was further maintained w.e.f 25.3.2000 till 3,2.2002 as XEN Chitral in his original pay and scale. The same position was maintained and from February 2003 he was posted as Designing Engineer (XEN) in the office of Chief Engineer Peshawar and lastly posted as XEN C &W Chitral. However, in 2002 the appellant had to face departmental proceedings/inquiry, against which he filed appeals before this Tribunal which were pending adjudication against minor penalties imposed upon him on the ground of irregularities in the scheme "Feasibility study and construction of RCC Bridge over Yarkhun at Mastuj with coalignment of Parwak Mastuj Road (11 KM)". In the process, the appellant was deprived of his due promotion in normal course. The appellant also filed another appeal in the Tribunal, and during pendency of the mentioned appeals before the Tribunal, he was informed that the appeal already submitted to the Chief Minister has deen accepted subject to the condition that he should withdraw his appeal, from the Service Tribunal. The appeals were accordingly withdrawn vide order dated 31.5.2005, where-upon the case of alleged irregularities and penalty imposed upon the appellant was withdrawn by the Chief Minister. However, the matter of promotion to the higher grade remained pending, and though the appellant was on the top of the seniority list i.e at S.No. 1 of the seniority list of Assistant Engineers, he was not premoted and a number of officers junior to him were promoted from BPS-17 to BPS-18. The promotion of junior officers from BPS-17 to 18 and then move-over from 2PS-18 to 19 continued un-abated, while the appellant was ignored. The appellant disclosed that because of the official fraction, he was once removed from service on a frivolous charge in March 2006 but was later on reinstated on the acceptance of his appeal by this Tribunal. The appellant, therefore, challenged promotion of his juniors. and prayed for his promotion being the senior most and having nothing adverse against him, through departmental appeal, which was responded to on 30.9.2009 with the remarks that the appeal has been kept pending, hence the present appeal on 7.10.2009.

3. The main ground on which the official respondent i.e Secretary to Government of NWFP (Khyber Pakhtunkhwa) Communication and Works Department

2

(respondent No. 1) resisted appeal of the appellant was that the appellant was given higher post in his pay and scale due to dispute over seniority amongst officers of defunct Works and Services department. The respondent disputed this claim of the appellant that his positing on the higher post was a promotion, and, on the other hand, alleged, that the promotion could only take place when the incumbent official/officer came within promotion zone on the basis of seniority-cum-litness and that too through Provincial Selection Board (PSB). The respondent, however, had to admit that there were no adverse remarks in the Performance Evaluation Reports (PERs) of the appellant. Respondent alleged that there were, however, certain reports by DCO Chitral about poor performance of the appellant, and that he was awarded the penalty of 'censure' on 2.4.1994 and also another penalty of 'censure' on 4.9.2002 and on 16.5.2003 his three increments were also withheld; but later on both the orders dated 4.9.2002 and 16.5.2003 were set-aside vide order dated 9.6.2005. The penalty of "censure' on 15.01.2007 was also later on withdrawn on 16.3.2007. The respondent alleged that even at the time of filing of reply/comments, the appellant was facing inquiry, which was completed and was in the final stage, where-after, as and when he is cleared, his promotion will be considered through PSB. It was further alleged in the written reply/comments that the appellant was suspended from service w.e.f 2833.2006 to 17.01.2007 vide order dated 28.3.2006 and there-after dismissed from service vide order dated 12.6.2007, but the penalty was withdrawn pursuant to the decision of this Tribunal in the service appeal of the appeal abearing No.971/2007. It was clearly stated in the written reply/comments that case of the appellant for promotion to BPS-18 remained under consideration of the PSB/time and again but his case was deferred due to his involvement in irregularities. The respondent claimed that the appellant was superseded/his case deferred due to pending disciplinary proceedings/inquiry and his juniors having sound record were promoted. The respondent under-took to place case of the appellant for promotion to BPS-18 as well as to BPS-19 before the competent forum i.e. PSB for consideration as and when the appellant is exonerated from the charges. It may be mentioned here that out of 42

3

private respondents, only private respondent No.40, namely, Syed Sajid Hussain, contested appeal and filed his written reply, but he also later on opted out of contest and his name was deleted from the panel of respondents on the application of the appellant.

A. The appellant also filed rejoinder in rebuttal to the allegations contained in the written reply/comments of the official respondent, where-after, written arguments were filed by the parties, and arguments of the learned counsel for the appellant and learned  $\Lambda$ GP also heard, and record perused.

In short, the claim of the appellant is that though being senior most and on top 8. of the seniority list, he was not promoted from BPS-17 to BPS-18 and then to BPS-19, while a number of officers much junior to him were promoted from BPS-17 to BPS-18 and then moved over to BPS-19. The respondent disputed this claim of the appellant on the only ground that though having no adverse entry in his PERs, the ppellant remained under departmental proceedings/inquiry, rather through out his service, whenever his case for promotion came up for consideration before the competent forum i.e. PSB, and even minor penalties, like 'consure' and 'withholding of increments' as well as major penalty of dismissal from service were imposed upon him. To say the least, the record speaks otherwise. The minor penalty of 'censure' and 'withholding of three increments for three years' vide orders dated 16.5.2003 and 4.9.2002 were withdrawn by the appellate authority vide order dated 9.4.2005, after the condition of withdrawal of the appeals before the Tribunal of the appellate Thority i.e. Chief Minister was met by the appellant. Another minor penalty of 'censure' imposed upon the appellant by the competent authority vide order dated 15.01.2007 was also subsequently withdrawn by the same authority i.e. Secretary to Government of NWFP (Khyber Pakhtunkhwa) Works & Services Department, vide his order dated 16.3.2007. The appellant was further exonerated of the charges of alleged irregularities in the construction/repair of roads in District Chitral on the recommendation of the Inquiry Committee by the competent authority vide his order dated 16.2.2010. The dismissal order against the appellant dated 12.6.2007 was

withdrawn in pursuance of the decision of this Tribunal dated 2.6.2008, by the competent authority vide order dated 8.8.2008. In other words, the appellant came out clear from all departmental proceedings, but he was never promoted from BPS-17. in which he joined service, and each time his case for promotion came up for consideration before PSB, he was superseded/his case deferred on the ground of pendency of some departmental proceedings/inquiry against him. On the basis of judgments of the superior courts, the Lahore High Court held in the judgment reported as 2008 PLC (C.S) 1019 (Lahore High Court), that promotion could not be withheld on the ground of either imposition of minor penalty or pendency of departmental/ inquiry proceedings against a civil servant. Ironically, on each occasion the appellant was denied promotion also on the ground that 'his behaviour; with seniors was not desirable'; but, on the other hand, the respondent had to admit that there was nothing adverse against him in his PERs, and that he has always been recommended to the PSB because his service record was generally good. It, therefore, appears to us that the appellant has been victimized, perhaps, because of having not so 'cordial' relations with his seniors. Last but not the least, despite admitting the fact in the letter of department dated 6.9.2011 that pending inquiry, if any, stood abated against a government servant after his retirement, the appellant was not promoted and he retired from service in the same pay scale in which he was inducted into service even after rendering services for several decades; and a number of officers much junior to him with promoted. The grounds cited for his super, session/deferment are not sustainable as, pointed out above, pendency of inquiry or even; imposition of minor penalties were not valid grounds for withholding promotion of a civil servant. The appellant was otherwise the senior most and there was nothing adverse in his service record, therefore, he was eligible for promotion during service, which right of him would continue even now for benefit in his pension.

6. Consequently, on the acceptance of the appeal, the concerned authorities in the respondent-department are directed to place case of the appellant for promotion to the next higher pay scales before Provincial Selection Board (PSB) within a period of

6 three months, under intimation to the Registrar of this Tribunal. There shall, however. be no order as to costs. Firstly that the Tribunal has not directed the promotion of the respondent but had only ordered that his case for promotion be placed before the Provincial Selection Board and secondly, that the order of the Tribunal for placing the respondent's case before the Provincial Selection Board within a period of three months has not been complied with.   - That the appellant since then was serving the Department having record recommended regularly for promotion in every ACR.

That the appellant was temporarily promoted in own pay scale as XEN on 11.10.1999 against vacant post till 25.03.2000 as Design Engineer in Malakand Division in the office of Director. His temporary promotion was further maintained as mentioned in the following postings.

XEN District Chitral (March 2009 to June, 2010) (iv)

That on 04.12.2002, the then Secretary Works fabricated a fulse case against the appellant and imposed minor penalties and then Juniors were promoted leaving the appellant.

