This is to certify that Dr.Fazal Wahid Khan has been working in "The Department of Laboratory And Blood Bank" as Microbiologist and Head of Microbiology Section with Job.No. 2007/07 from 20-9-1422H To 25-4-1441H. In addition he has also been working as clinical pathologist in various sections of this department as substitute for the doctors going on vacation. He has been, in addillon, the Chief of Infection Control MCH from 20-9-1431 for almost two years.

While being in this department, he has also been teaching the students of Lab specialities from AL-Qassim Medical University Buraidah, interneees, lab technical staff and doctors the subjects of infection control and prevention, clinical microbiology and pathology. He was a very popular teacher among his students, specially for delivering clear concepts through audio-visual system. For CBAHI accreditation, he was an active member of the quality team and motivator. He was very much interested in CLSI standards and teaching and implanting them during work. During his stay with us in the department, He proved himself as a competent, dedicated, Knowledgeable and dependable doctor. He has been communicating with confidence all the time with clinical colleagues to discuss and resolve their queries with their entire satisfaction. His wonderful contributions to this department are remarkable and long-lasting memories with us. We wish him prosperous future and everlasting success in his life in this world and hereoafter.
