given our anxious consideration to both the points and are of the view that the impugned legislation done by the Provincial Government, although authorized to do so, but when placed with the constitution of Islamic Republic of Pakistan, 1973, the same would not reconcile. Before making such amendments and getting through the parliament no respect or consideration was given to the other side, who are the affectees by way of 99% of the total service structure. The Rules of Business, for the purpose were not at all followed, what so say of the directives of the top Executive Authority of the entire country. For doing such like amendments, it was incumbent upon the respondents to have consulted all the departments / attached departments of the Government, where the civil servants are the ultimate stake holders. Indeed the amendments so made and the date of retirement is a term and condition of service, but no individual grievance is involved in the instant case, as the impugned amendment has totally affected the entire category of civil servants rights from BPS-1 to 21. Even otherwise the historical and comparative study of the case law and role of superior

Mr. Afrasiab Khan Wazir, Advocate for the appellant present.

Preliminary arguments heard.

Learned counsel for the appellant contended that the appellant initially appointed on contract basis, her services were regularized vide Notification dated 24.09.2014 w.e.f. 1st July, 2012 through Khyber Pakhtunkhwa Regularization of Lady Health Workers Program and Employees (Regularization and Standardization) Act, 2014. The appellant is deprived of conveyance allowance whereas the same is being drawn in monthly salary by similarly placed employees in other districts which is a case of discrimination. Feeling aggrieved of the illegal and unlawful action for not granting the conveyance allowance, the appellant and her other colleagues approached the august Peshawar High Court, Bannu Bench in Writ Petition No. 346/2019 which was dismissed on the ground of jurisdiction under Article-212 of the constitution of Islamic Republic of Pakistan, 1973. The appellant also preferred departmental appeal on 06.04.2022 which was not responded within the statutory period whereafter the service appeal was filed on 22.08.2022.

When the learned counsel for appellant was confronted with the question of limitation he argued that conveyance allowance being a recurring cause and part and parcel of the pay, limitation does not run against such cases. No condonation of delay application has been annexed with the service appeal. At this stage, it deems appropriate to issue pre-admission notice to respondents for submission of reply/comments. Adjourned. To come up for reply/comments as well as preliminary hearing on 28.10.2022 before S.B.

Workers Program and Employees (Regularization) and Standardization), Act, 2014, the services of the present petitioners were regularized. On regularization they have attained the status of civil servants; therefore, they are also entitled to conveyance allowance, similar to the other civil servants. On the other hand it is the contention of the respondents that the said conveyance allowance is not admissible to the petitioners in a limit of street village or within the LHVs local jurisdiction, they are performing their duties in the close vicinity of their places of residence.

3. Be that as it may, once the present petitioners have acquired the status of civil servants, their claim for allowance cannot be entertained by this Court in view of jurisdictional contour as envisaged by Article 212 of Constitution of Islamic Republic of Paksitan, 1973 being one of the terms and conditions of service of a civil servant. Needless to mention that allowance constitute an essential component of pay. In view of the clear bar stated above, this petition is not maintainable which is accordingly dismissed.

To,

The Director General, Health Services
Khyber Pakhtunkhwa, Peshawar.

Subject: DEPARTMENTAL APPEAL AGAINST THE IMPUGNED ILLEGAL AND UNLAWFUL ACTION OF THE CONCERNED AUTHORITY BY NOT ALLOWING/GRANTING CONVEYANCE ALLOWANCE TO THE LADY HEALTH WORKERS.