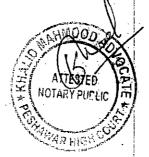

4)

5)

8)

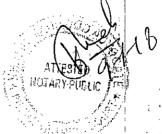

9)

- That the appellant filed two appeals before the Hon'ble NWIP Service Tribunal, Peshawar vide Appeal No.984/2003 and 598/2003 against the minor penalties and promotion of the juniors respectively.
- 6) That both the aforementioned appeals were pending before the Hon'ble KPK Service Tribunal while vide letter No.SOE-I/W&S/I-6/78 dated Peshawar the 5.5.2005 by Secretary Works & Services through Section Officer (Estt-I) the appellant was informed that the appeal already submitted to the Hon'ble Chief Minister has been accepted subject to the condition that the appellant should withdraw his appeals aforementioned, in the KPK Services Tribunal against the imposition of said minor penalties and promotion of juniors. (Copy of the letter is annexed).
- 7) That consequently due to the said letter, the appellant submitted an application before the Hon'ble KPK Service Tribunal, Peshawar dated 07:05.2005 for withdrawal of both the aforementioned appeals.
  - That the Hon'ble KPK Services Tribunal was pleased to allow the appellant and withdraw the appeals vide order dated 31.05.2005. (Copy of the orders is annexed).
  - That however, the then Hon'ble Chief Minister was pleased to twithdraw the above mentioned penalties imposed upon the appellant vide his order NO SOE-I/W&S/1-6/78 dated 9.6.2005 but matter of promotion of the appellant to the higher grade was kept pending instead of promise as mentioned above. (Copy of the order is annexed).
- 10) That the only reason for withholding of promotion of the appellant was the stigma created by the aforementioned minor penalties and thus the appellant was, therefore, entitled to his due promotion as required under the law and circumstances of the case.

That the appellant was much senior when seniority list of Assistant Engineers was promulgated on 1.6.2002 where the appellant stood at serial No.1 i.e. on the top of the list for promotion to the next higher grade i.e. grade-18. (Copy of the seniority list is annexed).

- 12) That unfortunately during this period, vide notification NO.SOL-I/W&S/4-5/75 dated 08.02.2003 officers junior to the appellant twenty in numbers were promoted from grade-17 to grade-18 but the appellant was left though being senior most. Vide notification No.SOE-I/W&S/4-5/2004 dated 23.12.2004, 30 more junior officers were promoted from grade-17 to grade-18 and the appellant again was ignored. (Copies of the notifications are annexed).
- 13) That vide Notification NO.SOE-I/W&SD/4-53/70 dated 31.12 2008 the said junior officers previously promoted from grade-17 to grade-18 were further moved-over from grade-18 to grade-19. The said officers were much junior than the appellant. (Copy of the notification is annexed).
- 14) That because of the assurance by the then Chief Minister, that the appellant will be promoted, the appellant withdrew his service appeals from the Hon'ble NWFP Services Tribunal, Peshawar and waited for blessing of the Govt, till date, however, with no fruitful results.
- 15) That by all these facts narrated above it is clear that the appellant time and again was subjected to humiliation by the department. however, nothing could be found against the appellant and thus he remained in service but without his due right i.e. right of promotion.
- 16) That being greatly dishearted and disappointed the appellant again knocked the door of this court submitting an appeal under No. 1758/2009. (copy attached)

Σ I)

That the appeal filed before this Hon'ble Tribunal as mentioned above under No. 1758/2009 was decided dated 19.01.2012 deciding all the merits of the case, discussing all the aspects and finally accepting the appeal of the appellant for proforma promotion from the due dates directing the respondents to take up the promotion of the appellant in P.S.B. within three months. (Copy attached)

18) That the respondent department filed a petition for Leave to Appeal before the august Supreme Court of Pakistan against the said decision of this Hon'ble Tribunal but the same was dismissed by the august Supreme Court vide judgment dated 17.01.2013 and the leave was refused to the department. (Copy of the judgment is annexed).

That however, the name of the appellant was placed before the P.S.B. on 07.08.2013 but totally disregarding the decision of this Hon'ble Tribunal the P.S.B dropped the appellant with the remarks that the appellant was found not suitable for promotion showing no cogent reasons as per letter No.SOE/C&WD/13-5/2009 dated 11.09.2013 communicated to the Honourable Service Tribunal. (Copy of the letter is annexed).

20) That appellant filed a Departmental Appeal on 12.09.2013 but the same has not been responded too and the time of ninety days elapsed, hence this appeal before this Hon'ble Tribunal. (Copy of appeal is annexed).

21) That the earlier decision dated 19 01.2012 of this Hon'ble Tribunal is self-explanatory and through this order the appeal of the appellant has been accepted for the proforma promotion from due dates to the next higher grades but the P.S.B officers kept their ears deal took the case of the appellant as a routine. Thus the finding of P.S B. are not sustainable in the eyes of law and the appellant is entitled to his due proforma promotions w.e.f. due dates with all back benefits.

17)

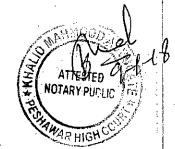

19)

It is, therefore, prayed that this hon'ble Tribunal may kindly order for the implementation of its order dated 19.01.2012 (proforma promotion of the appellant from Grade-17 to 18 w.e.f. 08.02.2003 and from Grade-1'8 to 19 w.c.f. 31.12.2008 with all back benefits i.e. the dates juniors were promoted) as against the said decision of this honourable Tribunal dated 19-1-2012 no order from the august supreme court exists.

Against this judgment, the august Supreme Court of Pakistan also declined leave to appeal vide its order dated 17.01.2013 and directed the respondents that order of the Tribunal be implemented. Resultantly proform a promotion case of the appellant was put before PSB. The PSB in its meeting held on 07.08.2013 regretted his case for the reason given below:-

"Before retirement a reference was received from i CE(North) C&W Peshawar regarding tender of the works shown as advertised in daily Surkhab dated 21.01.2010 which on verification was found fake hence his promotion was deferred in PSB meeting held on 05.04.2010 in the meanwhile he stands retired from service on 10.06.2010 on attaining the age of superannuation and the enquiry proceedings was stopped in light of FR-54(A). The Board observed that if he was not retired from service due to attaining the age of superannuation enquiry proceedings would have initiated against him and he would not have been recommended for deferment. Flexibility of stopping departmental proceeding in the light of FR-54(A) is allowed due to attaining the age of superannuation by the officer/official. It does not mean that there is no pending enquiry against him. His PER for the period from Ø1.01.2006 to 28.02.2009 are not available as he was remained under suspension/dismissed from service and waiting for posting. The Board considered his proforma promotion to the post of Executive Engineer BPS-18 in pursuance of Service Tribunal Khyber Pakhtunkhwa judgment dated 19.01.2012 and august Supreme Court of Pakistan judgment dated 17.01.2013 and did not find him suitable for promotion due to his chequered service

This decision was conveyed to the appellant vide impugned order dated 11.09:2013, hence this service appeal under Section 4 of the Khyber-Pakhtunkhwa Service Tribunal Act, 1974, for the following:-

Appeal U/S 4 of the Khyber Pakhtunkhwa Service Tribunal Act, 1974(Amended 2013) for proforma promotion of the appellant in the next higher grade of BPS-18 and above with all back benefits while setting aside the impugned order dated 11.09.2013 whereby the PSB not found the appellant suitable, without any reason, for proforma promotions communicated to this Hon'able Tribunal vide letter No. SOE/C&WD/1B-5/2009 dated September 11,2013.

3. Arguments heard and record perused.

Denai,

record".

4 Learned counsel for the appellant expressed with a heavy-heart that decision dated 07.08.2013 of the PSB was unlawful, whimsical, based on arrogance shown to the decisions of highest forums of the country dispensing justice to the aggrieved civil servants, was a lame excuse, was contrary to the facts on record, was discriminatory and against the spirit of justice. He argued that proforma promotion could not be refused to the appellant for the reason of a so called allegations of irregularity published in the Daily local news paper Surkhab. He argued that promotion could not be refused to a civil servant even on the ground of award of minor penalty, much-less on the ground of pending of any disciplinary proceedings or allegations in the newspaper. In support of his contention he placed reliance on 2000 SCMR 645, 2008 PLC(C.S)1019 and 2007 SCMR 682. He prayed that the instant appeal was completent as an unprecedented treatment had been meted out to the appellant the appeal may be accepted so that his grievances was redressed and the ends of justice were met. He rebutted the view that the instant appeal was hit by the principle of res-judicata.

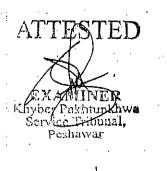

5. Learned G.P resisted the appeal by submitting that in compliance with the judgment of this Tribunal dated 19.01.2012 and order of the august Supreme Court of Pakistan dated 17.01.2013 case of the appellant for proforma promotion was duly considered by PSB on its meeting on 07.08.2013 and it was not found a suitable case for promotion. He argued that the instant appeal was not maintainable and was hit by the principle of res-judicata. He submitted that the appeal may be dismissed.

