Employees of the Elementary and Secondary Education Department (Appointment and Regularization of Services) Act, 2017, the seniority inter-se of the regularized PSTs was to be determined on the basis of their continuous service in cadre provided that if the date of continuous service in the case of two or more employees was the same, the employee older in age shall rank senior to the younger one. While going the impugned seniority list attached by the appellants with their appeals, the inter-se seniority of the PSTs regularized through Notification dated 07.04.2018 has been determined on the basis of score obtained by them in written test conducted through NTS, which was not a correct criteria for determining their inter-se seniority. The NTS score was relevant for appointment and not for determining seniority inter-se of the regularized PSTs.

12. In view of the above discussion, it is directed that the inter-se seniority of those PSTs, who were regularized through Notification bearing Endorsement No. 2344-3253/AE-I/Estab dated 07.04.2018, shall be determined on the basis of Clause-8 of terms and conditions of regularization Notification dated 07.04.2018 as well as Sub-Section-2 of Section-4 of Khyber Pakhtunkhwa Employees of the Elementary and Secondary Education Department (Appointment and Regularization of Services) Act, 2017 by placing the names of the appellants at correct seniority positions with all consequential benefits. 7. Appellants and a number of respondents being necessary parties in appeals having not been impleaded as such, any action taken/ or order made in their absence which adversely affected their interest could not at all affect their and they would not be bound thereby – such persons, held, could take up the matter of their seniority before departmental an only and get it determined a fresh.

8. Limitations would run even against a void order and an a aggrieved party must approach the competent forum for redressal of his grievance within the period of limitation provided by law, same is reported in 2023 SCMR 866.
