Contends that through notification issued by Secretary Excise & Taxation Department on 30.03.2010, 100% promotion to the post of Assistant Excise & Taxation Officer was to be made from amongst Inspectors with at least five years service as such. The rules introduced through notification dated 19.02.2018 by the same department included 54% of Inspectors for promotion to the post of Assistant Excise & Taxation Officer (BPS-17). The appellant thereby was jeopardized from his due promotion without any fault on his part.

Subject to all just exceptions, instant appeal is admitted to regular hearing. The appellant is directed to deposit security and process fee within 10 days. Thereafter, notices be issued to the respondents. To come up for written reply/comments on 30.11.2020 before S.B.

1. That the appellant joined the respondent department as Inspector on 09-02-17 and working quite efficiently and up to entire satisfaction of his superiors.
2. That the service structure and service rules of 2010 is only hope of inspectors to be promoted to next higher grade, and this hope of single step promotion is snatched by the deptt when the service rules 2010 is amended in 2018 and promotion quota for inspector is reduced to 54%. **Copy of service rules 2010 is attached as annexure-A.**
3. That in service rules 2010 100% promotion quota for inspector to the post of AETO was provided, because the strength of the inspector is too much i.e 181, despite the 100% quota some of the inspector retired after just one step promotion.
4. That after amendment in 2010 service rules and framing of 2018 rules and anomaly was created and the whole promotion structure of inspectors was affected which badly effect the promotion of the appellant and lesser the chances of promotion for inspector. In comparison of 2010 and 2018 rules following changes were made:

| Sno.15 | 2010                                    | 2018  |
|--------|---|---|
| AETEO  | 100% promotion Quota amongst inspectors | 6% promotion amongst superintendent<br>54% promotion amongst inspector<br>40% induction through PSC |

5. That deptt: only malafidely disturbed the promotion of inspector (field) staff by Illegal allocating 6% quota to superintendent as a result of this injustice superintendent will remain in BPS-17 only designation changed, the said rules was also challenged by superintendent.
6. That till 2018 AETO posts were filled by promotion amongst inspector which is evident from the AETO seniority list. But now when 17 post of AETO is fall vacant and The appellant while approaching the authorities for promòtion to the post of AETO came to know that Deptt: have framed new service rules 2018 wherein minimized the quota of inspector to 54% and department is off the view that the whole seats will be allocated to direct recruitment and supdt: cadre, so the inspectors have no chance of promotion in coming 10 to 15 years. **Copy of seniority list and service rules 2018 is attached as annexure-B & C.**
7. That thereafter, after getting knowledge about rules appellant within time file departmental appeal and the department has scheduled several meeting to redress the anomaly created by service rules 2018 but no fruitful result attained. **Copy of departmental appeal is attached as annexure-D.**
8. That the department did not responded to departmental appeal of the appellant within statutory period of 90 day. hence the present appeal on following grounds amongst other:

**GROUNDS:**

- A) That the impugned rules 2018 and not responding the departmental appeal within statutory period of 90 days , is against the law, facts, norms of justice and material on record, therefore not tenable and liable to be modified to the extent of Sno.15.
- B) That the department while framing 2018 rules neither taken the consent from the inspectorate cadre nor they have circulated any material in this regard. Even the appellant has no knowledge of the said rules 2018. Quite amazingly in 2018 even after framing of new rules, ETO is appointed on the basis of old rules which is evident from the seniority. So the appellant is of the view that nothing changed but the appellant know about the rules when 17 post of AETO is fall vacant and promotion of the appellant is due and he approached to deptt for promotion. **Copy of seniority list is attached as annexure-E**