6. We have gone through the record with the able assistance of learned counsel for the appellant and learned GP for the respondents and have given our anxious consideration to the arguments advanced for the parties. It was observed that prior to the impugned PSB meeting held on 07.08.2013 a working paper for promotion of the appellant was prepared on 25.03.2010 for an earlier PSB meeting and the following remarks were recorded regarding the appellant in the said working paper:-

"The PSB in its meeting held on 29.12.2009 recommended to defer his promotion on the basis of pending inquiry regarding irregularities in the construction/repair of roads in district Chitral(Annex-I). Now the officer has been exonerated from the charges leveled against him (annex-III) and is retiring from Govt. service w.e.f 11.06.2010. The officer has passed the Departmental Professional Exam and his PERs for the period 2009 area available. He

got 68.57 score out of quantification of PERS".

It further revealed from record that promotion case of the appellant was lastly considered in the PSB meeting held on 05.04.2010 and his case was deferred as some enquiry was pending against him. The above situation shows that prior to his retirement the appellant case for promotion was deferred and not ejected (superseded) in the PSB meeting on 29.12.2009 and meeting on 05.04.2010. It is

5 also evident from record that by that time the allegations against the appellant had already come in the Daily Surkhab, hence despite these allegations when once the Tribunal in its judgment dated 19 01 2012 which was also not interfered with by the august Supreme Court of Pakistan in its order dated 17.01.2013 directed that his case may be placed before PSB, it was evident that the said transaction became closed transaction which could not be reopened by PSB in its impugned meeting held on 07.08.2013. It is also evident that promotion case of the appellant was not rejected in the PSB meeting held on 29.12.2009 and 05.04.2010 and his case was only deferred meaning whereby that with the removal of the shortcomings lacuna appellant would be entitled for promotion. We are, therefore led to the considered view that decision of PSB in its impugned meeting held on 07.08.2013 in the above circumstances of the case, appears not to be justified and case of the appellant had not been legally and meaningfully considered as required. As a result of the fore-going, we are constrained to remit the case again to the respondent-department to be placed before PSB. Needless to mention that the PSB decision of 07.08.2013 stands set aside. Parties are however, left to bear their own costs. File be consigned to the record room. Needles to mention that the PSB decision of 07,08,2013 stands set aside"

The Scrutiny Committee of Law Department in its meeting held on 02.12.2016 declared the subject case un-fit for appeal in the apex court and decided to place it before Provincial Selection Board (Annex-III).

Earlier the Supreme Court on 17:01.2013 dismissed the civil petition in the 4. subject case and decided as under (Annex-IV):

"..... The Tribunal has not directed the promotion of the respondent but had only ordered that his case for promotion be placed before the Provincial Selection Board and secondly, that the order of the Tribunal for placing the respondent's case before the Provincial Selection Board within a period of 03 months has not been complied with. Leave to appeal is therefore declined and the petition dismissed, with the direction that the order of the Tribunal shall be implemented".

con r

The PSB in its meeting held on 07.08.2013 had considered the proforma promotion case of the said officer to the rank of XEN (BS-18) but did not find him suitable (Annex-V).

Since the Service Tribunal has again accepted the service appeal of Engr. Natin Ahmad Assistant Engineer (BS-17) and the decision of the scrutiny committee of Law Department about it as un-fit for further appeal, the case is placed before the PSB for consideration (Annex-VI).

APPEAL U/S 4 OF THE KHYBER PAKHTUNKHWA SERVICE TRIBUNAL ACT 1974 (AMENDED 2013) FOR PROFORMA PROMOTION OF THE APPELLANT IN THE NEXT HIGHER GRADE OF BPS-18 AND BPS-19 WITH ALL BACK BENEFITS SETTING ASIDE THE IMPUGNED ORDER DATED OCTOBER, 12, 2017 (SOE/C&WD/13-18/2014) WHEREBY THE P.S.B ON 25.09.2017 DID NOT FIND THE APPELLANT ELIGIBLE FOR PROFORMA PROMOTION, NOT ACCEPTING THIS HON,BLE COURT'S DECISION DATED 19.10.2016 IN FAVOUR OF THE APPELLANT.

### Respectfully Sheweth:-

- 1. That the appellant had filed appeal No.1758/2009 before this Hon'ble Tribunal, which was accepted resulting a detailed order dated 19.01 2012 and directed the respondents to consider the name of the appellant in the P.S.B in its coming meeting within 03 months. (**Pages 13 to 18**)
- 2.

That the respondents filed appeal in August Supreme Court of Pakistan vide C.P.No.170/2012 but their appeal was dismissed on 17.01.2013.

#### (Pages 19, 20)

3. That however the name of the appellant was placed before P.S.B due to the order of Supreme Court as mentioned above, but the P.S.B. did not find the appellant suitable for promotion in its meeting dated 07.08.2013 communicated vide letter dated 11.09.2013. (Page 21). That the appellant once again came to this Hon'ble Tribunal vide appeal No.1608/2013 challenging the aforementioned order of P.S.B. resulting decision in favour of the appellant by this Hon'ble Court dated 19.10.2016. (Pages 4-10 & 22-26 & 27 to 33).

5. That in compliance to order of this Hon'ble Tribunal dated 19.10.2016, the name of the appellant was once again considered in P.S.B, in its meeting dated 25.09.2017 communicated on October 12, 2017 that again P.S.B. did not find the appellant eligible for proforma promotion, without any reason. (**Page 34**).

That the appellant filed appeal to the Chief Minister 6. against P.S.B. vide No.13867 dated 02.11.2017 which was however rejected vide letter dated 24.11 2017, but was not communicated to the appellant and the appellant who is resident of Chitral when came to office of Secretary C&W Peshawar on 05.01.2018 to know about the fate of the appeal, was disclosed the rejection of the appeal and on the same day copy was provided and receipt signature of the appellant was taken on the office copy, which was signed by the appellant putting date of 05.01.2018. Hence this appeal within time, however accompanied by an affidavit by the appellant showing the fact along with application for condonation of delay, if any, in the light of the fact explained above. (Pages 35 - 41)

7.

4.

That the appellant has already been declared with clean service record vide order dated 19.01.2012 and dated 19.10.2016 by this Hon'ble Court discussing all the facts in detail and also not been denied by the August Supreme Court vide its order dated 17.01.2013. Hence there is no reason left with the P.S.B to deny proforma promotion of the appellant and the impugned order by the P.S.B. under letter dated November 24, 2017 is liable to be set aside. (**Page 42**).

That time and again this Hon'ble Tribunal in its judgment held that the pendency of any inquiry which was never initiated but remained pending (now stands abated under the FR Rules 54(A), only on future apprehensions the appellant cannot be deprived of proforma promotion in the eyes of law.

(**Pages** 92-95, 101 - 108, 115 - 121).

That the impugned orders of P.S.B dated September 11, 2013 and October 12, 2017 and November 24, 2017 have turned down/ denied the judgments, of this Hon'ble Tribunal and August Supreme Court as well, which is clear contempt of court. (**Pages 21,34 and 42**).

IT is therefore, humbly prayed that according to the decision of this Hon'ble Court dated 19.01.2012 and 19.10.2016, the appellant may please be given proforma portion from BPS-17 to 18 w.e.f. 08.02.2003 and BPS-18 to 19 w.e.f. 31.12.2008 with all back benefits.

FACTS SUBMITTED VIDE APPEAL NO.1608/ 2013 IN THIS HON'BLE COURT REPRODUCED AS UNDER:-

 That the appellant, a Civil Engineer, now since retired, joined the then B&R now C&W, through Public Service Commission as SDO, Grade-17, in the year 1978.

8.

9.

That the appellant since then was serving the Department with dedication and has got unblemished service record through recommended regularly for promotion in every ACR.

2)

- That the appellant was temporarily promoted as XEN on 11.10.1999 against vacant post till 25.03.2000 as Design Engineer in Malakand Division in the office of Director. His temporary promotion was further maintained w.e.f. 25.03.2000 till 03.02.2002 as XEN District Chitral in his original pay and scale.
- 4) That the temporary promotion position of the appellant was maintained but in own pay scale and was posted as:
  - i) Design Engineer office of Chief Engineer (April 2002 -August 2003).
  - ii) XEN District Chitral (August 2003-April 2006).
  - iii) XEN District Chitral (March 2009 June, 2010)
  - 5) That on 04.12.2002, the then Secretary Works fabricated a false case against the appellant and was thus charge-sheeted to which the appellant submitted his reply on 28.12.2002.
  - 6) That however, not satisfied with the reply of the appellant an inquiry was initiated with the result imposing minor penalties and then promotion of the juniors leaving the appellant.
  - 7) That the appellant filed two appeals before the Hon'ble NWFP Service Tribunal, Peshawar vide Appeal

No.984/2003 and 598/2003 against the minor penalties and promotion of the juniors respectively.

