Employees of the Elementary and Secondary Education Department (Appointment and Regularization of Services) Act, 2017, the seniority inter-se of the regularized PSTs was to be determined on the basis of their continuous service in cadre provided that if the date of continuous service in the case of two or more employees was the same, the employee older in age shall rank senior to the younger one. While going the impugned seniority list attached by the appellants with their appeals, the inter-se seniority of the PSTs regularized through Notification dated 07.04.2018 has been determined on the basis of score obtained by them in written test conducted through NTS, which was not a correct criteria for determining their inter-se seniority. The NTS score was relevant for appointment and not for determining seniority inter-se of the regularized PSTs.

12. In view of the above discussion, it is directed that the inter-se seniority of those PSTs, who were regularized through Notification bearing Endorsement No. 2344-3253/AE-I/Estab dated 07.04.2018, shall be determined on the basis of Clause-8 of terms and conditions of regularization Notification dated 07.04.2018 as well as Sub-Section-2 of Section-4 of Khyber Pakhtunkhwa Employees of the Elementary and Secondary Education Department (Appointment and Regularization of Services) Act, 2017 by placing the names of the appellants at correct seniority positions with all consequential benefits. 4. Candidate had no vested right to claim to be governed by in any particular set of rules. Law makers, were fully competent to make rules, alter qualification or criteria for a particular post, no one could make a grievance about the condition and qualification provided by the competent authority, policy making, was the prerogative of the govt. high Court, in exercise of constitutional jurisdiction, could not make or alter policy of Govt. it Policy is not supported by any law or rules its right to prescribe any criteria permissible under the law. The same is reported in 2017 PLC (CS) 2020.

6. Notification or Govt Policy could not take effect retrospectively. Same is reported in 2007 PLC (CS) 229. Any executive order were not impleaded as respondents. Same is reported on 1993 PLC (CS) 14.

7. Appellants and a number of respondents being necessary parties in appeals having not been impleaded as such, any action taken/ or order made in their absence which adversely affected their interest could not at all affect their and they would not be bound thereby – such persons, held, could take up the matter of their seniority before departmental an only and get it determined a fresh.

8. Limitations would run even against a void order and an aggrieved party must approach the competent forum for redressal of his grievance within the period of limitation provided by law, same is reported in 2023 SCMR 866.

The 1st seniority of the complainant teachers was determined in the year 2018, which was updated from time to time till 2023. The committee analyzed this seniority in depth, keeping in view the established laws, rules and policy.

The committee finds it clear that the seniority of the complainant teachers along with their colleagues who have not been made party, is accurate, lawful and in accordance with law, rules and policy.