- C) That the total strength of inspector cadre is 181 and the department has fixed minimum quota 54% for them in promotion which is too less for promotion to the AETO post which is 46 in strength and superintendent is 6 in strength. So the great injustice was done with inspectors in shape of reduce quota and superintendent in shape of deprived from the BS-18 Promotion. **Copy of detail sanction post is attached as annexure-F.**
- D) That now the department in the name of rationalization going to down grade, those post of inspector which laying vacant in the promotion quota with view to minimize their representation to 54% promotion quota. It is evident from the letter dated 20-09-209 of DG to Secretary that anomaly was created and rules needs amendment the anomaly was created due to decreased the promotion quota for inspector to 54% which needs to be redressed but deptt instead of restoring promotion quota for inspector going to downgrade the inspector posts in shelter of financial implications, but there is also no financial implication if the promotion quota for inspector is increase from 54% to 100% or to 80 %. Secondly the deptt: says no promotion and seniority effected which is wrong. If the promotion quota for inspector is not restored , promotion and seniority of inspector and as well as superintendent is also effected. **Copy of letter is attached as annexure-G.**
- E) That deptt: only malafidely disturbed the promotion of inspector (field) staff by Illegal allocating 6% quota to superintendent as a result of this injustice superintendent will remain in BPS-17 only designation changed, the said rules was also challenged by superintendent.
- F) That in service rules 2010 100% promotion quota for inspector to the post of AETO was provided, because the strength of the inspector is too much i.e 181, despite the 100% quota some of the inspector retired after just one step promotion.
- G) That after amendment in 2010 service rules and framing of 2018 rules and anomaly was created and the whole promotion structure of inspectors was affected which badly effect the promotion of the appelland and lesser the chances of promotion for inspector.
- H) That on perusal of service rules 2010 & 2018 of the respondent deptt it is evident that only promotion of inspectors to the post of AETO's was significantly changed and the promotion structure of the inspectors were disturbed.

- I) That the whole exercise has nullity in the eye of law as before framing the rules 2018 the deptt not consider all the aspects and without rationalizing the strength of cadres and no exercise has been done before making service rules 2018 . So. The whole impugned action of the respondents is void ab initio and not sustainable in the eye of law.
- J) That the appellant has not been treated according to law and rules.
- K) That the appellant seeks permission to advance others grounds and proofs at the time of hearing.

It is, therefore most humbly prayed that the appeal of the appellant may be accepted as prayed for.

Dated Peshawar the 28 /02/2020

To  
Secretary to Govt. of Khyber Pakhtunkhwa,  
Excise, Taxation & Narcotics Control Department,  
Peshawar, Khyber Pakhtunkhwa.

Subject:- **THROUGH PROPER CHANNEL**  
**REPRESENTATION AGAINST SERVICE RULES, 2018 DATED 19/02/2018.**

With great reverence it is humbly requested that:

1. That The applicant is Inspector of Excise, Taxation & Narcotics Control Department, Khyber Pakhtunkhwa & was promoted to Inspector on 09/02/2017.
2. Most of the Inspectors are either one step promoted or retired in the same rank.
3. That a single hope of one step promotion was snatched by the Department when the service rules 2010 were drastically amended in 2018.
4. That on perusal of service rules of 2010 & 2018 it is clearly evident that only promotion of Inspectors to the post of AETO's was significantly changed and the promotion structure of inspectors were disturbed.
5. That in Service Rules 2010, Quota for promotion of Inspectors to AETO's was 100%. Even due to that 100% quota, still most of inspectors retired after promotion to the next grade.
6. That after amendment of 2010 Service Rules and framing of 2018 rules an anomaly was created and the whole promotion structure of Inspectors was affected.
7. That in comparison of 2010 & 2018 Service Rules following changes were made at promotion at Inspectorate level:

| 2010 |                                   | 2018 |   |
|------|-----------------------------------|------|---|
| AETO | 100% promotion amongst Inspectors | AETO | 6% promotion amongst Superintendents<br>54% promotion amongst Inspectors.<br>40% inducted directly through Public Service Commission. |

8. The Department has disturbed the promotions of inspectorate (field) staff by illegally allocating 6% quota in AETO's to Superintendents. As a result of this unjust allocation, Superintendent will remain in the same scale i.e. BPS-17 only their cadre will be changed (Superintendents BPS-17 & AETO BPS-17). This does not benefits neither Superintendents nor inspectors.

| AETO | Superintendents | Inspectors |
|------|-----------------|------------|
| 47   | 7               | 182        |

9. That as of today, 67 Inspectors have served in the same scale as Inspectors for more than a decade.
10. That it is further stated that the Inspectorate staff is the backbone of this Department in collection of Government revenue and Department has great expectations from them for achieving the recovery targets in harsh and hard circumstances.
11. That despite meager resources, Inspectorate staff has left no stone unturned to hold the norms of the superiors in term of revenue collections.
12. That in comparison to other revenue collection Departments, the Excise Inspectors have minimum Salary, lack of proper & just promotion Structure, no incentives or reward system while this field staff is engaged in collection of direct taxes from the public which is a tough task.
13. That in framing of the aforesaid rules, the said rules were not circulated among present staff for seeking opinion regarding incorporation of amendments.