That in fact minor penalties imposed upon the appellant was due to a false case against him for alleged irregularities in the scheme "Feasibility study and construction of RCC Bridge over Yarkhun at Mastuj with co-alignment of Parwak Mastuj Road (11 km)"; thus the appellant was deprived of his due promotion in the normal course.

8)

- 9) That both the aforementioned appeals were pending before the Hon'ble KPK Service Tribunal when vide letter No.SOE-I/W&S/1-6/78 dated Peshawar the 5.5.2005 by Secretary Works & Services through Section Officer (Estt-I) and the appellant was informed that the appeal already submitted to the Hon'ble Chief Minister, is pleased to accept the same subject to the condition that the appellant should withdraw his appeals aforementioned in the KPK Services Tribunal against the imposition of said minor penalties and promotion of juniors. (Copy of the letter is annexed).
  - 10) That consequently vide said letter, the appellant submitted an application before the Hon'ble KPK Service Tribunal, Peshawar dated 07.05.2005 for withdrawal of both the aforementioned appeals i.e. against the imposition of penalties as well as for promotion to the higher grade. (Copy of the application is annexed).
  - 11) That the Hon'ble KPK Services Tribunal was pleased to allow the appellant and withdraw the appeals vide

order dated 31.05.2005. (Copy of the orders is annexed).

- 12) That however, the then Hon'ble Chief Minister was pleased to withdraw the case of alleged irregularities aforementioned and the penalties imposed upon the appellant vide his order No.SOE-I/W&S/1-6/78 dated 09.06.2005, matter of promotion of the appellant to the higher grade was kept pending till date instead of promise as mentioned above. (Copy of the order is annexed).
- 13) That the only reason for withholding of promotion of the appellant was the stigma created by the aforementioned minor penalties and thus the appellant is, therefore, entitled to his due promotion as required under the law and circumstances of the case.
- 14) That the appellant is much senior when seniority list of Assistant Engineers was promulgated on 1.6.2002 where the appellant stood at serial No.1 i.e. on the top of the list for promotion to the next higher grade i.e. grade-18. (Copy of the seniority list is annexed).
- 15) That unfortunately during this period, vide notification No.SOE-I/W&S/4-5/75 dated 08.02.2003 officers junior to the appellant twenty in numbers had been promoted from grade-17 to grade-18 but the appellant was left though being senior most. Vide notification No.SOE-I/W&S/4-5/2004 dated 23.12.2004, 30 more junior officers were promoted from grade-17 to grade-18 and the appellant again was ignored. (Copies of the notifications are annexed).

16)

That vide Notification NO.SOE-I/W&SD/4-53/70 dated 31.12.2008 the said junior officers promoted from grade-17 to grade-18 have now been moved-over from grade-18 to grade-19. The said officers were much junior than the appellant while they were promoted to grade-18 and now they have been placed in grade-19. (Copy of the notification is annexed).

- 17) That because of the assurance by the then Chief Minister, that the appellant will be promoted, the appellant withdrew his service appeals from the Hon'ble NWFP Services Tribunal, Peshawar and waited for blessing of the Govt. till date, however, with no fruitful results.
  - 18) That it is important to mention here that because of the official fraction, the appellant was once removed from service on a frivolous charge in March, 2006, however, on appeal before the Hon'ble NWFP Services Tribunal, he was reinstated to his post with all back benefits in August, 2008. (Copy of the order is annexed).
    - 19) That by all these facts narrated above, the appellant was time and again subjected to humiliation by the department, however, nothing could be found against the appellant and thus he remained in service but without his due right i.e. right of promotion to the grade for which he is entitled to promotion from grade-17 to grade-18 w.e.f. 08.02.2003 and from Grade 18 to 19 w.e.f. 31.12.2008 as per seniority list and grant of the same grades to his juniors as mentioned in the preceding paras.

That the appeal filed before this Hon'ble Tribunal on decided vide judgment dated 07.10.2009 was 19.01.2012 (Copy of the judgment of this hon'ble Tribunal is annexed) through an exhaustive judgment deciding all the merits of the case discussing all the aspects and finally accepting the appeal of the appellant for proforma promotion from the due dates and this Hon'ble Tribunal directed the respondents to put and consider the promotion of the appellant in P.S.B. within three months. The respondent department filed a petition for Leave to Appeal before the august Supreme Court of Pakistan against the judgment of this Hon'ble Tribunal but the same was dismissed by the august Supreme Court vide judgment dated 17.01.2013 and the leave was refused to the department. (Copy of the judgment is annexed).

21) That however, the name of the appellant was placed before the P.S.B. on 07 08.2013 but totally disregarding the judgment of this Hon'ble Tribunal dropped the appellant with the remarks that the appellant was found not suitable for promotion showing no cogent reasons as per letter No.SOE/C&WD/13-5/2009 dated 11.09.2013 communicated to the Honourable Service Tribunal. (Copy of the letter is annexed).

22) That appellant filed a Departmental Appeal on 12.09.2013 but the same has not been responded too and the time of ninety days elapsed, hence this appeal before this Hon'ble Tribunal. (Copy of appeal is annexed). That the earlier judgment/ decision dated 19.01 2012 of this Hon'ble Tribunal is self-explanatory, through this order the appeal of the appellant has been accepted for the proforma promotion of the appellant from due dates to the next higher grades but the P.S.B officers kept their ears deaf/ took the case of the appellant as a routine. Thus the finding of P.S.B. are not sustainable in the eyes of law and the appellant is entitled to its due proforma promotions w.e.f. due dates with all back benefits.

The decision of honorable Service Tribunal dated 19-01-2012 in my favour was challenged by the Government in the supreme court but the august Supreme Court ordered that the decision of the Service Tribunal should be placed before the PSB, the PSB did not obey the decision of this honorable court date 19-01-2012 saying that the appellant is not a suitable person for promotion. The respondents have the Plea that if I was not pensioned on 10-06-2010 attaining the age of superannuation than I had to face a case. The respondents use to give a horrific shape to a small and baseless mater; which they also can never prove that it was done by myself. The story of the case is re-written, again to be perused by this honourable Court as it was discussed in detail on 19-10-2016 and this honourable Court has ordered the issue to be a closed transaction in its decision dated 19-10-2016.

However, during the Performance of daily routine office works in my office on 18-01-2010 as Executive-Engineer C&W Division Chitral, amongst the other letters etc. Prepared by the head Clerk, to be signed by me, a letter to Director Information Peshawar containing tender notice to be published in news-papers by the Director Information, calling tender for 03-02-2010 had been also signed by me. After signatures the daily routine paper works go back to head-clerk for further necessary action by him sending the signed letters to the related offices through Post Office or by peons and some time in case of emergency and being of important nature than through special-Messenger.

Calling tenders in any XEN office is a Job occurring frequently throughout the financial year. It is not one in a year which can be remembered by the XEN. The head-Clerk reminds the XEN a day before that tomorrow bids are to be opened and the XEN should be present in office. The head-Clerk also shows the tender notice published in newspaper /newspapers.

7.

5.

6.

As stated above the tender notice signed by me on 18-01-2010 addressed to Director Information was published in daily Surkhab in its addition of 21-01-2010 calling bids for 03-02-2010. Therefore on 03-02-2010 the bids received, according to the tender notice published in daily Surkhab in its addition dated 20-01-2010. I had asked the head-clerk that why the tender notice was not published in "Mashriq" or "AAJ", he showed me the number of the Information Department printed below the tenders notice. I thought that the Director Information may had sent the tender notice to "surkhab" due to Low Costs of the works. The bids along with other documents were sent to the Superintending-Engineer Malakand Division for approval. All this is remembered to me nowa-days also, after 7-8 years, due to the reason that the said tender through "Daily Surkhab" became an issue during February 2010 to May 2010 and I had to submit a detailed report on 27-04-2010. The superintending-Engineer had asked the Director Information "had this tender notice been sent to Daily Surkhab by the Director Director Information informed the had Information".The Superintending-Engineer that the tender notice had directly been published in "Daily Surkhab" without the consultation of the Director-Information. However till sending the said received bids to the Superintending-Engineer as mentioned above, I was not aware that the above mentioned tender notice sent by me to the Director-Information Peshawar was published in "Daily Surkhab" without the Consultation of the Director Information. As such the Superintending-Engineer wrote a letter to the Chief-Engineer and the Chief-Engineer asked me to submit a report on the issue. As mentioned above I had submitted a report on 27-04-2010...... (Copy attached). The under consideration tender notice published on 21-01-2010 in "Daily Surkhab" Contained three works Costing (1) Rs. 4900000/= (2) Rs. 4800000/= (3) Rs. 1000000/=. There is no any restriction to publish tender notices in Daily Surkhab but the Director Information sends the tender notices to newspapers after receiving the same from XEN's of the Districts. I did not become doubtful as I myself had seen it from years that tender notices were being published in Daily Surkhab sent from various Districts of KPK and 2ndly the head-Clerk assured me by showing the number of Information Department printd below the tender notice and gave the impression that the tender was sent to Daily Surkhab by the Page 20,21,22 Director Information.

