Subject: Application against Promotion on basis M P II

Respect,

With due respect it is stated in your honor that we have come to know through a reliable source that some MPH degree holder are going to make Amendment in Paramedics service structure to illegally promote to BPS 17 posts of PHC (AMP) Technicians which is unfair to senior and degree holder PHC(MP) Technicians having relative degree. Because

It is clearly mentioned in the service structure of Paramedics that the degree of MPH is not eligible for promotion in the categories of Allied Health Sciences

which have degree programs and MPH is also not basic qualification for PHC(MP) initial appointment.

MPH is also a non paramedical Non Graduated and Non Clinical course. Additionally MPH is purely a management cadre 2 years course which can't be use for the purpose of promotion as e.g. Doctors after basic education MBBS and Nurses after completion their basic nursing education are also getting MPH course to help them in the selection for management posts which are already exists in the above two mention cadres, while paramedic has no such management cadre. So it is illegal that give promotion on PHC(MP) clinical posts on the basis of MPH. We suggested and requested to develop a management cadre in paramedics to maintain MPH degrees holders on right and lawful way.

In the existing enhancement of paramedics posts, all available post of PHC Bps 17 are purely clinical and only Senior and technicians and Technologists have the right to be promoted on relevant degree/education or seniority base rather than all

irrelevant non paramedical degree holders, managers like MPH degrees holders on the basis of following facts.

- 1) MPH is a non paramedical degree, not mentioned in 18 Categories of Paramedics.
- 2) MPH is Two years, 4 semesters duration totaling 36+ credit hours of study while for other eligible BPS 17 Basic Bachelors/Degrees in Health are 4 years 8 semesters and 132+ credit hours of study.
- 3) MPH is not used for promotion purposes in any other discipline of Health department i.e Doctors and Nurses as it is not basic health education i.e not used for clinical posts promotion only used for management cader.

Therefore we request in your kind honor that please this promotion on basis MPH be kindly cancelled. Departmental Promotion Cell is also requested to please inquire how these MPH degree holders and others get their degree. Whether their educational qualification meets the eligibility criteria for MPH admission or not and also whether they have applied for admission in MPH as per rules and regulations of Health department.

We shall be very thankful to you.

Yours Sincerely,

All BS Degree Holder(Health)