Date: 20/07/2019

To,

The Secretary,  
Excise, Taxation & Narcotics Control Officers,  
Khyber Pakhtunkhwa.

Subject:

**RATIONALIZATION OF VARIOUS POSTS AND AMENDMENTS IN  
SERVICE RULES FOR RESOLUTION OF ANOMALIES IN SERVICE  
STRUCTURE AND TO FULFIL REQUIREMENTS OF KHYBER  
PAKHTUNKHWA CONTROL OF NARCOTICS SUBSTANCE ACT 2019.**

Kindly refer to the subject cited above, it is stated that the undersigned constituted a reforms committee for the resolution of various issues as mentioned below (copy enclosed)

- i. Anomaly in the current Service Structure like Faulty Pyramid i.e 31 sanctioned post of Sub Inspectors, 181 sanctioned posts of Inspectors and 233 posts of Assistant Sub Inspectors, resulting in blockage of promotions.
- ii. According to the Khyber Pakhtunkhwa Control of Narcotics Substance ACT, 2019 the Excise officer below the rank of sub inspector is neither authorized to lodge FIR nor can investigate cases. Moreover, the existing strength of Sub Inspectors which is only 31 are not adequate to fulfill the requirements of the Act.
- iii. Besides, due to shortage of ministerial staff, most of Sub Inspectors are also performing the ministerial duties in district offices. Out of 31 Sub Inspector, only 1 sub inspector is performing field duty right now.

2. The above cited anomalies and need of the Department are required to be resolve in two steps, which are as follow: -

**A. Rationalization of posts (First Step): -**

- a) Presently there are 181 sanctioned posts of Inspectors, 31 sanctioned posts of Sub-Inspectors, 233 sanctioned posts of Assistant Sub Inspector, and 482 Sanctioned posts of Constables, which has created anomalies in the existing service structure.
- b) Downgrading the 31 vacant posts of Inspectors to Sub Inspectors, upgrading 88 posts of Assistant Sub Inspectors to Sub Inspectors and upgrading 30 post of Constable to Assistant Sub inspectors, as per formula of nominal financial implication. (Annexure -A).

- c) By downgrading the 31 posts of Inspectors, upgrading the 88 posts of Assistant Sub Inspectors and upgrading 30 posts of Constables the strength of the posts of Inspectors will stand at 150, that of Sub Inspectors at 150, that of Assistant Sub Inspectors at 175 and that of constables 452.
- d) The proposal for rationalization does not affect the promotion and seniority of any incumbent, and further it has nominal financial implication (as already placed at Annexure-A).

B. Service Rules (Second Step):-

Second step to resolve anomalies in service structure is to amend service rules as mentioned/proposed in (Annexure-B) with justification, for which SSRC meeting needs to be called.

3. It is therefore requested that the rationalization case (Annexure-A) may please be forwarded to Finance Department for further necessary action and regarding Service rules (Annexure-B) case step, meeting of the SSRC may be convened to amend the rules in accordance as per the draft proposal.

**PARA WISE REPLY ON BEHALF OF RESPONDENTS NO. 1-3**

**Respectfully Sheweth  
Preliminary objections**

1. The service rules 2018 came into force in February 2018 and the instant appeal has been lodged against the said rules.