З

<u>CONCLUSION</u>:- When I was telephonically informed by the Superintending-Engineer Malakand during March 2010, I cancelled the tender Carried out through "Daily Surkhab", prepared fresh tender notice by including the said three works been tendered through "Daily Surkhab" in the list of other mean while received works to be tendered, personally went to office of Director Information Peshawar and published the works in "Daily Mashriq" on 31-03-2010 Calling bids for 12-04-2010....... (Copy attached).

Δ

As such the above mentioned issue of tendering the three works through "Daily Surkhab" without Consultation of Director Information well in time was cancelled by me and fresh tender notice was published in "Daily Mashriq" through Director Information. Therefore the tender through "Surkhab" remained not workable, when become not workable remained not harmful if was harmful and became null and void.

According to the foregoing detailed factual discussion I again confirm it that I had no role in publishing the said three works in Daily Surkhab. Merely saying by Secretary C&W and other members of the P.S.B that it had been done by me or if they have the plea that being head of the department in the District I was responsible for the matter done by the head Clerk is not cogent, legal, rational answer to the question that who had done it.

In every District the Head-Clerks are the full in-charge of the administration of the XEN's offices. No XEN goes to Post Office to send official letters after signing and also it is not the Job of any XEN to visit various offices Carrying peon book in hand delivering official letters signed by him. If other XEN's have done or doing this Job than I can be held responsible that why I did not carry the tender notice to office of Director Information Peshawar personally. The Head-Clerk & Several other Clerks working under him are responsible for the Job of sending the official documents through Post Offices, through peons, through special messengers.

All the fore-going facts regarding the tender issue were discussed in detail during my promotion case hearings by this honourable Court on 19-01-2012, 19-10-2016. Also during the hearing in the August Supreme Court on 17-01-2013 the tender issue was raised by the department but the honourable Judges did not give importance to it, may be due to its Cancellation and becoming not workable before use. As such this honourable Court in its decision dated 19-10-2016 has ordered the issue of the tender to be a closed transaction. Page 23, 1, 2, 16

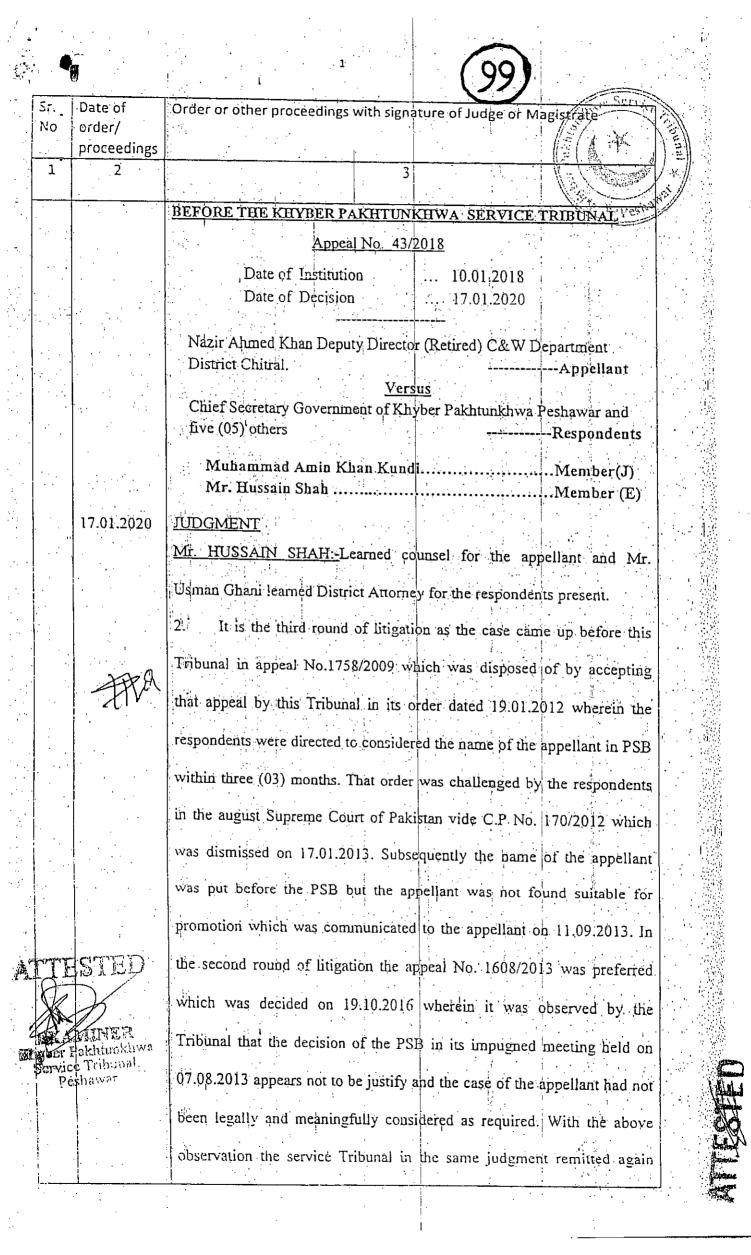

Therefore it is humbly Prayed that in the lights of its two decisions in my favour by this honourable Tribunal dated 19-01-2012 and dated 19-10-2016 as from the August Supreme Court there is nothing against these orders, this honourable Tribunal may graciously order my pro-forma promotion from BPS 17 to BPS 18 w.e.f 08-02-2003 & from BPS 18 to BPS 19 w.e.f 31-12-2008 (dates Juniors were Promoted) with all back benefits.

appeal to the respondent department to be placed before the PSB and the decision of the PSB dated 07.08.2013 was set aside. Resultantly the PSB though considered the case of promotion of the appellant but did not found eligible for pro-forma promotion. Being aggrieved again, the appellant preferred departmental appeal on 02.11.2017 which was rejected vide letter dated 24.11.2017 but the rejection order was not communicated to the appellant. To pursue the outcome of his appeal the appellant got the copy of the rejection order dated 24 11.2017 as alleged in Para 6 of the appeal during his visit to the office of respondent No.6 on (05.10.2018. The appellant preferred the instant service appeal on 10.01.2018 with the prayer that according to the decisions of the service Tribunal dated 19.01.2012 & 19.10:2016 the appellant may be allowed pro-forma promotion from BPS-17 to 18 with effect from 08.02.2003 and promotion for BPS-18 to 19 with effect from 31.12.2008 with all back benefits. The learned counsel for the appellant argued that the appellant 3. was appointed on the recommendation of Public Service Commission as SDO in BPS-17 in the year 1978. The appellant was assigned the charge of Executive Engineer on 11.10.1999 against the vacant post and he work till 25.03.2000 as Design Engineer in Malakand Division. On 25.03.2000 he was posted as XEN in his own pay and scale in District Chitral wherein he performed his duties as XEN till 03.02.2002. He was

retained at that status till June 2010 at intervals. He further argued that as

a result of disciplinary proceedings minor penalty was imposed and due

to the minor penalties his erstwhile juniors were promoted on regular

basis to the higher post. Being aggrieved he preferred two (02) service

appeals in the service Tribunal. Out of these two (02) one was against

the minor penalties and another was against the promotion of his juniors.