Respected Sir,

With due respect it is stated that the appellant is the employee of your Department and is serving as Lady Health Worker (BPS-05) and performing duties quite efficiently and up to the entire satisfaction of the superiors. It is stated for kind information that Conveyance Allowance is admissible to all the civil servants and to this effect a Notification No. FD (PRC) 1-1/2011 dated 14.07.2011 was issued. Later on vide revised Notification dated 20.12.2012 the conveyance allowance for employees working in BPS 1 to 15 were enhanced/revised while employees from BPS-16 to 19 have been treated under the previous notification by not enhancing their conveyance allowance and for all civil servants/government servants conveyance allowance is allowed (except those allowed monetized value of transport or avail transport facility) irrespective of place or station of duty. Respected Sir, appellant's other colleagues of the same department in same as well other districts are receiving conveyance allowance as admissible under the law and rules but the concerned authority without any valid and justifiable reasons are not granting/allowing the payment of conveyance allowance under the wrong and illegal pretext that the same is not allowed for the reason that they are working in the limit of street, village or even with the LHW local jurisdiction which is illogical and against law and discriminatory. Conveyance is granted to other departments whether it is vocational or non vocational even if they work in local areas and near home but they are allowed. Vocational Department employee in Islamabad regarding the same issue filed service appeal No.1888 (R) CS/2016 before the Federal Service Tribunal, Islamabad for conveyance allowance which was accepted by the Honorable Service Tribunal vide its judgment dated 03.12.2018 and same is allowance is extended through Khyber Pakhtunkhwa Service Tribunal vides multiple judgments, which manifests that conveyance allowance is part and parcel of the salary and is allowed/admissible to all the civil or government servants throughout the Khyber Pakhtunkhwa province who are not provided transport facilities meaning thereby objectifying issue with the reason that the lady health workers are working in their local areas that's why they are not entitled to receive conveyance allowance is unprecedented approach of the department. As a matter of routine, on daily basis they visit families for their medical assistance and participate in anti-polio campaigns for five days in a month so much so they take infants of the community to EPI Centre/BHUs/RHC though their own arrangements or by foot and do many other tasks despite non provision of the vehicle or transport facilities etc. That appellant is also entitled to conveyance allowance as are allowed/granted to the lady health workers of same and other districts but the concerned authority is not willing to allow/grant the same conveyance allowance which is granted to other employees in the province as well. Appellant is feeling aggrieved from the inaction of the concerned authority by not allowing/granting conveyance allowance to the lady health workers, the appellant prefer this Departmental appeal before your good self to redress their legit grievances.

It is therefore, humbly prayed that on acceptance of this departmental appeal the concerned authority may very kindly be directed that the conveyance allowance may very kindly be allowed/granted and the appellant be treated at par with colleagues of same and other districts employees as conveyance allowance is admissible to all the government/civil servants in other quarter concerned.

4. That the appellant is not a civil servant but a public servant within the meaning of section 9 of the Khyber Pakhtunkhwa, Regularization of Lady Health Worker Program and Employees (Regularization and Standardization Act, 2014) hence the honorable Tribunal has no jurisdiction to adjudicate the matter.

FACTS:-

1. Correct to the extent of appointment on contract basis in the program and subsequent regularization vide Khyber Pakhtunkhwa, Regularization of Lady Health Worker Program and employees (Regularization and Standardization Act, 2014). It is worth to mention that the regularized employees of the program have been declared as public servant under section 9 of Khyber Pakhtunkhwa, regularization of Lady Health Worker Program and employees (Regularization and Standardization act, 2014). It is further to clarify that the terms and conditions their services are governed by the provisions of the Regularization Act 2014 as well as Rules made their under, hence they are not civil servant.

419

2. Incorrect. Firstly the conveyance allowance as evident from the Notifications dated 14-07-2011 and 20-12-2012, that the allowance is admissible only to the civil servants whereas the appellant is not a civil servant. Secondly, according to the definition of conveyance allowance, the allowance that is paid to an employee to compensate for the travel they have to undertake from their residence to the work place. Whereas according to the Service Rules of Lady Health Worker program, Lady Health Worker providing primary health care services to the community at their doorstep in their catchment area as evident from the guide lines of the Director General Health Services Khyber Pakhtunkhwa, Peshawar which is self-explanatory that conveyance allowance is not admissible in limit of a street, village or even with the LHW local jurisdiction as they are covering their area by foot and their office or health post is their own home, so conveyance allowance is not permissible.
3. Incorrect. Already explained in Para 2 above
4. Pertains to record. However, the appellant was to assist the honorable PHC with respect to their status as per section 9 of the Regularization Act 2014 however, malafidely the appellant concealed their status even otherwise they may knock the door of Apex Court against the judgment dated 24-03-2022 in WP No. 346/2019 instead of filling the instant appeal.
5. Pertains to record, moreover para 2 of the fact is self-explanatory.

Grounds:

- A. Incorrect. According to the definition of conveyance allowance, the allowance that is paid to an employee to compensate for the travel they have to undertake from their residence to the work place. While as per service Rules of Lady Health Worker program, Lady Health Worker providing primary health care services to the community at their doorstep in their catchment area as evident from the guide line of the Director General Health Services Khyber Pakhtunkhwa, Peshawar is self-explanatory that conveyance allowance is not admissible in limit of a street, village or even with the LHW local jurisdiction as they are covering their area by foot and their office or health post is their own home, so conveyance allowance should be allowed.

While as per service Rules of Lady Health Worker Program, Lady Health Worker providing Primary Health Care Services to the community at their doorstep in their catchment area as evident from the guide line of the Director General Health services Khyber Pakhtunkhwa, Peshawar is self-explanatory that Conveyance allowance is not admissible in limit of a street, village or even with the LHW local jurisdiction as they are covering their area by foot and their office or Health post is their own home, so no conveyance allowance should be allowed & the appeal of the appellant is devoid of merits and has no legal value, therefore, may graciously be dismissed.