**FACTS:**

1. Para-1 being a matter of record needs no comments.
2. Para-2 is contradictory as the statement that the hope of a single step promotion has been snatched by the deptt: while admitting to have the major share of 54% in promotion to the post of AETOs.
3. Para-3 is again contradictory with the statement in Para-1 as on the one hand they allege that the hope of a single step promotion has been snatched whereas in the same Para it has been stated that some of the inspectors retired after just one step promotion.
4. Para-4 is incorrect. The Service Rules 2018 is the improved version of Service Rules, 2010 providing fair chances of promotion and recruitments. The appellants are the junior most officials and according to the seniority list of inspectors, the senior most among them are at S. # 15, 17, 18, 31 & 36 whereas many among them are on S.# 126, 128, 129, 130, 132, 136. (Copy of seniority position is attached as Annexure-A) All these inspectors still have a long way to

go and certainly they will be promoted on the basis of seniority cum fitness upon their turn. Presently out of 54 posts of AETOs 30 promotee inspectors are occupying the posts of AETOs and soon many others will be promoted in accordance with their share. So far as the slow pace of their promotion is concerned, they are not the only cadre as the constables, ASIs, computer operators, the stenographers, the superintendents, the ETOs and even the Directors all have the same pace of promotions. To settle the anomaly the department is seriously considering to bring further improvements in the service structure of all service cadres including the inspectors and soon a case will be moved for consideration of the Standing Service Rules Committee (SSRC).

- 5. Para-5 is also incorrect. As per the available record, none of the superintendents of the department has challenged the service rules, 2018. The allocation of 6% quota to superintendents comes to three(03) posts only and upon promotion two(02) superintendents have willingly accepted the posts of AETOs.
- 6. Para-6 is not correct as according to Service Rules, 2018 they still have the chances of promotion and they will be considered for promotion in accordance with their share as well as their present representation.
- 7. Para-7 is again incorrect. Since the promulgation of Service Rules 2018 more than 100 promotions in different service cadres have validly been executed stretching over the entire period from its promulgation till date. How come none in the entire service cadre of inspectors remained unaware of the promulgation of the service rules 2018. The departmental appeal has not been made to respondent No. 3 as such respondent No. 3 is not in a position to offer comments.
- 8. Para-8 is already explained in Para-7 above.

**GROUND:**

- (A) As stated in Para-4 above:
- (B) Service Rules are amended/framed by the SSRC and taking consent of any service cadre is neither possible nor mandatory. Rather the SSRC frame rules judiciously taking into account many factors, like Induction of the fresh blood via initial recruitment; providing chances of promotion to the competing cadres, practice and precedents in other Government Departments. So far as the 17 vacant posts of AETOs are concerned, they all didn't fell vacant all of sudden. These became vacant upon promotion of the AETOs and retirement of AETOs.

- (C) No doubt the quota of Inspectors have been reduced by allocating 6% to Superintendents and 40 % to the initial recruitment. These quotas were allocated due to the upgradation of the post of AETO from BPS-16 to BPS-17 and that of ETO from BPS-17 to BPS-18. The service rules were amended to tune-up with the changed scenario. Previously 50% ETOs used to be inducted through the Public Service Commission. The SSRC abolished the 50% quota of initial recruitment of ETO and allocated reduced quota of 40% for initial recruitment in the AETOs service cadre. Though in the short term the Inspectors have reduced chances of promotion to the post of AETO but keeping in view the big picture, the AETOs have 100% chances of promotion to the post of ETOs which ultimately offer greater chances of promotion to the lower cadres of Inspectors and below. Therefore, exaggerated apprehensions have been raised in the appeal in hand.
- (D) No such rationalization is in process and again the apprehensions of the appellants are baseless.
- (E) There is no question of malafide. The Superintendents have neither challenged the rules nor they have any reservations rather it is only to add weightage to the claim of the appellants that they are quoting again and again the case of superintendents. The idea of encadrement is not new but in practice in the provincial services.
- (F) Again the same point has been repeated. In the long run the Inspectors have larger chances of promotion but they just have a shorter vision to see the larger interests that they and the rest of the service cadres will reap in the near future.
- (G) Again and again one point is being beaten. This para needs no further comments.
- (H) Again this point is unfounded and the appellants still have the lions share in the promotion to the post of AETO.
- (I) The Service Rules, 2018 were framed in accordance with the rules, valid for all practical reasons and very much sustainable in the eyes of law having benefitted most of the cadres.
- (J) All the service cadres including the initial recruitment have been treated in accordance with the law and rules.

45

(K) There are no other grounds but the self-centered approach of the appellants who just want to turn and manipulate everything in their favour. However, still they are invited to bring any proofs at the time of hearing and they will be duly considered and addressed.

It is therefore, requested that the appeal being devoid of merit and without any cogent reasons may be dismissed please.