ATTESTED ber Pakhnunkhws Shiy vice Tribunal. Peshawar

During the pendency of service appeals of the appellant was officially informed vide letter No. SOE IW & S/1-6/78 dated 05.05.2005 that his appeal before the Chief Minister had been accepted on the condition that the appellant should withdraw the aforementioned appeal in the service Tribunal. The appellant submitted application accordingly before the service Tribunal on 07.05.2005 to withdraw both his appeal. This Tribunal accepted the application of the appellant vide order dated 31.05.2005. Furthermore, the minor penalties were withdrawn by the competent authority but his appeal for consideration the promotion to the higher post was not decided. He further argued regarding the seniority position of the appellant that according to the seniority list of Assistant. Engineers on 01.06.2002 the appellant was at serial No.1. He further pointed out that vide notification No. SOE-I/W&S/4-5/75 dated 08.02.2003 twenty (20) officers, juniors to the appellant, were promoted from BPS-17 to BPS-18. Similarly vide another notification No. SOE-I/W&S/4-5/2004 dated 23.12.2004, thirty (30) more junior officers were promoted from BPS-17 to BPS-18 and the appellant remained in his substantive position of Assistant Engineer in BPS-17. Further mentioned that vide notification No. SOE-I/W&SD/4-53/70 dated 31.12.2008 his erstwhile junior in substantive grade to BPS-17 were promoted /movedover from 18 to grade 19. Learned counsel for the appellant further stated that in March 2006 the appellant was removed from service and being aggrieved preferred service appeal before the service Tribunal and he was reinstated to his post with all back benefits in August 2008. Learned counsel for the appellant further contended that the fact sheets of the entire career of the appellant speaking loudly that he was subjected to consistent humiliation by the respondents and despite the repeated inquiries nothing substantially could be prove against him and

rvico Tribunal. Peshawar he remained in service till his superannuation despite the facts that he was consistent kept deprived for promotion to the higher grades and is erstwhile juniors were regularly promoted from BPS-17 up to BPS-19. Further contended that even despite the repeated direction of the service Tribunal and the Supreme court the respondents had not change their illegal and unjustifiable stance till the end of his career. He further alleged that in violation of the principal of justice and good governance the respondent department treated the appellant in a way which smells' personal prejudice and grudges. He further referred to the points discus in the order of this Tribunel dated 19.01.2012 in the Service appeal No.1758/2009

> "On the basis of judgments of the superior courts, the Lahore High Court held in the judgment reported as 2008 PLC (C.S) (Lahore High Court), that promotion could not be withheld on the ground either imposition of minor penalty or pendency of departmental inquiry proceedings against a civil servant. Ironically, on each occasion the appellant was denied promotion also on the ground that "his behavior with seniors was not desirable 1" but on the other hand, the respondent had to admit that there was nothing adverse against him in his PERs, and that he has always been recommended to the PSB because his service record was generally good. It, therefore, appears to us that the appellant has been victimize, perhaps, because of having not so 'coraial relations with his seniors. Last but not the least, despite admitting the fact in the letter of department dated 06.09.2011 that pending inquiry, if any, stood abated against a government servant after his retirement, the appellant was not promoted and he retired from service in the same pay scale in which he was inducted into service, even after rendering services for several decades; and a number of officers much junior to him were promoted. The grounds cited for his super session/ deferment are not sustainable in law as, pointed out above,

Moer Pakhtunkha Service Tribunal, Pesbawar

03 bendency of inquiry or even imposition of minor penalties were not valid grounds for withholding promotion of a civil servant. The appellant was otherwise the senior most an there was nothing adverse in his service record, therefore, he was eligible for promotion during service, which right of him would continue even now for benefit in his pension." The learned District Attorney contested the facts, grounds of the  $\mathbf{4}^{+}$ appeal and arguments of the learned counsel for the appellant and argued that in compliance of the orders of this Tribunal and August Supermere Court the promotion case were placed before the Provincial Selection Board for consideration but the PSB could not found him suitable for regular promotion hor for pro-forma promotion. He further argued that according to rule 7 of the Khyber Pakhtunkhwa Civil Servant (Appointment, Promotion & Transfer) Rules, 1989 the concerned appointing authority, as in the instant case, the Chief Minister shall' ordinarily appoint on promotion any officer on the recommendation of the Provincial Selection Board. He further explained that being the statutory power of the Provincial Selection Board to determine the suitability of an officer for appointment on promotion and made the recommendation to the appointing authority accordingly. He further contended that the PSB and exercise of statutory power did not recommend the appellant for promotion on the ground mentioned in the minutes of the various meeting whenever the case of promotion was placed before it for consideration hence the instant service appeal does not carry any merit nor is not based on any new facts are grounds, therefore, the same may be dismissed with costs 5. detail judgment of this Tribunal dated 19.01.2012 in service Appeal No. 1758/2009 wherein this Tribunal explicitly referred to the appellant being victimized (Para 5 of the judgment) the appellant could not get his right of carrier progression during his active service as well as after post retirement and suffered heavy financial losses in term of salary and pension despite a long carrier he could not get the chance of promotion from the post against which he was appointed on the recommendation of the Public Service Commission This recurring and repeated treatment of the concerned authorities in the department could definitely affect the mental psychological status of any person as it is a common human psychological principle. We understand the significance of the statutory capacity and power of Provincial Selection Board to the extent of making recommendations for appointment on the basis of promotion of a civil servant against a higher post are otherwise but we also appreciate that such powers are exercised in the light of yard sticks/criterion established in the relevant promotion policy in the context of the provision of the Khyber Pakhtunkhwa Civil Servant (Appointment, Promotion Transfer) Rules 1989 and the provision of the Khyber Pakhtunkhwa Civil Servant Act, 1973 as well as in the broader context of the constitution of Islamic Republic of Pakistan,

7. As mention earlier that all relevant facts/grounds has been contested and adjudicated repeatedly through court proceedings and judicial scrutiny and at each time whenever the request of the appellant came before the court of laws the cases were decided on merit and direction were issued to the respondent department for placing before the competent forum which is the PSB in the instant case but still the appellant is kept deprived of his judicious service benefits specifically the financial benefits of promotion and resultant pension after retirement

equivalent to the position higher than his substantive post of Assistant Engineer in BPS-17.

This Tribunal partially accept the instant service appeal with 8. direction to respondent No.6 to take up the case with respondent No.1 for appointment of a scrutiny committee at the level of respondent No.2 with comprising of Secretary law, Secretary Finance and Secretary Establishment as respondent No.4 to consider the case of appellant for the purpose of pro-forma promotion in the light of the judgment of various judicial directions and in humanitarian grounds for making the recommendation to the PSB. Parties are left to bear their own costs. File be consigned to the record rooms.

# **REJOINDER BY THE APPELLANT TO THE REPLICATION OF THE RESPONDENTS**

## Respectfully Sheweth,

1. That this honourable Service Tribunal while announcing the decision of the case on 17.01.2020 had told that at Present it is being accepted partially while partially it was left on the committee that if the committee solves the problems of the appellant then well and good, if the committee not agreed, the case will be reconsidered in the Tribunal.

In its  $1^{st}$  decision dated 19.01.2012 and in its  $2^{nd}$  decision dated 19.10.2016, this honourable Tribunal has accepted the appeal fully. It is principal that when in previous decisions if a matter is partially been approved, on the humble request of any applicant the court gracefully reconsiders the case for granting in full but in the case of the appellant it is opposite as in previous two decisions appeal is accepted in full but in  $3^{rd}$  as partial without any new arguments / counter arguments, which is against jurisprudence and

humanitarianism. The 3rd decision as mentioned above is not cancelling the 1st & the 2nd decisions but says that "the **matter may be considered by the committee / PSB in** the lights of the previous two decisions"

The honourable Ex-Member (J) Muhammad Amin Khan Kundi and the honourabel Ex-Member (E) Hussain Shah may please be asked / requested to take their consent on the 3rd decision by them that on one side they say / order to consider the  $1^{st}$  and  $2^{nd}$  decisions where appeal has been accepted fully while on the other side they in their decision say that appeal is accepted partially. Also if the said honourable members who have given the 3rd decision of the case had the intention of bringing the previously two decisions (been fully accepted ) to half (now the view point of the respondents) than the honourable members had not to give reference to previous decisions in which appeal of the appellant has fully been accepted. Also the members of the 3rd decision would had given reasons that due to such and such reasons they do not agree with 1st and 2nd decisions and are constrained to accept the appeal partially, but it is not there in their decision (3rd decision).

Therefore it is clear that in  $1^{st} \& 2^{nd}$  decisions appeal acceptance is in full but how in  $3^{rd}$  without cancelling the  $1^{st}$ &  $2^{nd}$ , without any objections on  $1^{st} \& 2^{nd}$  decisions appeal is being accepted in partial in the  $3^{rd}$  while in this  $3^{rd}$  decision reference has been given to consider /take action in the case according to  $1^{st} \& 2^{nd}$  decisions. Therefore the Exhonourable members who have given the  $3^{rd}$  decision may graciously be asked / requested for their consent regarding the points raised above. The  $3^{rd}$  decision however mentions that appeal is for promotion to BS 18 w.e.f 08.02.2003 , BS 19 w.e.f 31.12.2008 with all back benefits (Page 2 para 2 end). If however the committee and the PSB not considering the  $1^{st}$  and  $2^{nd}$  decisions of the case, only insist on partial

acceptance of the 3rd decision than also out of two i.e promotion from 17 to 18 w.e.f 08.02.2003 & 18 to 19 w.e.f 31.12.2008, one i.e 17 to 18 w.e.f 08.02.2003 as a whole had to be implemented but PSB have implemented it from 09.06.2010 (One day before retirement) instead of 08.02.2003 which becomes a useless paper for the appellant after adjudication of about twenty years as without back benefits what remains there for the appellant to become joyful.

Ň

2. That the discussion by the PSB as available in written shape " the board while considering his proforma promotion had observed that an inquiry proceeding against him was not finalized and decided on merit but the inquiry was abated due to his retirement on attaining the age of superannuation, therefore he was not eligible for Proforma promotion" is not correct as the matter was raised in the tribunal by the respondants during the hearings of the case in Year 2011. The Tribunal ordered to submit all the record of the expected inquiry against the appellant (if was not retired due to age of superannuation). The record was submitted by the department arguments from both side were heard during a few hearing but the honourable Tribunal did not agree with the respondents view of point to dismiss the appeal of the appellant for the sake of the pending inquiry due to the fact that the pending inquiry was not about any serious nature matter. As such in its 1st decision dated 19.01.2012 accepted the appeal for both BS 17 to BS 18, BS 18 to BS 19 promotions.

Again in its 2nd decision dated 19.10.2016 the honourable service Tribunal has given remarks about the above mentioned pending inquiry when was raised by the respondents that " also evident from record that by that time the allegations against the appellant had already come in the daily surkhab, hence despite these allegations when once the Tribunal in its

3

judgement dated 19.01.2012 which was also not interfered with by the agust Supreme Court of Pakistan in its order dated 17.01.2013, directed that his case may be placed before PSB it was evident that the said transaction became closed transaction which could not be reopened by PSB by its impugned meeting held on 07.08.2013 " (Page 5 / Pare 6th end). Therefore, while the respondents took the pending inquiry case in the Tribunal in the year 2011 with full record, with arguments and counter arguments as explained above in detail than why and how again and again this matter is being discussed by the respondents even recently in 2022.

3. That the appellant was posted / worked on higher grade posts of BS 18 from year 2000 to 2010 with an additional charge of the post of BS 19 and worked on this post of BS 19 from April 30, 2009 to June 10, 2010 but keeping on own pay scale i.e BS17.

The said Committee & PSB has discussed that performance is required to be evaluated for promotion to next grade. PER reports i.e performance evaluation reports had been given for the performance of working / duty on higher posts as mentioned above. In the working paper of PSB meeting held on 31.07.2021 it is admitted by the respondents that "The pen picture recorded by various reporting and service his during officers signing counter highlighted his qualities as hardworking Engineer, technically sound, intelligent, laborious and a honest person. Moreover, the reporting and countersigning Officers also marked him as fit for promotion"

While working on the higher posts of 18 & 19 in own pay Scale of 17 for 10 years as mentioned above, performance evaluation reports had been given to the appellant on the basis of satisfactory working on higher posts of 18 & 19 which have also been admitted by the respondents in

written in working paper of PSB meeting dated 31.07.2021 as mentioned above in inverted commas. As discussed above performance evaluation reports of the appellant for working on higher posts of 18 & 19 are available with the respondents given to the appellant for experience of working on the higher posts. Therefore the excuse of the respondents/PSB saying that performance evaluation, of the appellant are required for promotions, but the appellant is retired, is baseless.

38

- 4. That on 01.06.2002 and on 30.06.2004 the appellant was at serial No.1 of the seniority list but on 08.02.2003 and on 20(+) 30 = 50 Juniors were promoted from 23.12.2004, BS 17 to BS 18 leaving the appellant unpromoted just making the excuse of minor Penalties and pending enquiry while the Superior Courts (2000 SCMR 645 ),(2008 PLC (C.S)1019) orders not to deprive any one for the given minor penalties and pending inquiries. Since 2002-2003 the appellant is in this honourable Tribunal for promotions. Inspite of (3) decisions dated 19.01.2012 dated 19.10.2016 dated 17.01.2020 in favour of the appellant by this honourable tribunal, the PSB has given promotion to the appellant from BS 17 to BS 18 w.e.f 09.06.2010 (one day before retirement ) instead of w.e.f 08.02.2003 (vide order dated 05.08.2021) while promotion to 19 from BS 31.12.2008 (Juniors were moved to one more high step)has been denyed by the PSB, which are unjustified and against the (3) decisions of this honourable Tribunal as mentioned above.
- 5. That the following is the detail of the PSB meetings, in every of these meetings the appellant has been kept deprived of promotion from BS 17 to BS 18 due to minor penalities and pending inquiries while the Superior Courts orders say that promotions cannot be refused due to minor penalty / penalties and pending inquiry / inquiries. (2000 SCMR 645), 2008 PLC (C.S) 1019

All the three decisions of this honourable tribunal dated 19.01.2012 dated 19.10.2016 dated 17.01.2020 have been decided in favour of the appellant after discussing all the relevant facts in detail including the above mentioned point of PSB meetings in which unjustified decisions by PSB in respect of the appellant have been made.

6. That though the 3rd decision of this tribunal dated 17.01.2020 has been accepted in partial (as raised by the respondents) but this 3rd decision contains the direction that the 1st decision of this tribunal dated 19.01.2012 and the 2rd decision of this tribunal dated 19.10.2016 are to be considered, both these decisions contain acceptance of appeal in full. In the foregoing paras of this rejoinder, the partial acceptance point in 3rd decision has been discussed in detail as para No. (1), many graciously again be perused to finalize any conclusion.

Therefore, it is humbly prayed that this honourable Tribunal besides its 3rd decision dated 17.01.2020 (which says the previous decisions should also be considred) graciously should also consider its 1st decision dated 19.01.2012 & the 2nd decision dated 19.10.2016 in which appeal of the appellant has been accepted in full, while the respondents are considering the said 3rd decision

only as clear from their replication submitted in the Tribunal on 18.05.2022.

Therefore according to all the facts explained above in detail as Paras (1) to (6), Order may graciously be passed to promote the appellant from BS 17 to BS 18 w.e.f 08.02.2003 and BS 18 to BS 19 w.e.f 31.12.2008 with all back benefits.

### PSB meeting held on 31.07.2021

5. Accordingly, the Scrutiny Committee held its meeting on 09.12.2020 and the Committee recommended the proforma promotion case of the appellant to the post of Executive Engineer BS-18 w.e.f 10.06.2010, one day before⁺ his retirement for the consideration of the PSB. However, the Committee did not recommend the proforma promotion of the appellant to the post of Superintending Engineer BS-19 observing that performance is required to be evaluated for promotion to next grade while the appellant has already retired from service in BS-17 on 10.06.2010 on attaining the age of superannuation.

6. Secretary C&W further informed the Forum that CEI of the officer at the time of his retirement was 69 out of 100. Similarly, a post of Executive Engineer BS-18 was also available for actualization of his proforma promotion. The record of the appellant was checked and there are seven (07) average PER reports in his service record while rest of his service record is either good or very good. An enquiry was pending against him at the time of his retirement. The pen picture recorded by various Reporting and Countersigning Officers during his service highlighted his qualities as hardworking Engineer, technically sound, intelligent, laborious and a honest person. Moreover, the Reporting and Countersigning Officers also marked him as fit for promotion.

Keeping in view the directions of Honourable Supreme Court and Service Tribunal, recommendations of the Scrutiny Committee and availability of vacancy at the time of retirement of Engr. Nazir Ahmad, the Board decided to recommend the officer for granting proforma promotion w.e.f 09.06.2010, one day before his retirement, to the post of Executive Engineer BS-18. The Board, however, did not recommend the proforma promotion of the officer to the post of Superintending Engineer BS-19 observing that performance is required to be evaluated for promotion to next grade while the officer has already retired from service in BS-17 on 10.06.2010 on attaining the age of superannuation.

### PROFORMA PROMOTION IN RESPECT OF ENGR. NAZIR AHMAD EXECUTIVE ENGINEER BS-18 RETIRED TO THE POST OF SUPERINTENDING ENGINEER BS-19 C&W DEPARTMENT WITH ALL BACK BENEFITS IN LIGHT OF KHYBER PAKHTUNKHWA SERVICE TRIBUNAL DIRECTIONS.

Dear Sir,

Then he filed appeal No.1758/2009 and vide judgment dated 17.01.2020, which was decided in the following manner:

"This Tribunal partially accept the instant service appeal with direction to respondent No.6 to take up the case with respondent No.1 for appointment of a scrutiny committee at the level of respondent No.2 with comprising of Secretary Law, Secretary Finance and Secretary Establishment as respondent No.4 to consider the case of appellant for the purpose of proforma promotion in the light of the judgment of various judicial directions and in humanitarian grounds for making the recommendation to the PSB. Establishment and to consider the case of the appellant for the purpose of pro-forma promotion in the light of judgment and on humanitarian grounds for making recommendation to the PSB. In compliance with judgment, scrutiny committee was constituted and on recommendation, the PSB considered the case of the petitioner and in further compliance of the judgment, the PSB also recommended promotion of the petitioner from the post of Assistant Engineer/SDO (BPS017) to the post of Executive Engineer (BPS-1) of C&W Department w.e.f 09.06.2010, one day before his retirement. The petitioner claims that he ought to have been promoted from the date he was first superseded but this claim was not granted in the judgment, sought to be implemented, rather the operative part of the judgment reproduced, hereinbefore, required constitution of the scrutiny committee and then consideration of promotion of the appellant by PSB, which has been done. The above proceedings conducted by the respondents are in line with the terms of the judgment of the Tribunal. As a resultant

### JUDGMENT

IRSHAD HASAN KHAN, J.---This petition is directed against the judgment, dated 27-9-1999 passed by the Lahore High Court in Crl. Original No.279-W of 1999.

2. The dispute herein relates to the promotion of the respondent as Deputy Superintendent of Police.

3. This Court through judgment, dated 15-4-1999 passed in C.P.L.A. No.1617-L of 1997 entitled The Inspector General of Police, Punjab, Lahore etc. v. Mrs. Nascem Chaudhry, etc., while dismissing the appeal of the Inspector-General of Police against the order of the Punjab Service Tribunal, Lahore in Appeal No.3097 of 1997, made the following observation:-

"5. We have heard the learned counsel for the petitioner Dr. A.Basit learned senior counsel for the respondent/caveator and perused the available material on record. The Tribunal was right in holding that the respondent had not been promoted by superseding any officer the respondent had not been promoted by superseding any officer initiate to her. She was entitled to be promoted from the date her juniors were promoted. There was no valid reason not to consider her case for promotion as DSP as above. The impugned order appears to be just, fair and equitable. Mr. Ghuman was unable to substantiate his plea that the impugned order suffers from any illegality. Be that as it may, no substantial question of public importance is involved to warrant interference in these proceedings.

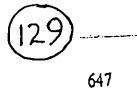

4. The petitioner not implemented the above order passed by this Court. The respondent therefore, approached the High Court for redress of her grievance. The contempt application was also filed on 25-1-1999 wherein notice was issued to the petitioner, who took the plea that the respondent could not be promoted as some disciplinary proceedings had been initiated against her. The contention was repelled by the learned Judge in Chamber vide the impugned order, dated 27-9-1999, which is to the following effect: --

"The learned Advocate-General says that the petitioner has been suspended from service and as such the question of her promotion does not arise. The learned counsel for the petitioner has, however, placed on record, a copy of the order, passed by the Punjab Service placed on 30-8-1999, whereby the order of suspension of the Tribunal on 30-8-1999, whereby the order of suspension of the petitioner has been suspended. That being so, there is no hurdle left in the way the respondent for implementation of the orders passed by this Court. The needful shall now be done within one week from today failing which coercive process shall be issued against the respondents."

# Ahmed Din v. Ghulam Muhammad (Irshad Hasan Khan, Actg. CJ)

The learned Additional Advocate-General, Punjab submitted that the High Court fell into error by not considering in true perspective that the disciplinary proceedings have been initiated against the respondent and, therefore, there was genuine hurdle in the way of petitioner to promote her in accordance with the orders passed by the Supreme Court as well as the High

We are afraid that the mere fact that some disciplinary proceedings Court. are pending against the respondent is not a sufficient ground to disregard the order passed by this Court. However, we may clarify that promotion of the B respondent as DSP will not debar the petitioner to continue with the disciplinary proceedings against the respondent if any, justly, fairly and in

accordance with law. With the above observation, the petition is dismissed and leave to

appeal declined. Petition dismissed.

## Asif Nazir Awan for Petitioner.

Naeem Masood, Asstt. A.-G., Punjab with Hamid Yaqub Sheikh, Additional Secretary for Respondents.

### ORDER

HAFIZ TARIQ NASIM, J.--- Facts relating to this writ petition are that the petitioner while serving in the Health Department in BS-17 became eligible for promotion to BS-18 in the year 1997 but she was promoted on officiating basis in BS-18 on 22-6-1998 instead of regular promotion, whereas one of the juniors namely Mst. Malika Shaheen was promoted in BS-18 on regular basis vide order dated 18-2-1997. Petitioner filed Service Appeal No.2592 of 1997 before the Punjab Service Tribunal against the order dated 18-2-1997, whereby the junior was promoted and she was ignored, the said appeal was accepted through judgment dated 30-9-1998. directing the Departmental Authorities to reconsider the matter and re-decide the question of promotion afresh keeping in view the seniority of the petitioner. This judgment was even confirmed by the Honourable Supreme Court of Pakistan. According to the learned counsel for the petitioner that despite clear finding and direction of the learned Punjab Service Tribunal, the petitioner is being victimized since 1998 by way of non-promotion and that too on extraneous consideration, whereas the petitioner is still working against BS-18 without any break. Further submits that the case of the petitioner was placed before the D.P.C. but it was deferred on the ground of pendency of certain enquiries. The learned counsel submits that the pendency of enquiry and even the minor penalty cannot come in the way of promotion, whereas the respondent was adamant not to promote the petitioner at any costs due to ulterior motive.

### CIVIL SERVICES

2. Learned A.A.-G. submits that the promotion cannot be asked as a matter of right and even the petitioner is not superseded so there is no question of any grievance, which could entitle her for invocation the jurisdiction of this Court.

3. The Additional Secretary Health, who is present in court along with the record submits that the reasons of non-promotion of the petitioner is pendency of enquiry against the petitioner as well as the minor penalty of censure, however, after the finding of the enquiry her case shall be submitted before the D.P.C. for reconsideration.

4. Argument heard. Record perused.

5. The record reflects that the petitioner is made a subject of repeated enquiries, became eligible for regular promotion in the year C 1997 but instead of promoting her on regular basis, she was promoted on officiating basis, whereas her junior was promoted on regular basis; which matter was also adjudicated upon by the learned Punjab Service Tribunal long long ago.

6. It is also confirmed from the record that one minor penalty of censure is available in her record but the minor penalty as well as the pendency of enquiry cannot be treated a hurdle for the regular promotion of the petitioner as the Honourable Supreme Court of Pakistan once for D all resolved the matter in a case reported as Captain Sarfaraz Ahmad Mufti v. Government of the Punjab and others 1991 SCMR 1637, wherein it is held that on all the minor penalties civil servant cannot be ignored and cannot be refused to grant promotion.

7. It is to be noted that the words used by the Honourable Supreme Court of Pakistan in respect of minor penalty is plural i.e. minor penalties. In the present case only one minor penalty of censure is available in the record. In another judgment reported as Mina Ali Muhammad vs. Secretary. Establishment Divisions, Government of Pakistan and 3 others 2003 PLC (C.S.) 1425, this court followed the law laid down by the Honourable Supreme Court of Pakistan referred above holding:--

"Promotion could not have been withheld on the ground that minor penalty was imposed upon him".

8. So far the pendency of enquiry against the petitioner is concerned, record reveals that the petitioner is being made a subject of repeated enquiry, which otherwise does not seem fair, particularly, when the proceedings of the enquiry are going on and on for a number of years.

9. During the pendency of enquiry against the petitioner, she

cannot be deprived of her lawful right for his consideration for promotion as held by the Honourable Supreme Court of Pakistan in cases reported as Deputy Inspector-General of Police, Gujranwala and others v. Anwar Saeed, Inspector Police and others 1998 SCMR 552 and Maj. Ziaul Hassan, Home Secretary and others v. Mrs. Naseem Chaudhry 2000 SCMR 645.

10. After going through all aspects of the case, it is held that withholding of the petitioner's promotion on regular basis from the date when she became eligible is practically an outcome of colorable exercise of power and that action of the Departmental Authorities cannot sustain in the eye of law on two grounds:---

- (i) "Pendency of enquiry against a civil servant cannot be treated a bar for further promotion.
- (ii) Minor penalty of censure and even the minor penalties cannot become a hurdle in the promotion of any civil servant."

Accordingly the writ petition is allowed and respondent is directed to place the petitioner's promotion case for her regular promotion before the Departmental Promotion Committee within one month positively and the said Committee is directed to consider the petitioner for promotion fairly, justly and without being influenced of the pendency of any enquiry and the minor penalty.

The promotion case be considered from the date of petitioner's eligibility. The Additional Secretary, who is present in Court, shall ensure the compliance of the court's order and complete the process within one month under intimation to the Deputy Registrar (J.) of this Court.
